ment action taken on account of such person's sexual orientation. Nothing in this section shall require the appointment or prevent the dismissal of any person who advocates the overthrow of the government by unconstitutional and violent means. No person shall use, or promise to use directly or indirectly, any official authority or influence, whether possessed or anticipated, to secure or attempt to secure for any person an appointment or advantage in appointment to a position in the classified service, or an increase in pay or other advantage in employment in any such position, for the purpose of influencing the vote or political action of any person, or for any consideration. No employee in the state classified service shall hold any remunerative elective public office, or have other employment, either of which creates an actual, direct and substantial conflict of interest with **[his] the employee's** employment, which conflict cannot be alleviated by said employee abstaining from actions directly affecting **[his] such** classified employment. Determination of such conflict shall be made by the personnel appeals board after the parties are afforded rights to a hearing pursuant to RSA 21-I:58. The burden of proof in establishing such a conflict shall be upon the party alleging it. No action affecting said employee shall be taken by the appointing authority because of such public office or other employment until after a full hearing before and approval of such action by the personnel appeals board. If an actual, direct and substantial conflict of interest, which cannot be alleviated by abstention by the employee, is found by the personnel appeals board, the board must approve any action proposed by the appointing authority; and the employee shall be given a reasonable amount of time to leave **[his] the employee's** public office or other employment or otherwise end the conflict before the appointing authority initiates that action.

5 Reference Added; Appeals under the Personnel Rules. Amend RSA 21-I:58, I to read as follows:

I. Any permanent employee who is affected by any application of the personnel rules, except for those rules enumerated in RSA 21-I:46, I and the application of rules in classification decisions appealable under RSA 21-I:57, may appeal to the personnel appeals board within 15 calendar days of the action giving rise to the appeal. The appeal shall be heard in accordance with the procedures provided for adjudicative proceedings in RSA 541-A. If the personnel appeals board finds that the action complained of was taken by the appointing authority for any reason related to politics, religion, age, sex, race, color, ethnic background, marital status, or disabling condition, **on account of the person's sexual orientation** or was taken in violation of a statute or of rules adopted by the director, the employee shall be reinstated to the employee's former position or a position of like seniority, status, and pay. The employee shall be reinstated without loss of pay, provided that the sum shall be equal to the salary loss suffered during the period of denied compensation less any amount of compensation earned or benefits received from any other source during the period. "Any other source" shall not include compensation earned from continued casual employment during the period if the employee held the position of casual employment prior to the period, except to the extent that the number of hours worked in such casual employment increases during the period. In all cases, the personnel appeals board may reinstate an employee or otherwise change or modify any order of the appointing authority, or make such other order as it may deem just.

6 Changing Reference. Amend RSA 151:21, XVI to read as follows:

XVI. The patient shall not be denied appropriate care on the basis of race, religion, color, national origin, sex, age, disability, marital status, ~~[sexual preference]~~ or source of payment, **nor shall any such care be denied on account of the patient's sexual orientation.**

7 Changing Reference. Amend RSA 151:21-b, II(b) to read as follows:

(b) Receive appropriate and professional care without discrimination based on race, color, national origin, religion, sex, ~~[sexual preference]~~ disability, or age, **nor shall any such care be denied on account of the patient's sexual orientation.**

8 Adding Reference. Amend RSA 354-A:1 to read as follows:

354-A:1 Title and Purposes of Chapter. This chapter shall be known as the "Law Against Discrimination." It shall be deemed an exercise of the police power of the state for the protection of the public welfare, health and peace of the people of this state, and in fulfillment of the provisions of the constitution of this state concerning civil rights. The general court hereby finds and declares that practices of discrimination against any of its inhabitants because of age, sex, race, creed, color, marital status, familial status, physical or mental disability or national origin are a matter of state concern, that such discrimination not only threatens the rights and proper privileges of its inhabitants but menaces the institutions and foundation of a free democratic state and threatens the peace, order, health, safety and general welfare of the state and its inhabitants. A state agency is hereby

created with power to eliminate and prevent discrimination in employment, in places of public accommodation and in housing accommodations because of age, sex, race, creed, color, marital status, familial status, physical or mental disability or national origin as herein provided; and the commission established hereunder is hereby given general jurisdiction and power for such purposes. ***In addition, the agencies and council's so created shall exercise their authority to assure that no person be discriminated against on account of sexual orientation.***

9 New Paragraph; Definition of Sexual Orientation. Amend RSA 354-A:2 by inserting after paragraph XIV the following new paragraph:

XIV-a. "Sexual orientation" means having or being perceived as having an orientation for heterosexuality, bisexuality or homosexuality. This definition is intended to describe the states of persons and does not render lawful any conduct prohibited by the criminal laws of this state or impose any duty on a religious organization. This definition does not confer legislative approval of such status, but is intended to assure basic rights afforded under this chapter.

10 Adding Reference. Amend RSA 354-A:5, VIII and IX to read as follows:

VIII. To create such advisory agencies and conciliation councils, local, regional or statewide, as in its judgment will aid in effectuating the purpose of this chapter, and the commission may empower them to study the problems of discrimination in all or specific fields of human relationships or in specific instances of discrimination, because of age, sex, race, color, ***sexual orientation***, marital status, familial status, or physical or mental disability, religious creed or national origin, in order to foster, through community effort or otherwise, good will, cooperation and conciliation among the groups and elements of the population of the state, and make recommendations to the commission for the development of policies and procedures in general and in specific instances, and for programs of formal and informal education which the commission may recommend to the appropriate state agency. Such advisory agencies and conciliation councils shall be composed of representative citizens, serving without pay, but with reimbursement for actual and necessary traveling expenses; and the commission may make provision for technical clerical assistance to such agencies and councils and for the expenses of such assistance.

IX. To issue such publications and such results of investigations and research as in its judgment will tend to promote good will and minimize or eliminate discrimination because of age, sex, race, color, marital status, familial status, physical or mental disability, religious creed or national origin ***and on account of sexual orientation.***

11 Adding Reference. Amend RSA 354-A:6 to read as follows:

354-A:6 Opportunity for Employment Without Discrimination a Civil Right. The opportunity to obtain employment without discrimination because of age, sex, race, creed, color, marital status, physical or mental disability or national origin is hereby recognized and declared to be a civil right. ***In addition, no person shall be denied the benefits of the rights afforded by this section on account of that person's sexual orientation.***

12 Adding Reference. Amend RSA 354-A:7, I-III to read as follows:

I. For an employer, because of the age, sex, race, color, marital status, physical or mental disability, religious creed, or national origin of any individual, to refuse to hire or employ or to bar or to discharge from employment such individual or to discriminate against such individual in compensation or in terms, conditions or privileges of employment, unless based upon a bona fide occupational qualification. ***In addition, no person shall be denied the benefit of the rights afforded by this paragraph on account of that person's sexual orientation.***

II. For a labor organization, because of the age, sex, race, color, marital status, physical or mental disability, creed, or national origin of any individual, to exclude from full membership rights or to expel from its membership such individual or to discriminate in any way against any of its members or against any employer or any individual employed by an employer, unless based upon a bona fide occupational qualification. ***In addition, no person shall be denied the benefit of the rights afforded by this paragraph on account of that person's sexual orientation.***

III. For any employer or employment agency to print or circulate or to cause to be printed or circulated any statement, advertisement or publication, or to use any form of application for employment or to make any inquiry or record in connection with employment, which expresses, directly or indirectly, any limitation, specification or discrimination as to age, sex, race, color, marital status, physical or mental disability, religious creed or national origin or any intent to make any such limitation, specification or discrimination in any way on the ground of age, sex, race, color,

marital status, physical or mental disability, religious creed or national origin, unless based upon a bona fide occupational qualification; provided, however, that nothing in this chapter shall limit an employer after the offer of hire of an individual from inquiring into and keeping records of any existing or pre-existing physical or mental conditions. ***In addition, no person shall be denied the benefit of the rights afforded by this paragraph on account of that person's sexual orientation.***

13 Adding Reference. Amend RSA 354-A:8 to read as follows:

354-A:8 Equal Housing Opportunity Without Discrimination a Civil Right. The opportunity to obtain housing without discrimination because of age, sex, race, creed, color, marital status, familial status, physical or mental disability or national origin is hereby recognized and declared a civil right. ***In addition, no person shall be denied the benefit of the rights afforded by this section on account of that person's sexual orientation.***

14 Adding Reference. Amend RSA 354-A:10 to read as follows:

354-A:10 Unlawful Discriminatory Practices. It shall be an unlawful discriminatory practice for any person, being the owner, lessee, sublessee, assignee, managing agent or other person having the right to rent or lease a dwelling or commercial structure or being in the business of selling or renting dwellings or commercial structures:

I. To refuse to sell or rent after the receipt of a bona fide offer, or to refuse to negotiate for the sale or rental of, or otherwise make unavailable or deny, a dwelling or commercial structure to any person because of age, sex, race, color, marital status, familial status, physical or mental disability, religion or national origin. ***In addition, no person shall be denied the benefit of the rights afforded by this paragraph on account of that person's sexual orientation.***

II. To discriminate against any person in the terms, conditions, or privilege of sale or rental of a dwelling or commercial structure, or in the provision of services or facilities in connection therewith, because of age, sex, race, color, marital status, familial status, physical or mental disability, religion or national origin. ***In addition, no person shall be denied the benefit of the rights afforded by this paragraph on account of that person's sexual orientation.***

III. To make, print or publish, or cause to be made, printed or published, any notice, statement or advertisement, with respect to the sale or rental of a dwelling or commercial structure that indicates any preference, limitation, or discrimination based on age, sex, race, color, marital status, familial status, physical or mental disability, religion or national origin, or an intention to make any such preference, limitation or discrimination. ***In addition, no person shall be denied the benefit of the rights afforded by this paragraph on account of that person's sexual orientation.***

IV. To represent to any person because of age, sex, race, color, marital status, familial status, physical or mental disability, religion or national origin that any dwelling or commercial structure is not available for inspection, sale, or rental when such dwelling is in fact so available.

V. For profit, to induce or attempt to induce any person to sell or rent any dwelling by representations regarding the entry or prospective entry into the neighborhood of a person or persons of a particular age, sex, race, color, marital status, familial status, physical or mental disability, religion or national origin. ***In addition, no person shall be denied the benefit of the rights afforded by this paragraph on account of that person's sexual orientation.***

VI. To evict a tenant solely on the grounds that the person has acquired immune deficiency syndrome (AIDS) or is regarded to have acquired immune deficiency syndrome.

VII. For any person or other entity whose business includes engaging in residential real estate-related transactions to discriminate against any person in making available such a transaction, or in the terms or conditions of such a transaction, because of age, race, color, religion, sex, disability, familial status, marital status, or national origin. ***In addition, no person shall be denied the benefit of the rights afforded by this paragraph on account of that person's sexual orientation.***

15 Adding Reference. Amend RSA 354-A:16 and 17 to read as follows:

354-A:16 Equal Access to Public Accommodations a Civil Right. The opportunity for every individual to have equal access to places of public accommodation without discrimination because of age, sex, race, creed, color, marital status, physical or mental disability or national origin is hereby recognized and declared to be a civil right. ***In addition, no person shall be denied the benefit of the rights afforded by this section on account of that person's sexual orientation.***

354-A:17 Unlawful Discriminatory Practices in Public Accommodations. It shall be an unlawful discriminatory practice for any person, being the owner, lessee, proprietor, manager, superintendent, agent or employee of any place of public accommodation, because of the age, sex, race, creed, color, marital status, physical or mental disability or national origin of any person, directly

or indirectly, to refuse, withhold from or deny to such person any of the accommodations, advantages, facilities or privileges thereof; or, directly or indirectly, to publish, circulate, issue, display, post or mail any written or printed communication, notice or advertisement to the effect that any of the accommodations, advantages, facilities and privileges of any such place shall be refused, withheld from or denied to any person on account of age, sex, race, creed, color, marital status, physical or mental disability or national origin; or that the patronage or custom thereof of any person belonging to or purporting to be of any particular age, sex, race, creed, color, marital status, physical or mental disability or national origin is unwelcome, objectionable or acceptable, desired or solicited. *In addition, no person shall be denied the benefit of the rights afforded by this section on account of that person's sexual orientation.*

16 Clarifying Reference. Amend RSA 651:6, I(g) to read as follows:

(g) He was substantially motivated to commit the crime because of hostility towards the victim's religion, race, creed, sexual orientation *as defined in RSA 21:49*, national origin or sex; or

17 Applicability. Nothing in this act shall be interpreted to permit adoptions by homosexuals or to allow marriage of persons of the same sex.

18 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill prohibits the denial of the benefit of the rights afforded under the employment, public accommodations, and housing accommodations law on account of a person's sexual orientation.

The bill also clarifies references to sexual orientation and sexual preference in the patient's bill of rights and the criminal code.

Adopted.

Rep. Adams spoke against.

Reps. Keans and Carol Moore spoke in favor and yielded to questions.

Rep. Daniels spoke against and yielded to questions.

Rep. Cushing non-spoke in favor.

Rep. Donald White requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

Rep. Clay did not vote and wished to be recorded in favor.

Rep. Lockwood wished to be recorded in favor.

REMARKS

Rep. Kurk moved that his questions and the responses of Rep. Carol Moore be printed in the Journal. Adopted.

Rep. Kurk: Thank you, Madam Speaker. My question, Madam Speaker, is this: If I am an employer and this bill passes and I offer health insurance to my employees, would I be required under this bill to extend that also to the domestic partners of my employees who are homosexual, if I extend the insurance coverage to families of my employees?

Rep. Carol Moore: Absolutely not. This bill deals only with housing for the particular individual, public accommodations and jobs. There is nothing about covering insurance for the partners of people who are homosexual.

Rep. Kurk: Thank you Rep. Moore; thank you Madam Speaker. The second question is with the elderly exemption, which many of our communities have adopted. If this bill passes, would a community be required to extend that benefit to the homosexual partner of a person who otherwise qualifies, just as today that is extended to the spouse of a person who otherwise qualifies?

Rep. Carol Moore: I believe I just answered that, Rep. Kurk. This does not involve partners unless the partner, him or herself, is the person involved in job discrimination, housing discrimination or public accommodation discrimination. There is nothing in this bill that sanctions homosexual couples and there is nothing that guarantees rights in the same way that heterosexual marriages get benefits.

SPECIAL ORDERS (CONT'D.)

HR 16, urging that impeachment proceedings be instituted against Strafford county probate court judge Gary R. Cassavechia. **INEXPEDIENT TO LEGISLATE**

Reps. Deborah L. Woods, Barbara Hull Richardson, Marjorie K. Smith, Cynthia A. McGovern, Lionel W. Johnson, Janet G. Wall, David C. Allison, Kevin H. Smith, Alf E. Jacobson, Sandra B. Keans, Susan J. Clay and Irene A. Pratt for Judiciary and Family Law: This legislation is essentially the same as HR 51 of the 1996 session and HR 46 of the 1994 session. Both were overwhelmingly voted down by this committee and the full House. For the 3rd time this committee is convinced that this legislation is a personal vendetta against Judge Cassavechia and for the 3rd time unanimously votes ITL. It cannot be stated strongly enough that we feel this resolution has *no merit whatsoever*. Vote 13-0.

Rep. McCann moved Recommit to Committee, spoke in favor and yielded to questions.

Rep. Jacobson requested a Quorum Count.

The Speaker declared a quorum present.

Reps. Jacobson and Holden spoke against.

Rep. Mirski spoke in favor.

Rep. Cobbin spoke in favor and yielded to questions.

On a division vote, 51 members having voted in the affirmative and 286 in the negative, the motion failed.

Report adopted.

Reps. Jeb Bradley and Bonneau declared conflicts of interest and did not participate.

PROTESTS

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. McCann requested that his protest be entered on the Journal.

I submit my testimony, given before the House Judiciary and Family Law Committee on March 4, 1997, as my protest to the ill-advised vote which is a free speech issue, which was ignored by the Committee because of its bias against the prime sponsor.

I appear as a co-sponsor of HR 16 because I felt it necessary to acquaint the Judiciary Committee of my first-hand involvement with Judge Gary Cassavechia, from 1990 until he issued his unconstitutional order of July 12, 1993, wherein he ordered that I be investigated by the Attorney General's office and the office of the Strafford County Attorney. He alleged that my petition known as document #42, dated August 2, 1992, was a possible threat under RSA 640:3. This action clearly attempted to deny the people of Strafford District 11 their rights under Part I, Article 30 of the New Hampshire Constitution. This action could be deemed malpractice and/or maladministration in office which is an impeachable offense under Part 2, Article 38 of the New Hampshire Constitution. Further, the issuing of said order calls into question the mental process of the judge in defending his actions to conform with Article 80, Part 2 of the Consti-

tution regarding "Jurisdiction which shall be exercised as the legislature have directed." Since 1990, I have worked with Mr. Hemon, now Rep. Hemon, to determine how his mother's estate located in Maine and Florida would come under the jurisdiction of a New Hampshire court. To do this, I arranged for Mr. Hemon to meet with Emily Rice of the Attorney General's office. Following that meeting, I wrote to then Attorney General John Arnold on September 21, 1991. In that letter, I expressed my concern about the actions or lack thereof, and requested that the Department of Justice reconsider their position and failing that they at least provide me with reasons for their decision.

Several months later, I wrote to then Governor Judd Gregg regarding the matter. This was done not only because of my concern regarding my constituent's rights but because one of the wills in question involved a bequest to the University of New Hampshire. I believe the will, dated 25 February 1976, conveyed about a third of the estate to the UNH Mechanical Division. I expressed to Governor Gregg my concern that the University system could become a party to this case because of an impending action by Judge Cassavechia, thus incurring legal costs. Needless to say, as most members of this General Court have come to expect, the Attorney General took no action. So, only after requesting the executive branch to act, did I then consider requesting the courts to act. On August 2, 1992, I filed a petition with Judge Cassavechia which presented him with 13 facts, number 12 of which was my interest in this case for what could be learned as an example "can be a source of remedial legislation aimed at preventing acts in the future." After I filed the petition, nothing happened until Wednesday, December 16, 1992, which was two weeks after Rep. Hemon was sworn into office. During the hearing, there was discussion about various wills and I was asked about my role at the hearing by Judge Cassavechia. I reiterated by position that my interest was in future remedial legislation. I then spent the rest of the hearing as an observer while Rep. Hemon, Attorney McIntosh and Attorney Satter discussed procedures for a hearing to be held on September 29, 1993. My recollection is the hearing took less than an hour at best.

On July 12, 1993, Judge Cassavechia issued his order. In that order Judge Cassavechia characterized my petition as "an attempted infringement" of the separation of powers outlined in Part 1, Article 37, which position on the fact, may appear to some as perhaps reasonable. However, in view of Part 2, Article 4 and Part 2, Article 80, Judge Cassavechia ignores the role of the General Court to "forever have full power and authority to erect and constitute courts of record, or other courts" (Part 2, Article 4) or the fact that probate courts' power "shall be exercised....in such a manner as the legislature have directed" (Part 2, Article 80). So the Judge views Document 42 as an "infringement" of Part 2, Article 37, not a threat to him. He then proceeds to deny the petition know as Document 42. While I do not necessarily agree with his action, he is not guilty of malpractice or maladministration by dismissing Document 42. However, two paragraphs later in the order, he orders the registrar to forward a copy of Document 42 to the Attorney General's Office and to the Strafford County Attorney's office with possible sanction of my being charged with a Class B felony. So, in this instance a sitting member of the Judiciary orders the Executive Branch of government to launch an investigation against a sitting member of the General Court, with the possible outcome being a charge of a Class B felony to be handed up whereby the voters of Strafford District 11 are denied their rights under Part 1, Article 30. This action on its face is more of a violation of the separation of powers than my filing Document 42. Therefore, I must conclude that Judge Cassavechia violated Part 1, Article 37 and Part 1, Article 30 of our Constitution and in doing so is guilty of malpractice and maladministration which are impeachable offenses under the New Hampshire Constitution. Therefore, this resolution requests that in accord with Part 2, Article 17 of our Constitution this House sit in Grand Inquest and make recommendation to the Senate to impeach Judge Cassavechia. My petition did not threaten Judge Cassavechia. It told him I was looking to seek remedial legislation based on case A23695 and it asked him to address the motion of Rep. Hemon that the court declare itself without jurisdiction and answer the 85 statements submitted by Rep. Hemon. In regard to remedial legislation, I have submitted HB 394 to this Committee as a result of my inquiries into Case A23695. You will also recall that at the hearing on 20 February, 1997, Judge Maher, the head of the Probate Court, also brought to this Committee's attention the previous remedial legislation I had filed in 1993 and 1994 dealing with probate jurisdiction in accord with Part 2, Article 80. I acted in accord

with our Constitution; Judge Cassavechia tried to obstruct it by filing his threat against me on 12 July, 1993. Based on these facts, I urge you to begin impeachment proceedings by recommending a Committee of the Whole House convene this fall as a Grand Inquest to indict Judge Cassavechia in accordance with the Constitution.

When Judge Maher appeared before the Committee, he went out of his way to mislead the Committee about Keefe v. Roberts. Yes, the facts in question dealt with an internal problem of a Speaker trying to get a quorum. However, the Supreme Court had to deal with two separate articles of the Constitution, Part 1, Article 30 and Part 2, Article 21. Therefore, the Court had to take a hard look at just what rights members have. This is the only case ever and the Court came down four square on the rights of a member. So, contrary to the lie of Judge Maher, the Court took the case seriously and made a strong case for upholding the right of free speech. Specifically, the Supreme Court, in Keefe v. Roberts, compared Part 1, Article 30 as equivalent to Article 1, Section 6 of the United States Constitution which insures legislative privilege. It then went on to say that Part 1, Article 30 preserves the principle that the legislature must be free both to speak and act without fear of criminal or civil liability. "This article is the equivalent of the speech or debate clause, Article 1, Section 6 of the United States Constitution which insures legislative privilege in the federal system.

This State, in its constitution of 1784, was one of the first to preserve the principle that the legislature must be free to both speak and act without fear of criminal or civil liability, Tenney v. Brandhove, 341 U.S. 367, 375 (1951). The immunities are intended to protect the integrity of the legislative process by insuring the independence of individual legislators."

The Court further stated the immunities are intended to protect the integrity of the legislative process by insuring the independence of individual legislators. The Court then proceeded to articulate what acts are protected. They said the Constitution must be read broadly. They cited Coffin v. Coffin, 4 Mass 1,27 where Chief Justice Parsons stated, "I will not confine it to delivering an opinion, uttering a speech, or haranguing in debate; but will extend it to the giving of a vote, to the making of a written report, and to every other act resulting from the nature, and in the execution, of the office; and I would define the article as securing to every member exemption from prosecution, for everything said or done by him, as a representative, in the exercise of the functions of that office, without inquiring whether the exercise was regular according to the rules of the House, or irregular and against their rules."

When Judge Cassavechia issued his order/decreed of July 12, 1993, he was in effect filing a complaint against me. This is specifically prohibited by Part 1, Article 30 which states in part, "it cannot be the foundation of any complaint..in any place whatsoever." The Judiciary Committee totally ignored the egregious action by the Judge against one of its fellow members simply because of their bias against another member. That is wrong and justice and the Constitution demand that they correct this travesty of your rights and mine.

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. Hemon requested that his protest be entered on the Journal.

I, Representative Roland E. Hemon, Strafford 11, wish to file a protest pursuant to Article 24, Part 2 of the New Hampshire Constitution, because the House of Representatives refused to send HR 16, the matter of impeaching Judge Gary R. Cassavechia, to the Senate for trial pursuant to Article 38, Part 2 of the New Hampshire Constitution, though there were many triable issues to justify a decision for trial.

SPECIAL ORDERS (CONT'D.)

HB 768-FN, relative to certain abortions. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS

Rep. Cynthia A. McGovern for the Majority of Judiciary and Family Law: The United States Supreme Court has ruled repeatedly that a woman has a constitutionally protected right to obtain an abortion of a nonviable fetus free from government intrusion, and an abortion of a viable fetus if her life or health is at risk. Such medical decisions cannot be made by this, or any, legislature. They must remain where they belong - with the woman, her conscience and her physician. HB 768 places an impermissible and unconstitutional burden on a woman's right to choose. Vote 9-7. Rep. Paul M. Mirski for the Minority of Judiciary and Family Law: Partial birth abortion is a procedure which entails delivering a baby in the breech position until only its head is left in the mother. At this point, scissors are used to open a hole in the upper portion of the baby's neck, a

catheter tube is then inserted in the hole created by the scissors in order to suck the baby's brains out, collapsing the skull and permitting delivery of the inert remains. Every doctor testifying at the hearing supported the bill and described the procedure as barbaric, gruesome, and unnecessary. They all agreed that this procedure falls just short of legal infanticide.

Reps. Patricia Krueger and Flora spoke against and yielded to questions.

Reps. Marjorie Smith, Schotanus and Hager spoke in favor and yielded to questions.

Rep. Mary Brown spoke against.

Rep. Kevin Smith requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

RECESS

(Speaker Sytek in the Chair)

SPECIAL ORDERS (CONT'D.)

HB 633, requiring employers to offer a point-of-service option. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: RE-REFER TO COMMITTEE.

Rep. George D. Murch, III for the Majority of Labor, Industrial and Rehabilitative Services : This bill would require all employers who offer health care to also offer point-of-service options even if employees do not sign up for the option. This is an employer mandate. This mandate potentially

adds significant administrative burdens that could force some small businesses to drop out of providing health care altogether. The majority feels that most employers try to meet the health care needs of their employees without being mandated to do so. Vote 10-5.

Rep. Rebecca C. Hutchinson for the Minority of Labor, Industrial and Rehabilitative Services: The sponsor requested to have this bill re-referred to address concerns of the subcommittee. The point-of-service option, allowing employees to receive services outside a provider network, is important and merits further study. The intent of this bill is for the employee, not the employer, to pay any additional costs that may be incurred.

Majority report adopted.

HB 495, prohibiting registered lobbyists from serving on the legislative ethics committee **OUGHT TO PASS WITH AMENDMENT**

Rep. Warren C. Henderson for Legislative Administration: The Legislative Ethics Committee has worked hard to deal with complex and sensitive issues while withstanding criticism about its goals, its members and its legality. The house has clearly spoken about the appropriateness of maintaining an Ethics Committee. This bill would assure that lobbyists could not sit on that Ethics Committee in judgment of legislators. The committee stressed that this bill does not in any way adversely reflect on the current makeup of the Ethics Committee. Vote 11-2.

Amendment (0589h)

Amend the bill by replacing all after the enacting clause with the following:

I Membership on Legislative Ethics Committee. Amend RSA 14-B:2, II to read as follows:

II. *No person registered with the secretary of state as a lobbyist under RSA 15 shall serve as a member of the legislative ethics committee.*

III. A committee meeting shall be called within 60 days of the convening of each biennial session. The members shall elect a chairperson and vice-chairperson at this meeting. The members shall serve for the biennium and shall not be removed from the committee for any reason except for good cause by unanimous vote of the remaining committee members. Members shall receive no compensation, except that legislative members shall receive mileage at the legislative rate and public members shall receive mileage at the state employee rate.

2 Effective Date. This act shall take effect July 1, 1997.

Adopted.

Report adopted and ordered to third reading.

Reps. Jeb Bradley and Bonneau declared conflicts of interest and did not participate.

HB 622-FN, requiring legislative approval of certain out-of-court settlements of claims against the state. **OUGHT TO PASS WITH AMENDMENT**

Rep. DonnaLee Lozeau for Legislative Administration: This bill requires that all settlements that would have a substantial financial impact on the state budget must be approved by the legislature. While current state law prohibits state officials from agreeing to settlements beyond appropriated funds, this bill sets out a procedure for legislative review of those legal settlements resulting in financial commitments in excess of ¼ of one percent of the previous year's general fund unrestricted revenues. (In 1997, this figure is \$2,047,000). The threshold amount requiring review will be adjusted annually by the Legislative Budget Assistant based on the previous year's general fund unrestricted revenues. Vote 10-2.

Amendment (0693h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to legislative approval of settlements of court claims against the state.

Amend the bill by replacing all after the enacting clause with the following:

I New Subdivision; Settlements of Court Claims Against the State. Amend RSA 14 by inserting after section 35-a the following new subdivision:

Approval of Court Settlements

14:35-b Settlements of Court Claims Against the State.

I. Any settlement of a claim against the state in which the state through its attorneys agrees to a commitment with financial consequences in excess of ¼ of one percent or more of total reported general fund revenues for the previous fiscal year as reported by the legislative budget assistant pursuant to paragraph II shall be subject to the approval of the legislature.

II. The legislative budget assistant shall report to the attorney general on January 1 of each year the latest available audited general fund unrestricted revenues for the previous fiscal year as well as the threshold amount at which a financial settlement would be subject to legislative approval pursuant to paragraph I.

III. Any proposed settlement subject to this section shall be presented as legislation in the next convened session of the legislature and acted upon in the same manner as any other bill.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires legislative approval of certain settlements of court claims against the state.

Adopted.

Report adopted and ordered to third reading.

HB 337-L, allowing a municipality to reduce the property tax on improvements. RE-REFER TO COMMITTEE

Rep. Jean R. Wallin for Local and Regulated Revenues: This bill has raised many issues which the committee would like to review during the summer. Vote 11-3.

Adopted.

CACR 10, relating to municipalities' home rule. Providing that municipalities shall have home rule authority to exercise any powers not specifically prohibited by the state or federal constitutions or any statute adopted by the legislature. OUGHT TO PASS WITH AMENDMENT

Rep. Joseph E. Stone for Municipal and County Government: The bill provides that municipalities shall have home rule authority to exercise any powers not specifically prohibited by the state or federal constitutions. As a result of this change, municipalities will have greater flexibility to deal with the increased responsibilities that they face in today's more competitive world. The amendment deleted language which could have provided confusion with regard to bills passed by the legislature but not enacted into law. The committee recommends that once this is approved by a 2/3 vote by the people of New Hampshire an appropriate transition committee be established to work on issues resulting from this change in the constitution. Vote 17-0.

Amendment (0191h)

Amend the title of the resolution by replacing it with the following:

RELATING TO: municipalities' home rule.

PROVIDING THAT: municipalities shall have home rule authority to exercise any powers not specifically prohibited by the state or federal constitutions or any statute.

Amend the resolution by replacing paragraph I with the following:

I. That the first part of the constitution be amended by inserting after article 39 the following new article:

[Art.] 40 [Home Rule Authority Granted.] A municipality may exercise any powers and perform any functions pertaining to its government and affairs, unless specifically prohibited from doing so by the state or federal constitutions or by any statute.

Amend the resolution by replacing paragraph IV with the following:

IV. That the wording of the question put to the qualified voters shall be:

Are you in favor of amending the constitution to allow home rule for municipalities, unless specific functions are prohibited by the state or federal constitutions or by any statute.

AMENDED ANALYSIS

This constitutional amendment-concurrent resolution provides home rule authority to municipalities, so that they may exercise any powers not specifically prohibited by the state and federal constitutions or by statute.

Adopted.

Rep. Fraser spoke in favor.

Reps. Stone and Burling spoke in favor and yielded to questions.

Reps. Metzger and Robert Johnson requested a roll call; sufficiently seconded.

The question being the adoption of the report.

SUSPENSION OF RULES

Reps. Wheeler and Burling moved that the Rules be so far suspended as to permit third reading and final passage at the present time of **CACR 10**, relating to municipalities' home rule. Providing that municipalities shall have home rule authority to exercise any powers not specifically prohibited by the state or federal constitutions or any statute.

MOTION ON CACR

Reps. Wheeler and Burling moved that **CACR 10**, relating to municipalities' home rule. Providing that municipalities shall have home rule authority to exercise any powers not specifically prohibited by the state or federal constitutions or any statute, be read a third time and passed.

On a division vote, 323 members having voted in the affirmative and 26 in the negative, **CACR 10** was adopted by the constitutionally required three-fifths.

Third reading and final passage

CACR 10, relating to municipalities' home rule. Providing that municipalities shall have home rule authority to exercise any powers not specifically prohibited by the state or federal constitutions or any statute.

SPECIAL ORDERS (CONT'D.)

HB 653-L, relative to address numbers on streets and highways and relative to penalties for violations of certain planning and zoning laws. **OUGHT TO PASS WITH AMENDMENT**
Rep. Betsey L Patten for Municipal and County Government: The first section of this bill addresses the notification process when a numbering change happens within a community. The governing body or the planning board may hold a public hearing if they deem it necessary. The municipali-

ties are also encouraged to notify the bureau of emergency communications to keep the E911 database up to date. The second part of the bill increases the fines for transferring lots in unapproved subdivisions from \$500 per lot/per day to \$1000 per lot/per day to curb this type of action. Vote 13-0.

Amendment (0651h)

Amend the bill by replacing section 1 with the following:

1 Address Numbers on Streets and Highways. Amend RSA 231:133-a to read as follows:
 231:133-a Address Numbers on Streets and Highways. The governing body may adopt a system for assigning or altering address numbers of buildings and other property along any public or private way in the municipality. Prior to the actual assignment or alteration of numbers along any way or portion of any way the governing body *or planning board* shall hold a public hearing for which 10 days' notice has been given by posting in 2 public places in the municipality, by publication in a newspaper in circulation in the municipality, and by first class mail to all owners of property being numbered or renumbered, as indicated by town records. *No public hearing shall be required where the property owner or owners voluntarily consent to their property being numbered or renumbered, as indicated by town records. Each municipality addressing numbers on streets and highways pursuant to this section is encouraged to notify the bureau of emergency communications of the changes in accordance with RSA 106-H:10.*

Amend the bill by inserting after the enacting clause the following and renumbering the original section 1-5 to read as 2-6:

1 Notification to Enhanced 911 System. Amend RSA 106-H:10 to read as follows:

106-H:10 Municipal Cooperation. Each municipality is encouraged to establish a customer data base containing information to identify the location of each telephone number within the municipality *and is encouraged to notify the bureau of any changes*. Customer information provided under this chapter may be used only for the purposes of responding to emergency calls or for the investigation of false or intentionally misleading reports of incidents requiring emergency services.

AMENDED ANALYSIS

This bill allows for the administrative renumbering of property in certain situations and encourages notification of the renumbering to the enhanced 911 system. The bill also increases the penalty for transferring lots in unapproved subdivisions and other violations of the planning and zoning laws.

Adopted.

Report adopted and ordered to third reading.

HB 743-FN-L, relative to the municipal option to impose additional fees for motor vehicle registration permits to fund public parking facilities. **INEXPEDIENT TO LEGISLATE**

Rep. Robert A. Lockwood for Municipal and County Government: This bill would have repealed an enabling statute passed which allowed cities of over 50,000 population to administer a surcharge on local vehicle registrations to help fund maintenance costs for public parking garages. Manchester exercised this option. The Manchester Board of Mayor and Alderman voted on March 4, 1997 to abandon the surcharge policy effective in June, thus settling their problems through "home rule". The committee was reluctant to repeal at this time because it was not aware if there is any other such activity ongoing under this RSA. Vote 17-1.

Rep. D'Allesandro spoke against and yielded to questions.

Rep. Pepino spoke against.

Rep. Metzger spoke in favor.

HB 294-L, relative to the placement of off-premises advertising devices in municipalities which prohibit such advertising devices. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Paul I. LaMott for the Majority of Public Works and Highways: This bill as amended only deals with Department of Transportation designated business directional signs and their placement along New Hampshire highways exclusive of turnpikes and interstate highways. These signs are from 9 to 20 inches high, and 3 to 8 feet long depending on the area's speed limits. A number of

towns in New Hampshire have zoning laws that prohibit off-premise signs and for years the Department of Transportation informally acknowledged those laws by not placing any off-premise business directional signs in towns that had such a prohibition. Unfortunately, challenges to that informal action resulted in a Department of Transportation decision that since there was no law prohibiting these placements, they were powerless to deny applications. Hence, this amended bill. This is simply an issue of fairness. If business A is located off the highway in a township that does not allow off-premise signs, and does not qualify for a state directional sign due to the type of business, they're stuck. Yet, business B in the next town who qualifies for a business directional sign can have an off-premise sign in business A's town when business A cannot. This bill will still allow off-premise business directional signs, but they will need to be placed within the town in which the advertised business is located. Vote 15-2.

Rep. Steve Vaillancourt for the Minority of Public Works and Highways: The minority believes that these signs serve as a service to the traveling public and should be viewed as a plus rather than a minus. The minority further believes that the Department of Transportation has not abused the privilege of placing these blue and white signs which are situated on the state right-of-way and not on private property.

Amendment (0498h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the placement of off-premises business directional signs in municipalities which prohibit such advertising devices.

Amend the bill by replacing section 1 with the following:

1 New Section; Off-Premises Advertising Devices. Amend RSA 236 by inserting after section 74 the following new section:

236:74-a Off-Premises Advertising Devices. Notwithstanding any provision of law to the contrary, the department of transportation shall not permit the installation of any business directional sign which advertises a business or activity which is not located within a municipality, if such municipality has a local ordinance prohibiting off-premises advertising devices. Any business directional sign which is not in compliance with this section shall be removed within 3 years of the effective date of this section.

AMENDED ANALYSIS

This bill declares that the department of transportation shall not permit the installation of any business directional sign advertising a business or activity which is not located within a municipality which has a local zoning ordinance preventing off-premises advertising devices.

Adopted.

Majority report adopted and ordered to third reading.

HB 544, relative to reconstruction or repair of boathouses which are suitable for use as dwellings. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE

Rep. William E. Williams, Jr. for the Majority of Resources, Recreation and Development: RSA 482-A:26 III does not allow a dwelling over water to be reconstructed within its original footprint in the case of obsolescence, fire, storm damage, or pestilence. These legal, non-conforming structures presently can only be repaired. This bill solves this problem. Vote 15-1.

Rep. Mary Ellen Martin for the Minority of Resources, Recreation and Development: All the waters in the State of New Hampshire are owned by the public and held in trust for them by the state via the Public Trust Doctrine. This legislature is appointed as guardians of the public trust and has both the authority and the responsibility to preserve and protect these waters and lands for the public good. In some instances, waterfront property owners have exceeded their one special right to wharf out over public lands, (i.e. read "dock") in order to access the water. Some have built homes or other structures beyond their property line (the high water mark) and out over or in the water (public land). This bill says in effect, "Hey, that's o.k. - You can have that land". It allows them to reconstruct these structures, in effect giving them the lands they encroached on forever. This is a "taking" of public trust lands. This creates two groups of waterfront property owners with unequal rights - also unconstitutional! One group stayed within their property lines, one did not. This legislature has the authority to do so, but it is certainly a violation of their responsibilities as guardians for all the people. This is a wrongful act, which we don't have the right to do!

Amendment (0755h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to dwellings which extend over public waters.

Amend the bill by deleting section 1 and renumbering the original sections 2-5 to read as 1-4, respectively.

Amend RSA 482-A:26, III as inserted by section 2 of the bill by replacing it with the following:
1 Construction, Reconstruction, or Repair of Dwellings Over Water. Amend RSA 482-A:26 to read as follows:

482-A:26 [Residential Use Prohibited] Dwellings Over Water.

I. No person shall construct ~~[or reconstruct]~~ any structure ~~[intended]~~ *suitable* for use as a dwelling if ~~[said]~~ *the* structure or any part of ~~[said]~~ *the* structure extends beyond the shoreline of any public water or publicly-owned water body. ~~[For the purposes of this paragraph, "the shoreline" shall be that shoreline which exists when the surface of the water is at the mean high water level.]~~

II. No person shall convert or modify any existing structure in order to make ~~[said]~~ *the* structure suitable as a dwelling if ~~[said]~~ *the* structure or any part of ~~[said]~~ *the* structure extends beyond the shoreline of any public water or publicly-owned water body. ~~[For the purposes of this paragraph, "the shoreline" shall be that shoreline which exists when the surface of the water is at the mean high water level.]~~

2 New Paragraphs; Reconstruction or Repair of Dwellings Over Water. Amend RSA 482-A:26 by inserting after paragraph II the following new paragraphs:

III. Existing dwellings over water which were constructed or converted to be made suitable for use as a dwelling in accordance with the law in effect at the time of construction or conversion, may be repaired or reconstructed using any modern technologies. Such repair or reconstruction may alter the interior design or existing cribwork, but no expansion of the existing footprint or outside dimensions shall be permitted. A condition of RSA 482-A:3 approval shall be the existence or installation of a sewage disposal system which has been approved pursuant to RSA 485-A:29-44. No permit shall be required for routine maintenance that does not involve work in the water.

IV. For the purposes of this section:

(a) "Dwelling over water" means any structure suitable for use as a dwelling which extends in any part beyond the shoreline of any public water or public-owned water body.

(b) "Shoreline" means that shoreline which exists when the surface of the water is at the mean high water level.

(c) "Suitable for use as a dwelling" means any structure which is used for residential purposes by one or more persons, or which contains kitchen, bathroom, shower, or toilet facilities.

V. The provisions of RSA 482-A:10, relative to reconsideration and appeals, and RSA 482-A:10-a, relative to takings without compensation, shall apply to all decisions of the department made under paragraph III.

AMENDED ANALYSIS

This bill requires any person reconstructing or repairing a dwelling which extends over public waters to obtain a septic system approval.

Adopted.

Reps. Martin and Jacobson spoke against.

Reps. Dickinson and William Williams spoke in favor and yielded to questions.

Rep. Martin requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

HB 547, relative to granting permits to build certain structures on shoreline property. **MAJORITY: RE-REFER TO COMMITTEE. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Michael D. Whalley for the Majority of Resources, Recreation and Development: This bill deals with the granting of permits by the Department of Environmental Services to an owner of shoreline on public waters to construct docks or structures extending into the water. Under the common law public trust doctrine, the state owns the waters of the state and much of the beds beneath the waters, holding them in trust for the benefit of the public, while property owners have a right to wharf out and make reasonable use of their shorefront property. As mentioned in the Committee Report with regard to HB 272, the Department of Environmental Services is in the process of drafting proposed rules relating to shoreline structures. For this reason, the committee believes re-referred is the best action at this time to deal with those proposed rules. Vote 12-5.

Rep. Deborah F. Merritt for the Minority of Resources, Recreation and Development : The minority believes that the acceptance of certain structures as consistent with the public trust doctrine is a violation of historical case law. The state holds all waters in public trust and the Department of Environmental Services ability to adopt rules regulating such structures is predicated on this doctrine. Majority report adopted.

HB 628, relative to leasing Mount Sunapee and Cannon Mountain ski areas based on the prototype lease developed pursuant to prior legislation. **OUGHT TO PASS WITH AMENDMENT**

Rep. Michael D. Whalley for Resources, Recreation and Development: This bill as amended provides appropriate legislative oversight in determining the future of Cannon Mountain Ski Area and Mt. Sunapee Ski Area. The bill as amended requires the Commissioner of the Department of Resources and Economic Development to develop and issue a request for proposals for an agreement or contract to include but not be limited to a lease, concession agreement, or management contract for the Mount Sunapee or Cannon Mountain Ski Area operations or both in consultation with a legislative committee established by this legislation. This bill also requires an agreement or contract recommended by the Commissioner be approved by the capital budget overview committee before that agreement takes effect. This bill also requires the Commissioner of the Department of Resources and Economic Development to report on the disposition of ski area employees affected by any agreement or contract.

Amendment (0707h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to an agreement or contract for the Mount Sunapee or Cannon Mountain ski area operations, or both, establishing a committee to develop a proposal and review responses, and requiring review of any agreement or contract by the capital budget overview committee.

Amend the bill by replacing all after the enacting clause with the following:

1 Mount Sunapee and Cannon Mountain; Request for Proposals.

I. Notwithstanding any other provision of law, the commissioner of the department of resources and economic development shall, in consultation with the committee established in section 2 of this act, develop and issue a request for proposals to include but not be limited to a lease, concession agreement, or management contract for the Mount Sunapee or Cannon Mountain ski area operations or both.

II. The request for proposals shall include but not be limited to the following terms, conditions, and provisions:

- (a) Length of the agreement.
- (b) Assets to be included.
- (c) Outline of master plan.
- (d) Environmental regulation and controls including but not limited to:
 - (1) Soils,
 - (2) Water quality,
 - (3) Wetlands,
 - (4) Wildlife habitat,
 - (5) Scenic and aesthetic qualities,
 - (6) Multi-seasonal recreational opportunities,
 - (7) Forestry issues.
- (e) Expansion limitations.
- (f) State and local regulatory authority.
- (g) Operational responsibilities remaining with the state.
- (h) Requirement of performance bonds.
- (i) Past practices and agreements.
- (j) Repurchase.
- (k) Federal agency requirements, conditions, and regulations.
- (l) Consideration of state employees.

III. All responses to a request for proposals developed under this act shall be reviewed by the committee established in section 2 of this act in cooperation with the commissioner of resources and economic development.

2 Committee Established. There is established a committee for the purpose of advising the commissioner of resources and economic development, pursuant to section 1 of this act, on the creation of a request for proposals and the review of any responses to a request for proposals.

I. The committee shall consist of the following members:

(a) Ten members of the house of representatives, at least 3 of whom shall be members of the democratic party, and at least 8 of whom shall be members of the resources, recreation, and development committee, appointed by the speaker of the house.

(b) Four members of the senate, at least 1 of whom shall be a member of the democratic party, appointed by the president of the senate.

II. The members of the committee shall elect a chairperson from among its members. Members shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Review by Capital Budget Overview Committee. Any agreement or contract recommended pursuant to this act shall be submitted to the capital budget overview committee established in RSA 17-J for review and approval. No agreement or contract shall take effect until such approval is obtained.

4 Report on Future Status of Ski Area Employees. The commissioner of the department of resources and economic development shall provide along with any agreement or contract submitted under section 3 of this act, a report on the disposition of employees of the ski areas at Mount Sunapee or Cannon Mountain, or both.

5 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires the commissioner of resources and economic development to develop and issue a request for proposals for an agreement or contract for the Mount Sunapee or Cannon Mountain ski area operations, or both, in consultation with a legislative committee, and requires any agreement or contract to be approved by the capital budget overview committee.

This bill also requires the commissioner of resources and economic development to report on the disposition of ski area employees in any agreement or contract.

Adopted.

HB 693, establishing a house committee to examine water quality issues. **OUGHT TO PASS WITH AMENDMENT**

Rep. Deborah F. Merritt for Resources, Recreation and Development: This bill establishes a house committee to look at water quality issues including a centralized data system for water quality data, to develop an incentive system to reduce toxins, and the impact of water quality on growth and economic development. The committee will also look at the findings of The Comparative Risk Analysis project. Vote 11-5.

Amendment (0743h)

Amend the bill by replacing section 5 with the following:

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house, the house clerk, the governor, and the state library on or before November 1, 1998.

Adopted.

HB 528-L, relative to municipal water, gas and electric utilities. **OUGHT TO PASS WITH AMENDMENT**

Reps. Clifton C. Below and Jeb E. Bradley for Science, Technology and Energy: This legislation repeals and reenacts RSA 38 which allows for municipalization of electric, gas, or water systems by towns and cities. The provisions of this statute have not been updated in many years and are cumbersome for any community seeking to municipalize utility services. With competition coming in the electric industry, the committee believes that towns and cities need the option to municipalize electric utility services if there is to be a level playing field with utilities that might seek to delay implementation of competition. The provisions in this bill are balanced as the Public Utilities Commission must determine if a municipalization is in the public interest. A two thirds favorable vote by a city or town would, however, constitute a rebuttable presumption of public interest. Furthermore, there are protections for residents of a community that are not customers of a municipal utility. Vote 17-0.

Amendment (0722h)

Amend the bill by replacing all after the enacting clause with the following:

1 Municipal Electric, Gas, or Water Systems. RSA 38 is repealed and reenacted to read as follows:

CHAPTER 38

MUNICIPAL ELECTRIC, GAS, OR WATER SYSTEMS

38:1 Definitions. In this chapter:

I. "Commission" means the public utilities commission, unless the context otherwise indicates.

II. "Utility" means any public utility engaged in the manufacture, generation, distribution, or sale of electricity, gas or water in the state.

III. "Municipality" means any city, town, unincorporated town, unorganized place, or village district within the state.

IV. "Municipal water company," means any water distribution system or water supply utility, owned or operated by a municipality, whether as a municipal department, separate company, or otherwise.

38:2 Establishment, Acquisition and Expansion of Plants. Any municipality may:

I. Establish, expand, take, purchase, lease, or otherwise acquire and maintain and operate in accordance with the provisions of this chapter, one or more suitable plants for the manufacture and distribution of electricity, gas, or water for municipal use, for the use of its inhabitants and others, and for such other purposes as may be permitted, authorized, or directed by the commission.

II. For these purposes, take, purchase and hold in fee simple or otherwise lease or otherwise acquire and maintain any real or personal estate and any rights therein, including water rights.

III. Do all other things necessary for carrying into effect the purposes of this chapter.

IV. Excavate and dig conduits and ditches in any highway or other land or place, and erect poles, place wires, and lay pipes for the transmission and distribution of electricity, gas, and water in such places as may be deemed necessary and proper.

V. Change, enlarge, and extend the same from time to time when the municipality shall deem necessary, and maintain the same, having due regard for the safety and welfare of its citizens and security of the public travel.

38:3 By Cities. Any city may initially establish such a plant after 2/3 of the members of the governing body shall have voted, subject to the veto power of the mayor as provided by law, that it is expedient to do so, and after such action by the city council shall have been confirmed by a majority of the qualified voters at a regular election or at a special meeting duly warned in either case. Such confirming vote shall be had within one year from the date of the vote to establish such a plant, and if favorable, shall create a rebuttable presumption that such action is in the public interest. If the vote is unfavorable, the question shall not be again submitted to the voters within 2 years thereafter.

38:4 By Towns or Village Districts. Any town or village district may initially establish such a plant after 2/3 of all the voters present and voting at an annual or special meeting, duly warned in either case, have voted by ballot with the use of the checklist that it is expedient to do so. A favorable vote to establish such a plant shall create a rebuttable presumption that such action is in the public interest. If such vote is unfavorable, the question shall not be again submitted to the voters within 2 years thereafter.

38:5 By Unincorporated Towns and Unorganized Places. Any unincorporated town or unorganized place may initially establish such a plant after 2/3 of the members of the county convention shall have voted that it is expedient to do so, and, if there are any registered voters in that unincorporated town or unorganized place, after such action by the county convention shall have been confirmed by a majority of the qualified votes in that unincorporated town or unorganized place at a regular election or at a special meeting duly warned in either case. Such confirming vote shall be had within one year from the date of the vote to establish such a plant, and if favorable, shall create a rebuttable presumption that such action is in the public interest. If the vote is unfavorable, the question shall not be again submitted to the voters within 2 years thereafter.

38:6 Notice to Utility. Within 30 days after the confirming vote provided for in RSA 38:3, 38:4, or 38:5 the governing body shall notify in writing any utility engaged, at the time of the vote, in generating or distributing electricity, gas, or water for sale in the municipality, of the vote. The municipality notifying any utility in such manner may purchase all or such portion of the utility's plant and property located within such municipality that the governing body determines to be necessary for the municipal utility service, and shall purchase that portion, if any, lying without the municipality which the public interest may require, pursuant to RSA 38:11 as determined by the commission. The notice to such utility shall include an inquiry as to whether the utility elects to sell, in the manner hereinafter provided, that portion of its plant and property located within or without the municipality which the municipality has identified as being necessary for the municipal utility service.

38:7 Reply by Utility. The utility shall reply to the inquiry provided for in RSA 38:6 by delivering its answer in writing to the governing body within 60 days of the receipt of the inquiry. If the reply is in the negative, or if the reply is not made within the 60 days, the utility thereby forfeits any right it may have had to require the purchase of its plant and property by the municipality, and the municipality may proceed to acquire the plant as provided in RSA 38:10. If the reply is in the affirmative, the utility shall submit the price and terms it is willing to accept for all of its plant and property identified by the municipality in its inquiry, together with a detailed schedule of such plant and property with proper evidence of title. All of the plant and property identified by the municipality shall at all reasonable times thereafter be open to the examination of the officers and agents of the municipality and others charged with the duty of determining the fair value of the property.

38:8 By Agreement. The governing body of a municipality may negotiate and agree with the utility upon the price to be paid for such plant and property; provided, however, that such agreement shall not be binding upon the municipality until ratified pursuant to RSA 38:13.

38:9 Valuation.

I. If the municipality and the utility fail to agree upon a price, or if it cannot be agreed as to how much, if any, of the plant and property lying within or without the municipality the public interest requires the municipality to purchase, or if the schedules of property submitted in accordance with RSA 38:7 are not satisfactory, either the municipality or the utility may petition the commission for a determination of these questions.

II. The commission, after proper notice and hearing, shall decide the matters in dispute.

III. When required to fix the price to be paid for such plant and property, the commission shall determine the amount of damages, if any, caused by the severance of the plant and property proposed to be purchased from the other plant and property of the owner. In the case of electric utilities, such amount shall be limited to the value of such plant and property and the cost of direct remedial requirements, such as new through-connections in transmission lines, and shall exclude consequential damages such as stranded investment in generation, storage, or supply arrangements which shall be determined as provided in RSA 38:33.

IV. The expense to the commission for the investigation of the matters covered by the petition, including the amounts expended for experts, accountants, or other assistants, and salaries and expenses of all employees of the commission for the time actually devoted to the investigation, but not including any part of the salaries of the commissioners, shall be paid by the parties involved, in the manner fixed by the commission.

38:10 Construction or Condemnation. If the utility shall have replied to the inquiry provided for in RSA 38:7 in the negative or if it shall have failed to reply within the time prescribed in RSA 38:7, the municipality, in the event that it shall have passed the vote or votes required in RSA 38:3, 38:4, and 38:5 and after the commission upon proper notice and hearing has determined that it is in the public interest to do so, may construct a municipal plant or may take all or any portion of such private plant and property by condemnation, paying therefor just compensation determined in the manner provided in RSA 38:9.

38:11 Public Interest Determination by Commission. When making a determination as to whether the purchase or taking of utility plant or property is in the public interest under this chapter, the commission may set conditions and issue orders to satisfy the public interest. The commission need not make any public interest determinations when the municipality and utility agree upon the sale of utility plant and property.

38:12 Expansion of Existing Municipals. A municipality that has an existing municipal plant may expand such plant or may purchase or take, in the manner prescribed in RSA 38:6-11 and RSA 38:33, all or a portion of such plant owned by a utility which is necessary for expanded municipal utility service. Such action shall not require any further vote under RSA 38:3, 38:4, or 38:5.

38:13 Ratification. Within 90 days of the final determination of the price to be paid for the plant and property to be acquired under the provisions of RSA 38:8, 38:9 or 38:10 and any consequential damages under RSA 38:33, the municipality shall decide whether or not to acquire the plant and property at such price by a vote to issue bonds and notes pursuant to RSA 33-B as may be necessary and expedient for the purpose of defraying the cost of purchasing or taking the plant, property, or facilities of the utility which the municipality may thus acquire. The municipality is authorized to hold a special meeting, if necessary, to take such vote without having to petition the superior court for permission to do so. An affirmative vote under RSA 33-B shall constitute ratification on the part of the municipality of the final determination of the price to be paid for the plant and property under the provisions of RSA 38:8, 38:9, or 38:10 and any consequential damages under RSA 38:33. If the money is so raised it shall immediately be paid to the utility, which shall thereupon execute a proper conveyance and surrender the plant and property to the municipality. If the ratifying vote provided for in this section shall be in the negative, no other action under this chapter shall be had during the ensuing period of 2 years.

38:14 Operation of Plant. A municipality, which has so acquired the plant, property, or facilities of a public utility in any other municipality, may operate within such other municipality as a public utility with the same rights and franchises which the owners of such outlying plant, as purchased, would have had such purchase not been made. The operation by a municipality outside its own limits shall be subject to the jurisdiction of the commission except as provided in RSA 362. If the outlying municipality shall itself vote to establish a municipal plant all the provisions of this chapter shall be binding as to such determination.

38:15 Taking Property. Any such municipality may enter upon and take by eminent domain any land or any interest in land or water right within its limits, or in the case of a village district within the limits of the town or towns within which it is situated, which may be necessary for the construction, extension, or maintenance of its plant, and shall pay all damages sustained thereby, or by any other thing done under the authority of this chapter.

38:16 Damages. If the municipality shall not agree with the owner of the property referenced in RSA 38:15 as to damages, either party may apply to the superior court in the county where the town or district is located, or if the municipality is a village district then to the board of selectmen of the town or towns within which the village district is situated, to have the same laid out and the damages determined and proceedings thereon shall be as upon a petition for the laying out of a highway.

38:17 Supply Contracts. Any such municipality may contract with individuals, corporations, and other municipalities and the citizens of such other municipalities for supplying them with electricity, gas, or water for any of the purposes named or contemplated in this chapter, and make such contracts, and establish such regulations and such reasonable rates for the use thereof, as may from time to time be authorized by the commission.

38:18 Commissioners. For the more convenient management of any such electric, gas, or water works system, any such municipality may vest the construction, management, control and direction of the same in a board of commissioners to consist of 3 or more citizens of such municipality, the commissioners to have such powers and duties as the municipality may prescribe. Their term of office shall be for 3 years and until their successors are elected and qualified. The first board of commissioners may be chosen for terms of one, 2, and 3 years, respectively, by the legal voters of the municipality at any legal meeting or election at which the provisions of this chapter are accepted, or at any special meeting or election thereafter called for that purpose, and their successors shall be elected at each annual meeting or election thereafter in the manner or form as the municipality may determine.

38:19 Appointment. The commissioners may be appointed by the mayor and board of aldermen or city council, by the selectmen of the town, or by the commissioners of the district if the municipality fails to elect or votes to allow appointments.

38:20 Compensation and Organization. The compensation of the commissioners shall be fixed by the municipality. They shall be sworn to the faithful discharge of their duties. They shall annually organize by choosing one of their number as chairperson of their board. They shall appoint a clerk and a superintendent of the works and such other officers as they may deem necessary, and shall thereupon furnish a certificate of such organization to the clerk of the municipality, who shall record the same in the clerk's records. The commissioners shall fix the compensation of all officers and agents appointed by them, and all officers and agents shall be sworn to the faithful discharge of their duties.

38:21 Reports. The commissioners shall annually, at the time other city, town, or district officers report, make a report to the municipality of the condition of the plant financially and otherwise, showing the funds of the department, the expenses and income of the department, and all other material facts. This report shall be published in the annual report of the municipality.

38:22 Liens and Collection of Charges.

I. All charges for services furnished to patrons by a municipally owned electric, gas, or water works shall create a lien upon the real estate where such services are furnished.

II. A municipality may use any of the following collection procedures for charges and the use of one collection procedure for one service shall not preclude the use of a different collection procedure for another service:

(a) A municipality may commit bills for charges to the tax collector with a warrant signed by the appropriate municipal officials requiring the tax collector to collect them. The tax collector shall have the same rights and remedies, including a lien on the real estate, and be subject to the same liabilities in relation thereto as in the collection of taxes as provided in RSA 80; provided, however, that the real estate lien shall continue for 18 months from the date of the last unpaid bill.

(b) The official or board responsible for administering the municipal utility may collect charges for services by direct billing on any periodic basis it may choose. All charges which are delinquent may be committed to the tax collector with a warrant signed by the appropriate municipal officials requiring the tax collector to collect them. The tax collector shall have the same rights

and remedies, including a lien on the real estate, and be subject to the same liabilities in relation thereto as in the collection of taxes as provided in RSA 80; provided, however, that the real estate lien shall continue for 18 months from the date of the last unpaid bill.

(c) If the official or board responsible for administering the municipal utility has not committed the charges to the collector of taxes, the municipality shall have a lien upon the real estate where the services were furnished and the lien shall continue for 18 months from the date of the last unpaid bill, unless the municipality records in the registry of deeds for the county in which the land is situated a notice of lien, in which case the lien shall continue for 6 years from the date of the last unpaid bill. The lien may be enforced in a suit by the municipality against the owner of the real estate. In such a suit, the municipality shall have the right to a judgment for per year charges, interest at the rate of 12 percent from the date of the last unpaid bill to the date of judgment, and costs. The records in the municipal department which furnished the services shall be sufficient notice to maintain suit upon the lien against subsequent purchasers or attaching creditors of the real estate.

(d) When the services were furnished to some person or legal entity other than the owner of the real estate, the liens provided for in this paragraph shall be effective against the owner of the real estate only for charges of which the owner of the real estate was notified by the municipality within 120 days of the date the charges became delinquent; provided, however, that a municipality may meet these notice requirements by mailing to the owner of the real estate copies of the bills for services at the same time bills are furnished to the person or legal entity which received the services.

38:23 Security Deposits from Tenants. Notwithstanding any other provision of law, any public utility, including any municipal corporation, providing electricity or gas services other than for resale to a customer who is not the owner of the premises serviced by the utility and who has a separate electric or gas meter, for the premises serviced, may obtain a security deposit from the customer only, and shall not obtain a security deposit from the owner of the premises. The owner of the premises shall not be liable for the failure of a tenant to pay the utility bill when such tenant's premises has a separate meter, and the utility shall not have any lien on the property of the landlord under RSA 38:22 for the tenant's failure to pay the utility bill.

38:24 Effect on City Charters. Nothing contained in this chapter shall affect, alter or change the provisions of any city charter with respect to the management, control, and direction of electric, gas, or water works.

Additional Provisions for Water Systems

38:25 Water Control. Any municipality which shall have received an order from the department of environmental services under the provisions of RSA 147, 485 or 485-A shall proceed forthwith, after a majority vote in favor of such action, by the governing body, to acquire whatever easements and lands as are necessary to comply with the order and may enter upon, for the purpose of survey leading to land description, any land within the municipality. In so proceeding, the selectmen of the town, commissioners of the district, county commissioners, or mayor and aldermen of a city shall institute any necessary land taking in accordance with the provisions of RSA 38:15 and 38:16, and anything contained in RSA 231 or in the statutes generally notwithstanding, the decision of the officials authorized by this section to institute proceedings shall not be vacated and any subsequent appeal or other action by the owner or owners shall be based solely on the amount of damages assessed, and the duly authorized agents of the municipality shall have full right of immediate entry for the purposes of detailed surveys, borings, or the conduct of any and all other actions necessary or desirable to aid the municipality in the implementation of the order of the department.

38:26 Bylaws and Ordinances.

I. In municipalities with public water systems the governing body, or the board of water commissioners, if any, may adopt such ordinances and bylaws relating to the system or structures as required for proper maintenance and operation.

II. Any person who violates any ordinance or bylaw adopted pursuant to paragraph I of this section shall be subject to a civil penalty not to exceed \$10,000 per day of such violation.

38:27 Assessment for Water Supply. The governing body, or board of water commissioners if any, may assess upon the persons who are served by the water system, or whose lands receive special benefit from the water system, their just share of the expense of constructing, acquiring, and operating the system or paying any capital debt or interest incurred for the system.

38:28 Water Rates. For the defraying of the cost of acquisition, construction, payment of the interest on any debt incurred, management, maintenance, operation and repair of water systems, or construction, enlargement, or improvement of such systems, the governing body, or the board of water commissioners, if any, may establish a scale of rates to be called water rates, may prescribe the manner in which and the time at which such rates are to be paid and may change such scale from time to time as may be deemed advisable. The amount of such rates may be based upon the consumption of water on the premises connected to the water system, or the number of persons served on the premises, or upon some other equitable basis.

38:29 Water Funds.

I. The funds received from the collection of water rates shall be kept as a separate and distinct fund to be known as the water fund. Such fund shall be allowed to accumulate from year to year, shall not be commingled with town or city tax revenues, and shall not be deemed part of the municipality's general fund accumulated surplus. Such fund may be expended only for the purposes specified in RSA 38:28, or for the previous expansion or replacement of water lines or water systems.

II. Except when a capital reserve fund is established pursuant to paragraph III, all water funds shall be held in the custody of the municipal treasurer. Estimates of anticipated water rate revenues and anticipated expenditures from the water fund shall be prepared and submitted to the governing body as set forth in RSA 32:3, if applicable, and shall be included as part of the municipal budget submitted to the local legislative body for approval. If the municipality has a properly established board of water commissioners, then notwithstanding RSA 41:29 or RSA 48:16, the treasurer shall pay out amounts from the water fund only upon order of the board of water commissioners. Expenditures shall be within amounts appropriated by the local legislative body.

III. At the option of the local governing body, or of the board of water commissioners, if any, all or part of any surplus in the water fund may be placed in one or more capital reserve funds held in the custody of the trustees of trust funds pursuant to RSA 35:7. If such a reserve fund is created, then the governing body, or board of water commissioners, if any, may expend such funds pursuant to RSA 35:15 without prior approval or appropriation by the local legislative body, but all such expenditures shall be reported to the municipality pursuant to RSA 38:21. This paragraph shall not be construed to prohibit the establishment of other capital reserve funds for any lawful purpose relating to municipal water systems.

38:30 Protection of Water Supply. Any municipality or municipal water company supplying water to the public for domestic use shall have the power to take by the exercise of the right of eminent domain any property needed to protect the purity of the water so supplied, upon petition to the superior court or in the case of a village district to the board of selectmen of the town or towns within which the district is situated and proceedings thereon as in case of a petition for the laying out of a highway.

38:31 Discontinuance of Service.

I. Notwithstanding any other provision of law to the contrary, except as provided in paragraph V of this section, no municipal water company shall disconnect service to a customer if any part of the service provided accrues to the benefit of one or more parties known by company to be residential tenants, unless the company gives written notice to the tenants. Such notice shall set forth:

(a) The date on or after which the company proposes to disconnect service.

(b) A statement that the reason for disconnection is a dispute between the company and the landlord.

(c) A statement that the tenant should contact the landlord for more information.

(d) An address and telephone at which the tenant may contact the utility in order to make arrangements to maintain service.

II. A municipal water company shall refrain from terminating service to the affected premises if so requested by the tenant, provided that the tenant agrees to be responsible for service provided as of the date of the tenant's request. However, the water company may continue to list the landlord's past due balance on the tenant's bill, and the lien created pursuant to RSA 38:22 shall include any past due charges which accrue after the company begins billing the tenant. The utility shall provide direct service to the person requesting it on terms and conditions applicable to all residential customers. Such service may include other charges, such as sewer and fire protection service, if customarily included with water service billing.

III. Immediately upon learning that a tenant has been disconnected without the notice required in paragraph I, the water company shall reconnect service and may charge a reasonable reconnection fee which may be added to the existing arrearage.

IV. The notice required by paragraph I shall be provided to the tenant no less than 7 days in advance of the proposed disconnection, by posting a conspicuously lettered notice on the main entrance door to each building in which service is being terminated. In addition, the company shall post the notice on a back door or side door to which the company has reasonable access, or in a common area of each building. The company, at its option, may notify the tenants in the affected property by mail rather than by posting.

V. The notice to tenants required by paragraph I of this section shall not be required when necessary to avoid danger to life or property, and upon the order of a duly constituted public authority such as police, firefighters, public health officer, and building inspectors.

Additional Provisions for Electric Systems

38:32 Exemption for Municipal Small Scale Power Facility. Except in municipalities which have acquired, expanded, or established a plant under this chapter, the development by a municipality of any small scale power facility, as defined in RSA 374-D:1, IV shall not be subject to the provisions of this chapter. Nothing in this section shall be construed as exempting municipalities from the provisions of this chapter with respect to the acquisition of a utility plant and equipment if there exists a dispute between the municipality and the utility.

38:33 Consequential Damages. To the extent that the Federal Energy Regulatory Commission does not have jurisdiction, the commission shall determine, to a just and reasonable extent, the consequential damages such as stranded investment in generation, storage, or supply arrangements resulting from the purchase of plant and property from a utility and shall establish an appropriate recovery mechanism for such damages. The commission need not make such a determination when the municipality and utility agree upon the sale of utility plant and property.

38:34 Unbundling Rates and Open Access. Municipal electric utilities established after July 1, 1997, shall unbundle their rates and allow for open access to competitive retail electric supply markets as soon as retail electric competition is certified to exist anywhere in the state pursuant to RSA 38:36. Municipal electric utilities established prior to July 1, 1997, may voluntarily unbundle their rates and allow open access to competitive retail electric supply markets.

38:35 Financial Responsibility.

I. Any retail electric customer located within a municipality that has established a municipal electric utility after July 1, 1997, but who is not within the service area of such utility, shall not be responsible for, and no entity may require the customer to pay, through taxes or otherwise, any costs associated with such utility except for electric power and services consumed directly by the municipality, and any electric power and services sold by the utility to the customer.

II. Any retail electric customer located within the service area of a municipal electric utility established after July 1, 1997, who does not purchase generation services by or acquired through such municipal electric utility, as allowed by RSA 38:34, shall not be responsible for, and no entity may require the customer to pay, through taxes or otherwise, any costs of generation services from such municipal electric utility, except for electric power consumed directly by the municipality. Nothing in this paragraph shall prevent any property owners or retail electric customers from signing contracts of any duration with such municipal electric utility after retail electric competition is certified to exist pursuant to RSA 38:36, and being bound by their terms, including damages for termination.

III. If any municipal electric utility acquires existing plant and equipment used for the generation of electric power, the municipal electric utility shall make payments in lieu of property taxes in the amount that the plant and equipment would have paid taxes if they had been owned by a private owner. Such payments in lieu of taxes shall be included in "costs of generation services" as provided in paragraph II.

38:36 Certification. The chairman of the public utilities commission shall certify to the secretary of state the date that retail electric competition exists in each portion of the state.

2 Definition; Revenue-Producing Facilities. Amend RSA 33-B:1, VI to read as follows:

VI. "Revenue-producing facilities" means water works, sewerage systems, sewage treatment or disposal facilities, solid waste disposal or resource recovery facilities, parking facilities, *facilities for the production, generation, transmission, or distribution of electricity or gas* and

any other real or personal property or interests in a municipality owned or controlled by the municipality, from the operation of which revenues are or are expected to be derived by the municipality.

3 New Subdivision; Redundant Electric Lines. Amend RSA 374 by inserting after section 57 the following new subdivision:

Redundant Electric Lines

374:58 Redundant Lines. No public utility or municipal utility shall construct redundant parallel electric utility lines. Such duplication of lines shall be deemed contrary to sound economic policy and contrary to the public interest. This section shall not apply until retail electric competition is certified to exist pursuant to RSA 38:36.

4 Reference Change. Amend RSA 374-B:1, III to read as follows:

III. "Municipality" means a city, town or village district engaged in the generation and sale or the purchase and sale of electricity or the ~~[transmission]~~ *distribution* thereof, for ultimate consumption by the public under provisions of RSA 38, RSA 52 or any special laws. Except where otherwise specifically provided, a municipality may exercise any of its powers or authority contained in this chapter through its municipal officers or members of the board of commissioners in whom the management of its electric system is vested.

5 Reference Change. Amend RSA 374-B:15, II to read as follows:

II. The determinations of the commission required under RSA 38:9 or ~~[+]~~ *38:10* have been made not more than ~~[24]~~ *12* months following the initial vote taken under RSA ~~[38:4 or 5]~~ *38:3, RSA 38:4 or RSA 38:5*, except that this provision shall not apply to any vote taken prior to June 24, 1975.

6 Reference Change. Amend RSA 485:4 and 485:5 to read as follows:

485:4 Power to Require Improvements. The department is empowered to investigate the sanitary conditions and methods pertaining to the source, treatment, and distribution of all public water supplies for domestic use, and to require the application of any treatment or improvement in conditions and methods as it may deem necessary to insure fitness and safety and adequate protection of the public health. If the department determines that improvements are necessary, the municipality, corporation, or person shall be so notified in writing and the requirements so ordered shall be effected pursuant to RSA ~~[38:14-a]~~ *38:25* within a reasonable time to be fixed by the department. Appeals of actions of the department may be made as provided in RSA 485:59. The department may set intermediate goals and time frames to assist municipalities, corporations, or persons to abide by an order of the department under this section.

485:5 Power to Require Acquisition of Land. The acquisition of adjacent or marginal lands necessary to provide reasonable sanitary control over the quality of a public water supply shall be deemed an improvement in sanitary conditions which is within the power of the department to require under the provisions of RSA 485:4. Municipalities shall comply with such order pursuant to RSA ~~[38:14-a]~~ *38:25*.

7 Reference Change. Amend RSA 485:28 to read as follows:

485:28 Power to Require the Installation of Sewage Facilities. The department is hereby empowered to investigate the conditions and methods relating to the disposal of sewage in any municipality, as set forth in RSA 486:1, and to require the installation of public sewers, as defined in RSA 147:8, whenever such investigation demonstrates that individual sewage disposal systems are inadequate or incapable of protecting the health and welfare of the citizens of the affected municipality or preventing pollution of the surface waters of the state, as defined in RSA 485-A. Before issuing an order requiring the installation of public sewer facilities, the department shall notify the municipality of its findings and shall give the municipality an opportunity to be heard. After such hearing if it shall be determined that said facilities are necessary, the municipality shall be so notified in writing and the requirements so ordered shall be effected pursuant to RSA ~~[38:14-a]~~ *38:25* within a reasonable time to be fixed by the department. If any municipality whose duty it is to act shall fail or refuse for a period of 10 days after the expiration of the time fixed by said order, or, in the case of appeal for a period of 10 days after final judgment shall have been entered, to obey the same or in good faith to begin to make the installation as ordered, such municipality so failing shall be fined not more than \$1,000 for each day of failure to comply with the order of the department. Said fine shall be paid to the state and may be recovered in an action of debt brought by the attorney general in the name of the state treasurer.

8 Reference Change. Amend RSA 485-A:22, III to read as follows:

III. The department shall issue a written cease and desist order against any discharge or act in violation of this subdivision or RSA 485-A:5 or lawful regulation of the department made under them or any condition of any permit lawfully issued by the department, and any such discharge or act may be enjoined by the superior court upon application of the attorney general, whether the court is in term time or vacation. Municipalities shall comply with such orders pursuant to RSA ~~[38:14-a]~~ 38:25.

9 Severability. If any provision of this act or the application thereof to any person or circumstance is held to be invalid, the invalidity shall not affect any other provision or the application of such provision to other persons or circumstances, and to this and the provisions of this act are severable.

10 Effective Date. This act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill revises RSA 38, relative to municipal lighting and water systems, to apply to the establishment and operation of municipal electric, gas, or water systems.

Adopted.

Report adopted and ordered to third reading.

Rep. Joseph Foster declared a conflict of interest and did not participate.

HB 716, relative to economic development and retention rates and special contracts. **OUGHT TO PASS WITH AMENDMENT**

Rep. Jeb E. Bradley & Rep. Harold V. Lynde for Science, Technology and Energy: Legislation passed in 1996 created economic development and business retention electric rates for those businesses that could leave the state, or would not move to, or expand within New Hampshire due to our extremely high electric rates. This bill modifies that policy so that it is consistent with competition in the electric industry. The committee believes it is critically important to attract new businesses to the state as well as retain existing businesses so that stranded costs will be recovered from the largest possible customer base. Passage of this bill will not effect any economic development and business retention rates or special contract agreements entered into prior to the date upon which the Chairman of the Public Utilities Commission certifies that retail electric competition exists within New Hampshire. Vote 18-0.

Amendment (0712h)

Amend the bill by replacing all after the enacting clause with the following:

1 Findings. The general court finds that for electric service:

I. When retail electric competition exists, economic development discounts and retention discounts for stranded cost recovery charges will be useful tools in assisting the state's economy if their use is limited to cases which benefit all ratepayers.

II. It is in the public interest to establish both discounts as expeditiously as possible.

III. Tariffed economic development discounts and tariffed retention discounts should be preferred to individually negotiated special contracts, but special contracts may be necessary in some circumstances.

IV. In order to limit the possible impact on other ratepayers, economic development discounts, retention discounts, and special contract discounts should be specific discounted rates that are discounts from the tariffed stranded cost recovery change rates, not percentage discounts from future variations in tariffed stranded cost recovery charges.

V. Use of discounts will increase employment, avoid the loss of employment, or decrease the cost of electricity to other ratepayers.

2 New Paragraph; Availability of Economic Development and Retention Rates. Amend RSA 378:11-a by inserting after paragraph V the following new paragraph:

VI. The rates established in this section shall not be granted to new applicants in any portion of the state after retail electric competition is certified to exist in that portion of the state pursuant to RSA 378:11-b, VIII. Customers receiving service under existing rates established in this section shall be allowed to continue under those rates for the remainder of the agreed-upon term.

3 New Section; Economic Development Discounts and Retention Discounts. Amend RSA 378 by inserting after section 11-a the following new section:

378:11-b Economic Development Discounts and Retention Discounts

I. In this section, "stranded cost region" means a region of the state in which a stranded cost recovery charge (SCRC) has been imposed such that if the existing load were to decrease, the SCRCs collected from other ratepayers in that region would increase either in rate or in duration.

II. Notwithstanding any other provision of law to the contrary, the commission shall establish procedures for the review and approval of discounted SCRC rates that foster economic development and retention of existing load within the state. For the purposes of this section, "economic development discounts" means discounted SCRC rates, the purpose of which is to attract new industrial companies to the state and to encourage significant expansion of existing industrial load. For the purposes of this section, "retention discounts" means discounted SCRC rates, the purpose of which is to retain existing industrial load that would otherwise leave a stranded cost region. Such procedures shall provide that all electric utilities serving retail customers may file with the commission generally available schedules of discounted SCRC rates for the provision of economic development discounts and/or retention discounts to industrial customers, for a fixed period of time not to exceed 5 years. Such procedures may limit eligibility based on standard industrial classification (SIC) codes, provided that most industrial load is eligible. Such discounts shall take into consideration the effect on the stranded cost recovery charge to other ratepayers, the amount of new demand and energy for electric service involved, the effect on employment within the state, material adverse competitive impact on existing in-state firms, and end-user participation in conservation programs and other state established economic development enhancement programs. The commission shall approve such tariffed discounts only within stranded cost regions.

III. These discounts shall be discounts of the stranded cost recovery charge only, and shall not provide for discounts of distribution, transmission, or system benefits charges.

IV. To ensure fairness in the application of these discounts, if the commission finds that it is in the public good, the retention discount or the economic development discount may also be offered to a direct competitor of a company that has qualified for such rate.

V. Any request that a retention discount be granted to a particular customer shall become effective 30 days after filing, unless the commission rejects the request. The commission shall approve granting a retention discount to a particular customer that meets the eligibility criteria only after the commission:

(a) Gives the office of the consumer advocate an opportunity to examine any confidential data submitted in support of the request and an opportunity to comment.

(b) Except as provided in paragraph IV, finds that there is a strong likelihood that the existing load would have left the stranded cost region, and that granting a discount to a particular customer will then result in a benefit to other ratepayers.

VI. In any rate proceeding or stranded cost recovery charge proceeding subsequent to approval of economic development discounts or retention discounts, the commission shall not impute to the test year revenues, revenue requirements, or SCRC requirements the amount of the economic development discount or the amount of the retention discount, provided that those customers have qualified for the discount.

VII. The discounts established in this section shall not be available until retail electric competition is certified to exist in that portion of the state pursuant to paragraph VIII, and shall not be available after December 31, 2005.

VIII. The chairman of the public utilities commission shall certify to the secretary of state the date that retail electric competition exists in each portion of the state.

4 New Paragraph; New Special Contracts. Amend RSA 378:18-a by inserting after paragraph IV the following new paragraph:

V. In any portion of the state in which retail electric competition is certified to exist pursuant to RSA 378:11-b, VIII, new special contracts, or modifications of existing contracts, designed to retain or attract load shall be available to a customer only if all the conditions of RSA 378:11-b for applicability and approval are met, except as provided in RSA 378:11-b, V; the contract is approved pursuant to RSA 378:18, the commission finds that unusual circumstances exist such that no tariffed rate or discounted stranded cost recovery charge rate is sufficient to retain or attract the load, the commission gives the office of the consumer advocate an opportunity to examine any confidential data submitted in support of the request and an opportunity to comment, and the commission finds that there is a strong likelihood that granting the special contract to a particular

customer will then result in a benefit to other ratepayers. Such special contracts to retain or attract load shall provide for discounts of the stranded cost recovery charge only, and shall not provide for discounts of distribution, transmission, or system benefits charges.

5 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes economic development discounts and retention discounts, which will be available to eligible industrial customers of electric utilities after retail electric competition is certified to exist.

Adopted.

Report adopted and ordered to third reading.

Rep. Joseph Foster declared a conflict of interest and did not participate.

HB 726-FN, relative to the jurisdiction and authority of the public utilities commission, and relative to the underground utility damage prevention system. **OUGHT TO PASS WITH AMENDMENT**

Reps. John H. Thomas and. Jeb E. Bradley for Science, Technology and Energy: This bill authorizes a 911 charge on wireless or cellular telephone service. Currently the 911 charge is assessed only on phone lines. Given the increasing demand for 911 service from cellular phones, the committee believes this new charge is entirely appropriate. The bill also creates a violation for deliberate misuse of the 911 system. Such misuse is significant in many regions of the country. This legislation also updates the digsafes program. Finally the bill authorizes the Public Utilities Commission to establish non-price requirements for competitive electric suppliers. These requirements include registration, registration fees, customer information, disclosure, standards of conduct, and customer protection. The pilot program has highlighted the need for the Commission to be involved with these specific aspects of electric industry restructuring relative to competitive electricity suppliers. Vote 19-0.

Amendment (0723h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the jurisdiction and authority of the public utilities commission, the underground utility damage prevention system, and the 911 system.

Amend the bill by deleting sections 1-2 and renumbering the original sections 3-18 to read as 1-16, respectively.

Amend RSA 362:4-b, I as inserted by section 1 of the bill by replacing it with the following:

I. The term "public utility" shall not include any corporation, company, association, joint stock association, partnership and person, their lessee, trustee or receiver appointed by any court, or assignee, which provides, sells, delivers, or stores liquefied petroleum gas in cylinders or tanks, or who distributes vaporized liquefied petroleum gas through underground distribution systems.

Amend RSA 369:8, II as inserted by section 2 of the bill by replacing it with the following:

II. To the extent that the approval of the commission is required by any other statute for any corporate restructuring, merger, acquisition, financing, change in long-term or short-term indebtedness, or issuance of stock involving parent companies of public utilities regulated by the commission, the approval of the commission shall not be required if the public utility represents to the commission in writing no less than 30 days prior to the anticipated completion of the transaction that the transaction will not adversely affect the rates, terms, service, or operation of the public utility within the state.

Amend RSA 374:51, IV and V as inserted by section 8 of the bill by replacing them with the following:

IV. Prior to complying with the notification requirements of paragraph II, an excavator shall identify the perimeter of the proposed site of the excavation by marking the perimeter in an appropriate manner in the color white or shall communicate the perimeter of the excavation by means of construction plans, an on-site meeting with affected operators, or other suitable means acceptable to the parties.

V. When making the notification required by this section, the excavator shall identify which of the methods described in paragraph IV will be used to identify the proposed excavation.

Amend the bill by replacing section 11 with the following:

11 Notice of Damage; Notification to Operator. Amend RSA 374:54 to read as follows:

374:54 Notice of Damage. When any underground ~~[utility]~~ facility is damaged, the excavator causing the damage shall immediately notify the affected ~~[company]~~ operator. The excavation shall not be backfilled without first receiving permission from the ~~[company]~~ operator whose facility was damaged.

Amend RSA 374:55, IV-c and IV-d as inserted by section 12 of the bill by replacing them with the following:

IV-c. Any excavator who does not identify the proposed excavation area in accordance with RSA 374:51, IV shall be subject to a civil penalty of up to \$500.

IV-d. The civil penalties provided for in this section may be increased to \$5,000 for any excavator who, in the prior 3 years, has been found to have violated RSA 374:51.

Amend the bill by replacing all after section 15 with the following:

16 Cellular or Wireless 911 Service. Amend RSA 106-H:8 to read as follows:

106-H:8 ~~[Telephone Utility]~~ Coordination by Provider of Telephone Service. Every telephone utility authorized to do business in the state pursuant to RSA 374:22 ~~and every entity which provides cellular mobile or 2-way wireless telecommunications service~~ shall make available the universal emergency telephone number 911 for use by the public in seeking assistance from fire, police and other related safety agencies through a single public safety answering point, ~~[no later than 3 years from the effective date of]~~ ***for the purpose of implementing this chapter. Any provider of cellular mobile or 2-way wireless telecommunications services shall be entitled to reimbursement from the bureau of the reasonable expenses incurred to accomplish the provision of enhanced 911 service to the extent authorized by the Federal Communications Commission and approved by the enhanced 911 commission. The bureau may utilize the services of any other state agency or a consultant to assist in reviewing the requested reimbursement to insure that it is reasonable and may seek recovery of the expense of that review from the provider.***

17 Cellular or Wireless 911 Surcharge. Amend RSA 106-H:9, I to read as follows:

I. The enhanced 911 system shall be funded through a surcharge to be levied upon each residence and business telephone exchange line, including PBX trunks and Centrex lines, ~~[trunks and lines serving cellular communications towers in the state;]~~ ***each individual cellular or 2-way wireless telephone number, and each semi-public and public coin and public access line.*** No such surcharge shall be imposed upon more than 25 ***business telephone exchange lines, including PBX trunks and Centrex lines,*** per customer billing account. ***In the case of local exchange telephone companies,*** the surcharge shall be contained within tariffs ***or rate schedules*** filed with the public utilities commission and shall be billed on a monthly basis by each local exchange telephone company. ***In the case of an entity which provides cellular mobile or 2-way wireless telecommunications services the surcharge shall be billed to each customer on a monthly basis.*** Each local exchange telephone company ***or entity which provides cellular mobile or 2-way wireless telecommunications services*** shall remit the surcharge amounts on a monthly basis to the enhanced 911 services bureau, which shall be forwarded to the state treasurer for deposit in the enhanced 911 system fund. Such fund shall be continually appropriated to the bureau and shall not lapse. The moneys in the account shall not be used for any purpose other than the development and operation of enhanced 911 services, in accordance with the terms of this chapter. Surcharge amounts shall be reviewed after the budget has been approved or modified, and if appropriate, new tariffs ***or rate schedules*** shall be filed with the public utilities commission reflecting the surcharge amount.

18 New Section; Misuse of 911 System. Amend RSA 106-H by inserting after section 14 the following new section:

106-H:15 Misuse of 911 System. Any deliberate use of the universal emergency telephone number 911 for any reason other than seeking emergency assistance from fire, police, or other safety related agencies shall constitute misuse of the 911 system. The third and any subsequent misuse of the 911 system in a calendar year shall constitute a violation.

19 New Section; Competitive Electricity Supplier Requirements. Amend RSA 374-F by inserting after section 6 the following new section:

374-F:7 Competitive Electricity Supplier Requirements. The commission is authorized to establish requirements, excluding price regulation, for competitive electricity suppliers, including reg-

istration, registration fees, customer information, disclosure, standards of conduct, and consumer protection and assistance requirements. These requirements shall be applied in a manner consistent with the restructuring principles of this chapter to promote competition among electricity suppliers. The commission is further authorized to assess fines against, to revoke the registration of, and prohibit from doing business in the state, any competitive electricity supplier which violates the requirements of this section. The commission shall adopt rules, under RSA 541-A, to implement this section. Aggregators of electricity load that do not take ownership of power and do not represent any supplier interest shall not be regulated by the commission.

20 Effective Date.

I. RSA 374:51, IV and V as inserted by section 8 of this act and RSA 374:55, IV-c as inserted by section 12 of this act shall take effect January 1, 1998.

II. Sections 17 and 18 of this act shall take effect July 1, 1997.

III. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

- (a) Exempts certain gas distributors from regulation as a public utility.
- (b) Makes misuse of the 911 system a violation.
- (c) Exempts from approval by the commission certain activities of parent companies of public utilities which do not adversely affect rates or services in state.
- (d) Makes various changes to the underground utility damage prevention system.
- (e) Allows the commission to waive submission requirements for certain least cost integrated resource plans.
- (f) Expands the enhanced 911 system to include cellular or wireless providers.
- (g) Authorizes the public utilities commission to establish and enforce requirements, excluding price regulation, for competitive electricity suppliers.

Adopted.

Report adopted and ordered to third reading.

HCR 12, urging ratification of the Convention for the Elimination of All Forms of Discrimination Against Women. **OUGHT TO PASS**

Rep. John M. Pratt for State-Federal Relations and Veterans Affairs: This convention reaffirms the policy of the United States that any form of discrimination against women is not acceptable. The resolution places the General Court on record in support of United States ratification of the convention. Vote 11-4.

Reps. Edwin Smith and Fuller Clark spoke against.

Rep. Cobbin spoke against and yielded to questions.

The report failed.

Rep. Edwin Smith moved Re-refer to Committee.

Rep. Murch spoke in favor.

Adopted.

HJR 2, urging the members of Congress to support and pass the Family Forestland Preservation Tax Act. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. James J. Fenton for the Majority of State-Federal Relations and Veterans Affairs: The committee recognized the value of family wood lots and the over-all importance of the timber industry to the economy of our state. Therefore, the majority of the members support the Congressional legislation introduced by Senator Gregg known as the Family Forestland Preservation Tax Act. This act offers heirs economical incentives to sustain proper management of these forest. Vote 10-4.

Rep. George R. Rubin for the Minority of State-Federal Relations and Veterans Affairs: The uses of preservation of forestlands has some merit, however, the thrust of this resolution is to change the tax codes for special interests. It forgives and reduces to pay capital gains and federal inheritance taxes for selected heirs.

Majority report adopted and ordered to third reading.

HB 203, relative to driving after a revocation or suspension of license. **OUGHT TO PASS**

Rep. Philip M. Ackerman for Transportation: This bill makes a second and subsequent offense of driving after suspension of license a misdemeanor, regardless of whether the suspension was

as a result of court-imposed penalty or administrative license suspension. Currently, first and second Administrative License Suspension violations are violations. The committee felt that increasing the penalty would act as a deterrent and possibly increase the collection of defaulted fines. Vote 11-2.

Adopted and ordered to third reading.

HB 273-FN, increasing the age that child passenger restraints are required from 12 years of age to 18 years of age. **OUGHT TO PASS WITH AMENDMENT**

Rep. Ralph L. Akins for Transportation: Teens have the lowest usage rate of any age group when it comes to wearing a seat belt, yet the highest rate of accidents. The committee felt that it was logical to extend the child passenger restraint law age from 12 to 18 years of age since statistics show that the number of serious injuries and fatalities have dropped significantly since the original child passenger restraint law was enacted. Vote 14-0.

Amendment (0648h)

Amend the bill by replacing all after the enacting clause with the following:

1 Age Increased. Amend RSA 265:107-a, I to read as follows:

I. No person shall drive a motor vehicle on any way while carrying as a passenger a ~~[child]~~ *person* less than ~~[+2]~~ 18 years of age unless such ~~[child]~~ *person* is wearing a seat or safety belt which is properly adjusted and fastened or, if the ~~[child]~~ *person* is less than 4 years of age, unless such ~~[child]~~ *person* is properly fastened and secured by a child passenger restraint which is in accordance with the safety standards approved by the United States Department of Transportation in 49 C.F.R. section 571.213. No person shall drive a motor vehicle on any way while carrying as a passenger a ~~[child]~~ *person* less than ~~[+2]~~ 18 years of age unless the motor vehicle was designed for and equipped with the ~~[child]~~ passenger restraints specified above.

2 New Paragraph; Safety Belt Required for Drivers Under 18. Amend RSA 265:107-a by inserting after paragraph I the following new paragraph:

I-a. No person who is less than 18 years of age shall drive a motor vehicle on any way unless such person is wearing a seat or safety belt which is properly adjusted and fastened.

3 Fines Established. Amend RSA 265:107-a, III to read as follows:

III. Any driver who violates the provisions of this section shall be guilty of a violation[-], *and shall be subject to the following fines:*

(a) \$25 for a first offense.

(b) \$50 for a second or subsequent offense.

4 New Paragraphs; Relation to Other Offenses. Amend RSA 265:107-a by inserting after paragraph IV the following new paragraphs:

V. A conviction for violating the provisions of this section shall not preclude prosecution of any other offense for which violation of this section might constitute an element.

VI. Enforcement of this section by law enforcement agencies shall be accomplished only as a secondary action when a driver of a motor vehicle has been cited or charged with a violation or some other offense; provided, however, that a motor vehicle may be stopped for failure to comply with this section if the seat belt violation for a person under 12 years of age.

5 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill modifies the child passenger restraint law by increasing the age that restraints are required from 12 years of age to 18 years of age, imposing a schedule of fines for violations of the law, and clarifying the enforcement of the law.

On a division vote, 283 members having voted in the affirmative and 54 in the negative, the amendment was adopted.

Reps. Vaillancourt and MacGillivray spoke against and yielded to questions.

Reps. Marsha Pelletier, Pilliod and Burling spoke in favor.

Rep. Packard spoke in favor and yielded to questions.

Rep. Cloutier requested a roll call; sufficiently seconded.

The question being the adoption of the report.

and the report was adopted.
Ordered to third reading.

HB 640, establishing a committee to examine the feasibility of establishing a state of the art meteorological center at the former Pease Air Force Base. **INEXPEDIENT TO LEGISLATE**
Rep. Eric N. Lindblade for Commerce: In view of the present financial restraints, the committee felt it was not the right time to study this problem. Vote 12-0.
Rep. Varrell spoke against.
Adopted.

HB 118-FN, relative to penalties for marijuana possession. **INEXPEDIENT TO LEGISLATE**
Rep. Yvonne Coulombe for Criminal Justice and Public Safety: This bill would reduce the penalties for possession of 1 ½ ounces of marijuana from a class A misdemeanor to a violation. Our legislature has enacted a strong controlled drug law over the past 10 years. The committee feels that this proposal would be contrary to our clear public policy against the use of unlawful drugs by minimizing the penalties for possessing a substantial amount of marijuana. Vote 17-0.
Rep. Robertson spoke against.
Rep. Flora spoke in favor.
Adopted.

HB 329, repealing the fireman's rule. **OUGHT TO PASS WITH AMENDMENT**
Rep. Sandra B. Keans for Judiciary and Family Law: The original bill was a repeal of the fireman's rule. The committee could not support that because we believe the legislation agreed to in 1993 among all parties still makes good public policy. We believe that the amendment better clarifies just what that agreement was and tries to incorporate the committee report of SB 109 from 1993. Vote 13-0.

Amendment (0561h)

Amend the title of the bill by replacing it with the following:
AN ACT clarifying the applicability of the fireman's rule.

Amend the bill by replacing all after the enacting clause with the following:
1 Clarification of Applicability of Fireman's Rule. Amend RSA 507:8-h, I to read as follows:
I. Firefighters, emergency medical technicians (E.M.T.'s), police officers and other public safety officers shall have no cause of action for injuries arising from negligent conduct which

created the particular occasion for the officer's official engagement. However, this section does not affect such officer's causes of action *for negligent acts which take place on the scene of the incident which created the particular occasion for the officer's official engagement but which are subsequent to the incident and are unrelated to the incident, or* for other negligent conduct, or for reckless, wanton or willful acts of misconduct.

2 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill clarifies the applicability of the fireman's rule.

Adopted.

Rep. Keans yielded to questions.

Report adopted and ordered to third reading.

HB 439-FN, establishing a procedure for reporting on abortions. **INEXPEDIENT TO LEGISLATE**
Rep. Marjorie K. Smith for Judiciary and Family Law: The Center for Disease Control has regularly collected information on abortions which is published in CDC Surveillance Summaries, Morbidity and Mortality Weekly Report, and includes by state, number, ratio, rate, age, race, weeks of gestation, type and procedure, ethnic background, marital status, previous number of pregnancies and abortions, and fatalities. The report includes additional detailed information on teenagers. In addition, the New Hampshire Department of Health and Human Services has authority under RSA 126:25 II to collect such information and intends to do so. There is no need for this bill. Vote 12-0.

Adopted.

HB 549, relative to service-connected military or coast guard disability compensation in the determination of alimony or separate maintenance. **INEXPEDIENT TO LEGISLATE**

Rep. Deborah L. Woods for Judiciary and Family Law: Federal law adequately provides the prohibition of service-connected disability payments from being garnished for an alimony award. This bill would create havoc in the courts with the onslaught of divorce cases which might possibly be re-opened by a simple request from someone who believes they fall under this law. There is also the question of how appropriate it is to single out one specific federal anti-garnishment provision and how many others would be brought forward. Vote 12-0.

Rep. Varrell spoke against.

Adopted.

HB 550, relative to certain social security disability compensation in the determination of alimony or separate maintenance. **INEXPEDIENT TO LEGISLATE**

Rep. Sandra B. Keans for Judiciary and Family Law: Since 1975, the Social Security Act has authorized the use of payments for alimony and support. New Hampshire would be in conflict with federal law if we passed this. There is currently nothing that prevents spouses from returning to court in order to get a modification of support payments when circumstances change. Vote 12-0.

Rep. Varrell spoke against.

Adopted.

HB 568-FN, relative to the oath of office for attorneys and the penalty for failure to fulfill the oath. **INEXPEDIENT TO LEGISLATE**

Rep. David C. Allison for Judiciary and Family Law: The committee finds that the oath of office, as the amended version would read, will add only confusion, rather than clarity, to the true purpose of the oath. Vote 12-1.

Rep. Hemon spoke against.

Rep. Moynihan spoke in favor.

Adopted.

PROTEST

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. Cobbin requested that his protest be entered on the Journal.

I never took an oath to the Judiciary. I took an oath to uphold the Constitution of the State of New Hampshire and the Constitution of the United States of America.

SPECIAL ORDERS (CONT'D.)

HB 635, relative to a limitation on liability for emergency medical care providers. RE-REFER TO COMMITTEE

Rep. David A. Bickford for Judiciary and Family Law: This bill requires further study, along with another limited liability bill which was heard by the Judiciary Committee and also recommended for HB 793. Vote 16-0.

Adopted.

HR 13, recognizing Bob Dole's many years of public service and dedication to our country. IN-EXPEDIENT TO LEGISLATE

Rep. Peter F. Bergin for State-Federal Relations and Veterans Affairs: The committee recognized that Bob Dole had many years of public service and dedication to our country, however, it was felt that Bob Dole has been recognized recently with the Medal of Freedom from President Clinton. In addition, the only person to be recognized since 1985 in a house resolution was Senator Paul Tsongas who was memorialized on January 19, 1997. Vote 14-1

Rep. Buckley spoke against and yielded to questions.

Rep. Cobbin spoke against.

Rep. Bergin spoke in favor.

Rep. Vaillancourt requested a roll call; sufficiently seconded.

The question being the adoption of the report.

and the report was adopted.

HCR 11, relative to the preservation and revitalization of New Hampshire's rail-based corridors of commerce. **OUGHT TO PASS**

Rep. George N. Katsakiores for Transportation: This resolution urges the rail based "corridors of commerce" be revitalized and preserved in order to put railways on an even competitive playing field with other modes of transportation. Vote 12-0.

Rep. George Katsakiores spoke against.

The report failed.

Rep. George Katsakiores moved Ought to Pass with Amendment.

Rep. Below offered a floor amendment.

Floor Amendment (0758h)

Amend the resolution by replacing all after the resolving clause with the following:

That the state's economically viable rail-based "Corridors of Commerce" and their associated Industrial and Commercial Opportunities be revitalized; and

That stimulation of private investment by state acquisition of complete unencumbered operable interchange-to-interchange rail corridors capable of economic development occur; and

That our remaining public and private rail infrastructure, to the full provisions and intent of RSA 228:60-a, be preserved; and

That mutually beneficial track and corridor-sharing agreements between owners and operators which maximize the utilization of New Hampshire's rail corridors be urged; and

That transportation policies which will eventually put railways on an even competitive playing field with airways, highways, and waterways be introduced; and

That the house clerk send copies of this resolution to the governor, the speaker of the house, the senate president, the commissioner of the department of transportation, and the state library.

Rep. Below spoke in favor.

Adopted.

Report adopted and ordered to third reading.

RESOLUTION

Rep. Wheeler the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, March 26, 1997 at 1:00 p.m.

Adopted.

RECESS

(Speaker Sytek in the Chair)

Rep. Channing Brown moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 14

Wednesday, March 26, 1997

The House assembled at 1:00 p.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Her Excellency, Governor Jeanne Shaheen, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

O God of hope and energy, we ask You to thaw out those places in our lives where our frozen attitudes or opinions no longer permit fresh ideas and insights. Inspire us with the surge of new life, and grant us the flexibility we need to be gracious communicators with each other. We pray that You will make us ever mindful, O God, of those whom we serve, lest we become deaf to their voices, unsympathetic to their fears, and unchallenged by their hopes. All of those prayers we ask in the confidence that You are willing to do far more than we are able to ask. Amen.

Rep. Lockwood led the Pledge of Allegiance.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Wheeler moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 195-FN-A increasing the exemption amount under the interest and dividends tax, removed by Rep. Kurk.
Consent Calendar adopted.

HB 667, relative to confidentiality issues concerning the exchange of information between the departments of revenue administration and employment security and relative to payment of employer contributions. **OUGHT TO PASS WITH AMENDMENT**
Rep. Herbert R. Hansen for Criminal Justice and Public Safety: This bill originally passed the house on March 12, 1997 session. It was then referred to this committee to review and approve the penalties associated with it. The penalties were approved and certain editing corrections were made.
Vote 16-1.

Amendment (0801h)

Amend the bill by inserting after section 4 the following and renumbering the original section 5 to read as 6:

5 Cross Reference Change. Amend RSA 282-A:166-a to read as follows:

282-A:166-a Penalties for Failure or Refusal to Make Contributions or Reports. In the discretion of the commissioner or an authorized representative, violations of RSA 282-A:166, ~~HH and IV~~ **I(c) and (d)** may subject the person to a penalty of not less than \$100 or more than the amount of the contributions then or subsequently determined by the commissioner to be due. For violations of all other paragraphs of RSA 282-A:166, a penalty of not less than \$100 nor more than \$500 may be imposed. All penalties imposed under this section shall be in addition to late filing fees and interest charges due under other sections of this chapter. Any proceeding or action taken against a person under this section shall be in lieu of and not in addition to any proceeding or action taken under RSA 282-A:166. Persons found subject to this section may appeal in the manner set forth in RSA 282-A:95-98.

HB 537-FN, relative to the practice of allied health professionals. **OUGHT TO PASS**
Rep. Maurice E. Goulet for Executive Departments and Administration: The committee reviewed the organizational structure in this bill and concur with the committee on Health, Human Services and Elderly Affairs. This is the first step in the long road of the consolidation and strengthening of the administration of the health care boards. Vote 13-0.

HB 806-FN-L, relative to the business finance authority. **OUGHT TO PASS WITH AMENDMENT**
Rep. Merton S. Dyer for Executive Departments and Administration: This bill establishes the Business Finance Authority as an independent entity instead of an agency of the state. The amendment proposed by the committee provides a mechanism to transfer the accrued benefits of the employees from the New Hampshire Retirement System to a qualified retirement plan. Under this amendment, the transfer will be tax free and will be no less than the accumulated benefit obligation. This transfer must take place within 180 days of the effective date of the bill. Vote 12-0.

Amendment (0788h)

Amend RSA 162-A:31 as inserted by section 12 of the bill by replacing it with the following:
162-A:31 Status of Authority Employees; Entitlement to Certain State Benefits.

I. The authority may hire, fix, and pay compensation, prescribe duties and qualifications, and establish personnel policies without regard to any personnel or civil service law or personnel or civil service rule of the state. The employees of the authority shall not be classified employees of the state within the meaning of RSA 21-I:49. Any individual employed by the authority shall be deemed an employee at will and shall serve at the pleasure of the authority.

II. Notwithstanding the provisions of paragraph I, any individual employed by the authority whose employment calls for 30 hours or more work in a normal calendar week, and whose position is anticipated to have a duration of 6 months or more, shall be entitled to elect to receive such health, dental, and life insurance benefits as are afforded to classified employees of the state, provided, however, that the election is made in writing within 30 days of the start of employment. Upon election by such individual, the authority shall pay from its revenues the state's share of such benefits. Any remaining costs of health, dental, and life insurance benefits which an individual elects to receive pursuant to this section shall be withheld from such individual's salary as a payroll

deduction. Written notice of the availability of these benefit options shall be provided to each individual upon employment by the authority. The authority may establish a qualified retirement plan and a deferred compensation plan for those individuals covered under this paragraph.

Amend the bill by inserting after section 16 the following and renumbering the original sections 17 and 18 to read as 18 and 19, respectively:

17 Transfer of Retirement. The employees of the business finance authority and all such employees' contributions, plus accumulated interest, to the New Hampshire retirement system shall be transferred within 180 days of the effective date of this act to a qualified retirement plan. All benefits accrued to the time of withdrawal from the system shall be fully vested in such withdrawing employees and shall be no less than the accumulated benefit obligation. The system shall cooperate with the authority in its establishing a successor retirement plan and shall cooperate in arranging for the transfer of such employee retirement benefits earned under the system to a successor retirement plan where practicable.

HB 144-FN, relative to cash incentives paid to servants and agents, excluding commission employees, authorized to sell tickets. **OUGHT TO PASS**

Rep. Stephen T. DeStefano for Finance: This bill authorizes the New Hampshire Sweepstakes Commission to pay cash incentives not to exceed one percent of the prize awarded or a maximum of \$30,000 for powerball or \$15,000 for other prizes. Tri-state lotto already has these incentives. Vote 19-0.

HB 186-FN, relative to fees for number plates and reducing the amount of inventory fund in the department of safety. **OUGHT TO PASS**

Rep. Robert G. Holbrook for Finance: This bill raises the fee per license plate from \$1.50 to \$2.50. The cost per plate is now over \$2.415 and the price of aluminum is higher than last set in 1985. With the time nearing for the issuance of new plates, this bill provides funds for the 1,000,000 plus sets of license plates. The inventory fund is limited to a cap of \$1,000,000 which is the Department of Safety revolving fund for license plate manufacture. Vote 18-1.

HB 229-FN-A-L, establishing a reading recovery training program and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Charles L. Vaughn for Finance: This legislation recognizes in statute a successful first grade reading recovery program funded annually since 1989. The amendment modifies the original bill clearly defining that the program is optional for local schools with funding by the Department of Education limited to monies appropriated. \$300,000 was removed from the bill because additional funding is included in the governor's budget. Vote 19-1.

Amendment (0770h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a reading recovery training program.

Amend the bill by replacing all after section 1 with the following:

2 New Subdivision; Reading Recovery Training Program. Amend RSA 186 by inserting after section 69 the following new subdivision:

Reading Recovery Training Program

186:70 Reading Recovery Training Program.

I. There is established a reading recovery training program to provide reading recovery training to all eligible first-grade teachers so that reading recovery programs may be made available to all eligible first-grade pupils in those local school districts that choose to implement reading recovery programs.

II. The department of education shall administer the reading recovery training program in accordance with the program requirements outlined in the guidelines and Standards for the North American Reading Recover Council.

III. Each biennium, the department shall, subject to the extent of funds appropriated, provide for the training needs of the participating local districts and shall also provide continuing education to teachers who have completed the initial training.

IV. Local districts shall be responsible for all salaries, benefits, and materials for local reading recovery teachers during program training and implementation.

V. Unless excused by the department of education, a teacher who completes reading recovery training shall agree to provide reading recovery programs to New Hampshire pupils for at least 2 years following such training.

3 Effective Date. This act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill establishes a reading recovery training program in the department of education to provide training to all eligible first-grade teachers.

HB 275-A-L, establishing the equipment grant program, and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. David J. Alukonis for Finance: The proposal calls for a general fund appropriation of \$16 million. It is a new program and a new bonded appropriation which we simply cannot afford at this time. Local school districts may currently access funds for these purposes via building aid and federal grants. Vote 20-0.

HB 436-FN-L, establishing restrictions in building aid for conversions of area schools to cooperative school districts, and relative to increasing or decreasing grades in cooperative school districts. **OUGHT TO PASS**

Rep. Charles L. Vaughn for Finance: This bill removes the ability of an area school to change to a cooperative school and in so doing receive building aid payments that duplicate payments received as an area school. It prevents double payments by the Department of Education, which requested this bill. Further, cooperative districts may increase or decrease grades offered by amending arrangement or articles of agreement. Vote 20-0.

HB 501, including blindness in the special education provisions, and allowing attorneys to act as neutrals in special education dispute resolution. **OUGHT TO PASS**

Rep. Marie C. Hawkinson for Finance: This bill amends RSA 186-C:2 to conform to the federal definition of "educationally disabled child." It also repeals the prohibition of attorneys from being appointed as neutrals. It allows for attorneys, among others, to serve in disputed Individual Educational Plans. It was determined that this has the potential for savings of legal expenses, especially in the area of disputed Individual Education Plans. Vote 19-0.

HB 533-FN, making technical corrections in the liquor laws. **OUGHT TO PASS**

Rep. Robert A. Johnson for Finance: Currently fortified wine sales are restricted to liquor stores. By extending sales to off-premise licensees the Liquor Commission projects that revenues would be increased by \$181,000 in FY 1998, \$190,000 in FY 1999, \$200,000 in FY 2000 and \$210,000 in FY 2001. Vote 20-0.

HB 664-FN-L, increasing the witness fee for law enforcement officers and the mileage allowance for witnesses. **INEXPEDIENT TO LEGISLATE**

Rep. Arthur P. Klemm, Jr. for Finance: This bill would have increased the per diem law enforcement officers should be paid from \$30 to \$45 for their attendance before a municipal, district, superior or probate court and their mileage reimbursement from 17 cents to 31 cents per mile. This would have increased state expenditures by \$352,000 in 1998 and with our current budget situation the bill was found Inexpedient to Legislate. Vote 17-3.

HB 674-FN-L, relative to dam registration and filing fees. **OUGHT TO PASS**

Rep. Franklin G. Torr for Finance: The bill increases fees to fund the dam safety program. Vote 18-2.

HB 700-FN-L, relative to the renovation of regional vocational education centers and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. David J. Alukonis for Finance: The Committee has proposed an amendment which maintains the policy promulgated by the Education Committee, but removes the funding of \$24 million which the state cannot afford at this time. By adopting this amendment, the process of funding the renovation of regional vocational education centers will mirror the process which has been utilized in the construction of the centers over the past 25 years. Vote 20-0.

Amendment (0774h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the renovation of regional vocational education centers and expanding an existing appropriation to include such renovations.

Amend the bill by replacing section 2 with the following:

2 Renovation Added. Amend RSA 188-E:10 to read as follows:

188-E:10 [~~Construction~~] **Appropriation for Construction and Renovation.** The treasurer of the state of New Hampshire is hereby authorized to make available to the department of education for purposes of constructing **and renovating** regional vocational education centers an amount not to exceed \$85,000,000. This appropriation shall be nonlapsing. Authorization for expenditures of such funds shall be made by the department of education to the treasurer in accordance with this chapter. The treasurer is authorized to issue bonds in accordance with the provisions of RSA 6-A for the purpose of funding this appropriation.

AMENDED ANALYSIS

This bill authorizes grants for the renovation of regional vocational centers, as well as for the construction of such centers.

The bill also expands an existing appropriation to include such renovations.

HJR 1, urging the preservation and continued development of community services to people with developmental disabilities and their families. **OUGHT TO PASS**

Rep. O. Alan Thulander for Finance: The committee determined that this house joint resolution would have no financial impact. Vote 20-0.

REGULAR CALENDAR

HB 50-FN-A-L, increasing aid for kindergarten programs, and establishing a program for the construction of public kindergarten facilities and making an appropriation therefor. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Suzan L. R. Franks for the Majority of Education: The majority of the Education Committee recognizes that the availability of public kindergarten statewide for New Hampshire's five year olds is valuable and a necessary tool for building a strong foundation for our students. This bill respects local control and encourages public kindergarten implementation with kindergarten classroom construction bonding over the next five years of \$30 million, as well as increased maintenance aid support from \$500 per pupil to \$1,000 per pupil to all districts implementing or operating public kindergartens in New Hampshire. It will provide much needed property tax relief for our cities and towns. Vote 16-4.

Rep. Michael F. Marcinkowski for the Minority of Education: Although we all may recognize the merits of kindergarten, there is concern that good policy is not truly enacted without recognizing the resources available to achieve that policy. In addition, there is existing the formula for Foundation Aid which the minority feels is the appropriate method for funding of state aid to school districts.

Reps. McKinley, Root, Alger and MacGillivray spoke against and yielded to questions.

Reps. Durham, Jacobson and Champagne spoke in favor and yielded to questions.

Reps. Murch and Luebker spoke against.

Reps. Estabrook, Franks and Donald White spoke in favor.

Reps. Ann Torr and Burling requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

REMARKS

Rep. William Riley moved that the remarks made by Rep. Jacobson be printed in the Journal. On a division vote, 190 members having voted in the affirmative and 160 in the negative, the motion was adopted.

Rep. Jacobson: Thank you Madam Speaker. Yesterday I received a letter. I don't know if anybody else received one. It was about the Shaheen tax trap. I like that imagery. In fact, I'm going to adopt it - the tax trap. For example, I could now speak of the property tax trap over which many hundreds of millions of dollars have been added in the last decade. In fact, in the last two years of Governor Merrill, there was an addition of \$60 million in additional property tax. I could speak of the Merrill interest and dividends tax trap as well. So, it is a good idea and I'm going to use it. Now, the letter had more than a score of arguments against House Bill 50. If I were to stand up here and deal with all of them, I'm sure the Speaker would chase me off, so I'm only going to deal with a few of them. The first one is about the \$400 million regarding Public Service Company. Maybe I could call that the Rath electric rate tax trap of 1989. What is important about that is that it has nothing to do with kindergarten. It is the ratepayers who are going to pay that. Then, there is the Claremont law suit. Do you know that in Legislative Services there is a piece of legislation laying there quietly that would, in fact, reduce the property taxes of over 65 percent of the homeowners in New Hampshire and would not increase spending one thin dime? So we don't need to worry about that one either. Then, there is the prospect of the \$100 million interest and dividends court suit. Well, we are not going to introduce a tax for that. I'm quite confident that if that should come down that way, we would bond for it. We couldn't afford to do that in any way. Then, there is something else that is interesting. It relates to Augenblick. I have never seen so many people who are for Augenblick now. I became so curious that I went back and looked at House Bill 1319 in the 1994 session. And, what did I discover? Ninety-nine-point-44 percent of those people who now say they are for it, voted against the full funding. Now, somebody has to explain that to this country boy. When you get down to the hard rubbings of it, you are either for universalized kindergarten or you are not. If you are for it, we have to either raise the revenue or cut spending someplace else. Those are our two choices. Now, you may be agreeing with Nackey Loeb's newest Arizona expert on New Hampshire government. Do you know what he says? He says that by the third grade those who have gone to kindergarten have fallen behind those that didn't go to kindergarten in the third grade in terms of their reading ability. I haven't seen the study for that, but that is the kind of argument that can be raised. In fact, I had somebody who called me and said I want you to read Lessner's article, he's right on. So I did. Now, if you are for a universalized kindergarten then you are going to vote for House Bill 50. If you are for these young children,

they are our future. An old duffer like me, I'm in the past, but they are the future. If anything, we should protect the future. So, if you are for protecting the future, if you are for your children, your grandchildren, your neighbor's children, here is your chance to demonstrate your willingness to move forward on this issue. Thank you.

REGULAR CALENDAR (CONT'D.)

HB 531-FN, increasing the amount superior court bailiffs are paid per day. **INEXPEDIENT TO LEGISLATE**

Rep. Arthur P. Klemm, Jr. for Finance: This bill proposed to increase from \$50 to \$65 the per diem paid to superior court bailiffs. The office of the courts indicated state general fund expenditures would increase by \$450,000 in 1998 and each year thereafter. The committee felt that with our current budget situation the general fund could not afford this additional money. Therefore, the bill was found Inexpedient to Legislate. Vote 14-5.

Rep. Lovett spoke against.

Rep. Klemm spoke in favor and yielded to questions.

Adopted.

Reps. Christie and Tholl declared conflicts of interest and did not participate.

HB 25-A, making appropriations for capital improvements. **OUGHT TO PASS WITH AMENDMENT**

Rep. Gene G. Chandler for Public Works and Highways: HB 25-A is the Capital Budget, representing the state's capital program for the ensuing biennium. As an overall concept, the committee made a concerted effort to include a number of deferred maintenance capital items such as roofs, energy savings, and life safety issues, etc., throughout a variety of departments. Major projects included are: \$3.5 million for Post Secondary Technical Education roof projects, laboratory upgrades, libraries, etc; \$4 million for a Carroll County Superior/District Court facility, adds design money for the Jaffrey/Peterborough District Court with the proviso that the land for the facility comes at no cost to the state. Department of Health and Human Services will see a new building at the Glencliff Home, the parking garage for the renovated Brown Building on the NH Hospital Campus, and a major computer initiative which will have its five year bond payments paid by the interest from the Health Care Transition Fund. The committee approved a \$2.485 million appropriation for point-of-sale cash registers which will utilize the latest technology and increase our revenues from liquor sales. The Department of Resources & Economic Development will receive some \$965,000 for repairs and renovations to the Rocky Bend Seawall, the bathhouses at Sunapee and Lake Francis, and to complete the Mt. Washington siding and window project. The Department of Safety received a total of \$2.5 million to upgrade its microwave system, (this is telecommunications not ovens), and for additions at the Dover Point Substation and the Epping Station. The Veteran's Home received a number of equipment and bed replacement items, and the bill sets up a committee to study the long term patient needs as it relates to a building expansion project. Youth Development Services is receiving \$1.9 million for various renovation and repair projects, one million of which will renovate the Pine Crest Building. The University System is scheduled for three projects, the Young Building and Mason Library at Keene, and renovations at Pettee Hall. The Fish and Game Department will see some building modification at the Concord headquarters, and a ¾ million dollar appropriation for a new radio system. The Department of Transportation may finally get its much needed building expansion via a \$2.9 million appropriation, plus a \$2 million increase in the Abandoned Railroad/Airport Acquisition Fund. On an historic note, money is included in this budget to repair and recondition the statues on the State House grounds. There are a number of computer related requests sprinkled throughout this budget, and in order to try to get a handle on these expenses they have been approved with the caveat that no expenditures can be made until each agency's plans are reviewed by the Office of Information Technology pursuant to RSA 21-I:67, and approved by the Capital Budget Overview Committee, and Governor and Council. The Governor's original General Fund obligation as it came to the Public Works & Highways Committee totaled \$65,536,492, and the Public Works & Highways Committee feels it has satisfactorily met the capital needs of the state for the next biennium with a General Fund obligation of \$63,451,919. Vote 21-0.

5 Expenditures; General. The appropriations made for the purposes mentioned in sections 1, 3 and 4 and the sums available for those projects shall be expended by the trustees, commissions, commissioner, or department head of the institutions and departments referred to herein; provided that all contracts and projects and plans and specifications therefor shall be awarded in accordance with the provisions of RSA 228.

6 Expenditures; University System of New Hampshire.

I. The appropriations made for the purposes mentioned in section 2 and the sums available for these projects shall be expended by the trustees of the university system of New Hampshire. All contracts for the construction of all or any part of said buildings or facilities shall be let only after competitive sealed bids have been received and only after an advertisement calling for such bids has been published at least once in each 2 successive calendar weeks in a newspaper of general circulation in New Hampshire or in a trade journal known to be circulated among the contractors from whom bids will be sought with the state of New Hampshire or elsewhere in the area. The first publication of such advertisement shall be not less 30 days prior to the date the bids will be received. All conditions considered, wherever possible, it is recommended that the services of New Hampshire architectural and construction firms be considered within the discretion of the trustees.

II. The appropriations made in section 2 are available for all costs incidental to the completion of the projects enumerated including the costs of the services of architects, engineers, and other consultants of such kind and capacity as the university system board of trustees, in its discretion, may wish to employ on such terms and conditions as the board determines. These moneys shall be spent under the direction of the university system board of trustees.

III. If, in the judgment of the trustees of the university system, just cause exists indicating the lowest bid should be rejected, then the contract may be awarded to the next lowest bidder; or, if the next lowest bid should be rejected, the contract may be awarded to the third lowest bidder.

IV. The board of trustees of the university system has the right to reject any and all bids and, if the lowest bid is in excess of the appropriation, the board has the right to negotiate with the low bidder or with the 3 lowest bidders for a contract for the construction upon terms considered most advantageous to the university. If only one bid is received, the board of trustees may negotiate a contract for the construction on terms considered most advantageous to the university system and to the state. Any authorization contained in this act which is at variance with the requirements of applicable federal law and regulations shall be controlled by the terms of the federal law and regulations.

V. Notwithstanding paragraphs III and IV, the sums appropriated by section 2, paragraphs II and III of this act for the Mason library renovation and expansion in Keene and the Pettee hall renovations in Durham, may be expended and awarded by the trustees of the university system; provided that all contracts for all or any part of the building or facilities shall follow construction management procurement procedures and guidelines. If the trustees select construction management pursuant to this paragraph, paragraphs III and IV shall not apply and the trustees shall retain the right to reject or negotiate following accepted construction management practices.

7 Land Acquisition. Any land acquired under the appropriations made in sections 1, 3, and 4 of this act, except such land, if any, as may be acquired under the appropriation for the department of environmental services, shall be purchased by the commissioner of the department of transportation with the approval of governor and council.

8 Bonds Authorized. To provide funds for the total of the appropriations of state funds made in sections 1, 2, 3, and 4 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$67,116,919 and for said purposes may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A.

9 Payments.

I. The payment of principal and interest on bonds and notes issued for the projects in sections 1 and 2 shall be made when due from the general funds in the state.

II. The payment of principal and interest on bonds issued for the projects in:

(a) Section 3 shall be made when due from the fish and game fund.

(b) Section 4 shall be made when due from the highway fund.

10 Liquidation. The state treasurer is authorized to deduct from the fund accruing to the university under RSA 187-A:7, or appropriation in lieu thereof, for each fiscal year such sum as may be necessary to meet interest and principal payments in accordance with the terms and conditions of bonds and notes issued for the purpose of section 2.

11 Powers of Governor and Council. The governor and council are hereby authorized and empowered:

I. To cooperate with and enter into such agreements with the federal government, or any agency thereof, as they may deem advisable, to secure federal funds for the purposes of this act.

II. To accept any federal funds which are, or become available for any project under sections 1, 3, and 4 beyond the estimated amounts. The net appropriation of state funds for any project for which such additional federal funds are accepted shall be reduced by the amount of such additional funds, and the amount of bonding authorized by section 8 shall be reduced by the same amount.

12 Transfers. The individual project appropriations, as provided in sections 1, 3 and 4 shall not be transferred or expended for any other purpose; provided that any anticipated balance remaining in an individual project, which is fully funded by state funds, may be transferred by governor and council to any other individual project or projects, which are also fully funded by state funds, within the same section. The individual project appropriations provided in section 2 shall not be transferred, or expended pursuant to section 6, for any other purpose unless approval has been obtained from the capital budget overview committee.

13 Reduction of Appropriation and Bonding Authority. If the net appropriation of state funds for any project provided for by sections 1, 3 and 4 is determined on the basis of an estimate of anticipated federal, local, or other funds, and if the amount of such funds actually received or available is less than said estimate, then the total authorized cost for such projects and the net appropriation of state funds thereof shall be reduced by the same proportion as the proportion by which federal, local, or other funds are reduced. The amount of bonding authorized by section 8 shall be reduced by the amount that the appropriation of state funds is reduced pursuant to this section.

14 Health Care Transition Fund; Purpose Changed. Amend the introductory paragraph of RSA 167:71 to read as follows:

The interest earnings from the fund shall be expended first to fund the cost of bonds for the purpose of computer system initiatives including child support system improvements, eligibility system completion, child welfare system completion, medical services managed care, and service provider integration; provided that if interest earnings are insufficient, the fund balance for the amount necessary shall be used to fund the cost of such bonds. Any remaining interest earnings shall be expended to:

15 Health Care Transition Fund; Accumulated Income. Amend RSA 167:72 to read as follows:

167:72 Accumulated Income. Commencing with the fiscal year ending June 30, 1995, the state treasurer shall annually, on or before October 1, certify an amount to the commissioner which shall be the sum of the income accumulated in the fund that will be available to be expended under RSA ~~[167:71]~~ 167:71, I-III plus the market value of the principal assets held in the fund. Only the interest earnings shall be expended for the purposes outlined in RSA 167:71. Notwithstanding any other provision of law, the funds authorized for expenditure shall not be reduced by any funds made available from other sources.

16 Department of Health and Human Services; Computer System Capital Appropriation.

I. The sum of \$34,599,948 is hereby appropriated to the department of health and human services for the purpose of computer system initiatives including child support system improvements, eligibility system completion, child welfare system completion, medical services managed care, and service provider integration. This appropriation is in addition to any other funds appropriated to the department of health and human services.

II. Of the total sum appropriated in paragraph I, \$19,813,823 shall be from federal or other funds, and no more than \$14,786,125 shall be from state funds.

HOUSE RESOLUTION NO. 20

requesting an opinion of the justices concerning the constitutionality of HB 198-LOCAL, allowing municipalities to offer tax incentives to foster growth in new and existing industrial construction.

Whereas, there is presently pending before the House of Representatives HB 198-LOCAL, an act allowing municipalities to offer tax incentives to foster growth in new and existing industrial construction; and

Whereas, section 2 of HB 198-LOCAL provides that a town or city may vote to adopt a new construction property tax exemption for industrial uses; and

Whereas, section 2 of HB 198-LOCAL further provides that a new construction property tax exemption for industrial uses may run for a period of 3 to 5 years following new construction and that the exemption for all years shall cumulatively not exceed 200 percent of the increased assessed value; and

Whereas, legislation proposing new tax exemptions should be scrutinized to determine its constitutionality; now, therefore, be it

Resolved by the House of Representatives:

That the Justices of the Supreme Court be respectfully requested to give their opinion on the following questions of law:

1. Is the classification of taxable property provided for in HB 198-LOCAL based on a reasonable distinction which promotes a proper object of public welfare and does not require any taxpayer to pay more than his or her fair share of the tax burden as required by part I, article 12 of the New Hampshire Constitution?

2. Do the provisions of HB 198-LOCAL which temporarily exempt certain real property from property taxes violate the constitutional requirements of uniformity and equality governing the assessment and collection of property taxes and the constitutional prohibition against authorizing gifts to corporations organized for profit, all required by part II, article 5 of the New Hampshire Constitution?

That the clerk of the House of Representatives transmit copies of this resolution and copies of HB 198-LOCAL to the justices of the New Hampshire Supreme Court.

HOUSE JOURNAL No. 15

Wednesday, April 2, 1997

The House assembled at 1:00 p.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

O God of our lives, in this season of powerful transformations, when winter gives way grudgingly to the warmth and softness of spring, help us to offer ourselves to the possibilities of Your renewing grace. Where we cling to fear and power enable us to unclench our lives and commit ourselves anew to Your compassionate desires for us and the people we serve. Grant us Your strength and wisdom in the sacrament of this day so that we may give ourselves entirely to Your dreams for the land and people of New Hampshire. Amen.

Reps. Jane Clemons and Rice led the Pledge of Allegiance.

HOUSE RESOLUTION NO. 21

memorializing State Representative Richard H. Krueger of Claremont

WHEREAS, it is with deep regret and with great sadness we have learned of the death of our legislative brother, The Honorable Richard H. Krueger, a man who easily did earn our admiration and who was known affectionately to us all as Dick, and

WHEREAS, having served first for the three bienniums between 1987 and 1992, and then again from 1995 until the present, Dick Krueger was in the midst of his fifth term as a dedicated member of the New Hampshire House, and

WHEREAS, throughout a legislative tenure characterized by his committedness, and attention to detail, Dick Krueger did sit as a distinguished and esteemed member of the Standing Committee on Commerce, and

WHEREAS, having been an amicable man blessed with an abundance of energy and civic pride, Dick Krueger did belong to numerous Associations and Fraternal Orders, and did serve the citizenry of Claremont in a myriad of ways including 13 years as a member of the School Board and 16 years as Administrative Volunteer to the Greater Claremont Chamber of Commerce, and

WHEREAS, having been born in Rochester, Dick Krueger was a native New Hampshire son who did graduate from Spaulding High School and in 1955 did receive his bachelors degree from Tufts University and in 1978 did receive his masters degree from Springfield College, and

WHEREAS, for twenty years, Dick Krueger honorably did serve as an officer and a gentleman in the United States Navy, retiring in 1973 as a ship's Commanding Officer with the rank of Commander, and

WHEREAS, Dick Krueger was an accumulator of friends and admirers, a man who daily did demonstrate great courage; a man who never rationed his energy nor sense of humor, now therefore be it

RESOLVED, by the House of Representatives in Regular Session convened, that Representative Richard H. Krueger be saluted and granted the highest of accolades for his outstanding and dedicated service to his community, his state and his country, and be it further

RESOLVED, that expressions of heartfelt sympathy be extended to his family, and that a copy of this Resolution be prepared for presentation to his family.

Unanimously adopted by a rising vote.

REMARKS

Rep. Lockwood moved that the remarks made by Rep. Burling be printed in the Journal. Adopted.

Rep. Burling: I would ask for just another minute's thought about Dick. I ask for the privilege of standing here and just saying a word as a Democrat and a member of the Sullivan County Delegation about a man that I really admired a great deal. Dick Krueger and I fought fights at the county level, at the local level and in here for 20 years over various issues. He was always the worthiest of opponents, the kindest of gentlemen and when it came time for the two of us to share lunch at Boccia's eatery in Claremont, we were the best of friends. I would like to say that yesterday you really had a chance when you sat in St. Joseph's Church to get a judgment about the caliber of the man. I don't know who said it, but the phrase, "you'll know me by my friends," - to look around the room and see the friends that gathered to say goodbye to Dick was an extraordinary experience. It was a privilege to serve with him. Those of us who served with him in Sullivan County will remember him as long as we have the benefit of memory. Thank you for your attention.

COMMUNICION

April 2, 1997

Karen Wadsworth, Clerk of the House

Please be advised that the following representative-elect was sworn into office by the Governor and Executive Council on this day:

Hillsborough 41, Daniel J. Healy, d, Manchester (366 Lake Ave.) 03103

William M. Gardner, Secretary of State

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Wheeler moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 197-FN, relative to the regulation of wetland scientists, removed by Rep. Mirski.

HB 440-FN, changing the legislative mileage formula, removed by Rep. Mirski.

HB 578-FN-A-L, providing for property tax relief and making an appropriation therefor, removed by Rep. Jacobson.

HB 582-FN, relative to medicaid rate setting, removed by Rep. Mirski.

HB 616-FN, relative to jury selection reforms, removed by Rep. Kurk.

HB 734-FN, requiring district courts to hold evening sessions, removed by Rep. Kurk.

HB 744-FN, relative to administrative fines for violations of safety regulations regarding water pollution and waste disposal, authorizing the attorney general to enjoin any youth camp, public swimming pool, or spa operating without approval, and relative to the legal status of local river management advisory committees, removed by Rep. Kurk.

SB 123, relative to shellfish harvesting areas, removed by Rep. McGuirk.

Consent Calendar adopted.

HB 151-FN-L, establishing comprehensive medical, physical and psychological standards for law enforcement officers. **OUGHT TO PASS**

Rep. Margaret A. Lynch for Finance: This bill establishes state standards for law enforcement officers. In order to be certified the officer must meet these medical, physical, psychological and drug-free standards. This is not a 28-A mandate, as the cities and towns may, but are not required, to have their officers meet the standards. Vote 17-2.

HB 196-FN, providing for the regulation of horticultural growing media. **OUGHT TO PASS WITH AMENDMENT**

Rep. Margaret A. Lynch for Finance: This bill, introduced at the request of the Commissioner of Agriculture Markets and Food, provides for the registration and inspection of horticultural growing media and establishes fees for registration and penalties for violations. This will ensure the truthfulness of labeling. The fees generated from registrations will offset the costs associated with registration and inspection of horticultural growing media. Vote 19-0.

Amendment (0777h)

Amend RSA 433-A:11, IV(c) as inserted by section 1 of the bill by replacing it with the following:

(c) It contains viable weed seed exceeding the amounts specified in RSA 433:4, I(d)-(e).

HB 246, making technical corrections to the business profits tax, interest and dividends tax, and the legacies and successions tax. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kenneth L. Weyler for Finance: The bill makes changes to eliminate inconsistencies, adjust filing dates, and clarify language at the request of the Department of Revenue Administration. The amendment extends the rate of the medicaid enhancement tax through the next biennium. Vote 18-2.

Amendment (0867h)

Amend the title of the bill by replacing it with the following:

AN ACT making technical corrections to the business profits tax, interest and dividends tax, and the legacies and successions tax and setting the biennial rate of the medicaid enhancement tax at 6 percent.

Amend the bill by replacing all after section 5 with the following:

6 Rate of Tax for the Biennium Ending June 30, 1999. Notwithstanding the requirement in RSA 84-A:2 that the tax rate be set on or before April 1 preceding the first fiscal year of the biennium, the rate of tax for the period beginning July 1, 1997, and ending June 30, 1999, imposed under RSA 84-A:2 shall be 6 percent upon the gross patient services revenue of every hospital.

7 Effective Date.

I. Section 6 of this act shall take effect upon its passage.

II. The remainder of this act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill makes technical corrections to the business profits tax, interest and dividends tax, and the legacies and successions tax.

The bill also establishes the tax rate under the medicaid enhancement tax at 6 percent upon gross patient services revenue of every hospital for the biennium ending June 30, 1999.

HB 268-FN, relative to the powers of the Pease development authority. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert A. Johnson for Finance: The amendment, which replaces the bill, represents the consensus of all parties involved, including the City of Portsmouth, after the recent public benefit land transfer at Pease. The amendment establishes a liaison committee and requires the Pease Development Authority to share business inquiries with DRED. Vote 20-0.

Amendment (0842h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the Pease development authority.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Liaison Committee Established. Amend RSA 12-G by inserting after section 4-a the following new section:

12-G:4-b Liaison Committee Established; Terms; Duties.

I. There is established a liaison committee to the authority. The committee shall consist of 2 house members, appointed by the speaker of the house, 2 senate members, appointed by the president of the senate, and the commissioner of the department of resources and economic development, or designee. The terms of the house and senate members of the board shall be coterminous with the biennial legislative term. The commissioner of the department of resources and economic development shall serve coterminous with the commissioner's term of office.

II. The committee may attend meetings of the board and shall be a liaison between the legislature and the authority.

2 New Section; Sharing Business Inquires With Department of Resources and Economic Development. Amend RSA 12-G by inserting after section 7-a the following new section:

12-G:7-b Sharing Business Inquires With Department of Resources and Economic Development. The authority shall share with the department of resources and economic development all business inquires the authority receives, provided that the inquiring party grants permission. The department shall treat all inquiries received from the authority with respect for confidentiality.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes a committee to be a liaison between the Pease development authority and the legislature. The bill also requires the authority to share business inquires with the department of resources and economic development if the inquiring party grants permission.

HB 413, expanding the authority of the commissioner of the department of transportation to use a certain appropriation to purchase airports. **OUGHT TO PASS WITH AMENDMENT**

Rep. Arthur P. Klemm, Jr. for Finance: This bill was originally voted Inexpedient to Legislate by a vote of 8-0 because the subject matter was already included in HB 25. In including the language in HB 25 sections two and three were accidentally left out. Therefore, a technical amendment was needed renumbering the sections of the bill and the committee supported the Ought to Pass motion. Vote 20-2.

Amendment (0846h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the sale or transfer of airports by the state.

Amend the bill by deleting section 1 and renumbering the original sections 2-3 to read as 1-2, respectively.

AMENDED ANALYSIS

This bill sets certain requirements relating to the subsequent sale or transfer of airports after purchase by the state.

HB 457-FN, requiring all state agencies, departments, and commissions in all 3 branches of government to have a presence on the New Hampshire automated information system by January 1, 1998, and designating the state library as the official repository of state government information. **OUGHT TO PASS**

Rep. Mary E. Brown for Finance: This bill requires all state agencies to have a web site, and designates the State Library as the official repository of state government information. The fiscal impact was estimated to be less than \$10,000. Vote 21-1.

HB 488-FN, relative to involuntary admission to the state hospital on an emergency basis. **OUGHT TO PASS**

Rep. Mary Jane Wallner for Finance: The Committee found that this bill has no fiscal impact on the state. Vote 20-0.

HB 525-L, relative to Braille instruction for functionally blind pupils. **OUGHT TO PASS**
Rep. Paul J. Dwyer, Sr. for Finance: To function in today's society one must read and understand and be able to communicate. For the blind, Braille is an important tool to learn to read. The Department of Education determined that there is no fiscal impact. Vote 20-0.

HB 572-FN, relative to town, city, and county treasurers and to the state treasurer. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert G. Holbrook for Finance: This bill is at the request of the state treasurer to bring the statutes up to date with the changes in bank ownership for depositories of town, county, city, school district and state funds. Also clarified are several items on abandoned property issues. Further, the bill outlines the procedure for unclaimed estate funds. There is a section on certificates of assessment against utilities with changes as to whom the certification is to be reported. There is a section on railroad taxes as to distribution. Vote 21-0.

Amendment (0764h)

Amend RSA 561:10, I as inserted by section 18 of the bill by replacing it with the following:

I. Whenever, upon a decree of distribution or the settlement of the account of an administrator, executor or trustee, there shall be in his hands any sum of money in excess of [twenty-five dollars] \$50 belonging to any heir, legatee, beneficiary, creditor, or other person whose place of residence is unknown and cannot be found, or if such person shall refuse to accept or receipt for such sum after being tendered, the administrator, executor or trustee shall petition the probate court and the court, when satisfied that due diligence has been used to find the person entitled to such sum or that such sum has been tendered to and refused by such heir, legatee, beneficiary, creditor or other person entitled to the same, shall decree that the sum be paid over to the state treasurer, and such payment shall be a discharge of said administrator, executor or trustee. [Any person entitled to receive such sum may petition the probate court, at any time before the final disposition thereof under this chapter and payment to him shall be decreed, upon notice and hearing]. The state treasurer shall hold any such sums received in accordance with RSA 471-C.

HB 588-FN, relative to certification of operators of solid waste plants, water treatment plants and wastewater treatment plants, and adding late renewal fees. **OUGHT TO PASS**

Rep. Arthur P. Klemm, Jr. for Finance: This bill was a request of the Department of Environmental Services. The bill allows certification of solid waste operators to be renewed annually as well as establishing a late fee if certification is not done in a timely manner. The bill also increases certification fees for water treatment operators as well as adding late renewal penalties for water treatment operators as well as wastewater treatment operators. Vote 21-2.

HB 592-FN-A-L, establishing an advisory council on brain and spinal cord injuries. **OUGHT TO PASS**

Rep. Frances L. Riley for Finance: This establishes a brain and spinal cord injury trust fund and an advisory council which supports injury prevention efforts to help meet the needs of individuals who would otherwise be dependent upon the public for their care and rehabilitation. There is no fiscal impact in this bill, although there may be some grants available. The bill allows the department to make rules, but no money is needed to do this. Vote 20-0.

HB 598-FN, relative to liens on aircraft for nonpayment of aircraft registration fees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kenneth L. Weyler for Finance: Aircraft kept in New Hampshire by their owners are subject to an annual registration fee. The present non-compliance rate is unacceptable, and the collection method is lengthy and litigious. This bill allows a new mechanism, whereby a lien is placed on the aircraft, in an effort to increase compliance. Vote 20-0.

Amendment (0808h)

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect upon its passage.

HB 599-FN, relative to youth access to tobacco products. **OUGHT TO PASS**

Rep. Mary Jane Wallner for Finance: The committee supports the important policy in this bill to limit youth access to tobacco. State revenues will increase by \$277,850 in 1998 and each year thereafter. Revenue increases are due to new license fees. Vote 20-0.

HB 606-FN-L, relative to procedures regarding children in need of services under RSA 169-D.
RE-REFER TO COMMITTEE

Rep. W. Gordon Allen for Finance: This bill makes important refinements to the law on Children in Need of Services (CHINS) based on the recommendations of a blue ribbon task force; but because of a new estimate of the bill's costs presented by the Department of Health and Human Services which raised many questions and was far greater than what the Judiciary Committee projected, and because of the lack of an official fiscal note, we would like to have the bill re-referred to deal with these issues. Vote 20-0.

HB 646-FN-A, relative to eligibility for child day care services for persons receiving public assistance and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. W. Gordon Allen for Finance: This bill provides child care assistance to working families up to 185% of poverty, provided there are sufficient federal funds. This assistance is critical for these families to maintain their jobs, and to keep off welfare. Vote 20-0.

Amendment (0905h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to eligibility for child day care services for persons receiving public assistance.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Income Eligibility. Amend RSA 167:3-c by inserting after paragraph IX the following new paragraph:

X. Establishing the income eligibility limit for child day care services that make child care assistance available to families; provided, however, that the income eligibility limit shall be such that at least those families whose gross monthly income is 185 percent or less of the federal poverty guidelines, and who meet all other eligibility requirements, are eligible for child day care services.

2 Funding. Section 1 of this act shall be funded only if the necessary federal funds are available.

3 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill expands eligibility for public assistance for child care services by requiring that the income eligibility limit for child day care services that make child care assistance available to families shall be such that at least those families whose gross monthly income is 185 percent or less of the federal poverty guidelines, and who meet all other eligibility requirements, are eligible for child day care services.

HB 658-FN-A, ensuring that the division of safety services, department of safety receives its 1/2 share of unrefunded tolls for boat motor fuels as required by law and establishing a special fund therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert G. Holbrook for Finance: This bill places half of the unrefunded road toll collected from boat and outboard motor fuels into a special navigation safety fund in the state treasurer's office to be used by the Department of Safety for the promotion of water safety. Vote 23-0.

Amendment (0800h)

Amend RSA 260:60 as inserted by section 2 of this act by replacing it with the following:

260:60 Exception. *Notwithstanding all other laws and rules to the contrary*, annually, on or before June 1, the road toll administrator shall compare the number of gallons on which refunds have been made for the preceding calendar year for motor fuel used in the propulsion of boats on inland public waters of the state, with the number of gallons of such motor fuel sold and delivered directly into the fuel tanks, or supplementary fuel tanks, of boats or outboard motors upon the inland public waters for use in such boats or outboards, based on the number of boats registered in the state at 100 gallons usage per boat, and if there is any balance of unrefunded tolls so collected, the administrator shall report the same to the state treasurer who shall, on July 1, next following, credit 1/2 of said balance to a *special navigation safety fund within the treasury, to be administered by the director* of the division of safety services, ~~having~~ *which has* jurisdiction over the navigation of such boats or motors, and credit 1/2 of said balance to the fish and game department. Funds

credited to the ~~[division of safety services]~~ *navigation safety fund* shall be used *by the division of safety services* for the promotion of the safety of navigation, and the funds credited to the fish and game department shall be used by said department to carry out its program and be accounted for as the fish and game fund is accounted for. Any balances in the funds hereby credited as above provided shall not lapse at the end of the fiscal year. *Any fund in the navigation safety fund, not otherwise appropriated, may be used by the division of safety services for the promotion of the safety of navigation upon request from the commissioner of safety to the governor and council with the prior approval of the legislative fiscal committee.* The department shall pay monthly to the state treasurer all revenue from the aircraft landing area toll.

HB 686-FN-A, relative to financing of child day care facilities and making an appropriation therefor. RE-REFER TO COMMITTEE

Rep. Mary Jane Wallner for Finance: Since the original hearing, a number of ideas pertaining to funding of child care facilities have been suggested. Consequently, the sponsor asked the Finance Committee to re-refer this bill and the committee obliged. Vote 20-0.

HB 717-FN-A, relative to the taxation of venture capital firms under the business profits tax. RE-REFER TO COMMITTEE

Rep. Kenneth L. Weyler for Finance: The current New Hampshire tax structure makes it difficult for venture capitalists to operate here. This is especially disappointing when our state is number four in total patents of the fifty states. Even our state programs for venture capital funding must go through a Massachusetts firm. Department of Revenue Administration objected to three different amendments. The Committee needs further study to find a compromise. Vote 20-0.

HB 724-FN, allowing the office of reimbursements in the department of health and human services to set rates for the multiple DWI offender intervention detention center program. OUGHT TO PASS

Rep. Mary Jane Wallner for Finance: This bill provides for adjustment of rates to meet the expenses of the multiple DWI offender program. This is an important step in getting us closer to covering the cost of this program. Vote 20-0.

HB 756-FN, relative to the registration of alternative providers of mental health services. RE-REFER TO COMMITTEE

Rep. O. Alan Thulander for Finance: The committee feels that, while the intent of the initiative has merit, the definition of the providers to be covered was unclear; and further that the projected expense out-stripped the anticipated revenues. For these reasons, the bill should be re-referred for further consideration. Vote 20-0.

HB 760-FN, relative to OHRVs and OHRV registration fees. INEXPEDIENT TO LEGISLATE

Rep. Stephen T. DeStefano for Finance: The policy and funding in this bill was incorporated into HB 755. Vote 20-0.

HB 765-FN, establishing an osteoporosis prevention, education, and treatment program. OUGHT TO PASS WITH AMENDMENT

Rep. Sharon L. Nordgren for Finance: The Finance Committee agreed with the policy committee on the importance of this piece of legislation. It is also a priority with the National Governors' Association Spouses' Program. Osteoporosis is a preventable condition and although the Finance Committee removed the appropriation from this bill, the Department of Health and Human Services assures us that they will carry out the intent of the legislation. Vote 20-0.

Amendment (0864h)

Amend the bill by replacing section 4 with the following:

4 Costs. The startup costs and other costs for the osteoporosis prevention, education, and treatment program, established in section 2 of this act, shall be funded through any moneys collected under RSA 126-I:5 and any moneys available to the department of health and human services.

HB 771-FN-L, relative to hazardous waste operator permit application costs, adding an exemption to the hazardous waste cleanup fund fee, increasing grant awards made pursuant to the used oil collection center program, and relative to the automotive oil fee. OUGHT TO PASS

Rep. Margaret A. Lynch for Finance: This bill was requested by the Department of Environmental Services. It clarifies the costs charged an applicant for a hazardous waste operator permit, exempts certain cases from the fee, increases the grant awards available, amends the automotive oil fee in 1998 to \$.02 per gallon and provides for the continuation of a position funded by the fee. Vote 20-0.

HB 781-FN, relative to lucky 7 tickets and bingo games and requiring manufacturers and distributors of bingo supplies to be licensed. **OUGHT TO PASS WITH AMENDMENT**

Rep. Charles L. Vaughn for Finance: This legislation legitimizes the operation of 7 organizations which hold bingo games outside of their communities. Further, it requires manufacturers and distributors of bingo supplies to be licensed and provides that lucky 7 tickets cannot be sold except within a charitable group's community or where bingo games are authorized. The amendment excuses current New Hampshire licensed manufacturers of lucky 7 tickets from paying additional licensing fees. Vote 20-0.

Amendment (0817h)

Amend the bill by replacing section 4 with the following:

4 New Section; Distributors and Manufacturers of Bingo Supplies and Equipment. Amend RSA 287-E by inserting after section 8 the following new section:

287-E:8-a Distributors and Manufacturers of Bingo Supplies and Equipment. The commission shall license distributors and manufacturers of bingo paper supplies, electronic bingo player systems, and lucky 7 vending machines sold, leased, or rented in this state. A distributor with a current New Hampshire license for distribution of lucky 7 tickets shall be authorized to distribute bingo paper supplies and electronic bingo player systems and lucky 7 vending machines, and shall not be required to file for licensing under this section. All bingo paper supplies, electronic bingo player systems, and lucky 7 vending machines shall be purchased, leased, or rented from a licensed distributor and manufactured by a licensed manufacturer. A license shall be issued to a distributor or manufacturer under the following conditions, provided that the commission may, by rule, establish additional qualifications for licenses:

I. The applicant for a distributor's license shall pay to the commission an annual license or license renewal fee of \$10,000. Such fee shall authorize the distribution of bingo paper supplies, electronic bingo player systems, and lucky 7 vending machines within the state of New Hampshire and the warehousing of bingo paper supplies, electronic bingo player systems, and lucky 7 vending machines for subsequent sale out of state. A distributor with a current New Hampshire license for distribution of lucky 7 tickets shall not be required to pay the additional licensing fee under this section.

II. The applicant shall certify that neither the applicant nor any partner, officer, or director has been convicted of a felony, which has not been annulled by any court, within 10 years from the date of application.

III. Each licensee shall post a bond in the amount of \$50,000, conditioned upon the licensee's compliance with the rules of the commission. A distributor with a current New Hampshire license for distribution of lucky 7 tickets shall not be required to post the additional bond under this section.

IV. An applicant for a license as a distributor shall be a resident of this state whose principal place of business is within this state, and shall have been a resident of this state for at least 2 years immediately prior to the date of application.

V.(a) The commission shall issue a special license to manufacturers of bingo paper supplies, electronic bingo player systems, and lucky 7 vending machines leased, rented, or sold in the state. A manufacturer with a current New Hampshire license to manufacture lucky 7 tickets shall not be required to pay the additional licensing fee under this paragraph.

(b) The fee for such special license shall be \$5,000 per year or for any part of a year.

HB 783-FN-A-L, relative to funding vocational student organizations and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. David J. Alukonis for Finance: The department has suggested that it will fund vocational student organizations (VSO) from its operating budget through June 30, 1998. This is an immediate response to the current needs of the VSO advisors. The department has indicated that it will, through the Vocational Education Task Force, prepare a legislative initiative which will include a long-term solution to funding VSO leadership. The proposal will allow for legislation to be introduced in the 1998 session. Vote 20-0.

HB 785-FN, relative to alcohol and drug abuse professionals. OUGHT TO PASS WITH AMENDMENT

Rep. Frances L. Riley for Finance: This bill adds alcohol and drug abuse professionals to the list of boards which are self-supporting, and allows these professionals to establish fees sufficient to produce estimated revenues equal to 125% of the direct operating expenses for the board. Vote 19-1.

Amendment (0813h)

Amend RSA 330-C:10 as inserted by section 1 of the bill by inserting after paragraph V the following new paragraph:

VI. The board shall establish application, renewal, and late fees for licensure under this chapter and fees for transcribing and transferring records and other services. The fees established by the board shall be sufficient to produce estimated revenues equal to 125 percent of the direct operating expenses for the board for the previous fiscal year.

Amend RSA 330-C:14, II as inserted by section 1 of the bill by replacing it with the following:

II. The board may retain legal counsel, expert witnesses, special advisors, or other qualified persons to assist with any investigation or adjudicatory proceeding.

HB 788-FN, relative to the computation of penalties and interest in certain tax underpayment situations. INEXPEDIENT TO LEGISLATE

Rep. Charles L. Vaughn for Finance: This bill could reduce tax compliance and therefore tax collections by removing the interest and penalty aspects that encourage voluntary compliance with tax laws. If passed it would reduce general fund revenues by \$9.4 million in FY 1998 and each year thereafter. Vote 20-0.

HJR 6, requiring the joint legislative historical committee to acquire and cause to be displayed a portrait of suffragist Marilla Marks Ricker. OUGHT TO PASS WITH AMENDMENT

Rep. Mary E. Brown for Finance: This resolution as amended allows the joint historical committee to accept gifts and donations for the purpose of obtaining a portrait of Marilla Parks Ricker, and to oversee hanging it in the state house complex. No general fund monies are used for this project. Vote 19-1.

Amendment (0782h)

Amend the title of the resolution by replacing it with the following:

A RESOLUTION authorizing the joint legislative historical committee to acquire and cause to be displayed a portrait of suffragist Marilla Marks Ricker.

Amend the resolution by replacing all after the resolving clause with the following:

That the joint legislative historical committee is authorized to accept a gift of a portrait of Marilla Marks Ricker or financial donations or grants or other contributions that may be used to obtain a portrait of Marilla Marks Ricker; and

That the joint legislative historical committee may so obtain a portrait of Marilla Marks Ricker; and

That the joint legislative historical committee may oversee the hanging of the portrait of Marilla Marks Ricker in a place of honor in the state house complex befitting a heroine of historical stature in the granite state.

AMENDED ANALYSIS

This house joint resolution authorizes the joint legislative historical committee to acquire and hang in a prominent place in the state house complex a portrait of suffragist Marilla Marks Ricker, the first woman to vote in the United States, the first woman admitted to the New Hampshire bar, and the first woman to run for governor of New Hampshire.

SB 4, relative to patient information. OUGHT TO PASS WITH AMENDMENT

Rep. Robert Chabot for Health, Human Services and Elderly Affairs: This bill fulfills a long standing need to inform patients in a thorough and timely fashion of their health status. The amendment contains a definition of "health care provider". Vote 17-0.

Amendment (0785h)

Amend the bill by replacing section 4 with the following:

4 Patient to be Fully Informed by Health Care Provider. RSA 151:21, IV is repealed and reenacted to read as follows:

IV. The patient shall be fully informed by a health care provider of his or her medical condition, health care needs and diagnostic test results, including the manner by which such results will be provided and the expected time interval between testing and receiving results, unless medically inadvisable and so documented in the medical record, and shall be given the opportunity to participate in the planning of his or her total care and medical treatment, to refuse treatment, and to be involved in experimental research upon the patient's written consent only. For the purposes of this paragraph "health care provider" means any person, corporation, facility, or institution either licensed by this state or otherwise lawfully providing health care services, including, but not limited to, a physician, hospital or other health care facility, dentist, nurse, optometrist, podiatrist, physical therapist or psychologist, and any officer, employee or agent of such provider acting in the course and scope of employment or agency related to or supportive of health care services.

Amend the bill by replacing section 11 with the following:

11 Health Care Provider's Records. Amend RSA 332-I:1 to read as follows:

332-I:1 Medical Records.

I. The medical information contained in the medical records in the possession of any [medical] health care provider [licensed or registered under title XXX] shall be deemed to be the property of the patient. The patient shall be entitled to a copy of such records, for a reasonable cost, upon [his] request.

II. In this chapter, "health care provider" means any person, corporation, facility, or institution either licensed by this state or otherwise lawfully providing health care services, including, but not limited to, a physician, hospital or other health care facility, dentist, nurse, optometrist, podiatrist, physical therapist or psychologist, and any officer, employee or agent of such provider acting in the course and scope of employment or agency related to or supportive of health care services.

SB 133, relative to the task force on perinatal chemical dependency. **OUGHT TO PASS**
Rep. Robert Chabot for Health, Human Services and Elderly Affairs: This is a housekeeping bill. It enumerates the membership and term of the participants. It also changes the name of the task force to the perinatal, alcohol, tobacco and other drug use task force. Vote 12-0.

SB 163, relative to the Uniform Anatomical Gift Act. **OUGHT TO PASS WITH AMENDMENT**
Rep. Peter Batula for Health, Human Services and Elderly Affairs: After considerable discussion the majority was convinced that this bill provides uniformity with other states with reference to organ or tissue donations. It makes donating and transplanting easier for donors, donees, physicians, hospitals and procurement organizations. The committee was satisfied that enough safeguards are in place with this bill. There is no fiscal impact. Vote 14-1.

Amendment (0891h)

Amend RSA 291-A:2, XI as inserted by section 1 of the bill by replacing it with the following:

XI. "Procurement organization" means a person licensed, accredited, or approved under any state or federal law for procurement, distribution, or storage of human bodies or parts.

Amend RSA 291-A:4, I as inserted by section 1 of the bill by replacing it with the following:

I. Any member of the following classes of persons, in the order of priority listed, may make an anatomical gift of all or a part of the decedent's body for an authorized purpose, unless the decedent, at the time of death, has made an unrevoked refusal to make that anatomical gift:

- (a) The spouse of the decedent.
- (b) An adult son or daughter of the decedent.
- (c) A parent of the decedent.
- (d) An adult brother or sister of the decedent.
- (e) A grandparent of the decedent.
- (f) A guardian of the person of the decedent at the time of death.
- (g) A designated agent under the durable power of attorney for health care, pursuant to RSA

137-J.

- (h) Other persons authorized or under obligation to dispose of the body.

Amend RSA 291-A:6, I and II as inserted by section 1 of the bill by replacing them with the following:

I. On or before admission to a hospital, or as soon as possible thereafter, a person designated by the hospital shall offer patients the opportunity to provide to the hospital a copy of any document of gift. The hospital shall also have available information about organ and tissue donation.

II. If, at or near the time of death of a patient, there is no medical record that the patient has made or refused to make an anatomical gift, a person designated by the hospital, which may include a procurement organization representative, shall, unless the attending physician determines otherwise, discuss the option to make or refuse to make an anatomical gift and request the making of an anatomical gift pursuant to RSA 291-A:4, I. The request shall be made with reasonable discretion and sensitivity to the circumstances of the family. A request is not required if the gift is not suitable, based upon accepted medical standards, for a purpose specified in RSA 291-A:7. An entry shall be made in the medical record of the patient, stating the name and affiliation of the individual making the request, and of the name, response, and relationship to the patient of the person to whom the request was made. The commissioner of health and human services, in consultation with procurement organizations, and the New Hampshire Hospital Association, shall adopt rules, under RSA 541-A, to implement this paragraph.

Amend RSA 291-A:9, III as inserted by section 1 of the bill by replacing it with the following:

III. If there has been an anatomical gift, an appropriate physician or surgeon may remove any donated parts and an enucleator may remove any donated eyes or parts of eyes, after determination of death by a physician or surgeon. If there has been an anatomical gift, the donated parts may be removed after determination of death, by a person other than a physician or surgeon who attended the donor at death or determined the time of death.

Amend RSA 291-A:11, I as inserted by section 1 of the bill by replacing it with the following:

I. A person may not knowingly, for valuable consideration, purchase or sell a part for any purpose, regardless of whether removal of the part is intended to occur after the death of the donor, or at the request of a living donor.

Amend RSA 291-A:12, III as inserted by section 1 of the bill by replacing it with the following:

III. A hospital, physician, surgeon, medical examiner, funeral director, enucleator, procurement organization, or person acting on behalf of one of the preceding, who acts in accordance with this chapter or with the applicable anatomical gift law of another state or attempts in good faith to do so, is not liable for that act in a civil action or criminal proceeding.

Amend RSA 291-A:14 as inserted by section 1 of the bill by replacing it with the following:

291-A:14 Release of Corneas for Transplantation; Liability.

I. Upon request of a procurement organization, the chief medical examiner, or designee, may release the cornea of a decedent to a procurement organization under the following conditions:

(a) The body of the decedent is under the jurisdiction of the chief medical examiner, in accordance with RSA 611 or RSA 611-A.

(b) A period of one hour has elapsed after the chief medical examiner, or designee, has notified such procurement organization and the procurement organization has received notification that the cornea of the decedent is available for transplant, and during such period the procurement organization has made a good faith effort to notify decedent's spouse or next of kin that a transplant is proposed.

(c) No objections to the donation were made known by the decedent prior to his death or by the decedent's spouse or next of kin or by an agent of the decedent to the chief medical examiner or designee.

(d) The removal of the cornea for transplant will not alter the decedent's facial appearance.

II. A log, available at the procurement organization, shall contain the time of the notification by the chief medical examiner, or designee.

III. No medical examiner, physician, or procurement organization, acting under the provisions of this section, shall be liable in any criminal or civil action brought as a result of a release of the decedent's cornea if a good faith effort was made to notify decedent's spouse or next of kin of such transplant.

HB 52, authorizing the assignment of superior court judges to hear cases in the district court.
OUGHT TO PASS

Rep. John J. McCarthy, Jr. for Judiciary and Family Law: This bill authorizes the Chief Justice of the Supreme Court, after assessing caseload needs and consulting with the administrative judges, to assign any superior court judge to hear cases in the district court. Vote 13-1.

REGULAR CALENDAR

CACR 21, relating to a balanced budget. Providing that the governor be prohibited from proposing and the general court be prohibited from approving, an operating budget in which expenditures exceed estimated revenue. **OUGHT TO PASS WITH AMENDMENT**

Rep. Mary E. Brown for Finance: This CACR amends the second part of the Constitution by inserting after 6-b two statements. The first provides that the governor propose, and that the general court approve, an operating budget where expenditures do not exceed estimated revenues. The second part allows for long-term indebtedness to pay for "catastrophic" conditions, as certified by the governor and general court. Vote 11-9.

Amendment (0829h)

Amend the resolution by replacing all after the resolving clause with the following:

I. That the second part of the constitution be amended by inserting after article 6-b the following new article:

[Art.] 6-c [Expenditure Limitation.]

I. The governor shall not propose, and the general court shall not approve, an operating budget which provides expenditures which exceed the estimated revenue from taxes, fees, and other operating income.

II. The governor and the general court shall not approve any long-term indebtedness for operating expenditures, except during a catastrophic emergency certified as such by the governor and the general court.

II. That the above amendment proposed to the constitution be submitted to the qualified voters of the state at the state general election to be held in November, 1998.

III. That the selectmen of all towns, cities, wards and places in the state are directed to insert in their warrants for the said 1998 election an article to the following effect: To decide whether the amendments of the constitution proposed by the 1997 session of the general court shall be approved.

IV. That the wording of the question put to the qualified voters shall be: Are you in favor of amending the constitution to prohibit the governor from proposing, and the general court from approving, an operating budget in which expenditures exceed estimated revenue?

V. That the secretary of state shall print the question to be submitted on a separate ballot or on the same ballot with other constitutional questions. The ballot containing the question shall include 2 squares next to the question allowing the voter to vote "Yes" or "No." If no cross is made in either of the squares, the ballot shall not be counted on the question. The outside of the ballot shall be the same as the regular official ballot except that the words "Questions Relating to Constitutional Amendments proposed by the 1997 General Court" shall be printed in bold type at the top of the ballot.

VI. That if the proposed amendment is approved by 2/3 of those voting on the amendment, it becomes effective when the governor proclaims its adoption.

Rep. Kurk spoke against.

The amendment failed.

The report failed.

Rep. Kurk moved Re-refer to Committee.

Adopted.

HB 51-FN-A, extending the temporary tax rates of the meals and rooms tax, communications services tax, and real estate transfer tax through the biennium ending June 30, 1999. **OUGHT TO PASS**
Rep. Kenneth L. Weyler for Finance: Temporary rates for rooms and meals, communications service and real estate transfer taxes are continued through FY 99. As desirable as returning to the permanent rate may be, there is no source of revenue available to replace the revenue amount that would be lost. A new tax would be required, and that was less acceptable. Vote 20-0.

Rep. Mirski spoke against.

Rep. Mirski requested that the question be divided. The Speaker ruled the question was divisible. The question now being the adoption of Sec. 1, the meals and rooms tax.

Reps. Vaughn and Weyler spoke in favor and yielded to questions.

Rep. Mirski requested a roll call; sufficiently seconded.

and Sec. 3, the real estate transfer tax was adopted.

Report adopted and ordered to third reading.

SPECIAL ORDER

HB 195-FN-A, increasing the exemption amount under the interest and dividends tax. RE-REFER TO COMMITTEE

Rep. Charles L. Vaughn for Finance: The Committee, with due diligence, concluded it is prudent to re-refer. The bill merits further study. Vote 19-1.

Adopted.

Rep. Noyes declared a conflict of interest and did not participate.

REGULAR CALENDAR (CONT'D.)

HB 225-FN, requiring the commissioner of health and human services to establish a needle exchange pilot program. OUGHT TO PASS WITH AMENDMENT

Rep. W. Gordon Allen for Finance: The bill was amended to clarify and ensure that no general funds would be used in operating the pilot program in one community. The policy was unchanged. Vote 13-7.

Amendment (0792h)

Amend the title of the bill by replacing it with the following:

AN ACT providing for the establishment of a needle exchange pilot program in one community in New Hampshire.

Amend the bill by replacing section 2 with the following:

2 Pilot Program Established; Needle Exchange.

I. The commissioner of the department of health and human services shall establish guidelines for and shall monitor, with the assistance of an advisory committee, a 2-year pilot program offering the free exchange of new hypodermic needles and syringes for used hypodermic needles and syringes as a means to prevent the transmission of human immunodeficiency virus (HIV) among intravenous drug users. The pilot program may be implemented by one community in New Hampshire. Any individual who either administers or participates in the needle exchange program established under this act shall be immune from prosecution for violating RSA 318:52-c through RSA 318:52-e.

II. The commissioner, with the advice of the advisory committee established in section 3 of this act, shall adopt rules, pursuant to RSA 541-A, relative to:

(a) The community where the pilot program may be implemented and the manner of implementation in such community.

(b) Counseling and rehabilitation services to be offered to persons participating in the program.

(c) Any other matter necessary to the administration of this act.

III. The local governing body shall have the option to determine if it will implement the pilot program in the community.

IV. The commissioner of health and human services may accept grants and moneys from any source and may expend such grants and moneys for the purposes of the program. Any money expended in excess of such grants and moneys shall be the responsibility of the community implementing the program.

Amend the introductory paragraph of paragraph I as inserted by section 3 of the bill by replacing it with the following:

I. There is established an advisory committee to assist the commissioner of health and human services in establishing guidelines for and monitoring the pilot program, including the rulemaking process, authorized under section 2 of this act. The committee members shall be as follows:

Amend the bill by replacing section 5 with the following:

5 Funding. The pilot program established in this act shall be funded through grants solicited from federal, local, charitable and private sources and funds that may be provided by the pilot community.

AMENDED ANALYSIS

This bill requires the commissioner of the department of health and human services to establish guidelines for and to monitor, with the assistance of an advisory committee, a 2-year needle exchange pilot program to reduce the spread of AIDS in New Hampshire. The pilot program may be implemented by one community in New Hampshire. The community shall have the option of deciding whether the pilot program should be implemented in its community. The commissioner is granted rulemaking authority to implement the provisions of the bill.

On a division vote, 244 members having voted in the affirmative and 100 in the negative, the amendment was adopted.

Rep. Frances Riley wished to be recorded against.

The question now being the adoption of the amended committee report.

On a division vote, 224 members having voted in the affirmative and 121 in the negative, the report was adopted.

Ordered to third reading.

Rep. Frances Riley wished to be recorded against.

Rep. Manning wished to be recorded in favor.

HB 402, relative to the use of revenues of the fish and game department. **INEXPEDIENT TO LEGISLATE**

Rep. Stephen T. DeStefano for Finance: This bill would require all revenues for licenses, permits and other sources be used only for the administering of fish and game laws. The majority of the committee felt that the Fish and Game Department should pay for their facility at Hazen Drive and therefore voted the bill Inexpedient. Vote 12-7.

Rep. Kurk spoke against.

The report failed.

Rep. Kurk moved Ought to Pass.

Adopted and ordered to third reading.

HB 459-FN, establishing a youth operator's license for persons under 18 years of age. **OUGHT TO PASS**

Rep. Robert G. Holbrook for Finance: The committee found no adverse financial impact. Vote 15-5. Adopted and ordered to third reading.

HB 530-FN-A, establishing civil action filing fee surcharges to fund civil legal assistance to low-income persons and continually appropriating a special fund. **INEXPEDIENT TO LEGISLATE**

Reps. Franklin G. Torr and Arthur P. Klemm, Jr. for Finance: This bill was voted Inexpedient to Legislate because the committee felt a surcharge on fees in civil actions was an inappropriate funding mechanism. The committee believes the better way to fund this program is through the budget process, which the committee intends to do. Vote 15-5.
Adopted.

HB 571-FN-A, funding services for developmentally disabled persons with severe disabilities and making an appropriation therefor and relative to full funding of services to developmentally disabled persons. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kevin L. Camm for Finance: Since the governor's budget contained significant funding for the A & B waiting list for the next biennium, the committee removed the funding from the bill. It also required the Department of Health and Human Services to incorporate the cost of fully funding the waiting list in future biennial budget requests so that accurate information is available in the budget process. Vote 18-2.

Amendment (0845h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to full funding of services to developmentally disabled persons.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Intent. The general court recognizes that the state of New Hampshire has made a commitment under RSA 171-A to implement a statewide system of integrated community-based services for persons with developmental disabilities. The general court is cognizant of and concerned that so many of the state's developmentally disabled persons are deprived each year of essential services because New Hampshire has failed to adequately fund those services. Therefore, the general court intends that the department of health and human services fully fund such services in its future budget requests.

2 New Section; Full Funding for Services for Persons With Developmental Disabilities. Amend RSA 171-A by inserting after section 1 the following new section:

171-A:1-a Full Funding of Services Budget. The department of health and human services shall incorporate the costs of fully funding services to persons with severe developmental disabilities classified as priority A or B as required under RSA 171-A in the department's budget recommendation to the governor's office.

3 Effective Date. This act shall take effect July 1, 1997.

AMENDED ANALYSIS

The bill requires the department of health and human services to incorporate the costs of fully funding such services in its budget requests each biennium.
Adopted.

Report adopted and ordered to third reading.

HB 677-FN, increasing the wetlands excavating and dredging permit fee for major and minor projects. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stephen T. DeStefano for Finance: The amendment increases the fee from \$.025 per square foot to \$.04 per square foot for all operators for wetland excavating and dredging permits. This amendment was requested by the Department of Environmental Services. Vote 16-3.

Amendment (0840h)

Amend the bill by replacing section 1 with the following:

1 Wetlands Excavating and Dredging Permit Fee Increased for Minor and Major Projects. Amend RSA 482-A:3, I to read as follows:

I. No person shall excavate, remove, fill, dredge or construct any structures in or on any bank, flat, marsh, or swamp in and adjacent to any waters of the state without a permit from the department. The permit application together with a detailed plan and a map showing the exact location of the proposed project, along with 4 copies of the permit application, plan and map, shall be submitted to the town or city clerk, accompanied by a filing fee in the form of a check made out by the applicant to the state of New Hampshire. The permit application fee shall be \$50 for minimum impact projects. Fees for minor and major projects shall be assessed based on the area of dredge [or], fill, or construction proposed and the number of boat slips requested. The rates shall

be \$100 per boat slip and ~~[\$0.025 per square foot]~~ *\$0.04 per square foot for all proposed projects under this chapter.* At the time the permit application is submitted to the city or town clerk, the applicant shall provide postal receipts or copies, verifying that abutters, as defined in the rules of the department, and except as further provided in said rules, have been notified by certified mail. The postal receipts or copies shall be retained by the municipality. The town or city clerk shall immediately sign the application and forward by certified mail, the application, plan, map and filing fee to the department. The town or city clerk shall then immediately send a copy of the permit application, plan and map to the local governing body, the municipal planning board, if any, and the municipal conservation commission, if any, and may require an administrative fee not to exceed \$10 plus the cost of postage by certified mail. One copy shall remain with the city or town clerk, and shall be made reasonably accessible to the public. The foregoing procedure notwithstanding, applications and fees for projects by agencies of the state may be filed directly with the department, with 4 copies of the application, plan and map filed at the same time with the town or city clerk to be distributed as set forth above.

Adopted.

Report adopted and ordered to third reading.

HB 748-FN, clarifying the school building aid law relative to kindergarten programs. **INEXPEDIENT TO LEGISLATE**

Rep. David J. Alukonis for Finance: The initiatives proposed by this legislation may also be found in HB 50, the governor's kindergarten bill. The committee will review the fiscal impact of these proposals as part of its comprehensive review of the governor's proposal. Vote 15-5.

Adopted.

HB 755-FN, increasing certain OHRV registration fees and requiring the department of fish and game to file an annual report to the legislature. **OUGHT TO PASS WITH AMENDMENT**

Rep. Arthur P. Klemm, Jr. for Finance: This bill as amended adds \$10.00 on resident OHRV registrations. Two dollars of this fee will go to Fish and Game for enforcement and the remaining \$8.00 goes to the Department of Resources and Economic Development for trail grooming. The amendment is a compromise between DRED and Fish and Game. Vote 16-3.

Amendment (0859h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to OHRVs and increasing certain OHRV registration fees

Amend the bill by replacing all after the enacting clause with the following:

1 Reference Changed. Amend RSA 206:42 to read as follows:

206:42 Fish and Game Search and Rescue Fund. The additional fee of \$1 collected under the provisions of RSA 270-E:5, II(b) for each private boat registered and under RSA ~~[215-A:23, VH]~~ **215-A:23, X** for each OHRV registered shall be paid over to the state treasurer who shall keep such fees in a special fund to be expended by the fish and game department for use in search and rescue operations. The special fund shall be nonlapsing. All funds received under this subdivision are continually appropriated to the fish and game department for the purposes of this subdivision. The fish and game department shall report to the fiscal committee on a quarterly basis beginning on October 1, 1989, on the expenditures made from the fund.

2 Definition Clarified; Antique Snow Traveling Vehicle. Amend RSA 215-A:1, I-a to read as follows:

I-a. "Antique snow traveling vehicle" means any snow traveling vehicle manufactured prior to the year 1969 or 20 or more years old owned by a resident of the state ~~[which is maintained solely for use in exhibitions, club activities, parades, and other functions of public interest, and which is not used primarily for the transportation of passengers and goods or for general off-highway recreational use]~~. For the purposes of this chapter, all vehicles within this definition shall be classified as off highway recreational vehicles.

3 Report by Fish and Game Department; Reference Corrected. Amend RSA 215-A:3, IX and X to read as follows:

IX. The commissioner of the department of resources and economic development *and the executive director of the department of fish and game* shall *each* submit an annual report to the chairperson of the wildlife and marine resources committee of the house of representatives and to

the chairperson of the fish and game/recreation committee of the senate which details the performance of the bureau during the previous year. ~~[This]~~ **Each** report shall be submitted on or before January 15 of each year.

X. The commissioner of the department of resources and economic development shall submit an annual report to the chairperson of the wildlife and marine resources committee of the house of representatives and to the chairperson of the fish and game/recreation committee of the senate which details the receipts and disbursements of all grant-in-aid funds received by the bureau pursuant to ~~[RSA 215-A:23, V(a)(7)]~~ **this chapter** and RSA 260:61 during the previous fiscal year. This report shall be submitted on or before January 15 of each year.

4 Reference Changed. Amend RSA 215-A:3-a, III to read as follows:

III. Complete and specific procedures relative to the distribution of and requirements for obtaining funds from the grant-in-aid program established under ~~[RSA 215-A:23, V(a)(5)]~~ **215-A:23, VI**.

5 Reference Changed. Amend RSA 215-A:18, II to read as follows:

II. The court or justice of any court in which a complaint for a violation of any law or rule adopted pursuant to RSA 541-A brought by a forest and park patrol officer of the department of resources and economic development is prosecuted shall, within 30 days after any fine or forfeiture is paid, remit the amount thereof to the commissioner of the department of resources and economic development; provided, however, that, from each fine collected by a municipal or district court, there shall be deducted \$10 and 20 percent of that part of the fine which exceeds \$10 and the same shall be continually appropriated to the department for the purposes of RSA ~~[215-A:23, V(a)]~~ **215-A:23, VI**.

6 Registration Fees. RSA 215-A:23 is repealed and reenacted to read as follows:

215-A:23 Registration Fees. The fees to be collected under this chapter are as follows:

I. Individual resident registration - \$33 for each registration upon presentation of resident tax receipt, or a valid New Hampshire driver's license issued to a person 18 years of age or older.

(a) The first \$14 shall be appropriated to the department of resources and economic development for administration of the bureau's grant-in-aid program pursuant to paragraph VI.

(b) From the balance, \$9.30 shall be appropriated to the department of resources and economic development for administration of the bureau for the purposes listed in paragraph VII, and \$9.70 shall be appropriated to the department of fish and game for the purposes listed in paragraph VIII.

II. Resident antique snow traveling vehicle permanent registration - \$35 for each registration upon presentation of resident tax receipt. From each fee collected pursuant to this paragraph:

(a) The first \$20 shall be appropriated to the department of resources and economic development for administration of the bureau's grant-in-aid program pursuant to paragraph VI.

(b) From the balance, \$7.50 shall be appropriated to the department of resources and economic development for administration of the bureau for the purposes listed in paragraph VII, and \$7.50 shall be appropriated to the department of fish and game for the purposes listed in paragraph VIII.

III. Individual nonresident registration - \$43 for each registration.

a) The first \$20 shall be appropriated to the department of resources and economic development for administration of the bureau's grant-in-aid program pursuant to paragraph VI.

(b) From the balance, \$11.10 shall be appropriated to the department of resources and economic development for administration of the bureau for the purposes listed in paragraph VII, and \$11.90 shall be appropriated to the department of fish and game for the purposes listed in paragraph VIII.

IV. Dealer registration and rental plates - \$25 for each plate or set of plates.

(a) The first \$8 shall be appropriated to the department of resources and economic development for administration of the bureau's grant-in-aid program pursuant to paragraph VI.

(b) From the balance, \$8.20 shall be appropriated to the department of resources and economic development for administration of the bureau for the purposes listed in paragraph VII, and \$8.80 shall be appropriated to the department of fish and game for the purposes listed in paragraph VIII.

V. Registration after transfer as provided in RSA 215-A:22 - \$13.

(a) The first \$8 shall be appropriated to the department of resources and economic development for administration of the bureau's grant-in-aid program pursuant to paragraph VI.

(b) From the balance, \$2.80 shall be appropriated to the department of resources and economic development for administration of the bureau for the purposes listed in paragraph VII, and \$2.20 shall be appropriated to the department of fish and game for the purposes listed in paragraph VIII.

VI.(a) Any funds appropriated to the department of resources and economic development for administration of the bureau's grant-in-aid program shall be kept in a separate account and shall not be used for any other purpose. Any unexpended balance in said account shall not lapse, but shall be carried forward to the next fiscal year. From each registration fee collected under this section, \$5 shall be used for the purpose of purchasing trail grooming equipment and trail maintenance equipment. All remaining funds shall be used for trail maintenance and construction.

(b) Grants-in-aid shall be granted to organized nonprofit OHRV clubs and political subdivisions for the construction and maintenance of OHRV trails and facilities. The bureau shall make grants on such terms as it deems necessary and shall determine what trails and facilities shall be eligible. All trails and facilities developed and maintained under this grant-in-aid program shall be open to the general public. Notwithstanding the provisions of this subparagraph, a landowner who grants permission for a grant-in-aid trail to be located on his property shall retain the right to establish the inclusive dates during which OHRV operation shall be permitted. The private landowner shall also retain the right to post any grant-in-aid trail located on his property against trespass by any specific activity or specific type of OHRV.

(c) All revenue appropriated in this paragraph shall be in addition to any other funds appropriated to the grant-in-aid program of the bureau of trails. Such revenue is hereby continually appropriated to the department of resources and economic development for the purposes of this paragraph.

VII. Funds appropriated to the department of resources and economic development for administration of the bureau shall be used for the following purposes:

(a) Publications.

(b) Trail maintenance and acquisition.

(c) Easements and rights-of-way.

(d) OHRV facilities.

(e) From the amount collected from each individual registration fee, \$3 shall be used by the bureau for the purposes of purchasing OHRV trail maintenance equipment or paying trail maintenance expenses. These funds shall be kept in a separate account and shall be used and appropriated solely for these purposes.

(f) Such other purposes as may be budgeted within the limits of the funds available. Any unexpended balance in said accounts shall not lapse, but shall be carried forward to the next fiscal year.

VIII. Any funds appropriated to the fish and game department shall be used for the following purposes:

(a) Enforcement of the provisions of RSA 215-A.

(b) Establishment of training programs in the operation, safety, regulation, equipment maintenance and other related matters pertaining to OHRVs.

(c) Law enforcement under this chapter, which shall be the responsibility of the executive director.

(d) OHRV registration.

(e) Such other purposes as may be budgeted within the limitation of the funds available. Any unexpended balance in said accounts shall not lapse, but shall be carried forward to the next fiscal year.

IX. Any excess registration fees collected and not expended shall be nonlapsing and shall be retained by the OHRV program for future use. In each year of the biennium, the excess fees collected may be expended by the fish and game department and the department of resources and economic development in the same proportion as described in this section with prior approval of the fiscal committee and the governor and council.

X. Notwithstanding the provisions of paragraph IX, there shall be paid to the executive director, in addition to the fees required by this section, an additional fee of \$1 for each registration required by this section. The additional fee shall be paid into the fish and game search and rescue fund established under RSA 206:42.

7 Financial Responsibility; Damage to Property Amount Increased. Amend RSA 215-A:28, I to read as follows:

I. All provisions, including the penalties, suspensions and prohibitions of the New Hampshire financial responsibility law, and the provisions of statutes relative to the operation of a motor vehicle, shall apply to an OHRV being operated upon a public highway. The operator of an OHRV involved in an accident resulting in death or injury to a person or damage to property in excess of

[~~\$100 if the OHRV is uninsured, or damage to property in excess of \$300 if the OHRV is insured~~] **\$500**, the owner of [~~said~~] **the** OHRV having knowledge of the accident, should the operator [~~of same~~] be incapacitated, shall report [~~said~~] **the** accident immediately to the nearest police officer or nearest police station and shall file a report of the accident with the department of fish and game and the department of safety within 5 days on forms prescribed by the department of fish and game.

8 Reference Changed. Amend RSA 215-A:29, VI to read as follows:

VI. OHRV safety training shall be established within the OHRV budget of the New Hampshire fish and game department as referred to in RSA [~~215-A:23, V(b)-(2)~~] **215-A:23, VIII**.

9 Racing Meets Changed to Events. Amend RSA 215-A:30 to read as follows:

215-A:30 [~~Racing~~] **Events**.

I. Any person, organization or corporation who wishes to operate or to promote any snow traveling vehicle or OHRV [~~racing-meet~~] **event** or contest involving the use of unregistered snow traveling vehicles or unregistered OHRVs shall procure a permit from the executive director. The application for the permit shall be on an annual basis, shall include a listing of scheduled events and shall be accompanied by an annual fee of \$50. Participants in [~~said racing-meet~~] **an event** or contest shall not be required to register in New Hampshire, but shall operate under the provisions of the permit. Any such participant who is not registered in New Hampshire shall not operate away from the race course or contest area specified in the permit. Distribution of any fees collected under this section shall be [~~in accordance with the provisions of RSA 215-A:23~~] **as follows**:

(a) *The first \$35 shall be appropriated to the department of resources and economic development for the administration of the bureau, and shall be used by the bureau for its grant-in-aid program pursuant to RSA 215-A:23, VI.*

(b) *From the balance, \$7.50 shall be appropriated to the department of resources and economic development for administration of the bureau for the purposes listed in RSA 215-A:23, VII, and \$7.50 shall be appropriated to the department of fish and game for the purposes specified in RSA 215-A:23, VIII.*

II. Notwithstanding the provisions of RSA 215-A:6 and RSA 215-A:29, persons less than 16 years of age may operate an OHRV while not accompanied by a parent or guardian and without an OHRV safety certificate if one of the following conditions exists:

(a) When participating in an OHRV safety education program approved by the fish and game department.

(b) When participating in an organized [~~meet~~] **event** or contest when the organizer of [~~such~~] **the** event has obtained landowner permission and procured a permit from the executive director.

10 Effective Date. This act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill:

- (a) Increases the registration fees for certain off highway recreational vehicles.
- (b) Prescribes the distribution of OHRV registration fees.
- (c) Amends the definition of antique snow traveling vehicle.
- (d) Increases the minimum amount of damage to property in an OHRV accident before requiring reporting of the accident.
- (e) Changes racing meet permits to event permits.
- (f) Requires the department of fish and game to report annually to the legislature concerning OHRVs.

Adopted.

Report adopted and ordered to third reading.

SB 24, relative to prescriptions for certain controlled drugs. **OUGHT TO PASS**

Rep. Marion L. Copenhaver for Health, Human Services and Elderly Affairs: This bill clarifies the language relative to controlled drugs and specifically names the types of disorders for which these drugs can be used. Vote 18-0.

Adopted and ordered to third reading.

HB 197-FN, relative to the regulation of wetland scientists. **OUGHT TO PASS**

Rep. Mary E. Brown for Finance: The addition of wetland scientists to the Joint Board of Natural Scientists will have no adverse effect on the general fund. The number of wetland scientists who become certified will adequately comply with the 125% rule for boards. Vote 19-1.

Adopted and ordered to third reading.

HB 440-FN, changing the legislative mileage formula. **OUGHT TO PASS**

Rep. Robert G. Holbrook for Finance: This bill gives general court members a choice of two methods of receiving compensation for mileage: the current method of \$.38 for the first 45 miles and \$.19 per mile over 45 miles and a new method of actual mileage to and from Concord at the maximum rate established by the Internal Revenue Service which today is \$.31½ per mile. This would take effect for members elected in 1998. Vote 22-0.

Rep. Mirski spoke against.

Report adopted and ordered to third reading.

HB 578-FN-A-L, providing for property tax relief and making an appropriation therefor. **REFER TO COMMITTEE**

Rep. Kenneth L. Weyler for Finance: This bill, which provided property tax relief to low income individuals, had broad support. Unfortunately, the committee was unable to find the necessary \$15 million. Because the proposal has merit, the committee would like to have the bill re-referred to consider other funding sources. Vote 20-0.

Rep. Jacobson spoke in favor and yielded to questions.

Adopted.

HB 582-FN, relative to medicaid rate setting. **OUGHT TO PASS WITH AMENDMENT**

Rep. O. Alan Thulander for Finance: The committee, recognizing the importance of home health services to medicaid-eligible clients, felt that a medicaid rate-setting methodology should be established by the Commissioner of Health and Human Services to monitor unit rate reimbursement to providers on an annual basis. The legislature would reserve the ability, through the budget, to implement any rate changes. Vote 20-0.

Amendment (0844h)

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose. The general court recognizes home health services as one means to provide health care to medicaid-eligible clients. Medicaid reimbursement rates for home health services have not been adjusted since 1989, and the general court finds that these rates are not adequate for certain components of home health services. The purpose of this act is to increase fairness and preserve availability of home health services to medicaid-eligible clients by adjusting current reimbursement rates and establishing a methodology under which those rates will be evaluated on an annual basis.

2 New Section; Rate Setting Methodology. Amend RSA 126-A by inserting after section 18 the following new section:

126-A:18-a Rate Setting for Home Health Services.

I. The commissioner of health and human services shall adopt rules under RSA 541-A to establish a rate setting methodology which establishes unit medicaid reimbursement rates for home health services which reflect the average cost to deliver services. The commissioner shall consider the factors of economy, efficiency, quality of care, and access to care, in accordance with guidelines in federal regulations.

II. The department of health and human services shall annually on or before October 1 establish unit rates for home health services paid under medicaid which better reflect the average cost to deliver services.

III. The commissioner shall make an annual report on or before November 1, relative to the rates for home health services, to the speaker of the house of representatives, the president of the senate and the chairperson's of the house and senate finance committees.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires the commissioner of health and human services to establish a medicaid rate setting methodology for home health services which better reflects the average cost to deliver services. The commissioner shall make an annual report relative to such rates to the speaker of the house, president of the senate, and the chairpersons of the house and senate finance committees. Adopted.

Report adopted and ordered to third reading.

Rep. Mirski declared a conflict of interest and did not participate.

HB 616-FN, relative to jury selection reforms. **INEXPEDIENT TO LEGISLATE**

Rep. Stephen T. DeStefano for Finance: This bill changes the method of compiling the master jury list, repeals most jury exemptions and sets up a "one day, one trial" pilot program. The committee felt that the cost to blend the voter list with the Department of Motor Vehicle and the estimated \$90,000 for the "one day, one trial" program was too much at this time. Vote 23-0.

Reps. Kurk and Woods spoke against.

The report failed.

Rep. Kurk moved Re-refer to Committee.

Adopted.

HB 734-FN, requiring district courts to hold evening sessions. **INEXPEDIENT TO LEGISLATE**

Rep. Robert G. Holbrook for Finance: This is a fine policy idea, but the judiciary's budget cannot support the \$261,000.00 per year needed to operate the evening courts. Vote 19-0.

Rep. Kurk spoke against and yielded to questions.

Rep. John McCarthy spoke against.

The report failed.

Rep. Kurk moved Re-refer to Committee.

Adopted.

HB 744-FN, relative to administrative fines for violations of safety regulations regarding water pollution and waste disposal, authorizing the attorney general to enjoin any youth camp, public swimming pool, or spa operating without approval, and relative to the legal status of local river management advisory committees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stephen T. DeStefano for Finance: This amended bill establishes a local river management advisory committee, but eliminates sections 1 and 2 in reference to water samples, administrative fines and the establishment of an additional position. Vote 20-0.

Rep. Kurk moved Recommit to Committee and spoke in favor.

Adopted.

SB 123, relative to shellfish harvesting areas. **OUGHT TO PASS WITH AMENDMENT**

Rep. Ronald J. Nowe for Wildlife and Marine Resources: This bill is to clarify the jurisdictions of the closure of flats and in the management for the Health and Human Services in regards to the water quality conditions and the amendment grants the Executive Director the authority to conduct a lottery type method of selecting hunters to be issued an additional deer tag in the wildlife management unit specified by the Executive Director. Vote 9-0.

Amendment (0823h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to shellfish harvesting areas and relative to special deer permits.

Amend the bill by replacing all after section 2 with the following:

3 Fee Authorized. Amend RSA 208:5-b to read as follows:

208:5-b Special Deer Permit. The executive director may issue a special deer permit to a licensee licensed under RSA 214:9, 208:5, or 208:5-a. Such special deer permit shall allow the taking of additional deer. The executive director shall adopt rules pursuant to RSA 541-A relative to fixing the number and sex limitations for wild deer and any other conditions governing the location, method, and manner of taking as well as the issuance and fee for a special deer permit. *The executive director may charge a fee not to exceed \$10 for all applications for a special deer permit.*

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires the commissioner of health and human services to consult with the commissioner of the department of environmental services regarding water quality conditions that affect the classification of shellfish growing areas. The bill also provides that the department of health and human services is to serve as the state shellfish sanitation control authority.

The bill changes the application of the prohibition from shellfish sold to shellfish harvested for food.

The bill also authorizes the executive director of fish and game to charge a fee for a special deer permit.

Rep. McGuirk requested that the Speaker rule on the germaneness of the amendment.

The Speaker ruled the amendment was not germane. (Clerk's Note: The amendment is printed above for the reader's benefit.)

Rep. Felch moved Recommit to Committee, spoke in favor and yielded to questions.
Adopted.

SUSPENSION OF RULES

Reps. Wheeler and Burling moved that the Rules be so far suspended as to extend the deadline for reporting all remaining house bills from April 2, 1997 to April 3, 1997.

Adopted by the necessary two-thirds.

RESOLUTION

Rep. Wheeler offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, April 10, 1997 at 10:00 a.m.

Adopted.

HB 582-FN, relative to medicaid rate setting.

UNANIMOUS CONSENT

Rep. Hunt addressed the House.

Reps. Hill and Lockwood moved that the remarks made by Rep. Hunt be printed in the Journal. Adopted.

Rep. Hunt: This House and the Commerce Committee lost a colleague and friend when Rep. Dick Krueger passed away last week. Those of us who had the privilege to serve with Dick over the years on Commerce will always remember his humor and wit. We marveled at his attendance and thank the many people who volunteered to drive him to Concord, and there were many of you in this body and outside it. We will miss his knowledge and expertise on the committee as we continue to grapple with the complex issues that face us. Dick Krueger was a multifaceted man. From Citizen of the Year in Claremont, to his service as a Commander in the United States Navy, to his athletic ability as a student at Spaulding High School. He served Claremont as a member of the school board and was active in the Chamber of Commerce promoting economic development, and he did this as a volunteer. Dick never complained as his eyesight faltered. He taped hearings and became computer literate. He often picked up information in hearings from inflection in voices that his sighted colleagues missed. He brought to us, who knew him well, an abiding respect for his courage. How many of us would have the courage to come here and to contribute without our sight? Yet, we never once heard Dick complain. He loved this institution and enjoyed his time here and those of us who knew him well loved and enjoyed his time with us. We will miss you, Dick. Reps. Root and Boutin addressed the House.

RECESS MOTION

Rep. Wheeler moved that the House stand in recess for the purpose of introduction of bills, enrolled bill amendments and enrolled bill reports only.

RECESS

(Speaker Sytek in the Chair)

Rep. Lozeau moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 16

Thursday, April 10, 1997

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Her Excellency, Governor Jeanne Shaheen, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by Guest Chaplain, Rep. Eric Lindblade.

Eternal God, we come before You at the beginning of a long and arduous day. Grant us wisdom, grant us courage for the facing of each single hour. Grant us wisdom to be silent when words enough have been spoken and courage to speak when our cause is right. May reason prevail over passion, fact over fantasy, truth over error. May only just and equal laws come forth from this chamber. And as the shadows lengthen may we look to Thee to grant us peace on our homeward way. Amen.

Rep. Malcolm led the Pledge of Allegiance.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Wheeler moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 638-FN, requiring random on-site inspection and testing of certain sludge and biosolid samples, removed by Rep. Kibbey.

Consent Calendar adopted.

HB 245-FN-A, making certain real estate transfers taxable. RE-REFER TO COMMITTEE

Rep. David J. Alukonis for Finance: The Committee afforded critical and thorough review to this proposal and has found that the legislative measures contained in this bill would give rise to significant problems regarding real estate transfers, stock transfers and investments. The Committee has chosen to re-refer the proposal in order to further review the possible tax loop-hole that the sponsor of the bill had intended to address Vote 20-1.

HB 744-FN, relative to administrative fines for violations of safety regulations regarding water pollution and waste disposal, authorizing the attorney general to enjoin any youth camp, public swimming pool, or spa operating without approval, and relative to the legal status of local river management advisory committees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stephen T. DeStefano for Finance: This amended bill authorizes the Department of Environmental Services to take water samples of public swimming pools and spas. The costs of these samplings shall be paid by the owner or operator of these facilities. This bill was requested by DES. Vote 21-0.

Amendment (0971h)

Amend RSA 485-A:26 as inserted by section 1 of the bill by replacing it with the following:
485-A:26 Swimming Pools and Bathing Places.

I. No person shall install, operate or maintain an artificial swimming pool or bathing place open to and used by the public, or as a part of a business venture, unless the construction, design and physical specifications of such pool or bathing place shall have received prior approval by the department. A fee of \$100 shall be paid to the department upon submission of such plans for re-

view. Fees collected under this ~~[section]~~ *paragraph* shall be deposited with the state treasurer as unrestricted revenue. The commissioner shall adopt rules relative to safety standards to protect persons using said facilities. Nothing in this section shall be deemed to affect the powers of local health officers or the department of health and human services, with respect to nuisances.

II. *The department may take samples of the water of any such facility for analysis to determine compliance with water quality requirements. The costs of such sampling and analysis shall be paid by the owner or operator of such facility. The costs recovered for such sampling shall be deposited in the general fund as unrestricted revenue. The costs recovered for analysis shall be consistent with the fee structure established in RSA 131:3-a and deposited as provided in RSA 131:3-a. Any municipality which establishes a program of sampling and analysis which is equivalent to the department's program shall not be subject to additional sampling and analysis by the department.*

Amend the bill by replacing section 4 with the following:

4 Effective Date.

I. Section 3 of this act shall take effect 60 days after its passage.

II. The remainder of this act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill:

(a) Authorizes the department of environmental services to take water samples of public swimming pools to determine compliance with water quality requirements.

(b) Authorizes the attorney general to enjoin any youth camp, public swimming pool, or spa operating without approval of the department of environmental services.

(c) Authorizes administrative fines for violations of safety regulations regarding water pollution and waste disposal.

(d) Declares that local river management advisory boards are separate governmental instrumentalities from the state.

REGULAR CALENDAR

HB 53-FN-A, relative to the meals and rooms tax and tourism promotion and making appropriations therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Charles L. Vaughn for Finance: The amendment removes the contentious condominium time-share tax but requires the electronic filing of returns for the meals and rooms tax, keeping the fifteenth day of the month as the last day for filing the results. The Committee funded an additional \$2 million for tourism promotion in the budget and, based on expert advice, increased estimated meals and rooms tax revenues to pay for it. Vote 21-0.

Amendment (0949h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to electronic data submission under the meals and rooms tax.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Definition of Electronic Data Submission. Amend RSA 78-A:3 by inserting after paragraph XII the following new paragraph:

XIII. "Electronic data submission" means the use of either the telephone or computer to transmit information.

2 Returns and Payment; Electronic Data Submission. Amend RSA 78-A:8 to read as follows:

78-A:8 Returns and Payment.

I. Every operator shall, on or before the fifteenth day of the calendar month following the collection of taxes imposed by this chapter ~~[make]~~, *file by electronic data submission* a return reporting the results of the preceding month to the commissioner of revenue administration. This return shall be filed even though no tax may be due. If such operator has been granted permission to make other than monthly filings, as provided in RSA 78-A:9, II(b), ~~[he]~~ *the operator* shall make a return in accordance with the return schedule permitted by the department of revenue administration, even though no tax may be due. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to the form of such return and the data which it shall contain. All returns shall ~~[be signed]~~ *contain an electronic authorization* by the operator or an authorized representative subject to the pains and penalties of perjury. *The commissioner shall adopt rules, under RSA 541-A, relative to the method of electronic authorization.*

II. The taxes collected by every operator shall be paid to the state on or before the fifteenth day of the calendar month following their collection ~~[and shall accompany the return required by paragraph I]~~. The operator may deduct from the taxes collected the compensation allowed by RSA 78-A:7, III, and remit the net taxes *by electronic funds transfer* to the commissioner of revenue administration.

III. Notwithstanding the provisions of any other law, returns and remittances due under this chapter shall be considered timely only if received by the department of revenue administration on or before the fifteenth day of the calendar month in which they were due. ~~[If an operator has requested and the post office has affixed the United States Postal Service date stamp to the tax return envelope, and the date stamped on the envelope is a date on or before the fifteenth day of the calendar month in which the return was due, then the return and remittance shall be considered timely even if received by the department after the fifteenth day of the calendar month on which it was due.]~~ If this due date falls on a Saturday, Sunday, or legal holiday, then the returns and remittances due under this chapter shall be filed no later than the next business day.

IV. An operator shall receive notification of a successful filing and a confirmation number which shall serve as proof of filing.

V. The commissioner may adopt rules, pursuant to RSA 541-A, for alternative filing procedures in the event there is an equipment malfunction.

3 Effective Date. This act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill requires electronic filing of returns under the meals and rooms tax.

Adopted.

Report adopted and ordered to third reading.

HB 602-FN-A, repealing the franchise tax on electrical utilities and replacing it with a tax on the distribution of electricity. OUGHT TO PASS WITH AMENDMENT

Rep. Avis B. Nichols for Finance: This bill repeals the franchise tax on electric utilities because after de-regulation there will no longer be any franchise. The bill replaces the franchise tax with a tax on electric consumption which will be collected by the provider of electricity. The tax rate is set at .00055 cents per kilowatt hour and is intended to replace existing net franchise tax revenues. This bill should have no impact on electricity rates. Vote 21-0.

Amendment (0979h)

Amend the title of the bill by replacing it with the following:

AN ACT repealing the franchise tax on electrical utilities and replacing it with a tax on electricity consumption.

Amend the bill by replacing all after the enacting clause with the following:

1 Reference to Electricity Consumption Tax Added. Amend RSA 21-J:31 to read as follows:

21-J:31 Penalty for Failure to File. Any taxpayer who fails to file a return when due, unless an extension has been granted by the department, shall pay a penalty equal to 5 percent of the amount of the tax due or \$10, whichever is greater, for each month or part of a month during which the return remains unfiled. The total amount of any penalty shall not, however, exceed 25 percent of the amount of the tax due or \$50, whichever is greater. This penalty shall not be applied in any case in which a return is filed within the extended filing period as provided in RSA 77:18-b, RSA 77-A:9, RSA 77-E:8, RSA 83-C:6, *RSA 83-E:5* or RSA 84-A:7, or the failure to file was due to reasonable cause and not willful neglect of the taxpayer. The amount of the penalty is determined by applying the percentages specified to the net amount of any tax due after crediting any timely payments made through estimating or other means.

2 Reference to Electricity Consumption Tax Added. Amend RSA 21-J:33-a, I to read as follows:

I. If there is a substantial understatement of tax imposed under RSA 77, RSA 77-A, RSA 77-E, RSA 78-A, RSA 78-C, RSA 82-A, ~~[or]~~ RSA 83-C, *or RSA 83-E*, for any taxable period, there shall be added to the tax an amount equal to 25 percent of the amount of any underpayment attributable to such understatement.

3 Business Profit Tax; Credit for Franchise Tax. Amend RSA 77-A:5, I to read as follows:

I. Taxes paid pursuant to RSA 83-C *covering the period from July 1, 1983 through December 31, 1997*, and taxes paid pursuant to RSA 83-E covering the period from January 1, 1983, through June 30, 1983;

4 New Chapter; Tax on Electricity Consumption. Amend RSA by inserting after chapter 83-D the following new chapter:

CHAPTER 83-E ELECTRICITY CONSUMPTION TAX

83-E:1 Definitions. In this chapter:

I. "Commissioner" means the commissioner of the department of revenue administration.

II. "Consumer" means any person, including governmental units, receiving electrical energy for consumption and includes any person receiving electrical energy for consumption in this state and includes any person receiving electrical energy for the use of such person's tenants.

III. "Consuming" or "consumption" means the utilization or employment of electrical energy. The terms does not include the utilization or employment of electrical energy in the manufacture, production, generation, distribution, redistribution, or transmission of electrical energy.

IV. "Department" means the department of revenue administration.

V. "Provider" means any person, including governmental units, distributing, redistributing, or transmitting electrical energy for consumption in this state. The term does not include persons who redistribute electrical energy solely for the use of their tenants and who are consumers pursuant to RSA 83-E:1, II.

VI. "Taxable month" means a calendar month in which electrical energy is provided to a consumer for which a tax is owed to the state by the consumer.

83-E:2 Imposition of Tax. A tax is imposed on the consumption in this state of electrical energy at the rate of \$.00055 per kilowatt hour.

83-E:3 Collection of Tax. Every provider shall collect and monthly remit the tax to the state as provided in RSA 83-E:5. Providers whose average monthly tax collections do not exceed \$100 may apply to the commissioner to remit taxes annually. Approval of such requests shall be at the discretion of the commissioner.

83-E:4 Liability for Tax.

I. Every consumer shall be liable for the tax and such liability shall not be extinguished until the tax has been paid to the state, except that payment to a provider required to collect the tax pursuant to RSA 83-E:3 is sufficient to relieve the consumer from further liability for the tax.

II. Any tax required to be collected, and any tax received by a provider, shall become a personal debt of the provider until paid to the state. The provider shall be relieved of further liability for such taxes in the event that the tax is paid directly to the state by the consumer or another person.

83-E:5 Tax Returns.

I. Except as provided in this section, on or before the fifteenth day of each second month following a taxable month, each provider maintaining a place of business or having transmission or distribution property in this state shall make a return to the department for the taxable month on a form prescribed by the department.

II. Any provider who has applied for and been granted permission to remit taxes annually shall file a return for each calendar year on or before February 15 of the following calendar year.

III. Any provider who ceases to engage in distributing, redistributing, or transmitting electrical energy for consumption, and is thereby not responsible for filing returns under this chapter, shall file a final return with the department not more than one month after discontinuing such activity. This requirement shall apply notwithstanding any other provision of this chapter regarding the time within which to file a return.

IV. In making a return, providers shall determine the value of any non-monetary consideration received by them and shall include such value in their return. Such determination shall be subject to review and revision by the department in the manner provided in this chapter for the correction of returns.

V. If the commissioner finds that the information required for the making of an accurate return cannot reasonably be compiled by a provider within one month and 15 days after the close of the taxable month for which a return is to be made, the commissioner may grant an extension of time for the filing of such return. Any such extension shall be granted for a period not to exceed 31 calendar days. The granting of such extension may be conditioned upon the payment by the provider of an amount of money equal to the amount estimated by the commissioner to be due with the return when filed under extension. All such estimated payments shall be credited against the provider's liabilities under this chapter.

VI. The provider shall pay to the department the amount of tax imposed by this chapter at the time it makes a return.

83-E:6 Tax Returns by Consumer.

I. Consumers may apply for permission to pay tax directly to the state. Direct payment shall be at the commissioner's discretion.

II. When a consumer does not pay the tax imposed by this chapter to a provider, such consumer shall file a return with the department and pay the tax upon the amount of electricity consumed during the taxable month. Such return and payment shall be due by the fifteenth day of the second month following the taxable month. The return shall be filed on a form prescribed by the department and shall contain such information as the department may reasonably require.

III. When a consumer pays a tax imposed by this chapter directly to the department, the department, upon request from such consumer, shall issue an appropriate receipt to the consumer showing that the tax has been paid. Such receipt shall be sufficient to relieve the consumer from further liability for the amount of tax to which such receipt may refer.

83-E:7 Instruments, Books, Records, Papers, and Other Documents.

I. Every provider liable for collection of tax under this chapter shall provide and keep the necessary instruments and records to show the amount expressed in kilowatt hours of electrical energy distributed, redistributed, or transmitted by such provider for consumption in this state. Every consumer making direct tax payments to the department shall provide and keep the necessary instruments and records to show the amount expressed in kilowatt hours of electrical energy consumed by such consumer.

II. Every provider maintaining a place of business in this state or required to file or actually filing in this state under this chapter and every consumer making direct tax payments to the department under this chapter shall keep books, records, papers, and other documents which are adequate to reflect the information required by this chapter to be reported to the department by the filing of timely returns with the department.

III. All instruments, books, records, and other papers and documents required to be kept by this chapter shall, at all times during business hours of the day, be subject to inspection by the department.

83-E:8 Additional Returns. When the commissioner has reason to believe that a provider has failed to file a return or to include any part of the total kilowatt hours distributed, redistributed, or transmitted by such provider for consumption in this state in a filed return, the commissioner may require the provider to file a return or a supplementary return showing such additional information as the commissioner prescribes. Upon the receipt of the supplementary return, or if none is received within the time set by the commissioner, the commissioner may find and assess the amount due upon the information that is available. The making of such additional return does not relieve the provider of any penalty for failure to make a correct original return, or relieve it from liability for interest imposed under RSA 21-J:28 or for any other additional charges imposed by the commissioner. This section shall not be construed to modify or extend the statute of limitations provided in RSA 21-J:29.

83-E:9 Administration; Rulemaking.

I. The commissioner shall collect the taxes imposed under this chapter, interest on tax, additions to tax and penalties imposed, and pay over to the state treasurer the amount of funds collected under this chapter.

II. The commissioner shall adopt rules, under RSA 541-A, relative to:

(a) The form of the return and the data which it must contain for the correct computation of the number of kilowatt hours of electricity consumption in this state and the tax assessed.

(b) The administration of the electricity consumption tax.

(c) The recovery of any tax, interest on tax, additions to tax, or penalties imposed by RSA 83-E or RSA 21-J.

83-E:10 Tax Sales. The provisions of RSA 80:26 apply to the sale of land for the payment of taxes due under this chapter, and the state treasurer is authorized to purchase the land for the state. If the state purchases the land, the state treasurer shall certify the purchase to the governor, and the governor shall draw a warrant for the purchase price out of any money in the treasury not otherwise appropriated.

83-E:11 Severability. If any provision of this chapter or the application thereof to any person or circumstance is held to be invalid, the invalidity shall not affect other provisions or applications of the chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are severable.

5 Repeal. RSA 83-C, relative to the franchise tax, is repealed.

6 Contingency.

I. If the statewide electric utility industry restructuring plan issued by order of the public utilities commission relative to competitive electric utility service requirements has not been implemented on or before January 1, 1998, this act shall take effect 30 days after the public utility commission shall certify to the commissioner of revenue administration that it has begun implementing such order or any subsequent order relative thereto, except as provided in paragraphs II and III. A final return and payment of any taxes due under RSA 83-C shall be filed on or before the fifteenth day of the third month following the repeal of RSA 83-C by any person subject to such chapter. Such return and payment shall be made in accordance with the requirements of RSA 83-C as if that chapter remained in effect. The credit for taxes paid pursuant to RSA 83-C under RSA 77-A:5, I shall be extended to such taxes paid for any tax period ending after December 31, 1997, resulting from the application of this paragraph.

II. If the statewide electric utility industry restructuring plan issued by order of the public utility commission relative to competitive electric utility service requirements has been implemented before January 1, 1998, this act shall take effect January 1, 1998.

III. If this act becomes effective pursuant to paragraph I or II of this section, the effective date as applied to customers of the Town of Ashland Electric Department shall be December 31, 2000; Littleton Water and Light Department shall be January 1, 2004; New Hampton Village Precinct Electric Department shall be December 31, 2000; Wolfeboro Municipal Electric Department shall be December 31, 2000; and Woodsville Water and Light Department shall be October 31, 2007, unless any such town terminates the power supply agreement it and its primary wholesale supplier has in effect as of April 1, 1997.

7 Effective Date. This act shall take effect as provided in section 6 of this act.

AMENDED ANALYSIS

This bill repeals the franchise tax on electrical utilities and replaces it with a tax on electricity consumption.

The bill contains a contingency concerning its effective date to take into account the possibility that the restructuring plan issued by the public utility commission may not be implemented by January 1, 1998, and that several towns have ongoing contractual obligations.

Rep. Weyler yielded to questions.

Rep. Jeb Bradley spoke in favor.

Adopted.

Report adopted and ordered to third reading.

HB 731-FN-A-L, relative to the taxation of sand, gravel, loam, and other similar substances. OUGHT TO PASS WITH AMENDMENT

Rep. Kenneth L. Weyler for Finance: This bill establishes a gravel tax of \$.02 per yard of gravel removed, payable to the municipality. It replaces the discounted cash flow method. A two-year study preceded this bill. It dealt with many contentious issues and developed a compromise. Pit area is taxed at commercial rates, and overall rates will be no lower than they were in 1994. Vote 17-4.

Amendment (0899h)

Amend RSA 72-B:12, I as inserted by section 2 of the bill by replacing it with the following:

I. The pit area, as defined in RSA 72-B:2, shall be determined as of April 1 each year. The owner or excavator shall furnish the local assessing officials such information as they may require to make such determination.

Adopted.

Rep. Wheeler yielded to questions.

Rep. Hall spoke against.

Rep. Weber requested a roll call; sufficiently seconded.

The question being the adoption of the report.

Rep. Ann Torr declared a conflict of interest and did not participate.

HB 810-FN-A, appropriating certain funds from the highway surplus account to the department of transportation. **OUGHT TO PASS WITH AMENDMENT**

Rep. Earle W. Chandler for Finance: This bill appropriates \$5,000,000. from the highway surplus fund for Department of Transportation projects. This method allows an earlier start on the construction season than might otherwise be possible if awaiting full budget approval. Vote 21-0.

Amendment (0995h)

Amend the bill by replacing all after the enacting clause with the following:

1 Transfer From Highway Surplus Account. Notwithstanding any provision of law to the contrary, and in addition to any other sums appropriated to the department of transportation for the fiscal year 1998, \$5,000,000 shall be appropriated and transferred from the highway surplus account to the department of transportation, project development division, non-matching funds, bet-terments/state bridge aid.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill appropriates and transfers certain funds from the highway surplus account to the department of transportation.

Adopted.

Report adopted and ordered to third reading.

HB 25-A, making appropriations for capital improvements, establishing a committee to study federal buildings and patients needs relative to the veteran's home, and relative to the purposes of the health care transition fund. **OUGHT TO PASS WITH AMENDMENT**

Rep. David J. Alukonis for Finance: The Committee is in general concurrence with the capital budget bill as crafted by the House Public Works Committee. It has, however, suggested a few

changes which are a result of new information which has been gained since the Public Works Committee acted on the bill. The amendment adds the Dover District Courthouse and removes funding for the Carroll County Superior Courthouse. This change is in accord with the court system's priority list and results in a net reduction in capital expenditures of \$672,000. The Dover Courthouse was funded because a site in Dover has just recently been selected and approved by the Court Accreditation Committee. The Committee also adjusted the funding for three projects in the Community Technical College System. The changes allow for the purchase of a student informational tracking system which was the system's number one priority. This \$1 million project was funded by adjusting the amounts funded for two other projects. The net change to the Community College System's capital budget is additional funding of \$100,000. The Finance Committee additionally funded the second phase computer implementation program in the Department of Education with \$485,000. This project was inadvertently omitted in the original capital budget bill. The Finance Committee also removed \$14,786,125 in funding for computer system initiatives in the Department of Health and Human Services due to technical issues in the funding mechanism. The funds will be included, and the unresolved technical issues addressed, in forthcoming legislation. Additionally, the Committee added several lapse dates and technical corrections to the capital budget that were suggested by the LBA. Vote 22-0.

Amendment (0996h)

Amend the title of the bill by replacing it with the following:

5 Expenditures; General. The appropriations made for the purposes mentioned in sections 1, 3 and 4 and the sums available for those projects shall be expended by the trustees, commissions, commissioner, or department head of the institutions and departments referred to herein; provided that all contracts and projects and plans and specifications therefor shall be awarded in accordance with the provisions of RSA 228.

6 Expenditures; University System of New Hampshire.

I. The appropriations made for the purposes mentioned in section 2 and the sums available for these projects shall be expended by the trustees of the university system of New Hampshire. All contracts for the construction of all or any part of said buildings or facilities shall be let only after competitive sealed bids have been received and only after an advertisement calling for such bids has been published at least once in each 2 successive calendar weeks in a newspaper of general circulation in New Hampshire or in a trade journal known to be circulated among the contractors from whom bids will be sought with the state of New Hampshire or elsewhere in the area. The first publication of such advertisement shall be not less 30 days prior to the date the bids will be received. All conditions considered, wherever possible, it is recommended that the services of New Hampshire architectural and construction firms be considered within the discretion of the trustees.

II. The appropriations made in section 2 are available for all costs incidental to the completion of the projects enumerated including the costs of the services of architects, engineers, and other consultants of such kind and capacity as the university system board of trustees, in its discretion, may wish to employ on such terms and conditions as the board determines. These moneys shall be spent under the direction of the university system board of trustees.

III. If, in the judgment of the trustees of the university system, just cause exists indicating the lowest bid should be rejected, then the contract may be awarded to the next lowest bidder; or, if the next lowest bid should be rejected, the contract may be awarded to the third lowest bidder.

IV. The board of trustees of the university system has the right to reject any and all bids and, if the lowest bid is in excess of the appropriation, the board has the right to negotiate with the low bidder or with the 3 lowest bidders for a contract for the construction upon terms considered most advantageous to the university. If only one bid is received, the board of trustees may negotiate a

contract for the construction on terms considered most advantageous to the university system and to the state. Any authorization contained in this act which is at variance with the requirements of applicable federal law and regulations shall be controlled by the terms of the federal law and regulations.

V. Notwithstanding paragraphs I, III and IV, the sums appropriated by section 2, paragraphs II and III of this act for the Mason library renovation and expansion in Keene and the Pettee hall renovations in Durham, may be expended and awarded by the trustees of the university system; provided that all contracts for all or any part of the building or facilities shall follow construction management procurement procedures and guidelines. If the trustees select construction management pursuant to this paragraph, paragraphs I, III and IV shall not apply and the trustees shall retain the right to reject or negotiate following accepted construction management practices.

7 Land Acquisition. Any land acquired under the appropriations made in sections 1, 3, and 4 of this act, except such land, if any, as may be acquired under the appropriation for the department of environmental services, shall be purchased by the commissioner of the department of transportation with the approval of governor and council.

8 Bonds Authorized. To provide funds for the total of the appropriations of state funds made in sections 1, 2, 3, and 4 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$67,029,919 and for said purposes may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A.

9 Payments.

I. The payment of principal and interest on bonds and notes issued for the projects in sections 1 and 2 shall be made when due from the general funds in the state.

II. The payment of principal and interest on bonds issued for the projects in:

(a) Section 3 shall be made when due from the fish and game fund.

(b) Section 4 shall be made when due from the highway fund.

10 Liquidation. The state treasurer is authorized to deduct from the fund accruing to the university under RSA 187-A:7, or appropriation in lieu thereof, for each fiscal year such sum as may be necessary to meet interest and principal payments in accordance with the terms and conditions of bonds and notes issued for the purpose of section 2.

11 Powers of Governor and Council. The governor and council are hereby authorized and empowered:

I. To cooperate with and enter into such agreements with the federal government, or any agency thereof, as they may deem advisable, to secure federal funds for the purposes of this act.

II. To accept any federal funds which are, or become available for any project under sections 1, 3, and 4 beyond the estimated amounts. The net appropriation of state funds for any project for which such additional federal funds are accepted shall be reduced by the amount of such additional funds, and the amount of bonding authorized by section 8 shall be reduced by the same amount.

12 Transfers. The individual project appropriations, as provided in sections 1, 3 and 4 shall not be transferred or expended for any other purpose; provided that any anticipated balance remaining in an individual project, which is fully funded by state funds, may be transferred by governor and council to any other individual project or projects, which are also fully funded by state funds, within the same section. The individual project appropriations provided in section 2 shall not be transferred, or expended pursuant to section 6, for any other purpose unless approval has been obtained from the capital budget overview committee.

13 Reduction of Appropriation and Bonding Authority. If the net appropriation of state funds for any project provided for by sections 1, 3 and 4 is determined on the basis of an estimate of anticipated federal, local, or other funds, and if the amount of such funds actually received or available is less than said estimate, then the total authorized cost for such projects and the net appropriation of state funds thereof shall be reduced by the same proportion as the proportion by which federal, local, or other funds are reduced. The amount of bonding authorized by section 8 shall be reduced by the amount that the appropriation of state funds is reduced pursuant to this section.

14 Information Technology Equipment and Software. Individual project appropriations for information technology equipment provided for by sections 1, 3, or 4 shall not be spent, obligated, or encumbered until such time as the agency's information technology plans are reviewed by the office of information technology pursuant to RSA 21-I:67 and approved by the capital budget overview committee, and the governor and council.

15 Appropriation; Bonds Authorized; Transfer of Funds; Statues on State House Grounds.

I. The sum of \$50,000 is appropriated to the joint legislative historical committee established in RSA 17-I:1 for the purpose of the repair and reconditioning of the statues on state house grounds.

II. To provide funds for the appropriation made in paragraph I:

(a) The state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$36,840 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A. Report adopted and ordered to third reading.

HB 50-FN-A-L, increasing aid for kindergarten programs, and establishing a program for the construction of public kindergarten facilities and making an appropriation therefor. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS.

Rep. Kenneth L. Weyler for the Majority of Finance: The amendment to HB 50 meets the intended goal of improving access to kindergarten for New Hampshire children. The amendment sets state payments to school districts with approved kindergarten programs at a level which will more likely be sustained in future years and reflects current law, \$500 per child. The amendment creates a limited time incentive of \$1,250 per child for those districts which implement kindergarten programs after July 1, 1997. The incentive ends after three years, at which time such districts would receive the same \$500 per child rate as other districts. The amendment provides for qualified districts to receive state building aid at the 75% rate for kindergarten construction. The amendment does not permit the 100% state bonded construction grants envisioned by the original bill. The majority believes that this program will permit New Hampshire to responsibly address the issue of kindergarten access without establishing programs which would compete with or compromise existing state commitments. Vote 13-8.

Rep. Mary Jane Wallner for the Minority of Finance: Governor Shaheen presented a balanced, fair and well thought-out plan. The children of New Hampshire deserve the passage of this bill as originally proposed. Every child in New Hampshire is entitled to equal state support for kindergarten. The amendment makes drastic cuts to the Governor's proposal at a time when we should be investing in our most valuable resource, our children.

Amendment (0955h)

Amend the title of the bill by replacing it with the following:

AN ACT increasing aid for kindergarten programs.

Amend the bill by replacing all after the enacting clause with the following:

1 Kindergarten Incentive Aid; School Building Aid Increased. Amend RSA 198:15-i, II to read as follows:

II. Those districts eligible to receive kindergarten incentive aid under RSA 198:15-j shall receive an increase in school building aid to which they would otherwise be entitled under RSA 198:15-b equal to ~~[20 percent]~~ *an amount which would increase the state share of the new kindergarten construction or renovation cost to 75 percent* of the annual amount of the payment of

principal for the cost of construction or renovation of classrooms made necessary by the kindergarten program. A school district shall be eligible to receive the increased building aid so long as such district maintains a public kindergarten program.

2 Subdivision Heading Revised. The subdivision heading preceding RSA 198:15-l is repealed and reenacted to read as follows:

Kindergarten Aid; Alternative Kindergarten Programs

3 Kindergarten Aid; Aid Increased as Incentive to Establish Kindergarten; Eligibility. Amend RSA 198:15-l to read as follows:

198:15-l Kindergarten Aid.

I.(a) There is established a kindergarten aid program through which the department of education shall pay annually for financial assistance to local school districts.

(b) The sum of \$500 per eligible kindergarten pupil who resides in the district and attends a public kindergarten ~~[in]~~ *shall be paid annually to* those districts that provide and maintain a public kindergarten program. These funds shall *also* be provided *annually* to districts that ~~[send to or]~~ contract with other established public kindergarten programs for *the education of* their ~~[local]~~ resident kindergarten pupils *or have an approved alternative kindergarten program established in accordance with the provisions of RSA 198:15-n.*

(c) *In lieu of the sums provided under RSA 198:15-l, I(b), the sum of \$1,250 per eligible kindergarten pupil who resides in the district and attends public kindergarten shall be paid annually for 3 consecutive years to those districts that initially implement a public kindergarten program between July 1, 1997 and July 1, 2000. These funds shall also be provided annually for 3 consecutive years to districts that contract between July 1, 1997 and July 1, 2000 with other established public kindergarten programs for the education of their resident kindergarten pupils or have an approved alternative kindergarten program established between July 1, 1997 and July 1, 2000 in accordance with the provisions of RSA 198:15-n. After the first 3 years of the kindergarten program the local district shall become eligible for the \$500 annual payment pursuant to RSA 198:15-l, I(b).*

II. For purposes of ~~[receiving public kindergarten aid under]~~ this ~~[section]~~ *subdivision*, to "provide and maintain a public kindergarten program" means:

(a) To operate a kindergarten program within an approved public school maintained by the local school district; or

(b) To pay tuition on behalf of resident pupils to a kindergarten program ~~[operated by another]~~ *in an approved public school operated by another* district in this state or, when distance or transportation make it necessary, in another state.

III.(a) In order to qualify for kindergarten aid, ~~[local district]~~ kindergarten programs shall meet New Hampshire minimum standards for *the* approval of schools, *as well as the eligibility criteria established in RSA 198:15-m, I.*

(b) A charter school kindergarten ~~[programs]~~ *program* shall qualify *a pupil's resident district to receive [for]* kindergarten aid *for such pupil.*

4 Eligibility Criteria; Administration of Kindergarten Aid Program. RSA 198:15-m - 198:15-p are repealed and reenacted to read as follows:

198:15-m Eligibility Criteria; Administration.

I. In addition to any other requirements established in this subdivision, in order to be eligible for annual kindergarten aid payments, a kindergarten program provided by a school district, in accordance with the provisions of RSA 198:15-l or RSA 198:15-n, shall be:

(a) Offered immediately preceding the other elementary grades.

(b) Designed primarily for 5-year-olds.

(c) Available at district expense to all kindergarten-aged children who reside in the district.

II. The department of education shall administer the kindergarten aid program and shall be responsible for the following:

(a) Providing educational services, including technical assistance and training, to school districts in establishing and maintaining effective kindergarten programs.

(b) Assisting districts in the development of plans, including plans for alternative kindergarten programs, for making public kindergarten available to resident pupils.

(c) Developing and maintaining a list of recommended furnishings and equipment for kindergarten classrooms.

(d) Determining the number of eligible kindergarten pupils who reside in a district by collecting kindergarten enrollment data on October 1 of each school year.

(e) Calculating a district's annual kindergarten aid entitlement by multiplying the amount of the per-pupil kindergarten aid payment times the number of eligible kindergarten pupils who reside in a district and who are actually enrolled in a public kindergarten or alternative kindergarten program.

(f) Distributing kindergarten aid payments to eligible districts on or before January 1 of each state fiscal year.

III. If in any state fiscal year the amount appropriated for kindergarten aid in accordance with this subdivision is insufficient, the payment due on January 1 shall be prorated proportionally based on entitlements among the school districts eligible for aid payments. It shall be the duty of the department of education to request a supplemental appropriation sufficient to pay each district's full entitlement. If such additional funds are appropriated, the department of education shall promptly pay the remaining balance due each eligible school district.

198:15-n Alternative Kindergarten Programs.

I. A school district that currently does not operate a kindergarten program within an approved public school maintained by the local district or currently does not contract with another established public kindergarten program for the education of its resident kindergarten pupils, may develop a local plan for an alternative kindergarten program based upon contractual arrangements with one or more nonpublic, non-sectarian schools or facilities.

II. An alternative kindergarten program must satisfy the same criteria established for public kindergarten programs in the New Hampshire minimum standards for the approval of schools.

III. A local plan for an alternative kindergarten program must be approved by the school board and the voters of the district. The local plan shall be submitted to the department of education at times established by the commissioner of education.

IV. A local plan shall contain, at a minimum, the following information:

(a) A description of the alternative kindergarten program.

(b) An explanation of how the program meets the eligibility criteria established in RSA 198:15-m, I.

(c) A list of the nonpublic, non-sectarian schools or facilities to be utilized.

(d) Evidence that the alternative kindergarten program satisfies the same criteria established for public kindergarten programs in the New Hampshire minimum standards for the approval of schools.

(e) Procedures for coordinating and articulating curriculum, instruction, and support services provided under the alternative kindergarten program with curriculum, instruction, and support services provided in the other elementary grades.

(f) An explanation of how students will be transported to and from the schools or facilities to be utilized.

V. The plan shall be reviewed by the department of education for compliance with statutory requirements. Upon approval of an alternative kindergarten program by the commissioner of education, the school district shall be eligible for annual kindergarten aid payments under this subdivision.

VI. If an approved alternative kindergarten program utilizes more than one school or facility, the school board or the superintendent or other administrative officer designated by the school board may take into consideration parental preference when assigning students to schools or facilities in accordance with the provisions of RSA 193:14.

198:15-o Report. On or before September 1, 1998, and biennially thereafter, the commissioner of education shall prepare a report showing the results of the kindergarten aid program established in this subdivision and any other kindergarten incentive programs adopted by the legislature in achieving the purpose of making kindergarten programs available to all children in New Hampshire. Starting with the report due on or before September 1, 2002, the report shall include recommended steps to be taken to make kindergarten available to children who reside in any school district that still does not provide such a program. Reports shall be submitted to the governor and council, state board of education, speaker of the house, president of the senate, and the house and senate education and finance committees.

198:15-p Rulemaking. Rules adopted by the state board of education, pursuant to RSA 541-A and under the authority of RSA 21-N:9, I, relative to minimum standards for the approval of schools, shall apply to kindergarten programs operated by all nonpublic, non-sectarian schools included in an approved alternative kindergarten program.

5 New Section; Authorization for Special School District Meeting. Amend RSA 198 by inserting after section 15-p the following new section:

198:15-q Special School District Meetings for Kindergarten Implementation. Notwithstanding the provisions of RSA 197:3, a school district may call a special meeting only for the purposes of voting to raise or appropriate money for the implementation of a kindergarten program at the discretion of the school board.

6 Repeal. The following are repealed:

I. RSA 198:15-o, relative to the commissioner's report on kindergarten aid and incentive programs.

II. RSA 198:15-q, relative special school district meetings for kindergarten implementation.

7 Effective Date.

I. Paragraph I of section 6 of this act shall take effect September 30, 2004.

II. Paragraph II of section 6 of this act shall take effect December 31, 1997.

III. The remainder of this act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill increases school building aid for construction or renovation of kindergarten classrooms. The bill also increases aid for kindergarten programs. Programs established between July 1, 1997, and July 1, 2000, receive \$1,250 per eligible pupil for 3 years, and thereafter are eligible for the annual \$500 per eligible pupil payment.

Reps. Dickinson, Vaughn and Ann Torr spoke against.

Rep. Weyler spoke in favor and yielded to questions.

Reps. Schotanus and Jacobson spoke against and yielded to questions.

Reps. Tufts, Hager and Henderson spoke in favor.

Rep. Ann Torr requested a roll call; sufficiently seconded.

The question being the adoption of the amendment.

and the amendment failed.

Rep. Alger offered a floor amendment.

Floor Amendment (1047h)

Amend RSA 198:15-n as inserted by section 3 of the bill by inserting after paragraph VI the following new paragraph:

VII. Any local school district that has a contractual arrangement, approved by the school board and the voters of the district, to provide school district paid tuition payments to a nonpublic and non-sectarian school for the purpose of providing a kindergarten program during the 1996-1997 school year which is available to all kindergarten age children in the district shall be eligible for annual kindergarten aid payments under this subdivision. Such alternative kindergarten program shall be exempt from the criteria established for public kindergarten programs in the New Hampshire minimum standards for the approval of schools until the 1999-2000 school year to enable the alternative program to establish compliance with such criteria. The school district shall submit a local plan which meets all requirements of RSA 198:15-n, IV, except as provided under subparagraph (d), to the department of education.

Rep. Alger spoke in favor.

Adopted.

Rep. Teschner asked if the question was divisible.

The Speaker ruled the question was divisible.

Rep. Teschner moved that the question be divided to take up Secs. 5, 6, 7 and I, II, III of Sec. 8 separately. Objection was raised to the question being divided.

Rep. Varrell requested a roll call; not sufficiently seconded.

On a division vote, 171 members having voted in the affirmative and 211 in the negative, the motion failed. The question now being the adoption of the report.

On a division vote, 247 members having voted in the affirmative and 135 in the negative, the report was adopted.

Ordered to third reading.

Reps. Jeb Bradley and Clay wished to be recorded in favor.

RECONSIDERATION

Having voted with the prevailing side, Rep. Dickinson moved that the House reconsider its action whereby it ordered to third reading **HB 50-FN-A**, increasing aid for kindergarten programs, and establishing a program for the construction of public kindergarten facilities and making an appropriation therefore.

Rep. Dickinson spoke against.

Reconsideration failed.

RECESS**(Speaker Sytek in the Chair)**

HB 564-FN-A, increasing the cigarette tax and designating a portion of the revenue for anti-smoking programs aimed at teenagers. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kenneth L. Weyler for Finance: This bill increases per pack cigarette tax by 20 cents to 45 cents per pack. All tobacco products are similarly taxed. The new rate takes effect June 1, 1997 and will apply to inventory available on that date. The amendment removes the dedicated fund proposed in the original bill and insures that all income is deposited in the general fund. Vote 13-8.

Amendment (0972h)

Amend the title of the bill by replacing it with the following:

AN ACT increasing the cigarette tax.

Amend the bill by replacing all after the enacting clause with the following:

1 Definition of "Tobacco Products" for Purposes of Tobacco Tax. Amend RSA 78:1, XIV to read as follows:

XIV. "Tobacco products" means cigarettes ~~[and]~~, *cigars, snuff*, smokeless tobacco, *products containing tobacco, and tobacco in any other form*.

2 Cigarette Tax. Amend RSA 78:7 to read as follows:

78:7 Tax Imposed. A tax upon the retail consumer is hereby imposed at the rate of ~~[25]~~ **45** cents for each package containing 20 cigarettes or at a rate proportional to such rate for packages containing more or less than 20 cigarettes, on all tobacco products sold at retail in this state. The payment of the tax shall be evidenced by affixing stamps to the smallest packages containing the tobacco products in which such products usually are sold at retail. The word "package" as used in this section shall not include individual cigarettes. No tax is imposed on any transactions, the taxation of which by this state is prohibited by the Constitution of the United States.

3 Applicability. This act shall apply to all persons licensed under RSA 78:2. Such persons shall inventory all taxable tobacco products in their possession and file a report of such inventory with the department of revenue administration on a form prescribed by the commissioner within 20 days after the effective date of this act. The tax rate effective June 1, 1997, shall apply to such inventory and the difference, if any, in the amount paid previously on such inventory and the current effective rate of tax shall be paid with the inventory form. The inventory form shall be treated as a tax return for the purpose of computing penalties under RSA 21-J.

4 Effective Date. This act shall take effect June 1, 1997.

AMENDED ANALYSIS

This bill increases the cigarette tax by 20 cents.

Rep. Cobbin spoke against.

Reps. Buckley and Channing Brown spoke in favor.

On a division vote, 340 members having voted in the affirmative and 29 in the negative, the amendment was adopted.

Rep. Babson voted nay and intended to vote yea.

Rep. Wallner offered a floor amendment.

Floor Amendment(1020h)

Amend RSA 78:7 as inserted by section 2 of the bill by replacing it with the following:

78:7 Tax Imposed. A tax upon the retail consumer is hereby imposed at the rate of ~~[25]~~ **50** cents for each package containing 20 cigarettes or at a rate proportional to such rate for packages containing more or less than 20 cigarettes, on all tobacco products sold at retail in this state. The payment of the tax shall be evidenced by affixing stamps to the smallest packages containing the tobacco products in which such products usually are sold at retail. The word "package" as used in this section shall not include individual cigarettes. No tax is imposed on any transactions, the taxation of which by this state is prohibited by the Constitution of the United States.

Amend the bill by replacing all after section 2 with the following:

3 Applicability. This act shall apply to all persons licensed under RSA 78:2. Such persons shall inventory all taxable tobacco products in their possession and file a report of such inventory with the department of revenue administration on a form prescribed by the commissioner within 20 days after the effective date of this act. The inventory form shall be treated as a tax return for the purpose of computing penalties under RSA 21-J.

4 Effective Date. This act shall take effect May 1, 1997.

AMENDED ANALYSIS

This bill increases the cigarette tax by 25 cents.

Reps. Wallner, Rosen and Holt spoke in favor.

Reps. MacGillivray, Klemm and Alukonis spoke against and yielded to questions.

Rep. Pilliod spoke in favor and yielded to questions.

Rep. Kurk spoke against.

Rep. David Welch requested a roll call; sufficiently seconded.

The question being the adoption of the Wallner floor amendment.

and the floor amendment failed.

Reps. Carney and Meader declared conflicts of interest and did not participate.

Rep. Simmons did not vote and wished to be recorded against.

Rep. Vaillancourt offered a floor amendment.

Floor Amendment(1056h)

Amend the title of the bill by replacing it with the following:

AN ACT increasing the cigarette tax and designating a portion of the revenue for anti-smoking programs.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subparagraph; Special Fund; Anti-Smoking Programs. Amend RSA 6:12, I by inserting after subparagraph (ooo) the following new subparagraph:

(ppp) Money received under RSA 78:7-d and private sources, which shall be credited to the anti-smoking programs fund established in RSA 172-C:2.

2 Definition of "Tobacco Products" for Purposes of Tobacco Tax. Amend RSA 78:1, XIV to read as follows:

XIV. "Tobacco products" means cigarettes ~~and~~, *cigars, snuff*, smokeless tobacco, *products containing tobacco, and tobacco in any other form*.

3 Cigarette Tax. Amend RSA 78:7 to read as follows:

78:7 Tax Imposed. A tax upon the retail consumer is hereby imposed at the rate of [25] **45** cents for each package containing 20 cigarettes or at a rate proportional to such rate for packages containing more or less than 20 cigarettes, on all tobacco products sold at retail in this state. The payment of the tax shall be evidenced by affixing stamps to the smallest packages containing the tobacco products in which such products usually are sold at retail. The word "package" as used in this section shall not include individual cigarettes. No tax is imposed on any transactions, the taxation of which by this state is prohibited by the Constitution of the United States.

4 New Section; Designated Revenues. Amend RSA 78 by inserting after section 7-c the following new section:

78:7-d Designated Revenue. Of the money collected under this chapter, 2/9 shall be deposited by the state treasurer into the fund established in RSA 172-C:2.

5 New Chapter; Anti-Smoking Programs. Amend RSA by inserting after RSA 172-B the following new chapter:

CHAPTER 172-C

ANTI-SMOKING PROGRAMS

172-C:1 - Anti-Smoking Programs. The commissioner of the department of health and human services shall award grants for anti-smoking programs within the state of New Hampshire. The commissioner may adopt rules under RSA 541-A relative to the application procedure and criteria for such grants and relative to the administration of the fund established in RSA 172-C:2. The grants authorized in this section shall be financed from the anti-smoking programs fund established under RSA 172-C:2.

172-C:2 Fund Established. There is established in the treasury a separate, nonlapsing, and continually appropriated fund to be known as the anti-smoking programs fund. Moneys for the fund shall come from tobacco tax revenues under RSA 78:7-d and from private grants and donations and any federal funds for which the state is qualified. The commissioner of the department of health and human services shall administer the fund.

6 Applicability. Sections 2 and 3 of this act shall apply to all persons licensed under RSA 78:2. Such persons shall inventory all taxable tobacco products in their possession and file a report of such inventory with the department of revenue administration on a form prescribed by the commissioner within 20 days after the effective date of this act. The tax rate effective June 1, 1997, shall apply to such inventory and the difference, if any, in the amount paid previously on such inventory and the current effective rate of tax shall be paid with the inventory form. The inventory form shall be treated as a tax return for the purpose of computing penalties under RSA 21-J.

7 Effective Date. This act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill increases the cigarette tax by 20 cents and designates ½ of the increase to anti-smoking programs.

Rep. Vaillancourt spoke in favor and yielded to questions.

Rep. Vaughn spoke against.

The floor amendment failed.

The question now being the adoption of the report.

HB 2-FN-A, relative to state fees, funds, revenues and expenditures. OUGHT TO PASS WITH AMENDMENT

Rep. Neal M. Kurk for Finance: This bill complements HB 1-A, the biennial budget. It makes statutory changes to allow HB 1-A to be executed appropriately. Vote 19-1.

Amendment (1005h)

Amend the bill by replacing all after the enacting clause with the following:

1 Department of Environmental Services; Laboratory Equipment Fund. Notwithstanding the provisions of RSA 131:3-a, the department of environmental services shall lapse \$172,062 in fiscal year 1998 and \$101,596 in fiscal year 1999 from the laboratory equipment fund to the general fund.

2 Budget Appropriation Request. Amend RSA 4-A:7 to read as follows:

4-A:7 Budget Appropriation Request. The governor shall include in the budget transmitted to the general court, for each fiscal year in which [his] *the governor's* regular term of office will expire, an appropriation not to exceed ~~[\$5,000]~~ **\$75,000** for carrying out the purpose of this chapter.

3 New Subdivision; Turnpike Renewals and Replacement Funds; Department of Transportation. Amend RSA 237 by inserting after section 49 the following new subdivision:

Turnpike Renewal and Replacement Accounts

237:49-a Turnpike Renewal and Replacement Account Established. There is established the turnpike renewal and replacement account within the department of transportation. At the close of each fiscal year, all surplus renewal and replacement funds shall be transferred to the turnpike renewal and replacement fund.

4 New Section; Animal Population Control Fund Established. Amend RSA 437-A by inserting after section 4 the following new section:

437-A:4-a Fund Established; Solicitation and Acceptance of Funds.

I. There is hereby established the animal population control fund. Any funds received by the commissioner under this chapter, RSA 466:4, I(c), and RSA 466:6, III shall be deposited in the fund and shall be used by the commissioner exclusively for implementation including veterinarian reimbursement, promotion, and other costs associated with the program. Moneys in the fund shall be continually appropriated to the commissioner. Interest earnings credited to the assets of the fund shall become part of the fund. Any balance remaining in the fund at the end of the fiscal year shall be carried forward to the fund for the next fiscal year.

II. The commissioner may solicit and accept funds from any public or private source to be used to carry out the provisions of this chapter. All such funds shall be deposited into the fund established under paragraph I.

5 New Paragraph; Definition Added. Amend RSA 437-A:1 by inserting after paragraph II the following new paragraph:

III. "Fund" means the animal population control fund established in RSA 437-A:4-a.

6 New Paragraph; Rulemaking Added. Amend RSA 437-A:5 by inserting after paragraph II the following new paragraph:

II-a. Administration of the fund established under RSA 437-A:4-a.

7 Animal Population Control Fees. Amend RSA 466:4, I(c) to read as follows:

(c) The clerk shall remit all companion animal population control fees collected to the state treasurer along with the fees sent in accordance with RSA 466:9, provided that such companion animal population control fees shall be deposited into the ~~{general fund}~~ **animal population control fund, established in RSA 437-A:4-a.**

8 Animal Population Control Fee. Amend RSA 466:6, III to read as follows:

III. The fee shall be \$20 for the group license, \$2 of which shall be remitted to the town clerk for deposit into the ~~{general}~~ **animal population control fund, established in RSA 437-A:4-a**, as the companion animal population control fee, and \$18 shall be retained by the town or municipality.

9 New Subparagraph; Special Fund. Amend RSA 6:12, I by inserting after subparagraph (ooo) the following new subparagraph:

(ppp) Moneys received under RSA 466:4, I(c), RSA 466:6, III, and RSA 437-A which shall be credited to the animal population control fund, established in RSA 437-A:4-a.

10 Repeal. 1996, 152, relative to the budget for the animal population control program, is repealed.

11 New Hampshire Legal Assistance; Civil Legal Assistance to Low-Income Persons. Amend RSA by inserting after chapter 525 the following new chapter:

CHAPTER 525-A

CIVIL LEGAL ASSISTANCE

525-A:1 Civil Legal Assistance. Funds appropriated to New Hampshire Legal Assistance for the purposes of civil legal assistance shall be used only for the provision of civil legal representation to low-income persons in this state. New Hampshire Legal Assistance shall make reports to the judicial council by June 30 and December 31 of each year on its use of state funds.

12 Developmentally Disabled Waitlist; Funding. Notwithstanding the provisions of 1995, 310:63, PAU 05, 01, 05, 03, 01, class line 93, as inserted by 1997, HB 1-A shall be funded in part from the appropriation made to the department of health and human services in 1995, 310:63, III(b)(2).

13 Route 93 Borrow-a-Lane Project; Appropriation.

I. The department of transportation shall complete the physical improvements to Route 93 in Concord and Bow authorized in 1995, 308:43, including the construction of necessary roadway and signage, to create a temporary southbound lane on Route 93 in Concord and Bow which can be utilized on an as needed basis.

II. The sum of \$30,000 is appropriated for the fiscal year ending June 30, 1998, and the sum of \$30,000 is appropriated for the fiscal year ending June 30, 1999, to the department of transportation for the purposes of paragraph I of this section. This appropriation shall be a charge against the highway fund.

14 Effective Date. This act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill:

(1) Lapses money in the department of environmental services laboratory equipment fund to the general fund.

(2) Increases the cap on the governor's budget appropriation request for expenditures surrounding the transfer of power to the governor-elect from \$5,000 to \$75,000.

(3) Makes turnpike renewals and replacement funds nonlapsing.

(4) Establishes the animal population control fund which shall be funded by the animal population control fees under RSA 466. The fund is continually appropriated to the commissioner of the department of agriculture, markets, and food and shall be used for the purposes of the animal population control program.

(5) Clarifies the use of funds appropriated for civil legal assistance.

(6) States that the developmentally disabled waitlist shall be funded in part from an appropriation made to the department of health and human services from county intergovernmental transfers to the state in 1995, 310:63.

(7) Directs the department of transportation to complete the Route 93 borrow-a-lane project and makes an appropriation to the department for such project.

Adopted.

Rep. Channing Brown offered a floor amendment.

Floor Amendment(1033h)

Amend the bill by inserting after section 13 the following and renumbering the original section 14 to read as 15:

14 Meals and Rooms Tax Commission Decreased. Amend RSA 78-A:7, III to read as follows:

III. To compensate operators for keeping the prescribed records and the proper account and remitting of taxes by them, operators are allowed to retain [3] 2 percent of the taxes due and to be remitted if the return and payment are timely received by the department of revenue administration, as provided in RSA 78-A:8, III.

AMENDED ANALYSIS

This bill:

Report adopted and ordered to third reading.

HB 609-FN-L, enacting the Uniform Interstate Family Support Act (UIFSA) and relative to child support. **OUGHT TO PASS WITH AMENDMENT**

Rep. Deborah L. Woods for Judiciary and Family Law: The purpose of this bill is to enact the Uniform Interstate Family Support Act (UIFSA) and to improve procedures and processes related to the establishment of paternity and the establishment and enforcement of child support obligations as an integral part of achieving welfare reform by increasing child support collections, therefore increasing the income available to households with children, and enabling families to become self sufficient and leave public assistance. Primarily a federal mandate, this bill caused great concern for members of the committee, including the sponsors who sit on the committee. Issues concerning protection of confidential information of individuals as well as how the bill would affect the Department of Employment Security; the banking industry; and people who were caught up in the system who should not be. The committee had re-committed because it only had 6 days between the public hearing on 2/27/97 and the due date to report it out 3/5/97. Over the past four weeks the committee had the opportunity to go over the bill line by line. Protections for privacy were added. Concerns of the banks and Department of Employment Security were addressed. At the same time, it was important that this bill comply with the federal law to avoid the loss of millions of dollars in revenue for child care; for employers; for temporary assistance to needy families. The majority of the committee believes that it has crafted the best bill it can, and that it is an important and necessary bill. If ought to pass with amendment is successful, the committee will continue to follow this bill closely to ensure its concerns are known and to perhaps find further ways to make it better. Vote 17-3.

Amendment (0999h)

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose. The purpose of this act is to enact the Uniform Interstate Family Support Act (UIFSA) and to improve procedures and processes related to the establishment of paternity and the establishment and enforcement of child support obligations as an integral part of achieving welfare reform by increasing child support collections, thereby increasing the income available to households with children, and enabling families to become self sufficient and leave public assistance. There shall be in effect safeguards, applicable to all confidential information handled by the department, that are designed to protect the privacy rights of the parties against unauthorized use or disclosure of information relating to proceedings or actions to establish paternity, or to establish or enforce support.

2 Affidavits of Paternity; Procedure. RSA 126:6-a, II-a is repealed and reenacted to read as follows:

II-a. When an affidavit of paternity is executed in a hospital or birthing center, or before a midwife, the following procedure shall apply:

(a) A hospital, birthing center, or midwife shall provide to an unmarried mother of a live child born in a hospital, birthing center, or other location, an affidavit of paternity that can be completed by the child's mother and father to acknowledge paternity of a child, which affidavit shall be notarized by the hospital or birthing center staff if the birth occurs in a hospital or birthing center. Before a mother and a putative father can sign an affidavit of paternity, they shall be given oral and written notice of the legal consequences of signing the affidavit, including the resulting rights and responsibilities and the alternatives to acknowledging paternity by affidavit. If one parent is a minor, notice shall include any rights afforded by minority status.

(b) When a mother and father sign an affidavit of paternity, a hospital, birthing center, or midwife shall:

(1) Complete the affidavit of paternity and forward the record to the bureau of vital records and health statistics; and

(2) File a copy of the affidavit of paternity with the department of health and human services, office of child support enforcement services, at the address indicated on the affidavit of paternity.

(c) For each affidavit of paternity signed and filed in accordance with this paragraph, the department of health and human services shall reimburse the hospital, birthing center, or midwife in an amount authorized by federal law.

(d) The department of health and human services shall develop and distribute to a hospital, birthing center, or midwife free of charge the affidavit of paternity forms, information on the purpose and completion of the form, information on the rights and responsibilities of the parents, and assistance and training to staff assigned responsibility for providing the information.

3 New Paragraphs; Procedures for Affidavits of Paternity. Amend RSA 126:6-a by inserting after paragraph II-a the following new paragraphs:

II-b. When an affidavit of paternity is executed and filed with the clerk of the town where the birth occurs, the following procedures shall apply:

(a) In those instances where an affidavit of paternity is completed by the parents of the child and filed directly with the clerk of the town where the birth occurs, the clerk of the town shall forward a copy of the affidavit of paternity to the department of health and human services, office of child support, enforcement services at the address indicated on the affidavit of paternity and shall forward the electronic record to the bureau of vital records and health statistics. Before a mother and a putative father may sign an affidavit of paternity, they shall be given oral and written notice of the legal consequences of signing the affidavit, including the resulting rights and responsibilities and the alternatives to acknowledging paternity by affidavit. If one parent is a minor, notice shall include any rights afforded by minority status.

(b) The department of health and human services shall develop and distribute to a clerk of the town free of charge the affidavit of paternity forms, information on the purpose and completion of the form, information on the rights and responsibilities of the parents, and assistance and training to staff assigned responsibility for providing the information.

II-c. The bureau of vital records and health statistics shall link an electronic record of an affidavit of paternity with the original birth record of the child.

II-d. An affidavit of paternity signed pursuant to this section shall be considered a legal finding of paternity, subject to the right of any signatory to rescind the acknowledgment within the earlier of:

(1) Sixty days; or

(2) The date of an administrative or judicial proceeding relating to the child, including a proceeding to establish a support order, in which the signatory is a party.

II-e. Written notice of rescission shall be sent to the clerk of the town in which the birth occurred, with a copy to the office of child support enforcement services at the address indicated on the affidavit, no later than 60 days after the affidavit is signed. After expiration of the rescission period, the signed affidavit of paternity may be challenged in court only on the basis of fraud, duress, or material mistake of fact, with the burden of proof upon the challenger, and under which the legal responsibilities (including child support obligations) of any signatory arising from the acknowledgment shall not be suspended during the challenge, except for good cause shown.

II-f. When an affidavit of paternity has been properly completed and the certificate of birth has been filed accordingly, and the acknowledgment has not been rescinded pursuant to this section, any further modification of the birth certificate regarding the paternity of the child shall require an order from a court of competent jurisdiction.

4 New Paragraph; Rulemaking Authority of Commissioner. Amend RSA 126:6-a by inserting after paragraph V the following new paragraph:

VI. The commissioner of the department of health and human services shall adopt rules, pursuant to RSA 541-A, relative to implementing the commissioner's duties under this section.

5 New Paragraph; Disclosure of Information From Vital Records. Amend RSA 126:14 by inserting after paragraph VI the following new paragraph:

VII. Disclosure of voluntary acknowledgments and adjudication of paternity by judicial or administrative processes shall be released for the purposes of the state case registry pursuant to RSA 161-B:7.

6 Repository for Information; State Case Registry. RSA 161-B:7, I is repealed and reenacted to read as follows:

I. The department is authorized and directed to establish a central unit to serve as a repository of information, to answer inquiries concerning absent parents and other persons legally responsible for support, to coordinate and supervise departmental activities in relation to such persons, and to establish a state case registry which shall contain records with respect to each case in which services are being provided by the department, and in each case in which any support order is established or modified in the state on or after October 1, 1998. The records in the state case registry shall:

(a) Contain standardized data for both parents such as names, social security numbers, and other uniform identification numbers, and with respect to those in which a support order has been established and in which the department is providing services, shall also contain the following:

(1) The amount of weekly (or other periodic) support ordered, and other amounts, including arrearages, interest or late payment penalties, and fees due or overdue under the order.

(2) Any amount described in subparagraph (a)(1) that has been collected.

(3) The distribution of such collected amounts.

(4) The birth date of any child for whom the order requires the provision of support.

(5) The amount of any lien imposed with respect to the order pursuant to RSA 161-C:10 or 458:17, VII-a.

(b) With respect to those cases in which the department is providing services, be promptly established, maintained, and regularly updated on the basis of:

(1) Information on administrative actions and administrative and judicial proceedings and orders relating to paternity and support.

(2) Information obtained from federal, state, or local sources of information.

(3) Information on support collections and distributions.

7 Statutory References Revised. Amend RSA 161-B:7, III to read as follows:

III. Any records established or information collected pursuant to the provisions of this chapter shall be made available only to the commissioner and the attorney general and their authorized designees, attorneys employed by the office of child support, attorneys responsible for the administration of RSA [546] **546-B**, the client or the client's authorized representative, and courts or agencies in other states engaged in the enforcement of support of minor children as authorized by federal law or the rules of the department. Such records and information shall be available and used only for purposes directly connected with establishment, enforcement, or modification of child support and the administration of this chapter. The records and information made available to the client or the client's authorized representative shall not include information provided to the department that is prohibited from release by federal law, state statute, state case law, or by contract or agreement between the department and another entity if such contract or agreement prohibits release of such information.

8 Revocation and Denial of Licenses. Amend RSA 161-B:11, I to read as follows:

I. The department shall be authorized to certify that an obligor is not in compliance with a legal order of support, *or that any party has failed, after receiving notice, to comply with subpoenas or orders relating to paternity or child support proceedings*, to any licensing board for the purpose of suspending, revoking, or denying the issuance or renewal of any appropriate license or licenses held by the obligor *or party*.

9 New Paragraph; Recording Social Security Numbers. Amend RSA 161-B:11 by inserting after paragraph VI the following new paragraph:

VI-a. The social security number of any applicant for a professional license, commercial driver's license, occupational license, or marriage license shall be recorded on the application, provided that if the use of a number other than the social security number is allowed, the applicant shall be so advised. Any application required by this section to contain a social security number shall be confidential and not subject to the right to know law. The use of such number shall be limited to proceedings or actions to establish paternity or to establish or enforce support and shall only be provided to or entered in any out-of-state or federal data base for those cases for which the department is providing services.

10 New Paragraph; "Account" Defined. Amend RSA 161-C:2 by inserting after paragraph I the following new paragraph:

I-a. "Account" means a demand deposit account, checking or negotiable withdrawal order account, savings account, time deposit account, money market mutual fund account, or brokerage account.

11 New Paragraph; "Financial Institution" Defined. Amend RSA 161-C:2 by inserting after paragraph VI-a the following new paragraph:

VI-b. "Financial institution" means:

(a) A depository institution, as defined in section 3(c) of the Federal Deposit Insurance Act at 12 U.S.C. 1813(c).

(b) An institution-affiliated party, as defined in section 3(u) of such act at 12 U.S.C. 1813(u).

(c) Any federal credit union or state credit union, as defined in section 101 of the Federal Credit Union Act (12 U.S.C. 1752), including an institution-affiliated party of such a credit union, as defined in section 206(r) of such act at 12 U.S.C. 1786(r).

(d) Any benefit association, insurance company, safe deposit company, money market mutual fund, brokerage firm, federal or state-chartered fiduciary bank, or similar entity.

12 Access to Information Contained in Certain Records. RSA 161-C:3-a, I-III are repealed and reenacted to read as follows:

I. Notwithstanding the provisions of RSA 359-C or any other law to the contrary, the commissioner is hereby authorized to request, on an individually-named basis, and receive, on the same basis, from any bank, trust company, savings and loan association, credit union, or other financial institution doing business in this state information with respect to the transactions with any institution and the assets of any delinquent obligor or individual against whom the department is seeking to establish or enforce an obligation of support. The institution shall furnish the information within 15 days of the department's request. After such time, an institution which fails to comply with these provisions shall be liable for an administrative fine of \$50 per day.

II. The commissioner is hereby authorized to request and receive from any former or current employer, including for-profit, nonprofit, and governmental employers, information necessary to the establishment or enforcement of child support orders, including, but not limited to, the dates of employment, number of hours worked, rate of pay, date of birth, available health insurance, current address, payroll deductions, and social security number of any delinquent obligor or individual against whom the department is seeking to establish or enforce an obligation of support. The institution shall furnish the information within 15 days of the department's request. After such time, an employer who fails to comply with these provisions shall be liable for an administrative fine of \$50 per day.

III. The department and any financial institution or employer who discloses financial or employment records under this section shall not be subject to civil liability or criminal prosecution which is based upon its disclosure under this section, or for any other action taken in good faith to comply with the requirements of this section. A financial institution shall not be liable under federal or state law to any person for encumbering or surrendering any assets held by such financial institution in response to a notice of lien or levy issued by the department.

13 Statutory Reference Revised. Amend RSA 161-C:3-a, IV to read as follows:

IV. Any records established or information collected pursuant to the provisions of this chapter shall be made available only to the commissioner and the attorney general and their authorized designees, attorneys employed by the office of child support, attorneys responsible for the administration of RSA [546] 546-B, the client or the client's authorized representative and courts or

agencies in other states engaged in the enforcement of support of minor children as authorized by the rules of the department. Such records and information shall be available and used only for purposes directly connected with establishment, enforcement or modification of child support and the administration of this chapter. The records and information made available to the client or the client's authorized representative shall not include information provided to the department that is prohibited from release by federal law, state statute, state case law, or by contract or agreement between the department and another entity if such contract or agreement prohibits release of such information.

14 New Paragraphs; Access to Information. Amend RSA 161-C:3-a by inserting after paragraph V the following new paragraphs:

VI. The department is authorized to obtain access to certain records held by public utilities and cable television companies with respect to individuals who owe or are owed support, or against or with respect to whom a support obligation is sought, consisting of the names and addresses of such individuals and the names and addresses of the employers of such individuals, pursuant to an administrative subpoena issued by the commissioner.

VII. The department is authorized to enter into agreements with financial institutions doing business in the state:

(a) To develop and operate, in coordination with such financial institutions, a data match system, using automated data exchanges to the maximum extent feasible, in which each financial institution is required to provide for each calendar quarter the name, record address, social security number or other taxpayer identification number, and other identifying information for each obligor who maintains an account at the financial institution and who owes past-due support, as identified by the state by name and social security number or other taxpayer identification number.

(b) In response to a notice of lien or levy, to encumber or surrender, as the case may be, assets held by such institution on behalf of any obligor who is subject to a child support lien pursuant to RSA 161-C.

VIII. The department shall pay a reasonable fee to a financial institution for conducting the data match provided for in paragraph VII(a), not to exceed actual costs incurred by such financial institution.

15 Subpoenas. RSA 161-C:3-c is repealed and reenacted to read as follows:

161-C:3-c Power to Subpoena Financial and Other Records. Pursuant to the department's responsibilities, the commissioner shall have the power to subpoena any financial or other information needed to establish, modify, or enforce a support order.

16 New Section; Penalty for Failure to Comply. Amend RSA 161-C by inserting after section 3-c the following new section:

161-C:3-d Penalty for Failure to Comply With Subpoena. Any person who owes or is owed a duty of support who knowingly fails to comply with a subpoena issued pursuant to RSA 161-C:3-c:

I. May be subject to license revocation under RSA 161-B:11; and

II. Shall be guilty of a misdemeanor.

17 Assertion of Lien; Accrual of Support. RSA 161-C:10, I is repealed and reenacted to read as follows:

I. Twenty-one days after service of notice of debt under RSA 161-C:7, or service of the decision under RSA 161-C:9, the amount stated in the notice of debt or in the decision shall be a lien against all property of the responsible parent and shall incorporate any unpaid child support which may accrue in the future. This lien shall be separate and apart from and in addition to any other lien created by or provided for in this chapter.

18 New Sections; Denial of Passports; Hiring Reports. Amend RSA 161-C by inserting after section 26-a the following new sections:

161-C:26-b Denial of Passports.

I. The department is authorized to certify to the United States Secretary of Health and Human Services, pursuant to section 652(k) of the Social Security Act, that an obligor owes child support arrearages in an amount exceeding \$5,000 and is out of compliance with a legal order of support.

II. The obligor shall be given prior notice of the determination and of the consequences and an opportunity to contest the determination.

161-C:26-c Hiring Reports. The department shall be authorized to receive from the state directory of new hires maintained by the department of employment security pursuant to RSA

282-A:117-a, I, reports made by an employing unit of the hire, rehire, or contracting of services of any named individual whom the department seeks to locate for purposes of establishing paternity and establishing, modifying, and enforcing child support obligations.

19 Standing of Putative Fathers. RSA 168-A:2, I is repealed and reenacted to read as follows:

I. Paternity shall be established upon the filing of:

(a) A petition to the superior court by the mother, putative father, child, or public authority chargeable by law with the support of the child and the granting of such petition by the court; or

(b) An affidavit of paternity with the clerk of the town where the birth of the child occurred pursuant to RSA 126:6-a, I(b) or II. The affidavit of paternity shall have the legal effect of establishing paternity without requiring further action pursuant to this chapter, unless rescinded pursuant to RSA 126:6-a, II-d.

20 New Paragraphs; Paternity Records; Admissibility of Certain Expenses. Amend RSA 168-A:2 by inserting after paragraph IV the following new paragraphs:

V. Upon determining paternity, the court shall provide a copy of the order to the bureau of vital records and health statistics, except that the office of child support enforcement services shall provide the copy to the bureau of vital records and health statistics in cases initiated by the department.

VI. Copies of bills for pregnancy, childbirth, and genetic paternity testing shall be admissible as evidence without requiring third-party foundation testimony, and shall constitute prima facie evidence of costs incurred for such services or for genetic paternity testing.

21 Remedies. RSA 168-A:4, I is repealed and reenacted to read as follows:

I. The superior court has jurisdiction of a proceeding under this chapter and all remedies for the enforcement of judgments for expenses of pregnancy and confinement for a mother or for education or necessary support of children apply including, but not limited to, the provisions of RSA 161-B, 161-C, and 458.

22 Remedies. RSA 168-A:4, III is repealed and reenacted to read as follows:

III. Upon the prayer of the petitioner the court shall schedule an immediate hearing, as in the cases of prayers for temporary relief in divorce and legal separation proceedings, on the issue of whether, and how much, the alleged father of the child in question shall be required to post in advance as security for the payment of maternity and other expenses for which he may ultimately be held liable under this chapter. The court has continuing jurisdiction to modify or revoke a judgment for future education and necessary support. All remedies under the Uniform Interstate Family Support Act and all remedies included but not limited to the provisions contained in RSA 161-B, 161-C and 458 are available for enforcement of duties of support under this chapter.

23 No Right to Jury Trial. RSA 168-A:5 is repealed and reenacted to read as follows:

168-A:5 Time of Trial; No Right To Jury Trial.

I. If the issue of paternity is raised in a proceeding commenced during the pregnancy of the mother, the trial shall not, without the consent of the alleged father, be held until after the birth or miscarriage but during such delay testimony may be perpetuated according to the laws of this state.

II. No right to a jury trial exists in a proceeding to establish paternity.

24 Statutory Reference Revised. Amend RSA 170-A:2 to read as follows:

170-A:2 Financial Responsibility. Financial responsibility for any child placed pursuant to the provisions of the Interstate Compact on the Placement of Children shall be determined in accordance with the provisions of Article V ~~[thereof]~~ *of the compact* in the first instance. However, in the event of partial or complete default of performance ~~[thereunder]~~ *under the compact*, the provisions of RSA ~~[546, as amended by 1959, 271:1 and]~~ RSA 546-A ~~[as inserted by 1955, 206:1]~~ *and RSA 546-B* shall apply.

25 Statutory Reference Revised. Amend the introductory paragraph of RSA 173-B:11-a, II to read as follows:

II. The superior court, in any action determining the obligation of the obligor to support the obligee or the parties' minor children, including but not limited to actions for divorce, pursuant to RSA 458; custody, pursuant to RSA 458; paternity, pursuant to RSA 163-A; child support, pursuant to RSA 161-B, RSA 161-C and RSA 458; reimbursement of public assistance, pursuant to RSA 161-C; and the uniform ~~[reciprocal enforcement of]~~ *interstate family support act*, pursuant to RSA ~~[546]~~ *546-B*; shall take judicial notice of any support obligation established pursuant to RSA 173-B:4, I(b)(4), upon the filing of a certified copy of the district court order in the superior court by:

26 New Section; Reports to Department of Employment Security; Newly Hired, Rehired, or Contracted Service Employees. Amend RSA 282-A by inserting after section 117 the following new section:

282-A:117-a Employment Reports to Department of Employment Security; State Directory of New Hires.

I. The commissioner shall, pursuant to an agreement with the department of health and human services which shall include payment of costs of administration, maintain a state directory of new hires. Any employing unit shall report to the department for entry into the directory:

(a) The hiring of an individual who earns wages or any other form of compensation in this state;

(b) The rehiring of such individual who was permanently laid off or otherwise terminated from employment; and

(c) The contracting for services, other than casual labor, in this state with an individual, in accordance with the rules adopted by the commissioner, when reimbursement for such services is anticipated to exceed \$2,500.

II. An employing unit with employees in 2 or more states, which transmits reports magnetically or electronically, may comply with this section by designating one of the states as the state to which the reports will be transmitted. Such an employing unit shall notify the United States Secretary of the Department of Health and Human Services in writing as to which state is so designated.

III. An employing unit required to report under paragraph I shall mail or transmit a copy of the individual's W-4 form to the department or send all information required in paragraph V in a format acceptable to the department by electronic or magnetic tape or by any other means mutually agreed upon.

IV. The employing unit shall submit to the department a report of an individual's hire, rehire, or contract for services within 20 days of such action or, in the case of magnetic or electronic reports, by 2 monthly transmissions not less than 12 days nor more than 16 days apart. The report shall contain:

(a) The individual's complete name, address, and social security number.

(b) The employing unit's name, address, and federal and state identification number.

V.(a) Information reported under paragraphs III and IV shall be entered by the department in the state directory of new hires within 5 business days of receipt.

(b) The department shall report to the National Directory of New Hires only those named individuals for whom the department of health and human services is providing services.

VI. The department and the department of health and human services shall conduct automated comparisons of the social security numbers reported by employing units pursuant to paragraphs III and IV and the social security numbers appearing in the records of the state case registry of child support cases pursuant to RSA 161-B:7, I. When such comparison reveals a match with respect to the social security number of an individual required to provide support under a support order, the department shall provide the department of health and human services with the name, address, and social security number of the individual to whom the social security number is assigned, and the employing unit's name, address, and federal and state identification number.

VII. Within 3 business days after the date the information is entered into the directory, the department shall furnish the information to the national directory of new hires.

VIII. The department of health and human services shall be authorized to use the information transmitted to it by the department of employment security, to establish paternity and establish, modify, and enforce child support obligations against a named individual and may disclose such information about such named individual to any agency under contract with the department of health and human services to carry out such purposes.

IX. The department of employment security shall furnish to the national directory of new hires quarterly extracts of the reports required under 42 U.S.C. 503 (a) (6) to be made to the United States Secretary of Labor concerning the wages and unemployment compensation paid to individuals, by such dates, in such format, and containing such information as the United States Secretary of Health and Human Services shall specify in regulations.

X. State agencies responsible for administering any program specified in 42 U.S.C. 1320b-7(b) shall have access to information reported by employers pursuant to this section pertaining to named individuals for purposes of verifying eligibility for the program.

XI. The department of employment security and state agencies operating workers' compensation programs shall have access to information reported by employers pursuant to this section for the purposes of administering such programs.

XII. Any individual earning wages in this state, hired or rehired by an employing unit, or entering into a contract for services with an employing unit, shall be deemed to consent to the release to, and the disclosure by, the department of the information consistent with the provisions of this section.

XIII. This section does not apply to an employee of a federal or state agency performing intelligence or counterintelligence functions, if the head of such agency has determined that reporting pursuant to this section with respect to the employee could endanger the employee's safety or compromise an ongoing investigation or intelligence mission.

XIV. The commissioner and the commissioner of health and human services may adopt such rules as may be necessary for the efficient administration of this section pursuant to RSA 541-A.

27 New Paragraph; Support and Custody of Children. Amend RSA 458:17 by inserting after paragraph VII the following new paragraph:

VII-a. Liens shall arise by operation of law against real and personal property for child support arrearages owed by an obligor who resides or owns property in the state and shall incorporate any unpaid child support which may accrue in the future. Full faith and credit shall be given to such liens arising in another state when the state agency, a party, or other entity authorized to enforce an order of support and seeking to perfect the lien complies with the procedural rules relating to recording or serving liens. Notwithstanding any law to the contrary, such rules may not require judicial notice prior to perfecting the lien.

28 Department of Health and Human Services as Responsible Agency. RSA 458-B:3, III is repealed and reenacted to as follows:

III. Collection and disbursement of all support orders initially issued in the state on or after January 1, 1994, which are not being enforced by the department, shall be enforced through the state disbursement unit where the obligor is subject to income withholding pursuant to 458-B, whether or not the obligee has applied for IV-D services. In such cases, the department's role is limited to monitoring, collecting, and disbursing moneys under this section.

29 Reference to Wages Changed to Income. Amend the introductory paragraph of RSA 458-B:5, I to read as follows:

I. When support is payable through the department if ~~wages are~~ *income is* not subject to immediate assignment under this chapter, including cases subject to a finding of good cause or to a written agreement, before notice of the ~~wage~~ *income* assignment may be given to an employer by the department, the obligor shall be given at least 15 days' prior notice of the commencement of ~~wage~~ *income* withholding procedures under this chapter. The notice to the obligor shall include:

30 Reference to Wages Changed to Income. Amend RSA 458-B:5, II to read as follows:

II. For orders issued or modified on or after October 1, 1985, when support is not payable through the department and ~~wages are~~ *income is* not subject to immediate assignment under this chapter, including cases subject to a finding of good cause or to a written agreement, before an individual or a legal representative seeks to establish ~~a wage~~ *an income* assignment payable directly to an obligee, notice must be given to the obligor at least 15 days prior to commencement of ~~wage~~ *income* assignment procedures under this chapter. The notice to the obligor shall include the notice provisions under subparagraphs (a), (b), and (c) of paragraph I and a notice of the period within which the obligor must give written notice to the obligee in order to contest the assignment.

31 Genetic Tests to Determine Paternity. RSA 522:1 is repealed and reenacted to read as follows:
522:1 Authority for Test.

I. In a civil action in which paternity is a contested and relevant issue, the mother, child and putative father shall submit to blood, tissue typing and/or genetic marker tests which may include, but are not limited to, tests of red cell antigens, serum proteins and deoxyribonucleic acid (DNA) analysis. The genetic samples collected shall be subject to safeguarding and confidentiality procedures and used exclusively for purposes of paternity testing. Testing shall be ordered as follows:

(a) The court may order genetic paternity testing upon the motion of any party or upon its own initiative. If the court determines that a motion for testing is made for the purpose of delay, the court may deny the motion. The court may order payment of costs related to testing. If any party refuses to submit to such tests, the court may resolve the question of paternity against such party.

(b) The department of health and human services (the department) may order genetic paternity testing upon agreement of the parties or upon the request of any party, if the request is supported by a sworn statement alleging paternity and setting forth facts which reasonably establish the requisite sexual contact; or denying paternity and setting forth facts which reasonably establish a lack of the requisite sexual contact. The state shall pay the costs related to such testing, subject to recoupment from the father if paternity is established.

II. For genetic paternity testing pursuant to RSA 522:1, I(b) the following administrative procedures apply:

(a) The department shall serve the parties with notice and order for genetic paternity testing. Unless the order is contested by any party, the order is effective as to the party served, upon the expiration of 11 days after service. Service of the notice and order shall be by certified mail or other method as provided by law and shall include:

(1) The names and dates of birth of the individuals to be tested pursuant to the order;

(2) A statement explaining the rights and responsibilities associated with paternity establishment;

(3) A copy of the order including an appointment with the date, time and place for collecting the genetic samples;

(4) A statement of the administrative and judicial procedures available to contest the order.

(b) Any party may request a supervisory review of the order. The request must be in writing and received by the department within 10 days of the date that the party received service of the notice and order. Issues that may be considered on review are limited to mistake of fact. Within 10 days of the review, the person conducting the review shall issue a written decision and forward it to the parties.

(c) Within 10 days of the written decision pursuant to the supervisory review, any party may request an administrative hearing. The hearing shall be conducted by a hearings officer according to the rules for fair hearings adopted by the commissioner pursuant to RSA 541-A. Issues that may be considered at the administrative hearing are limited to mistake of fact. Within 10 days of the administrative hearing, the person conducting the hearing shall issue a written decision and forward it to the parties.

(d) Within 10 days of the written decision of the hearings officer, any party may appeal to the superior court. Such appeal shall be restricted to a review of the record. Upon review the court may request the submission of additional evidence and order a hearing.

(e) Nothing in this section shall preclude any party from filing a petition to determine paternity directly with the court and seeking a judicial determination.

32 New Chapter; Uniform Interstate Family Support Act (UIFSA). Amend RSA by inserting after chapter 546-A the following new chapter:

CHAPTER 546-B

UNIFORM INTERSTATE FAMILY SUPPORT ACT

Article 1

General Provisions

546-B:1 Definitions. In this chapter:

I. "Child" means an individual, whether over or under the age of majority, who is or is alleged to be owed a duty of support by the individual's parent or who is or is alleged to be the beneficiary of a support order directed to the parent or another obligee.

II. "Child support order" means a support order for a child, including a child who has attained the age of majority under the law of the issuing state.

III. "Duty of support" means an obligation imposed or imposable by law to provide support for a child, spouse, or former spouse, including an unsatisfied obligation to provide support.

IV. "Home state" means the state in which a child lived with a parent or a person acting as parent for at least 6 consecutive months immediately preceding the time of the filing of a petition or comparable pleading for support and, if a child is less than 6 months old, the state in which the child lived from birth with any of them. A period of temporary absence of any of them is counted as part of the 6-month or other period.

V. "Income" includes earnings or other periodic entitlements to money from any source and/or any other property subject to withholding for support under the law of this state.

VI. "Income-withholding order" means an order or other legal process or a notice pursuant to RSA 458-B:6 directed to an obligor's employer, as defined by RSA 458-B:1, V, to withhold support from the income of the obligor.

VII. "Initiating state" means a state from which a proceeding is forwarded or in which a proceeding is filed for forwarding to a responding state under this chapter or a law or procedure substantially similar to this chapter, the Uniform Reciprocal Enforcement of Support Act, or the Revised Uniform Reciprocal Enforcement of Support Act.

VIII. "Initiating tribunal" means the authorized tribunal in an initiating state.

IX. "Issuing state" means the state in which a tribunal issues a support order or renders a judgment determining parentage.

X. "Issuing tribunal" means the tribunal that issues a support order or renders a judgment determining parentage.

XI. "Law" includes decisional and statutory law and rules and regulations having the force of law.

XII. "Obligee" means:

(a) An individual to whom a duty of support is or is alleged to be owed or in whose favor a support order has been issued or a judgment determining parentage has been rendered;

(b) A state or political subdivision to which the rights under a duty of support or support order have been assigned or which has independent claims based on financial assistance provided to an individual obligee; or

(c) An individual seeking a judgment determining parentage of the individual's child.

XIII. "Obligor" means an individual, or the estate of a decedent:

(a) Who owes or is alleged to owe a duty of support;

(b) Who is alleged but has not been adjudicated to be a parent of a child; or

(c) Who is liable under a support order.

XIV. "Register" means to file a support order or judgment determining parentage in the office of the clerk of the appropriate superior court or other authorized tribunal.

XV. "Registering tribunal" means a tribunal in which a support order is registered.

XVI. "Responding state" means a state in which a proceeding is filed or to which a proceeding is forwarded under this chapter or a law or procedure substantially similar to this chapter, the Uniform Reciprocal Enforcement of Support Act, or the Revised Uniform Reciprocal Enforcement of Support Act.

XVII. "Responding tribunal" means the authorized tribunal in a responding state.

XVIII. "Spousal support order" means a support order for a spouse or former spouse of the obligor.

XIX. "State" means a state of the United States, the District of Columbia, Puerto Rico, the United States Virgin Islands, or any territory or insular possession subject to the jurisdiction of the United States. The term includes:

(a) An Indian tribe; and

(b) A foreign jurisdiction that has enacted a law or established procedures for issuance and enforcement of support orders which are substantially similar to the procedures under this chapter, the Uniform Reciprocal Enforcement of Support Act, or the Revised Uniform Reciprocal Enforcement of Support Act.

XX. "Support enforcement agency" means a public official or agency authorized to seek:

(a) Enforcement of support orders or laws relating to the duty of support;

(b) Establishment or modification of child support;

(c) Determination of parentage; and

(d) To locate obligors or their assets.

XXI. "Support order" means a judgment, decree, or order, whether temporary, final, or subject to modification, for the benefit of a child, a spouse, or a former spouse, which provides for monetary support, health care, arrearages, or reimbursement, and may include related costs and fees, interest, income withholding, attorney's fees, and other relief.

XXII. "Tribunal" means a court, administrative agency, or quasi-judicial entity authorized to establish, enforce, or modify support orders or to determine parentage.

XXIII. "Tribunal of this state" means the superior court, the department of health and human services, or a combination.

546-B:2 Remedies Cumulative. Remedies provided by this chapter are cumulative and do not affect the availability of remedies under other law.

Article 2

Jurisdiction

Part A. Extended Personal Jurisdiction

546-B:3 Bases for Jurisdiction Over Nonresident. In a proceeding to establish, enforce, or modify a support order or to determine parentage, a tribunal of this state may exercise personal jurisdiction over a nonresident individual or the individual's guardian or conservator if:

I. The individual is personally served with notice within this state.

II. The individual submits to the jurisdiction of this state by consent, by entering a general appearance, or by filing a responsive document having the effect of waiving any contest to personal jurisdiction.

III. The individual resided with the child in this state.

IV. The individual resided in this state and provided prenatal expenses or support for the child.

V. The child resides in this state as a result of the acts or directives of the individual.

VI. The individual engaged in sexual intercourse in this state and the child may have been conceived by that act of intercourse.

VII. The individual asserted parentage in the putative father registry maintained in this state by the department of health and human services.

VIII. There is any other basis consistent with the constitutions of this state and the United States for the exercise of personal jurisdiction.

546-B:4 Procedure When Exercising Jurisdiction Over Nonresident. A tribunal of this state exercising personal jurisdiction over a nonresident under RSA 546-B:3 may apply RSA 546-B:27 relative to special rules of evidence and procedure, to receive evidence from another state, and RSA 546-B:29, relative to assistance with discovery, to obtain discovery through a tribunal of another state. In all other respects, Articles 3 through 7, RSA 546-B:12 - 53, do not apply, and the tribunal shall apply the procedural and substantive law of this state, including the rules on choice of law other than those established by this chapter.

Part B. Proceedings Involving 2 or More States

546-B:5 Initiating and Responding Tribunal of This State. Under this chapter, a tribunal of this state may serve as an initiating tribunal to forward proceedings to another state and as a responding tribunal for proceedings initiated in another state.

546-B:6 Simultaneous Proceedings in Another State.

I. A tribunal of this state may exercise jurisdiction to establish a support order if the petition or comparable pleading is filed after a petition or comparable pleading is filed in another state only if:

(a) The petition or comparable pleading in this state is filed before the expiration of the time allowed in the other state for filing a responsive pleading challenging the exercise of jurisdiction by the other state;

(b) The contesting party timely challenges the exercise of jurisdiction in the other state; and

(c) If relevant, this state is the home state of the child.

II. A tribunal of this state may not exercise jurisdiction to establish a support order if the petition or comparable pleading is filed before a petition or comparable pleading is filed in another state if:

(a) The petition or comparable pleading in the other state is filed before the expiration of the time allowed in this state for filing a responsive pleading challenging the exercise of jurisdiction by this state;

(b) The contesting party timely challenges the exercise of jurisdiction in this state; and

(c) If relevant, the other state is the home state of the child.

546-B:7 Continuing, Exclusive Jurisdiction.

I. A tribunal of this state issuing a support order consistent with the law of this state has continuing, exclusive jurisdiction over a child support order:

(a) As long as this state remains the residence of the obligor, the individual obligee, or the child for whose benefit the support order is issued; or

(b) Until each individual party has filed written consent with the tribunal of this state for a tribunal of another state to modify the order and assume continuing, exclusive jurisdiction.

II. A tribunal of this state issuing a child support order consistent with the law of this state may not exercise its continuing jurisdiction to modify the order if the order has been modified by a tribunal of another state pursuant to this chapter or a law substantially similar to this chapter.

III. If a child support order of this state is modified by a tribunal of another state pursuant to a law substantially similar to this chapter, a tribunal of this state loses its continuing, exclusive jurisdiction with regard to prospective enforcement of the order issued in this state, and may only:

- (a) Enforce the order that was modified as to amounts accruing before the modification;
- (b) Enforce nonmodifiable aspects of that order; and

(c) Provide other appropriate relief for violations of that order which occurred before the effective date of the modification.

IV. A tribunal of this state shall recognize the continuing, exclusive jurisdiction of a tribunal of another state which has issued a child support order pursuant to this chapter or a law substantially similar to this chapter.

V. A temporary support order issued ex parte or pending resolution of a jurisdictional conflict does not create continuing, exclusive jurisdiction in the issuing tribunal.

VI. A tribunal of this state issuing a support order consistent with the law of this state has continuing, exclusive jurisdiction over a spousal support order throughout the existence of the support obligation. A tribunal of this state may not modify a spousal support order issued by a tribunal of another state having continuing, exclusive jurisdiction over that order under the law of that state.

546-B:8 Enforcement and Modification of Support Order by Tribunal Having Continuing Jurisdiction.

I. A tribunal of this state may serve as an initiating tribunal to request a tribunal of another state to enforce or modify a support order issued in that state.

II. A tribunal of this state having continuing, exclusive jurisdiction over a support order may act as a responding tribunal to enforce or modify the order. If a party subject to the continuing, exclusive jurisdiction of the tribunal no longer resides in the issuing state, in subsequent proceedings the tribunal may apply RSA 546-B:27, relative to special rules of evidence and procedure, to receive evidence from another state and RSA 546-B:29, assistance with discovery, to obtain discovery through a tribunal of another state.

III. A tribunal of this state which lacks continuing, exclusive jurisdiction over a spousal support order may not serve as a responding tribunal to modify a spousal support order of another state.

Part C. Reconciliation of Multiple Orders

546-B:9 Recognition of Controlling Child Support Order.

I. If a proceeding is brought under this chapter, and only one tribunal has issued a child support order, the order of that tribunal controls and must be so recognized.

II. If a proceeding is brought under this chapter, and 2 or more child support orders have been issued by tribunals of this state or another state with regard to the same obligor and child, a tribunal of this state shall apply the following rules in determining which order to recognize for purposes of continuing, exclusive jurisdiction:

(a) If only one of the tribunals would have continuing, exclusive jurisdiction under this chapter, the order of that tribunal controls and must be so recognized;

(b) If more than one of the tribunals would have continuing, exclusive jurisdiction under this chapter, an order issued by a tribunal in the current home state of the child controls and must be so recognized, but if an order has not been issued in the current home state of the child, the order most recently issued controls and must be so recognized; or

(c) If none of the tribunals would have continuing, exclusive jurisdiction under this chapter, the tribunal of this state having jurisdiction over the parties shall issue a child support order, which controls and must be so recognized.

III. If two or more child support orders have been issued for the same obligor and child and if the obligor or the individual obligee resides in this state, a party may request a tribunal of this state to determine which order controls and must be so recognized under paragraph II. The request must be accompanied by a certified copy of every support order in effect. The requesting party shall give notice of the request to each party whose rights may be affected by the determination.

IV. The tribunal that issued the controlling order recognized under paragraph I, II, or III is the tribunal that has continuing, exclusive jurisdiction under RSA 546-B:7.

V. A tribunal of this state which determines by order the identity of the controlling order under subparagraph II(a) or (b), or which issue a new controlling order under subparagraph II(c) shall include in that order the basis upon which the tribunal made its determination.

VI. Within 30 days after issuance of the order determining the identity of the controlling order, the party obtaining the order shall file a certified copy of it with each tribunal that issued or registered an earlier order of child support. A party who obtains the order and fails to file a certified copy is subject to appropriate sanctions by a tribunal in which the issue of failure to file arises. The failure to file does not affect the validity or enforceability of the controlling order.

546-B:10 Multiple Child Support Orders for 2 or More Obligees. In responding to multiple registrations or petitions for enforcement of 2 or more child support orders in effect at the same time with regard to the same obligor and different individual obligees, at least one of which was issued by a tribunal of another state, a tribunal of this state shall enforce those orders in the same manner as if the multiple orders had been issued by a tribunal of this state.

546-B:11 Credit for Payments. Amounts collected and credited for a particular period pursuant to a support order issued by a tribunal of another state must be credited against the amounts accruing or accrued for the same period under a support order issued by the tribunal of this state.

Article 3

Civil Provisions of General Application

546-B:12 Proceedings Under This Chapter.

I. Except as otherwise provided in this chapter, this article applies to all proceedings under this chapter.

II. This chapter provides for the following proceedings:

(a) Establishment of an order for spousal support or child support pursuant to Article 4, RSA 546-B:31;

(b) Enforcement of a support order and income-withholding order of another state without registration pursuant to Article 5, RSA 546-B:32-33;

(c) Registration of an order for spousal support or child support of another state for enforcement pursuant to Article 6, RSA 546-B:39-45;

(d) Modification of an order for child support or spousal support issued by a tribunal of this state pursuant to Article 2, Part B, RSA 546-B:5-8;

(e) Registration of an order for child support of another state for modification pursuant to Article 6, RSA 546-B:39-45;

(f) Determination of parentage pursuant to Article 7, RSA 546-B:53; and

(g) Assertion of jurisdiction over nonresidents pursuant to Article 2, Part A, RSA 546-B:3-4.

III. An individual petitioner or a support enforcement agency may commence a proceeding authorized under this chapter by filing a petition in an initiating tribunal for forwarding to a responding tribunal or by filing a petition or a comparable pleading directly in a tribunal of another state which has or can obtain personal jurisdiction over the respondent.

546-B:13 Action by Minor Parent. A minor parent, or a guardian or other legal representative of a minor parent, may maintain a proceeding on behalf of or for the benefit of the minor's child.

546-B:14 Application of Law of This State. Except as otherwise provided by this chapter, a responding tribunal of this state:

I. Shall apply the procedural and substantive law, including the rules on choice of law, generally applicable to similar proceedings originating in this state and may exercise all powers and provide all remedies available in those proceedings; and

II. Shall determine the duty of support and the amount payable in accordance with the law and support guidelines of this state.

546-B:15 Duties of Initiating Tribunal.

I. Upon the filing of a petition authorized by this chapter, an initiating tribunal of this state shall forward 3 copies of the petition and its accompanying documents:

(a) To the responding tribunal or appropriate support enforcement agency in the responding state; or

(b) If the identity of the responding tribunal is unknown, to the state information agency of the responding state with a request that they be forwarded to the appropriate tribunal and that receipt be acknowledged.

II. If a responding state has not enacted this chapter or a law or procedure substantially similar to this chapter, a tribunal of this state may issue a certificate or other documents and make findings required by the law of the responding state. If the responding state is a foreign jurisdiction, the tribunal may specify the amount of support sought and provide other documents necessary to satisfy the requirements of the responding state.

546-B:16 Duties and Powers of Responding Tribunal.

I. When a responding tribunal of this state receives a petition or comparable pleading from an initiating tribunal or directly pursuant to RSA 546-B:12, III, it shall cause the petition or pleading to be filed and notify the petitioner where and when it was filed.

II. A responding tribunal of this state, to the extent otherwise authorized by law, may do one or more of the following:

(a) Issue or enforce a support order, modify a child support order, or render a judgment to determine parentage;

(b) Order an obligor to comply with a support order, specifying the amount and the manner of compliance;

(c) Order income withholding;

(d) Determine the amount of any arrearages, and specify a method of payment;

(e) Enforce orders by civil or criminal contempt, or both;

(f) Set aside property for satisfaction of the support order;

(g) Place liens and order execution on the obligor's property;

(h) Order an obligor to keep the tribunal informed of the obligor's current residential address, telephone number, employer, address of employment, and telephone number at the place of employment;

(i) Issue a capias for an obligor who has failed after proper notice to appear at a hearing ordered by the tribunal and enter the capias in any local and state computer systems for criminal warrants;

(j) Order the obligor to seek appropriate employment by specified methods;

(k) Award reasonable attorney's fees and other fees and costs; or

(l) Grant any other available remedy.

III. A responding tribunal of this state shall include in a support order issued under this chapter, or in the documents accompanying the order, the calculations on which the support order is based.

IV. A responding tribunal of this state may not condition the payment of a support order issued under this chapter upon compliance by a party with provisions for visitation.

V. If a responding tribunal of this state issues an order under this chapter, the tribunal shall send a copy of the order to the petitioner and the respondent and to the initiating tribunal, if any.

546-B:17 Inappropriate Tribunal. If a petition or comparable pleading is received by an inappropriate tribunal of this state, it shall forward the pleading and accompanying documents to an appropriate tribunal in this state or another state and notify the petitioner where and when the pleading was sent.

546-B:18 Duties of Support Enforcement Agency.

I. A support enforcement agency of this state shall, upon request, provide services to a petitioner in a proceeding under this chapter insofar as is consistent with its responsibilities under Title IV-D of the Social Security Act, as amended.

II. A support enforcement agency that is providing services to the petitioner as appropriate shall:

(a) Take all steps necessary to enable an appropriate tribunal in this state or another state to obtain jurisdiction over the respondent;

(b) Request an appropriate tribunal to set a date, time, and place for a hearing;

(c) Make a reasonable effort to obtain all relevant information, including information as to income and property of the parties;

(d) Within 10 days, exclusive of Saturdays, Sundays, and legal holidays, after receipt of a written notice from an initiating, responding, or registering tribunal, send a copy of the notice to the petitioner;

(e) Within 10 days, exclusive of Saturdays, Sundays, and legal holidays, after receipt of a written communication from the respondent or the respondent's attorney, send a copy of the communication to the petitioner; and

(f) Notify the petitioner if jurisdiction over the respondent cannot be obtained.

III. This chapter does not create or negate a relationship of attorney and client or other fiduciary relationship between a support enforcement agency or the attorney for the agency and the individual being assisted by the agency.

546-B:19 Duty of Attorney General. If the attorney general determines that the support enforcement agency is neglecting or refusing to provide services to an individual, the attorney general may order the agency to perform its duties under this chapter or may provide those services directly to the individual.

546-B:20 Private Counsel. An individual may employ private counsel to represent the individual in proceedings authorized by this chapter.

546-B:21 Duties of State Information Agency.

I. The state central registry is the state information agency under this chapter.

II. The state information agency shall:

(a) Compile and maintain a current list, including addresses, of the tribunals in this state which have jurisdiction under this chapter and any support enforcement agencies in this state and transmit a copy to the state information agency of every other state;

(b) Maintain a register of tribunals and support enforcement agencies of other states;

(c) Forward to the appropriate tribunal in the place in this state in which the individual obligee or the obligor resides, or in which the obligor's property is believed to be located, all documents concerning a proceeding under this chapter received from an initiating tribunal or the state information agency of the initiating state; and

(d) Obtain information concerning the location of the obligor and the obligor's property within this state not exempt from execution, by such means as postal verification and federal or state locator services, examination of telephone directories, requests for the obligor's address from employers, and examination of governmental records including, to the extent not prohibited by other law, those relating to real property, vital statistics, law enforcement, taxation, motor vehicles, driver's licenses, and social security.

546-B:22 Pleadings and Accompanying Documents.

I. A petitioner seeking to establish or modify a support order or to determine parentage in a proceeding under this chapter shall verify the petition. Unless otherwise ordered under RSA 546-B:23, relative to nondisclosure of information in exceptional circumstances, the petition or accompanying documents shall provide, so far as known, the name, residential address, and social security numbers of the obligor and the obligee, and the name, sex, residential address, social security number, and date of birth of each child for whom support is sought. The petition shall be accompanied by a certified copy of any support order in effect. The petition may include any other information that may assist in locating or identifying the respondent.

II. The petition shall specify the relief sought. The petition and accompanying documents shall conform substantially with the requirements imposed by the forms mandated by federal law for use in cases filed by a support enforcement agency.

546-B:23 Nondisclosure of Information in Exceptional Circumstances. Upon a finding, which may be made ex parte, that the health, safety, or liberty of a party or child would be unreasonably put at risk by the disclosure of identifying information, or if an existing order so provides, a tribunal shall order that the address of the child or party or other identifying information not be disclosed in a pleading or other document filed in a proceeding under this chapter.

546-B:24 Costs and Fees.

I. The petitioner may not be required to pay a filing fee or other costs.

II. If an obligee prevails, a responding tribunal may assess against an obligor filing fees, reasonable attorney's fees, other costs, and necessary travel and other reasonable expenses incurred by the obligee and the obligee's witnesses. The tribunal may not assess fees, costs, or expenses against the obligee or the support enforcement agency of either the initiating or the responding state, except as provided by other law. Attorney's fees may be taxed as costs, and may be ordered paid directly to the attorney, who may enforce the order in the attorney's own name. Payment of support owed to the obligee has priority over fees, costs and expenses.

III. The tribunal shall order the payment of costs and reasonable attorney's fees if it determines that a hearing was requested primarily for delay. In a proceeding under Article 6, RSA 546-B:39-52, relative to enforcement and modification of support order after registration, a hearing is presumed to have been requested primarily for delay if a registered support order is confirmed or enforced without change.

546-B:25 Limited Immunity of Petitioner.

I. Participation by a petitioner in a proceeding before a responding tribunal, whether in person, by private attorney, or through services provided by the support enforcement agency, does not confer personal jurisdiction over the petitioner in another proceeding.

II. A petitioner is not amenable to service of civil process while physically present in this state to participate in a proceeding under this chapter.

III. The immunity granted by this section does not extend to civil litigation based on acts unrelated to a proceeding under this chapter committed by a party while present in this state to participate in the proceeding.

546-B:26 Nonparentage as Defense. A party whose parentage of a child has been previously determined by or pursuant to law may not plead nonparentage as a defense to a proceeding under this chapter.

546-B:27 Special Rules of Evidence and Procedure.

I. The physical presence of the petitioner in a responding tribunal of this state is not required for the establishment, enforcement, or modification of a support order or the rendition of a judgment determining parentage.

II. A verified petition, affidavit, and/or other document substantially complying with federally mandated forms, and a document incorporated by reference in any of them, not excluded under the hearsay rule if given in person, is admissible in evidence if given under oath by a party or witness residing in another state.

III. A copy of the record of child support payments certified as a true copy of the original by the custodian of the record may be forwarded to a responding tribunal. The copy is evidence of facts asserted in it, and is admissible to show whether payments were made.

IV. Copies of bills for testing for parentage, and for prenatal and postnatal health care of the mother and child, furnished to the adverse party at least 10 days before trial, are admissible in evidence to prove the amount of the charges billed and that the charges were reasonable, necessary, and customary.

V. Documentary evidence transmitted from another state to a tribunal of this state by telephone, telecopier, or other means that do not provide an original writing may not be excluded from evidence on an objection based on the means of transmission.

VI. In a proceeding under this chapter, a tribunal of this state may permit a party or witness residing in another state to be deposed or to testify by telephone, audiovisual means, or other electronic means at a designated tribunal or other location in that state. A tribunal of this state shall cooperate with tribunals of other states in designating an appropriate location for the deposition or testimony.

VII. If a party called to testify at a civil hearing refuses to answer on the ground that the testimony may be self-incriminating, the trier of fact may draw an adverse inference from the refusal.

VIII. A privilege against disclosure of communications between spouses does not apply in a proceeding under this chapter.

IX. The defense of immunity based on the relationship of husband and wife or parent and child does not apply in a proceeding under this chapter.

546-B:28 Communications Between Tribunals. A tribunal of this state may communicate with a tribunal of another state in writing, or by telephone or other means, to obtain information concerning the laws of that state, the legal effect of a judgment, decree, or order of that tribunal, and the status of a proceeding in the other state. A tribunal of this state may furnish similar information by similar means to a tribunal of another state.

546-B:29 Assistance With Discovery. A tribunal of this state may:

I. Request a tribunal of another state to assist in obtaining discovery.

II. Upon request, compel a person over whom it has jurisdiction to respond to a discovery order issued by a tribunal of another state.

546-B:30 Receipt and Disbursement of Payments. A support enforcement agency or other tribunal of this state shall disburse promptly any amounts received pursuant to a support order, as directed by the order. The agency or tribunal shall furnish to a requesting party or tribunal of another state a certified statement by the custodian of the record of the amounts and dates of all payments received.

Article 4

Establishment of Support Order

546-B:31 Petition to Establish Support Order.

I. If a support order entitled to recognition under this chapter has not been issued, a responding tribunal of this state may issue a support order if:

- (a) The individual seeking the order resides in another state; or
- (b) The support enforcement agency seeking the order is located in another state.

II. The tribunal may issue a temporary child support order if:

- (a) The respondent has signed a verified statement acknowledging parentage;
- (b) The respondent has been determined by or pursuant to law to be the parent; or
- (c) There is other clear and convincing evidence that the respondent is the child's parent.

III. Upon finding, after notice and opportunity to be heard, that an obligor owes a duty of support, the tribunal shall issue a support order directed to the obligor and may issue other orders pursuant to RSA 546-B:16, relative to duties and powers of responding tribunal.

Article 5

Enforcement of Order of

Another State Without Registration

546-B:32 Employer's Receipt of Income-Withholding Order of Another State. An income-withholding order issued in another state may be sent to the person or entity defined as the obligor's employer, under RSA 458-B, without first filing a petition or comparable pleading or registering the order with a tribunal of this state.

546-B:33 Employer's Compliance with Income-Withholding Order of Another State.

I. Upon receipt of an income-withholding order, the obligor's employer shall immediately provide a copy of the order to the obligor.

II. The employer shall treat an income-withholding order issued in another state which appears regular on its face as if it had been issued by a tribunal of this state.

III. Except as otherwise provided by paragraph IV and RSA 546-B:34, the employer shall withhold and distribute the funds as directed in the withholding order by complying with the terms of the order which specify:

(a) The duration and the amount of periodic payments of current child support, stated as a sum certain;

(b) The person or agency designated to receive payments and the address to which the payments are to be forwarded;

(c) Medical support, whether in the form of periodic cash payment, stated as a sum certain, or ordering the obligor to provide health insurance coverage for the child under a policy available through the obligor's employment;

(d) The amount of periodic payments of fees and costs for a support enforcement agency, the issuing tribunal, and the obligee's attorney, stated as sums certain; and

(e) The amount of periodic payments of arrearages and interest on arrearages, stated as sums certain.

IV. The employer shall comply with the law of the state of the obligor's principal place of employment for withholding from income with respect to:

(a) The employer's fee for processing an income-withholding order;

(b) The maximum amount permitted to be withheld from the obligor's income;

(c) The time periods within which the employer must implement the withholding order and forward the child support payment.

546-B:34 Compliance with Multiple Income-Withholding Orders. If the obligor's employer receives multiple income-withholding orders with respect to the earnings of the same obligor, the employer satisfies the terms of the multiple orders if the employer complies with the law of the state of the obligor's principal place of employment to establish the priorities for withholding and allocating income withheld for multiple child support obligees.

546-B:35 Immunity from Civil Liability. An employer who complies with an income-withholding order issued in another state in accordance with this article is not subject to civil liability to an individual or agency with regard to the employer's withholding child support from the obligor's income.

546-B:36 Penalties for Noncompliance. An employer who willfully fails to comply with an income-withholding order issued by another state and received for enforcement is subject to the same penalties that may be imposed for noncompliance with an order issued by a tribunal of this state.

546-B:37 Contest by Obligor.

I. An obligor may contest the validity of enforcement of an income-withholding order issued in another state and received directly by an employer in this state in the same manner as if the order had been issued by a tribunal of this state. RSA 546-B:42, relative to choice of law applies to the contest.

II. The obligor shall give notice of the contest to:

- (a) A support enforcement agency providing services to the obligee;
- (b) Each employer which has directly received an income-withholding order; and
- (c) The person or agency designated to receive payments in the income-withholding order; or if no person or agency is designated, to the obligee.

546-B:38 Administrative Enforcement of Orders.

I. A party seeking to enforce a support order or an income-withholding order, or both, issued by a tribunal of another state may send the documents required for registering the order to a support enforcement agency of this state.

II. Upon receipt of the documents, the support enforcement agency, without initially seeking to register the order, shall consider and, if appropriate, use any administrative procedure authorized by the law of this state to enforce a support order or an income-withholding order, or both. If the obligor does not contest administrative enforcement, the order need not be registered. If the obligor contests the validity or administrative enforcement of the order, the support enforcement agency shall register the order pursuant to this chapter.

Article 6

Enforcement and Modification of Support Order After Registration

Part A. Registration and Enforcement of Support Order

546-B:39 Registration of Order for Enforcement. A support order or an income-withholding order issued by a tribunal of another state may be registered in this state for enforcement.

546-B:40 Procedure to Register Order for Enforcement.

I. A support order or income-withholding order of another state may be registered in this state by sending the following documents and information to the appropriate tribunal in this state:

- (a) A letter of transmittal to the tribunal requesting registration and enforcement;
- (b) Two copies, including one certified copy, of all orders to be registered, including any modification of an order;
- (c) A sworn statement by the party seeking registration or a certified statement by the custodian of the records showing the amount of any arrearage;
- (d) The name of the obligor and, if known:
 - (1) The obligor's address and social security number;
 - (2) The name and address of the obligor's employer and any other source of income of the obligor; and
- (3) A description and the location of property of the obligor in this state not exempt from execution; and
- (e) The name and address of the obligee and, if applicable, the agency or person to whom support payments are to be remitted.

II. On receipt of a request for registration, the registering tribunal shall cause the order to be filed as a foreign judgment, together with one copy of the documents and information, regardless of their form.

III. A petition or comparable pleading seeking a remedy that must be affirmatively sought under other law of this state may be filed at the same time as the request for registration or later. The pleading must specify the grounds for the remedy sought.

546-B:41 Effect of Registration for Enforcement.

I. A support order or income-withholding order issued in another state is registered when the order is filed in the registering tribunal of this state.

II. A registered order issued in another state is enforceable in the same manner and is subject to the same procedures as an order issued by a tribunal of this state.

III. Except as otherwise provided in this article, a tribunal of this state shall recognize and enforce, but may not modify, a registered order if the issuing tribunal had jurisdiction.

546-B:42 Choice of Law.

I. The law of the issuing state governs the nature, extent, amount, and duration of current payments and other obligations of support and the payment of arrearages under the order.

II. In a proceeding for arrearages, the statute of limitation under the laws of this state or of the issuing state, whichever is longer, applies.

Part B. Contest of Validity or Enforcement

546-B:43 Notice of Registration of Order.

I. When a support order or income-withholding order issued in another state is registered, the registering tribunal shall notify the nonregistering party. The notice must be accompanied by a copy of the registered order and the documents and relevant information accompanying the order.

II. The notice must inform the nonregistering party:

(a) That a registered order is enforceable as of the date of registration in the same manner as an order issued by a tribunal of this state;

(b) That a hearing to contest the validity or enforcement of the registered order must be requested within 20 days after the date of mailing or personal service of the notice;

(c) That failure to contest the validity or enforcement of the registered order in a timely manner will result in confirmation of the order and enforcement of the order and the alleged arrearages, and precludes further contest of that order with respect to any matter that could have been asserted; and

(d) Of the amount of any alleged arrearages.

III. Upon registration of an income-withholding order for enforcement, the registering tribunal or, if applicable, the support enforcement agency, shall notify the obligor's employer pursuant to RSA 458-B.

546-B:44 Procedure to Contest Validity or Enforcement of Registered Order.

I. A nonregistering party seeking to contest the validity or enforcement of a registered order in this state shall request a hearing within 20 days after the date of mailing or personal service of notice of the registration. The nonregistering party may seek to vacate the registration, to assert any defense to an allegation of noncompliance with the registered order, or to contest the remedies being sought or the amount of any alleged arrearages pursuant to RSA 546-B:45, relative to contest of registration or enforcement.

II. If the nonregistering party fails to contest the validity or enforcement of the registered order in a timely manner, the order is confirmed by operation of law.

III. If a nonregistering party requests a hearing to contest the validity or enforcement of the registered order, the registering tribunal shall schedule the matter for hearing and give notice to the parties of the date, time, and place of the hearing.

546-B:45 Contest of Registration or Enforcement.

I. A party contesting the validity or enforcement of a registered order or seeking to vacate the registration has the burden of proving one or more of the following defenses:

(a) The issuing tribunal lacked personal jurisdiction over the contesting party;

(b) The order was obtained by fraud;

(c) The order has been vacated, suspended, or modified by a later order;

(d) The issuing tribunal has stayed the order pending appeal;

(e) There is a defense under the law of this state to the remedy sought;

(f) Full or partial payment has been made; or

(g) The statute of limitation under RSA 546-B:42, relative to choice of law, precludes enforcement of some or all of the arrearages.

II. If a party presents evidence establishing a full or partial defense under paragraph I, a tribunal may stay enforcement of the registered order, continue the proceeding to permit production of additional relevant evidence, and issue other appropriate orders. An uncontested portion of the registered order may be enforced by all remedies available under the law of this state.

III. If the contesting party does not establish a defense under paragraph I to the validity or enforcement of the order, the registering tribunal shall issue an order confirming the order.

546-B:46 Confirmed Order. Confirmation of a registered order, whether by operation of law or after notice and hearing, precludes further contest of the order with respect to any matter that could have been asserted at the time of registration.

Part C. Registration and Modification of Child Support Order

546-B:47 Procedure to Register Child Support Order of Another State for Modification. A party or support enforcement agency seeking to modify, or to modify and enforce, a child support order issued in another state shall register that order in this state in the same manner provided in Part A of this article, RSA 546-B:39-42, if the order has not been registered. A petition for modification may be filed at the same time as a request for registration, or later. The pleading must specify the grounds for modification.

546-B:48 Effect of Registration for Modification. A tribunal of this state may enforce a child support order of another state registered for purposes of modification, in the same manner as if the order had been issued by a tribunal of this state, but the registered order may be modified only if the requirements of RSA 546-B:49, relative to modification of child support order of another state, have been met.

546-B:49 Modification of Child Support Order of Another State.

I. After a child support order issued in another state has been registered in this state, the responding tribunal of this state may modify that order only if, after notice and hearing, it finds that:

(a) The following requirements are met:

(1) The child, the individual obligee, and the obligor do not reside in the issuing state;

(2) A petitioner who is a nonresident of this state seeks modification; and

(3) The respondent is subject to the personal jurisdiction of the tribunal of this state; or

(b) The child, or a party who is an individual, is subject to the personal jurisdiction of the tribunal, and all of the individual parties have filed a written consent in the issuing tribunal providing that a tribunal of this state may modify the support order and assume continuing, exclusive jurisdiction over the order. However, if the issuing state is a foreign jurisdiction that has not enacted a law or established procedures substantially similar to the procedures under this chapter, the consent otherwise required of an individual residing in this state is not required for the tribunal to assume jurisdiction to modify the child support order.

II. Modification of a registered child support order is subject to the same requirements, procedures, and defenses that apply to the modification of an order issued by a tribunal of this state and the order may be enforced and satisfied in the same manner.

III. A tribunal of this state may not modify any aspect of a child support order that may not be modified under the law of the issuing state. If two or more tribunals have issued child support orders for the same obligor and child, the order that controls and must be so recognized under RSA 546-B:9 establishes the aspects of the support order which are nonmodifiable.

IV. On issuance of an order modifying a child support order issued in another state, a tribunal of this state becomes the tribunal of continuing, exclusive jurisdiction.

546-B:50 Recognition of Order Modified in Another State. A tribunal of this state shall recognize a modification of its earlier child support order by a tribunal of another state which assumed jurisdiction pursuant to a law substantially similar to this chapter and, upon request, except as otherwise provided in this chapter, shall:

I. Enforce the order that was modified only as to amounts accruing before the modification.

II. Enforce only nonmodifiable aspects of that order.

III. Provide other appropriate relief only for violations of that order which occurred before the effective date of the modification.

IV. Recognize the modifying order of the other state, upon registration, for the purpose of enforcement.

546-B:51 Jurisdiction to Modify Child Support Order of Another State When Individual Parties Reside in This State.

I. If all of the parties who are individuals reside in this state and the child does not reside in the issuing state, a tribunal of this state has jurisdiction to enforce and to modify the issuing state's child support order in a proceeding to register that order.

II. A tribunal of this state exercising jurisdiction under this section shall apply the provisions of Articles 1 and 2, this article, and the procedural and substantive law of this state to the proceeding for enforcement or modification. Articles 3, 4, 5, 7 and 8 do not apply.

546-B:52 Notice to Issuing Tribunal of Modification. Within 30 days after issuance of a modified child support order, the party obtaining the modification shall file a certified copy of the order with the issuing tribunal that had continuing, exclusive jurisdiction over the earlier order, and in each tribunal in which the party knows the earlier order has been registered. A party who obtains the order and fails to file a certified copy is subject to appropriate sanctions by a tribunal in which the issue of failure to file arises. The failure to file does not affect the validity or enforceability of the modified order of the new tribunal having continuing, exclusive jurisdiction.

Article 7

Determination of Parentage

546-B:53 Proceeding to Determine Parentage.

I. A tribunal of this state may serve as an initiating or responding tribunal in a proceeding brought under this chapter or a law substantially similar to this chapter, the Uniform Reciprocal Enforcement of Support Act, or the Revised Uniform Reciprocal Enforcement of Support Act to determine that the petitioner is a parent of a particular child or to determine that a respondent is a parent of that child.

II. In a proceeding to determine parentage, a responding tribunal of this state shall apply the procedural and substantive law of this state, and the rules of this state on choice of law.

Article 8

Interstate Rendition

546-B:54 Grounds for Rendition.

I. For purposes of this article, "governor" includes an individual performing the functions of governor or the executive authority of a state covered by this chapter.

II. The governor of this state may:

(a) Demand that the governor of another state surrender an individual found in the other state who is charged criminally in this state with having failed to provide for the support of an obligee; or

(b) On the demand by the governor of another state, surrender an individual found in this state who is charged criminally in the other state with having failed to provide for the support of an obligee.

III. A provision for extradition of individuals not inconsistent with this chapter applies to the demand even if the individual whose surrender is demanded was not in the demanding state when the crime was allegedly committed and has not fled from the demanding state.

546-B:55 Conditions of Rendition.

I. Before making demand that the governor of another state surrender an individual charged criminally in this state with having failed to provide for the support of an obligee, the governor of this state may require a prosecutor of this state to demonstrate that at least 60 days previously, the obligee had initiated proceedings for support pursuant to this chapter or that the proceeding would be of no avail.

II. If, under this chapter or a law substantially similar to this chapter, the Uniform Reciprocal Enforcement of Support Act, or the Revised Uniform Reciprocal Enforcement of Support Act, the governor of another state makes a demand that the governor of this state surrender an individual charged criminally in that state with having failed to provide for the support of a child or other individual to whom a duty of support is owed, the governor may require a prosecutor to investigate the demand and report whether a proceeding for support has been initiated or would be effective. If it appears that a proceeding would be effective but has not been initiated, the governor may delay honoring the demand for a reasonable time to permit the initiation of a proceeding.

III. If a proceeding for support has been initiated and the individual whose rendition is demanded prevails, the governor may decline to honor the demand. If the petitioner prevails and the individual whose rendition is demanded is subject to a support order, the governor may decline to honor the demand if the individual is complying with the support order.

Article 9

Miscellaneous Provisions

546-B:56 Uniformity of Application and Construction. This chapter shall be applied and construed to effectuate its general purpose to make uniform the law with respect to the subject of this chapter among states enacting it.

546-B:57 Rulemaking Authority. The commissioner of the department of health and human services may adopt rules, pursuant to RSA 541-A, which are deemed necessary for the efficient administration of the duties with which the department is charged under Title IV-D of the Social Security Act, as amended, to provide interstate child support services, provided that such rules shall not be inconsistent with the provisions of this chapter.

546-B:58 Short Title. This chapter may be cited as the Uniform Interstate Family Support Act.

546-B:59 Severability Clause. If any provision of this chapter or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are severable.

546-B:60 Savings Clause. This chapter replaces former RSA 546, except that former RSA 546 shall be taken and treated as remaining in full force and effect for the purpose of sustaining any pending action or proceeding. Any judgment for support obtained under former RSA 546, or otherwise, shall be subject to enforcement under this chapter.

33 Reference Changes. Amend the following RSA provisions by replacing "wage" "a wage" or "wages" with "income" or "an income": the chapter heading of RSA 458-B; 458-B:1, V; 458-B:1, IX; the section heading of RSA 458-B:2; 458-B:2, I; 458-B:2, III and IV; 458-B:3, II; 458-B:3, VII; 458-B:4, III; 458-B:5, III; 458-B:6, VI; 458-B:6, XI; 458-B:7, II; 458-B:8; 458-B:9; the section heading of 458-B:10.

34 Repeal. The following are repealed:

I. RSA 161-B:5-a, relative to the formula for distribution of child support.

II. RSA 458-B:3, V, relative to an obligee receiving direct payment from obligor's employer.

III. RSA 546, relative to the Uniform Reciprocal Enforcement of Support Act.

35 Effective Date.

I. Section 26 and paragraph I of section 34 of this act shall take effect October 1, 1997.

II. Section 32 and paragraph III of section 34 of this act shall take effect January 1, 1998.

III. Sections 6 and 28 of this act shall take effect October 1, 1998.

IV. The remainder of this act shall take effect 60 days after its passage.

Adopted.

Report adopted and ordered to third reading.

HB 638-FN, requiring random on-site inspection and testing of certain sludge and biosolid samples. **OUGHT TO PASS WITH AMENDMENT**

Rep. Arthur P. Klemm, Jr. for Finance: This bill allows for random on-site inspection and testing of sludge or biosolid samples to be used for any land application. The amendment, which is a compromise between the Committee on Environment and Agriculture, Department of Environmental Services, and the sludge certification holders, sets up a pilot program for one year for the testing with the sludge certification holders paying a \$500.00 fee for certification to pay for the testing. The Committee on Finance agreed with this compromise. Vote 19-1.

Amendment (0969h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a pilot program for the random on-site inspection and testing of certain sludge and biosolid samples.

Amend the bill by replacing all after the enacting clause with the following:

1 Pilot Program; Random Testing of Sludge or Biosolids. The commissioner of the department of environmental services shall implement a program of random on-site testing and inspection of sludge or biosolid samples to be used for any land application by any person obtaining a permit under RSA 485-A:4, XVI-a, provided that inspection shall not be required before the issuance of a permit. The procedures for random inspection and testing of sludge or biosolid samples on a site shall include an inspection for any setback or area requirements of a site for land application and

may include testing for such pollutants as heavy metals, toxins, dioxins, and polychlorinated biphenyl, as determined in rules adopted by the commissioner pursuant to RSA 541-A. The department shall develop a database of inspection results and shall monitor adherence to state and federal requirements for the spreading of sludge or biosolids.

2 Funding of Program; Fee Established. The program of random inspection and testing of sludge or biosolids established in section 1 of this act shall be funded by a fee of \$500 assessed to all sludge quality certification holders as defined in rules adopted by the commissioner. Such fee shall be payable to the department no later than January 1, 1998 by all certification holders as of the effective date of this act and any person certified by the commissioner prior to December 31, 1997. Any person granted sludge quality certification on or after January 1, 1998 shall be assessed the \$500 fee upon receipt of certification by the department.

3 Termination of Pilot Program. The pilot program and fee established by this act shall terminate on June 30, 1998, unless otherwise authorized by the legislature.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires the commissioner of the department of environmental services to implement a pilot program of random on-site inspection of sludge or biosolid samples before any land application by persons obtaining a permit for land application of sludge or biosolids. This bill also provides for a \$500 fee assessed to sludge quality certification holders to be used for purposes of the program. Rep. Kibbey spoke against.

Rep. Leishman spoke in favor.

Adopted.

HOUSE JOURNAL No. 17

Wednesday, April 23, 1997

The House assembled at 1:00 p.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by Guest Chaplain, Reverend Hays Junkin from St. Andrews Episcopal Church in Hopkinton.

O God, who art the source of all wisdom and all right judgment, be present with this assembly as it considers the various pieces of legislation that will be brought to the floor today. Keep the minds and hearts of these legislators fixed on what is best for each and every citizen of our beloved state. May they be influenced as much by those who have no voice in these hallowed halls as they are by those who can afford articulate lobbyists and media presentations. May they have the foresight to know that what they accomplish today will have a lasting impact on the future of our life together for years to come. Today, we especially remember with great thanksgiving and gratitude, Beverly Gage, who served in this chamber with dignity, diligence and skill for 23 years. May Your welcoming arms embrace Beverly and all who mourn her passing, and may we all join her one day in Your heavenly assembly where we will be known not for our party affiliation but for the generosity of our hearts. In the name of compassion, honesty and love, we pray. Amen.

Rep. Leighton Pratt led the Pledge of Allegiance.

Rep. Camm moved that the introductory remarks made by the Speaker be printed in the Journal. Adopted.

PRESENTATION

VOICE OF DEMOCRACY ORATORICAL COMPETITION WINNER

Speaker Sytek: Alex, we are really proud to have you here today. I've been a judge at some of these competitions and I know what you are up against, not only to win our state championship but to win the national is a real honor for us in New Hampshire. Because the subject matter of his oratory is the U. S. Constitution, I've asked him if he would give a presentation of what won him the championship because I think we could all benefit from listening to the perspective of a very young man about a very old and important document for everything we do here in this chamber. I would like to give Alex the opportunity of addressing you.

"A More Perfect Union"

by Alexander G. Henlin

The American nation faced a grave crisis in the year 1787: its government was a failure. Domestic order was decaying. The national government commanded little respect among the citizenry. The very concept of an American union was beginning to seem flawed. Clearly, drastic action was necessary if this Union was to be saved from self-annihilation. At the request of the dying government, fifty-five individuals assembled in the city of Philadelphia, Pennsylvania, for the purposes of "revising the Articles of Confederation." What emerged from that conference in the summer of the year 1787 was nothing less than a revolutionary new form of government that the framers called a Constitution. They realized that the document that they had drafted would not solve all of the nation's problems, but they believed that the government that they wished to institute would be capable of most effectively meeting the needs of a growing nation. In a stroke of genius, they ensured that the government that they would leave for posterity would be capable of changing with the times through the amendment process. Today, we, the citizens of the United States of America, have an on-going duty and obligation to continue a tradition that was begun more than 200 years ago and relentlessly attempt to create a more perfect Union.

The challenge of perfecting the American Union is a challenge that has been met by each successive generation in our history. The generation that fought and won the War for Independence recognized the failures of the decentralized and largely ineffective government that had existed under the Articles and rectified those errors by giving this nation the gift of the Constitution, a governing document that created a system of government known as federalism – in which national and local governments work together to achieve the common good. By giving the American nation this gift of a stronger and more centralized government, the framers helped to eliminate the governing crises that had existed under the Articles and went a long way towards creating a stronger — a better — America.

The generation that inherited the gift of the Constitution from its framers immediately set to work to rectify the glaring Constitutional oversight of not protecting individual rights. Richard Henry Lee, a prominent anti-federalist of the early republic, fiercely criticized the new government document stating: "[It is] really astonishing that the same people, who have just emerged from a long and cruel war in defense of liberty, should now agree to fix an elective despotism upon themselves and their posterity." Lee recognized that this Constitution had to be changed in order to save this nation from itself; through his efforts and the efforts of others like him, the first ten amendments to our Constitution – our Bill of Rights – were adopted in 1791. With this action, the tradition of changing the Constitution to reflect a changing America had begun.

The challenge of keeping the principles of the Constitution relevant to the age is a challenge that is presented anew to each generation. Though the true genius of our Constitution lies in the fact that it can be changed, that change cannot be effected unless the people agree to keep their Constitution alive. Each succeeding generation must come to regard the Constitution as a national treasure, something that cannot be changed for transient and ephemeral purposes. The founding generation recognized this fact and changed the Constitution a mere three times: first in the Bill of Rights, second in the Eleventh Amendment, and finally in the adoption of the Twelfth Amendment (in order to correct a number of election deficiencies) in 1804.

The challenge of perfecting the American Union next fell to the generation that saw the Civil War afflict this nation. Between 1860 and 1865, the price of our Constitution was paid in blood as more than one million Americans died for their interpretations of this governing document. After a long and bloody and bitterly-fought war this generation boldly rose to the challenge of its day and in just five short years ratified the thirteenth, fourteenth and fifteenth amendments. Just prior to the Civil

War, the issue of slavery had come to dominate national politics. The African-American members of the American society had been relegated to the very fringes of the social order and were viewed, at least in the eyes of the government, as a form of property that could be bought and sold at whim. Following the Civil War, this Union forever eliminated the scourge of slavery from the land, first through the Emancipation Proclamation of 1863 and later through the Thirteenth Amendment to our Constitution in 1865. In 1868, this generation decisively acted again by ratifying the citizenship-granting fourteenth amendment which made all Americans free and equal under the law. It marked a fundamental shift in American attitudes towards African-Americans. In 1870, this generation ratified the Fifteenth Amendment which extended the franchise to African-American males and, in its time, helped to open the doors of American democracy to an ever-expanding electorate. The members of the Civil War generation paid the highest price possible for their love of this country and its government – they gave their lives to effect the creation of a more perfect union.

Later in history, the other members of generations have continued this process of changing the Constitution with changing political and social climes and thereby helped to bring about that “more perfect Union.” Members of the progressive movement gave us such amendments as the seven-teenth (which allows United States citizens to directly elect their senators to office) and the nine-teenth, which extended the franchise to women of all ethnic backgrounds. More recent generations in our history have given us the twenty-second amendment, which places a two term limit on the number of times that an individual may serve as President, the twenty-fourth amendment, which eliminated the poll tax as a prerequisite to voting, and the twenty-fifth amendment, which established a mechanism for covering vacancies in the office of the President in the event of a national catastrophe. In each of these cases and in several others, the Constitution was changed to effect the goal of the creation of a “more perfect Union.” The actions of these past generations serve as powerful precedent to the current generation of Americans. The tradition of amendment, which has been entrusted to our care, must be used with caution. We must examine the past to look for models of action that we can imitate in the future.

Today, we are still faced with the challenge of perfecting our Union. There is always room for improvement. Witness the relatively recent struggle to ratify the Equal Rights Amendment, balanced budget amendments, term limits amendments, and amendments pertaining to our national flag. Clearly, various groups and individuals have believed that it was and is necessary to make these proposals a part of our nation’s fundamental law if we are to create that “more perfect Union.” However, in the interests of “perfecting” our Union, we must never forget that it came about only as a result of caution. Prudent and sober consideration should be given to any amendment before it becomes a part of the national legacy to the future.

The incomplete and faulty document that failed in 1789 to address such issues as slavery, women’s rights, Presidential succession, Southern secession, and more is still alive today. Its life has been both ransomed in blood and redeemed through the courage and valor of its citizens, who have taken the initiative and changed their Constitution in an ongoing series of attempts to create a more perfect Union. We, the citizens of the United States who approach the new millennium and a new era for our nation, know that there are and will be inadequacies in this document that will only become apparent in the future, unforeseen by those before us. It is our duty, our obligation, to prepare ourselves to wisely amend this “living Constitution” as the future may demand. Through rational debate, the legislative process, prudent consideration and a basic trust in the promise of the American nation, we can change our Constitution for the better, we can create “that more perfect Union.” Thank you.

ENROLLED BILLS REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bills numbered 297, 351, 380, 698 and 769.

Rep. Nowe, Sen. Barnes for the Committee

Adopted.

The House of Representatives offered the following:

HOUSE RESOLUTION NO. 22

memorializing State Representative Beverly A. Gage of Salem

WHEREAS, it is with great sadness we have learned of the death of our esteemed colleague Beverly A. Gage who was in the midst of her twelfth consecutive term as an honorable and dedicated member of the House of Representatives, and

WHEREAS, during her distinguished twenty-three-year legislative tenure, which began in January of 1975, Beverly A. Gage, with competence and great energy, did serve as Chairman and as Clerk of the Committee on State-Federal Relations; as Vice Chairman of the Committee on Municipal and County Government; and as a member of the Committees on Commerce, Executive Departments & Administration, Legislative Administration, and Public Works, and

WHEREAS, having been blessed with the credentials of leadership, Beverly A. Gage, also did serve the House of Representatives as Majority Whip and as a Republican Floor Leader, and

WHEREAS, as a member of the Order of Women Legislators, Beverly A. Gage simultaneously did preside as the organization's National President and as State President, and

WHEREAS, Beverly A. Gage tirelessly gave of her time and energy to many groups and associations, including as Chairman of the New Hampshire Council on Aging, Chairman of the New Hampshire Board of Manufactured Housing, and as a member of the New Hampshire-Canadian Trade Council, the Coalition Against Insurance Fraud, and the National Conference of Insurance Legislators, and

WHEREAS, Beverly A. Gage additionally did work with great persistence and commitment with the New Hampshire Department of Public Health as a member of the Committee on HIV-STD Prevention Planning, and

WHEREAS, Beverly A. Gage was a caring mother of two daughters and two sons and a devoted grandmother of six and was frequently seen around the State House in the company of her grandchildren, and

WHEREAS, having been a native of Haverhill, Massachusetts, Beverly A. Gage long ago did settle in Salem, New Hampshire and easily did earn the reputation for being a conscientious servant of the town's citizenry, now therefore be it

RESOLVED, by the House of Representatives, in Regular Session convened, that Beverly A. Gage be granted highest praise and recognition for her dedicated and exemplary legislative service, and be it further

RESOLVED, that expressions of heartfelt sympathy be extended to her family, and that a suitable copy of this Resolution be prepared for presentation to her family.

Unanimously adopted by a rising vote.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Wheeler moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

SJR 2, relative to federal funding under the Individuals with Disabilities Education Act, removed by Rep. O'Hearn.

SB 35, including "accessibility lift" within the definition of "elevator", removed by Rep. Emerton.

SB 25, establishing employer immunity from civil liability for good faith disclosure of information regarding current and former employees to prospective employers, removed by Rep. John McCarthy.

SB 153, requiring a check-off box on a driver's license application form relative to having the social security number indicated on the driver's license, removed by Rep. Packard.
Consent Calendar adopted.

SB 72, relative to the New Hampshire life and health guaranty association, changing the order of distribution for policy holders and claimants in the case of insurer insolvency and repealing the law relative to the interstate insurance receivership compact. **OUGHT TO PASS WITH AMENDMENT**
Rep. William J. McCarthy for Commerce: This bill, as amended, will accomplish two purposes. First, it will establish one board of the NH Life and Health Insurance Guarantee Association to implement the necessary actions required when insolvency occurs in the industry. Second, the bill will repeal New Hampshire's participation in the Interstate Insurance Receivership Compact. There are only three other states in the mid-west region and NH which joined when formed several years ago in hopes of providing greater coordination between states. Instead, the three have voted their regional interests over NH's. Thus, the concept has failed. Vote 13-1.

Amendment (0826h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the New Hampshire life and health guaranty association and repealing the law relative to the interstate insurance receivership compact.

Amend the bill by deleting section 6 and renumbering the original section 7 and 8 to read as 6 and 7, respectively.

Amend the bill by replacing section 7 with the following:

7 Effective Date:

I. Sections 1-5 of this act shall take effect 60 days after its passage.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill clarifies that the New Hampshire life and health insurance guaranty association established in RSA 408-B:6 is the same association created in RSA 404-D:6, and makes related technical corrections.

The bill also repeals the interstate insurance receivership compact.

SB 20, establishing a committee to study presumptive sentencing **INEXPEDIENT TO LEGISLATE**
Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: The current sentencing scheme in New Hampshire generally provides for judicial discretion in sentencing which is limited by a maximum allowable penalty based on the particular conviction. Over the years of review by the legislature, certain minimum mandatory sentences have been established in specific areas such as DWI, murder, sexual assault and firearms offenses. The issue of sentencing has been subject to ongoing review and study by various committees and subcommittees including the Intermediate Sanctions Subcommittee and the Prosecution Study Committee. Additionally, all aspects and theories of sentencing are a particular focus of the Interbranch Criminal Justice Council which is an interdisciplinary council made up of participants from all sectors of the criminal justice system. The committee believes that all sentencing issues are currently being addressed by the consistent participation of all parties concerned and therefore does not feel that there should be another group formed to study the presumptive sentencing issue alone. Vote 15-0.

SB 115-L, establishing a committee to study issues relating to the withdrawal of a receiving district from an area school district. **OUGHT TO PASS WITH AMENDMENT**

Rep. Clair A. Snyder for Education: This bill provides for a study committee to examine what has been a long standing problem due to the inflexible current statute for withdrawal from an AREA agreement. This study will encompass the withdrawal of the receiving districts and related issues of AREA agreements. Vote 17-1.

Amendment (0901h)

Amend the bill by replacing section 2 with the following:

2 Report. The committee shall report its findings and any recommendations for proposed legislation to the senate president, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 1997.

SB 138, establishing teacher appreciation day. **OUGHT TO PASS WITH AMENDMENT**
Rep. Susan B. Durham for Education: This bill aligns New Hampshire Teacher Appreciation Day with the National Recognition of Teachers. The amendment recognizes all New Hampshire teachers and defines the teacher recognition date to be the first Tuesday in May Vote 17-0.

Amendment (0919h)

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose.

I. The state of New Hampshire has a long history of pride in its schools as recognized by its early constitutional language establishing on the part of officials a duty to cherish literature and the sciences. The many millions of immigrants, who flocked to our state and nation, did so in large measure on account of this nation's promise of universal free public education, a concept unique in history at the time.

II. Due to the dedication of school teachers, over the decades, countless thousands of children have secured a better life than their parents through education. That effort and dedication continues to this day. It is the purpose of this act to recognize the crucial contribution that teachers have made to our state and nation.

2 New Section; Teacher Appreciation Day Proclaimed. Amend RSA 4 by inserting after section 13-f the following new section:

4:13-g Teacher Appreciation Day. The governor shall annually proclaim the first Tuesday in May as Teacher Appreciation Day, and shall urge local communities, school administrative units, and school districts to observe such day in recognition of the dedication and service of New Hampshire's teachers.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill provides that the governor shall declare the first Tuesday in May of each year as teacher appreciation day.

SB 49-FN, clarifying certain procedures under the lead paint law. **OUGHT TO PASS WITH AMENDMENT**

Rep. Alice S. Ziegler for Health, Human Services and Elderly Affairs: This bill represents a realistic update of the 1994 lead paint laws. It is a compromise accepted by the Department of Health and Human Services and landlords and realtor groups. It allows for alternative abatement processes as well as assistance for those conducting low risk abatement. The amendment requires the Commissioner of Health and Human Services to investigate children whose blood level are more than 20 micrograms per deciliter after two separate tests. This bill is an excellent example of government and industry working together for improvement of health and safety of children. Vote 12-0.

Amendment (0917h)

Amend RSA 130-A:5, I as inserted by section 4 of the bill by replacing it with the following:

I. The commissioner ~~may~~ **shall** investigate cases of lead poisoning in children reported under RSA 141-A whose blood lead level meets or exceeds 20 micrograms per deciliter of whole ~~venous~~ blood, ***as reported on 2 separate tests except that a blood lead level may be designated as elevated by the health care provider when the level reported meets or exceeds 20 micrograms per deciliter on the first venous test. With such a declaration, a second test shall not be required.*** The commissioner may also conduct investigations when there is reason to believe that a lead exposure hazard, as defined in RSA 130-A:1, XVI(b) and (d), for a child exists. Such investigations shall include, but not be limited to:

(a) Requiring additional information and periodic reports from the child's health care provider, the owner or owner's agent of a leased or rented dwelling or dwelling unit occupied by a child, the owner or operator of any child care facility attended by the child, and any lead inspector or lead abatement contractor involved in lead ~~base substance abatement~~ **hazard reduction** at the child's dwelling, dwelling unit, or child care facility.

(b) Inspections of dwellings or dwelling units or of any child care facility, and testing environmental samples.

(c) Issuing orders requiring the ~~[abatement]~~ *reduction* of lead exposure hazards from a leased or rented dwelling or dwelling unit and from a child care facility, or issuing a notice to the owner of a dwelling or dwelling unit.

Amend the bill by inserting after section 18 the following and renumbering the original sections 19 and 20 to read as 20 and 21, respectively:

19 New Paragraph; Definition Added. Amend RSA 130-A:1 by inserting after paragraph VIII the following new paragraph:

VIII-a. "Health care provider" means any person, corporation, facility, or institution either licensed by this state or otherwise lawfully providing health care services, and any officer, employee or agent of such provider acting in the course and scope of employment or agency related to or supportive of health care services.

SB 103, establishing a committee to study issues relating to the licensing of child day care centers. OUGHT TO PASS

Rep. Alphonse Haettenschwiler for Health, Human Services and Elderly Affairs: The issue of licensing child day care centers is currently at the forefront. The new welfare law requires welfare recipients to accept work. It is estimated this will require 6,000 more day care slots. The Department of Health and Human Services supports this legislation. Vote 12-0.

SB 26, preventing recovery by a nonsupporting parent in a wrongful death claim or action on behalf of the nonsupported child until child support arrearages are paid in full. RE-REFER TO COMMITTEE

Rep. Carol H. Holden for Judiciary and Family Law: The committee felt that the bill had merit. Testimony indicated that the details had to be worked out. The re-refer motion gives the committee the opportunity to do that. Vote 12-0.

SB 47-FN, continuing the marital guardian ad litem recovery program in the unit of cost containment, office of the commissioner of administrative services. OUGHT TO PASS

Rep. Sandra B. Keans for Judiciary and Family Law: This bill provides that the Office of Cost Containment will be authorized to recover costs for the provision of guardian ad litem in marital cases. There has been a two year pilot program which has proved very successful. In FY '96 \$56,400 was collected and \$57,000 half-way through FY '97. The OCC believes this will continue to grow to about \$220,000 annually. Vote 12-0.

Referred to Finance.

SB 76, limiting the liability of school districts operating facilities for skateboarding, rollerblading or rollerskiing. OUGHT TO PASS

Rep. Deborah L. Woods for Judiciary and Family Law: This bill adds "school districts" to the current law that already limits liability of municipalities which operate facilities for skateboarding, rollerblading or rollerskiing. This addition makes sense. Vote 12-1.

SB 81, relative to the administration of estates. OUGHT TO PASS

Rep. Marjorie K. Smith for Judiciary and Family Law: Five years ago the general court acted to expedite the probate process when the surviving spouse is the sole beneficiary and executor or administrator. This bill expands the expedited process to include an only child. It is cost effective for the probate court while respecting the interests of the state and the estate. Vote 13-0.

SB 27, allowing municipalities to take inventories of property as often as state law allows property tax bills to be issued. INEXPEDIENT TO LEGISLATE

Rep. Jean R. Wallin for Local and Regulated Revenues: This bill would create chaos for assessing officials in cities and towns. Currently, taxes are assessed on inventory taken April 1 of each year. While this may occasionally result in small losses of property tax revenue, the cost of multiple inventories would outweigh the gains. Further, the increase would occur only the first time the property was assessed. Vote 13-0.

SB 74-FN, allowing holders of retail wine and combination wine and beverage licenses to sell fortified wines. INEXPEDIENT TO LEGISLATE

Rep. Stephen G. Avery for Local and Regulated Revenues: HB 533, which the House has already passed, contains the provisions contained here in Senate Bill 74. The language allowing holders of retail wine licenses to sell fortified wines is identical. Vote 14-0.

SB 75-FN, regulating beer festivals and requiring beer festival promoters to obtain a single event license for a fee from the liquor commission to hold a beer festival. **OUGHT TO PASS WITH AMENDMENT**

Rep. David W. Hess for Local and Regulated Revenues: The committee felt local police departments should have more oversight and authority over both the locations and the public safety at the beer festivals permitted by this bill. Vote 15-0.

Amendment (1061h)

Amend RSA 178:32, VII(a)(3) as inserted by section 1 of the bill by replacing it with the following:

(3) Official approval of the local police department as to the accessibility and public safety of the location and the event.
Referred to Finance.

SB 87, relative to permissible agreements between beverage manufacturers and vendors and beverage wholesale distributors. **OUGHT TO PASS**

Rep. Stephen G. Avery for Local and Regulated Revenues: This bill allows a beverage manufacturer, beverage vendor, or beverage vendor importer to enter a limited partnership with a beverage wholesale distributor and extend financing. Partnerships are limited to no more than 10 years. This continues to preserve the long-standing three tier system. Vote 13-0.

SB 183-FN, relative to liquor licenses for a sports/entertainment complex. **OUGHT TO PASS WITH AMENDMENT**

Rep. Linda T. Foster for Local and Regulated Revenues: This bill adds a new license category, that of a sports center entertainment complex, to existing liquor licenses. The amendment to this bill states that liquor or beverage may not be sold or consumed at any student or interscholastic event. The amended bill passed unanimously. Vote 14-0.

Amendment (0989h)

Amend RSA 178:20, V(u)(1) as inserted by section 2 of the bill by replacing it with the following:

(1) The commission may issue a cocktail lounge license to the owner of a sports/entertainment complex, or any operator or designee contracting with the owner of the complex. Such license shall allow the sale or service of liquor and beverage in any clearly defined areas approved by the commission. Liquor and beverage shall be sold only at such times as a fee is charged for admission to an event at the sports/entertainment complex. Liquor and beverage shall not be sold or consumed at any student event. In this subparagraph, "student event" means any event where students are participants or performers. Liquor and beverage shall not be sold at any interscholastic event. The provisions of RSA 178:20, II shall not apply to this license.

Referred to Finance.

SB 56-FN-L, establishing a method for repurchase of tax-deeded property by the former owner of the property and limiting the recovery by municipalities of proceeds from sales of tax-deeded property. **RE-REFER TO COMMITTEE**

Rep. Richard C. Leone for Municipal and County Government: Coupled with the need to better address important issues such as the amount of forfeiture of a taxpayer's interest at the time of a tax deed, owner's right of repurchase, time of the redemption period, status of all lien holders, what discretion the municipality has relative to disposing of or utilizing the property, and the possibility that some aspects of HB 676 could be combined with this bill, the committee strongly opted for further study. Vote 17-0.

SB 110-L, allowing the Coos county convention to revise the compensation of the county sheriff. **OUGHT TO PASS**

Rep. Richard C. Leone for Municipal and County Government: This bill is enabling legislation requested by the Coos County delegation to provide it with the mechanism to revise the sheriff's compensation in accordance with RSA 23:7 for the biennium ending December 1, 1999, if the Coos County sheriff is in agreement with such revision. Vote 15-0.

SB 152, establishing a committee to study issues related to allowing the city of Manchester to adopt a 2-year budget cycle. **OUGHT TO PASS**

Rep. Robert W. Brundige for Municipal and County Government: This bill establishes a committee to study issues related to allowing the city of Manchester to adopt a two year budget cycle. Vote 20-0.

SJR 1, recognizing the town of Brentwood as the county seat of Rockingham county. **OUGHT TO PASS**
 Rep. Joseph E. Stone for Municipal and County Government: All Rockingham County facilities are now located in the town of Brentwood. Therefore, the town of Brentwood should be recognized as the county seat of Rockingham County. Vote 19-0.

SB 64-FN-A, exempting motor fuel used for automobile racing from road toll taxation. **OUGHT TO PASS WITH AMENDMENT**

Rep. Merle W. Schotanus for Public Works and Highways: The amendment to this bill simplifies the method of collecting off road toll taxation at the state's race tracks by switching the responsibility for refund applications from the race car driver to the race track operator. There is no loss of tax revenue from this change in procedure. Vote 17-0.

Amendment (0981h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Refund for Automotive Racing Fuel. Amend RSA 260:47 by inserting after paragraph V the following new paragraph:

VI. Motorsport facilities which sell or dispense automotive racing fuel for off-highway activities shall be entitled to apply for a refund under this section. Refunds shall only be granted to such facilities for fuels which are specifically designed for automotive racing and which have an octane rating of 105 or higher.

2 Effective Date. This act shall take effect upon its passage.

Referred to Finance.

SB 158-FN-A, relative to the funding of beach erosion control projects along the south side of the Hampton Harbor Inlet. **RE-REFER TO COMMITTEE**

Rep. John P. Gleason for Public Works and Highways: The committee finds that this bill should be re-referred pending a need to address several Hampton Harbor problems that relate to and can have a bearing on any beach erosion control project. A recent capital budget request by the state Port Authority to the committee brought out that a necessary dredging requirement must be accomplished in the inlet and harbor of the Hampton/Seabrook area in the immediate future to permit continued use of these navigable waters by private and public vessels. Ready access in and out of this tidal estuary, accompanied by appropriate anchorages and dockage access, is vital to marine commerce, especially commercial fishing vessels, as well as recreational and tourist boating. Thus, it can be recognized that continued marine access in this Hampton/Seabrook area has a very significant economic impact locally, as well as on the rather short but concentrated New Hampshire coastline. Necessary dredging does pose the problem of how to dispose of the resulting dredged material and may have a bearing on a beach erosion control project. The committee felt that it is appropriate to visit the Hampton/Seabrook harbor area to see firsthand the condition of the harbor and adjacent areas, such as the south side of the Hampton Harbor Inlet. The unanimous feeling among the committee members was to take some time and thoroughly research all issues including revenue issues as they relate to the harbors. The Finance Committee has agreed to participate with this study. Vote 17-0.

SB 175, establishing a committee on the feasibility of installing rumble strips before toll booths. **INEXPEDIENT TO LEGISLATE**

Rep. Steve Vaillancourt for Public Works and Highways: The committee neither endorses nor rejects the wisdom of using rumble strips before toll plazas. However, it believes this bill is unnecessary since engineering experts of the Department of Transportation are already empowered to make this determination. In fact, rumble strips along sections of I-89 and I-93 (between exits 20 and 24) will be tested this summer. The committee is confident that DOT officials will properly assess the pros and cons of rumble strips before toll booths, and an updated report will be available this fall. Vote 17-0.

SB 182-FN, relative to the administration, operation, and maintenance of the New Hampshire state veterans cemetery. **OUGHT TO PASS WITH AMENDMENT**

Rep. Leon Calawa, Jr. for Public Works and Highways: This bill and amendment extend the repeal date for the state veterans cemetery oversight committee to November 1, 1997, to give the committee time to complete the project, and designates the Adjutant General to administer, operate and

maintain the New Hampshire state veterans cemetery. The amendment increases the state's share of the cost only to recover the money from the timber cut that was put in the general fund and is needed for matching federal funds. The analysis of the amendment is in error as it reports the committee date is extended to June 30, 1998, when, in fact, the bill extends the committee only until November 1, 1997. Vote 17-0.

Amendment (0836h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the administration, operation, and maintenance of the New Hampshire state veterans' cemetery, extending the reporting dates and the prospective repeal date for the state veterans cemetery oversight committee, and making an appropriation therefor.

Amend the bill by replacing all after the section 1 with the following:

2 Appropriation; State Matching Funds for Construction of Veterans Cemetery. Amend 1994, 282:1, as amended by 1995, 309:28, to read as follows:

282:1 Appropriation; State Veterans Cemetery.

I. The sum of [~~\$1,500,000~~] **\$1,600,00** is appropriated to the oversight committee established in section 4 of this act for the purpose of the layout, design, and construction of a state veterans' cemetery. The funds appropriated in this section shall be nonlapsing and shall not be spent, obligated, or encumbered without the approval of the capital budget overview committee.

II. Of the total sum appropriated in paragraph I, [~~\$975,000~~] **\$1,000,000** shall be from federal or other sources, and [~~no more than \$525,000~~] **\$600,000** shall be from state funds. Any funds from federal or other sources in excess of [~~\$975,000~~] **\$1,000,000** are hereby appropriated for the purposes of this act.

III. Any land *or state services* donated for the purpose of creating the state veterans cemetery shall be used as a soft match for the purpose of securing any federal funds.

3 Bonds. Amend 1994, 282:2 to read as follows:

282:2 Bonds Authorized. To provide funds for the state funds appropriated in section 1 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state an amount not exceeding the sum of [~~\$525,000~~] **\$600,000** and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A. The payment of principal and interest on bonds and notes issued for such project shall be made when due from the general funds of the state.

4 Reporting Dates and Prospective Repeal Extended. Amend RSA 1994, 282:5, I as amended by 1995, 10:12 and 1996, 190:12 to read as follows:

I. The committee shall make reports on the establishment of a state veterans' cemetery and the expenditure of funds for that purpose on the following dates: June 30, 1995, November 30, 1995, June 30, 1996, [~~and~~] June 30, 1997, *and November 1, 1997*.

5 Effective Date of Prospective Repeal of 1994, 282, Relative to Establishing a State Veterans' Cemetery. Amend 1994, 282:7, I as inserted by 1996, 190:12 to read as follows:

I. Section 6 of this act shall take effect [~~July 1, 1997~~] **November 1, 1997**.

6 Effective Date.

I. Section 1 of this act shall take effect July 1, 1997.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill designates the adjutant general to administer, operate, and maintain the New Hampshire state veterans cemetery, which shall be located in Boscawen.

This bill appropriates funds to make up a shortfall in the state matching share necessary to receive federal funds for the construction of the state veterans cemetery.

The bill also extends the final reporting date and the prospective repeal date for the state veterans cemetery oversight committee to June 30, 1998.

Referred to Finance.

SB 144, establishing a committee to study certain issues regarding Silver Lake in the towns of Belmont and Tilton. OUGHT TO PASS WITH AMENDMENT

Rep. Robert J. Laflam for Resources, Recreation and Development: This bill establishes a committee to study issues relative to the management of water flow of the Winnepesaukee River and its influence on private property in the Silver Lake area of Belmont and Tilton. Vote 17-0.

Amendment (0977h)

Amend the bill by replacing section 3 with the following:

3 Duties. The committee shall:

I. Study the management of water flow of the Winnepesaukee River by the department of environmental services and its impact on downstream and upstream properties including those located adjacent to Silver Lake.

II. Consider what measures may be taken to prevent periodic damage from flooding of the Winnepesaukee River.

Amend the bill by replacing section 5 with the following:

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the senate president, the speaker of the house, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 1997.

Amend the bill by replacing section 6 with the following:

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study certain issues regarding Silver Lake in the towns of Belmont and Tilton.

The committee shall report its findings and any recommendations for proposed legislation to the senate president, the speaker of the house, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 1997.

SB 161-FN-A, relative to the Seacoast Science Center and making an appropriation therefor. **RE-REFER TO COMMITTEE**

Rep. William E. Williams, Jr. for Resources, Recreation and Development: Since this appears to be a worthy concept but lacks numerous points of fact, the committee feels it would be best to Re-Refer to allow the time to develop the missing information. Vote 16-0.

SB 86-FN, requiring the division of motor vehicles to report those in default to a consumer reporting agency. **INEXPEDIENT TO LEGISLATE**

Rep. Gordon E. Bartlett for Transportation: A companion bill, SB 187, contains basically the same material. The committee wants to combine the two bills and use SB 187 as the bill to work on. Vote 15-0.

SB 119, prohibiting a person convicted of any sexual offense, felony, or DWI offense from obtaining a waiver to remove the person's driver's license image from department of safety records. **OUGHT TO PASS**

Rep. Robert J. Letourneau for Transportation: Although few individuals exercise their right to remove their personal image from the Department of Safety data files, testimony revealed that some of the individuals that do, fit into this category. In the interest of public safety, particularly young children and women, the committee felt that this was a good bill and would stand on its own merit. Vote 15-0.

SB 187, relative to the penalties for certain court defaults. **RE-REFER TO COMMITTEE**

Rep. Gordon E. Bartlett for Transportation: The committee feels this bill has merit, but wishes to work on it to make the bill a more workable piece of legislation. Vote 15-0.

SB 189-FN-L, authorizing the department of safety to issue resident driver's licenses to certain aliens. **OUGHT TO PASS WITH AMENDMENT**

Rep. Ralph L. Akins for Transportation: This bill was initiated in order to resolve an existing technical problem for foreign students, professors, medical personnel, etc., who apply for a driver's license in New Hampshire. Under current law, an applicant must be a resident of the state. Consequently, a foreigner who is temporarily living here yet truthfully claims his or her residence in his or her home country does not meet this requirement. The committee felt that it was reasonable to give the Director of Motor Vehicles the authority to waive this requirement or deny a waiver based on the specified criteria in the bill. Vote 15-0.

Amendment (1031h)

Amend the title of the bill by replacing it with the following:

AN ACT authorizing the department of safety to issue driver's licenses to certain aliens.

Amend the bill by replacing all after the enacting clause with the following:

I New Section; License for Aliens Temporarily Residing in the State. Amend RSA 263 by inserting after section 39-a the following new section:

263:39-b License for Aliens Temporarily Residing in New Hampshire

I. The director may issue a New Hampshire driver's license to a nonresident alien who is living in New Hampshire on a temporary basis:

(a) For the purposes of attending a public or private educational institution which has a regular faculty, curriculum, and organized body of pupils or students in attendance and is enrolled in such education institution;

(b) For the purposes of engaging in lawful employment, occupational, or business activity, and is engaged in such activity; or

(c) Who is the spouse or child of an alien licensed under this section.

II. The director may require any of the following:

(a) Certification from the foreign government regarding the person's driving record and licensing status.

(b) Submission of social security number, or, if the person does not qualify for such a number, the submission of certification to that effect as is acceptable to the commissioner.

(c) Written or other testing.

(d) Proof of compliance with the conditions set forth in paragraph I.

(e) Proof of identification as may be acceptable to the commissioner.

III. The term of the license shall be no longer than 4 years from the date of issuance, and the director may set a lesser term in accordance with the length of the person's residence in New Hampshire.

IV. Nothing in this chapter shall preclude the director from denying a license if the director determines that licensure of the person may be contrary to the public safety. Once licensed, the individual shall be subject to the same provisions of the law as all other licensees. When the person no longer meets the conditions specified in paragraph I, the person shall forthwith return the license to the director and the license shall become invalid.

2 Effective Date. This act shall take effect July 1, 1997.

REGULAR CALENDAR

SB 10, relative to funds for prearranged funerals or burial plans. **RE-REFER TO COMMITTEE** Rep. Martha Fuller Clark for Commerce: The majority of the committee voted in favor of re-refer because they believe there is a need to examine, in greater depth, guidelines for prepaid funeral plans. Vote 11-3.

Adopted.

SB 128, increasing the membership of the university system study committee. **INEXPEDIENT TO LEGISLATE**

Rep. David E. Larrabee for Education: This legislation would increase the membership of the University System Study Committee (USSC) by two people. The value of the committee is more related to the energy of the committee members rather than their numbers. Consequently, the committee as presently constituted is adequate to accomplish the objectives of USSC oversight Vote 9-3.

Adopted.

SB 155, requiring the division of educational improvement, department of education, to prepare and adopt a plan for providing special education to inmates in the state prison system and county correctional facilities. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Richard L. Champagne for the Majority of Education: This bill requires the division of educational improvement, department of education, in conjunction with the department of corrections and county governments, to prepare and adopt a plan for providing special education to inmates in the state prison system and county correctional facilities. The amendment requires a report of the

plan be ready by November 1, 1997. Because special education in our correctional facilities is a critical issue in affected communities it is necessary to direct the department of education to prepare and adopt a plan with a specific date. Vote 12-3.

Rep. David E. Larrabee, Sr. for the Minority of Education: RSA 186-C:3 requires the department of education to administer special education programs assigned to it by law. This bill is micro-managing the department of education. It should not take a second law to force the department of education to follow through with its responsibilities. There are more appropriate actions that could be employed. The Commissioner of Education has informed the committee progress is being made.

Amendment (1034h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Duties of Division of Educational Improvement; Plan to Provide Special Education to Inmates. Amend RSA 186-C:3-a by inserting after paragraph VI the following new paragraph:

VII. The division shall, in conjunction with the department of corrections and county governments, prepare and adopt a plan for meeting the special education needs of persons incarcerated in the state prison system and county correctional facilities. Such plan shall be adopted no later than November 1, 1997.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires the division of educational improvement, department of education, in conjunction with the department of corrections and county governments, to prepare and adopt a plan for providing special education to inmates in the state prison system and county correctional facilities by November 1, 1997.

Adopted.

Report adopted and referred to Finance.

Rep. Thomas declared a conflict of interest and did not participate.

SB 156, establishing a committee to study issues relating to providing special education services to eligible pupils who are incarcerated in the state prison system and county correctional facilities. **OUGHT TO PASS**

Rep. Susan B. Durham for Education: This study committee will explore the provision of special education services to incarcerated persons in New Hampshire, including, but not limited to, the creation of a centralized educational facility designed to serve persons incarcerated at the ten county houses of correction and to serve appropriate inmates from the state prison. Vote 13-2.

Adopted and ordered to third reading.

SB 48-FN, to provide an optional retirement program for certain employees of the department of regional community-technical colleges. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Merton S. Dyer for the Majority of Executive Departments and Administration: This bill was presented by the sponsor to offer a defined contribution retirement plan for certain faculty members of the technical college system to assist in the recruitment of faculty members. The committee voted ITL (a) because the numbers requesting the bill was not established, (b) the state now has a defined contribution plan. To provide an option to some state employees between a defined benefit plan and a defined contribution plan could open the doors for others to request legislation to participate in this or a similar plan. This might lead to eroding of the current defined benefit plan with the possible detriment of the present system. The last unanswered question was the funding of this bill. The funding is to follow the same funding as the present defined benefit plan and this does not seem to be in line with present defined contribution plans. This could lead to requests in the near future for additional employer contributions. Given the uncertainties of this bill, the committee voted inexpedient to legislate. Vote 10-7.

Reps. Mary Stuart Gile and Miriam D. Dunn for the Minority of Executive Departments and Administration: In providing an optional retirement program (defined contributions) for educational personnel of the New Hampshire department of regional community-technical colleges, SB 48-FN improves the system's capacity to recruit and retain the most qualified faculty. Postsecondary

education institutions in 43 states currently offer optional retirement programs with no adverse effects on state retirement plans. SB 48-FN is a pro-education bill with greatest potential benefits to New Hampshire students.

Majority report adopted.

SB 206-FN-A, relative to seminars conducted by the superior court for persons seeking custody or visitation of minor children and relative to fees charged for such seminars. **OUGHT TO PASS**
Rep. Barbara Hull Richardson for Judiciary and Family Law: This bill expands a pilot program now in operation in the superior courts of Strafford, Carroll, Grafton and Rockingham counties which requires attendance at a seminar for persons involved in child custody and support litigation. This bill would require any person, statewide, seeking custody or visitation of minor children to attend these seminars so that the adverse impact on the children of the litigation process and the family's separation will be minimized. Vote 8-5.

Rep. John McCarthy moved Recommit to Committee.

Rep. Holden spoke in favor.

Adopted.

CACR 12, returning annual legislative sessions to biennial legislative sessions. Providing that the general court shall meet biennially. **INEXPEDIENT TO LEGISLATE**

Rep. Elizabeth S. Hager for Legislative Administration: The committee considered this subject matter earlier in the session, reported the CACR as Inexpedient to Legislate and the House adopted the recommendation. The committee believes that annual legislative sessions are now functioning and are critical to the process. Vote 9-2.

Adopted.

SB 90-FN, requiring all proposed legislation affecting independently owned small businesses to include an analysis of the cost of the legislation **OUGHT TO PASS WITH AMENDMENT**

Rep. Warren C. Henderson for Legislative Administration: The committee believes that the intent of this bill, providing information to legislators on the direct costs of proposed legislation on New Hampshire's small businesses, would be a valuable addition to our deliberations. Many times we pass well-intended legislation and find out much later that we have imposed additional burdens on the small businesses we rely upon to sustain our economy. By passing this bill, we will be more likely to know, in advance, the consequences of our actions on small business. Vote 9-3.

Amendment (1043h)

Amend RSA 14:44, V as inserted by section 1 of the bill by replacing it with the following:

V. All bills and resolutions having a direct effect on the costs of doing business for any independently owned small business shall be accompanied by a fiscal note stating the legislative budget assistant's determination of the cost of the legislation on small businesses which employ fewer than 100 employees.

AMENDED ANALYSIS

This bill requires all bills or resolutions which directly affect independently owned small businesses to include a fiscal note prepared by the legislative budget assistant of the cost of the legislation on small businesses which employ fewer than 100 employees. This bill also amends the requirement for fiscal impact statements for proposed administrative rules affecting small businesses by increasing the number of employees to 100.

Adopted.

Report adopted and referred to Finance.

SJR 2, relative to federal funding under the Individuals with Disabilities Education Act. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stanley Searles for Education: This Senate Joint Resolution urges Congress to keep its promises, appropriate the 40% average per pupil expenditure funds as established in Public Law 94-142 and revise Individuals with Disabilities Education Act. Vote 15-0.

Rep. O'Hearn moved Recommit to Committee and spoke in favor.

Adopted.

SB 35, including "accessibility lift" within the definition of "elevator". **OUGHT TO PASS WITH AMENDMENT**

Rep. Joseph Guthrie for Health, Human Services and Elderly Affairs: This bill adds "accessibility lift" in the definition of "elevator" thereby requiring them to meet the same requirements as elevators. The amendment exempts private homes. Vote 12-0.

Rep. Emerton moved Recommit to Committee and spoke in favor.
Adopted.

SB 25, establishing employer immunity from civil liability for good faith disclosure of information regarding current and former employees to prospective employers. **INEXPEDIENT TO LEGISLATE**

Rep. Sandra B. Keans for Judiciary and Family Law: Under the present law, no charges can be brought against any employer who tells the truth. Employees are entitled to a copy of their personnel folder to take with them. If the employer has adequately documented the employees' shortcomings there will be no problems. There are other problems with the wording of the bill: (1) there is no statute of limitations; (2) "clear and convincing evidence" is a higher standard than used in any other civil suit; (3) the "employer is presumed to be acting in good faith". Further, the committee was told by the drafter that this was in response to an event in Florida, not New Hampshire. Vote 12-1.

Rep. John McCarthy moved Recommit to Committee and spoke in favor.
Adopted.

SB 153, requiring a check-off box on a driver's license application form relative to having the social security number indicated on the driver's license. **OUGHT TO PASS**

Rep. Ralph L. Akins for Transportation: This bill adds a check off box next to the existing reference line on a driver's license application form which allows an applicant to choose whether to have his or her social security number on the driver's license. The committee felt that by adding this box it would make this procedure more convenient for the applicant and more efficient for the department. Vote 16-0.

Rep. Packard moved Recommit to Committee and spoke in favor.
Adopted.

RESOLUTION

Rep. Wheeler offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, April 30, 1997 at 1:00 p.m.

Adopted.

LATE SESSION

Third reading and final passage

SB 72, relative to the New Hampshire life and health guaranty association, changing the order of distribution for policy holders and claimants in the case of insurer insolvency and repealing the law relative to the interstate insurance receivership compact.

SB 189-FN-L, authorizing the department of safety to issue resident driver's licenses to certain aliens.

SB 156, establishing a committee to study issues relating to providing special education services to eligible pupils who are incarcerated in the state prison system and county correctional facilities.

PERSONAL PRIVILEGE

Rep. Jacobson addressed the House.

UNANIMOUS CONSENT

Rep. Crosby addressed the House.

Rep. Hill moved that the remarks by Rep. Crosby be printed in the Journal.

Adopted.

Rep. Crosby: I stand before you today with a broken heart over the loss of my great friend and mentor Representative Beverly Gage. I loved and respected her. She was fun-loving with a sense of humor as infectious as her smile. Bev taught me and many of you how to be an effective legislator. She knew the art of compromise, baby steps forward are preferable to no movement at all. Beverly loved New Hampshire, this House of Representatives and the work she did here. Her accomplishments over the past 23 years are too numerous to name. Bev did a wonderful job of representing New Hampshire on a national level through her leadership in the Council of State Governments, the National Council of State Legislators, the Council of Insurance Legislators and the National Order of Women Legislators. Many people across the nation will sympathize with us as we deal with Bev's death. There is a void on the House Commerce Committee as we struggle with the loss of Beverly and her vast wealth of legislative history. That void will be felt here as well. Bev probably forgot more about health insurance law and protecting the rights of New Hampshire consumers than many of us will ever learn. She was a true champion for the people of New Hampshire spending countless volunteer hours organizing her annual golf tournament to benefit the New Hampshire Association of Retarded Citizens and working with the HIV Prevention Community Planning Group, just a couple of her causes. My heart goes out to Bev's family who always came first with her. She was a devoted wife and mother and her grandchildren were the apple of her eye. Now is the time for us to think of Beverly as we show some of the great strength she had, say good bye and carry on with the work that we have been elected to do. That's what Bev would have wanted.

Reps. Root, Dickinson, Guay, Haettenschwiler and Sabella addressed the House.

RECESS MOTION

Rep. Wheeler moved that the House stand in recess for the purpose of introduction of bills, enrolled bill amendments and enrolled bill reports only.

Adopted.

HOUSE JOURNAL No. 18

Wednesday, April 30, 1997

The House assembled at 1:00 p.m., the hour to which it stood adjourned, and was called to order by the Speaker Pro Tempore.

Her Excellency, Governor Jeanne Shaheen, joined the Speaker Pro Tempore on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

O God of all the universes, help us to receive this time with gratitude and to collect ourselves for the work before us. In these moments of contemplation, help us to see ourselves and one another as You see us. Enable us to view our work from Your perspective and to consider the consequences of our actions for future generations. Throughout all of our lives we pray that You will be behind us to encourage us, beneath us to support us, above us to inspire us and before us to guide us. Amen.

The amendment to House Rule 64 changes various deadlines for legislative action.

Rep. Lozeau moved that the Amendment be adopted.

Adopted.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Wheeler moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

Consent Calendar adopted.

SB 164, establishing a committee to study the establishment of a registry for intellectual property. **OUGHT TO PASS**

Rep. Toni M. Crosby for Commerce: This bill charges the state with establishing a committee to study the creation of a National Registry for Intellectual Property to be housed in New Hampshire. A centralized registry for copyrights, patents and trademarks would benefit both inventors and lenders when projects are in the funding stage. New Hampshire has a unique opportunity to promote itself as the perfect place to host an Intellectual Property Registry, as it is the home of the number one rated Intellectual Property program in the country, the Franklin Pierce Law Center. Vote 13-0.

SB 134, establishing a committee to study the certificate of need board and RSA 151-C. **INEXPEDIENT TO LEGISLATE**

Rep. Robert Chabot for Health, Human Services and Elderly Affairs: There being no testimony supporting a need for a study at this time, and aware that there is now in place a pilot program involving ambulatory care units, the committee feels that it is premature at this time. Vote 15-1.

SB 125, relative to the right of entry upon lands for surveying. **INEXPEDIENT TO LEGISLATE**

Rep. Carol H. Holden for Judiciary and Family Law: The committee feels that current governance of land surveyors by a licensure statute and regulations is adequate. The provisions of this bill go beyond what is an appropriate rule of practice. If this bill were adopted, licensed land surveyors and their agents would be allowed to enter any land after reasonable notice. Reasonable notice was not defined. In addition, licensees would be immunized from certain actions in trespass. Vote 17-0.

SB 5, relative to deposits and investments by trustees of town trust funds in credit unions and in mutual funds. **OUGHT TO PASS WITH AMENDMENT**

Rep. Paul A. McGuirk for Municipal and County Government: The committee heard no unfavorable testimony on SB 5. This bill allows investments, namely in some credit unions in the state of New Hampshire and shares of open-ended mutual funds. The committee unanimously agreed to amend RSA 31:25, custody investments. Vote 19-0.

Amendment (1165h)

Amend the bill by replacing sections 1 and 2 with the following:

1 Custody Investments. Amend RSA 31:25 to read as follows:

31:25 Custody; Investments. The trustees shall have the custody of all trust funds held by their town. The funds shall be invested only by deposit in some savings bank or in the savings department of a national bank or trust company in this state, *in some credit union in this state*, or in shares of any building and loan association or cooperative bank, incorporated and doing business under the laws of this state, or in the shares of any federal savings and loan association, located and doing business in this state, or in bonds, notes or other obligations of the United States government, or in state, county, town, city, school district, water and sewer district bonds and the notes of towns or cities in this state; and such stocks and bonds as are legal for investment by New Hampshire savings banks ~~[and when so invested, the trustees shall not be liable for the loss thereof];~~ and in ~~[any common trust fund established by the New Hampshire Charitable Foundation in accordance with RSA 292:23]~~ *participation units in the public deposit investment pool established pursuant to RSA 383:22. Shares of open ended mutual funds are also permitted if they are registered with the Securities and Exchange Commission, qualified for sale in the state of New Hampshire in accordance with the New Hampshire uniform securities act of the New Hampshire secretary of state's office, and which have in their prospectus a stated investment policy which is consistent with the investment policy adopted by the trustees of trust funds in accordance with RSA 35:9, and when so invested, the trustees shall not be liable for the loss thereof.* The trustees may retain investments as received from donors, until the maturity thereof. The trustees shall formally adopt an investment policy for all investments made by them or by their agents for any trust funds in their custody. Such investment policy shall be reviewed and confirmed at least annually.

2 Retention of Nonlegal Securities. Amend RSA 31:25-a to read as follows:

31:25-a Retention of Nonlegal Securities. Any security which at the time of its purchase under RSA 31:25 constituted a legal investment for New Hampshire savings banks *or trustees of trust funds* under the laws and conditions then existing may be retained notwithstanding the fact that, because of changes in the law relating to legal investments or because of conditions arising subsequent to the purchase of such security, its purchase might not then be legal; provided, however, that no such security that is not a prudent investment under the circumstances existing at the time of its retention and thereafter ~~[shall]~~ *may* be retained by the trustees; and provided further, that the aggregate total of the market value of all securities retained under this section shall not exceed 20 percent of the total market value of all the investments held by the trustees.

SB 151, relative to final orders on appeals of decisions of zoning boards of adjustment. **INEXPEDIENT TO LEGISLATE**

Rep. Paul A. McGuirk for Municipal and County Government: Current statute allows the court, in its discretion, to remand the appeal to the zoning board of adjustment for further proceedings, not inconsistent with the decree, as justice may require. This bill would require the court to make a final order or decision on the appeal. The committee is of the opinion that the procedure to resolve zoning appeals is working quite well and should not be changed, thus the report of ITL. Vote 16-1.

SJR 3, urging the United States Congress to adopt a constitutional amendment for environmental rights. **INEXPEDIENT TO LEGISLATE**

Rep. William M. Golding for State-Federal Relations and Veterans Affairs: The committee feels that the dynamics involved in current federal and state laws and regulations pertaining to clean and healthful air and water adequately addresses the issue. The committee did not feel that the issue merited elevation to the status of a "right" prescribed in the Federal Constitution any more than the "right" to other elements and factors that contribute to the health of a person. Vote 15-3.

SB 123, relative to shellfish harvesting areas. **OUGHT TO PASS**

Rep. Dennis F. Abbott for Wildlife and Marine Resources: This bill recognizes the Department of Health and Human Services as the agency administering water quality standards regarding shellfish harvesting areas. Vote 9-0.

REGULAR CALENDAR

SB 85, making technical changes in laws relative to the probate courts. **OUGHT TO PASS**
Rep. Benjamin J. DePecol for Judiciary and Family Law: This bill makes the N.H. Supreme Court responsible for setting the rates for New Hampshire Legal Assistance. It also extends ex parte expiration dates from 14 to 30 days after the date of the order and makes some technical wording changes to RSA 547. Vote 12-5.
Adopted and ordered to third reading.

SB 213-FN-A, establishing a fund for loans to rehabilitate class III railroads and cog railroads and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**
Rep. Paul I. LaMott for Public Works and Highways: The purpose of this bill is to continue the successful \$2.5 million railroad revolving loan program established in 1994. The loan program is administered by the Bureau of Railroads in coordination with the State Treasurer. The infrastructure of short line railroads in the northern part of the state, the Rochester area and the North Walpole area have benefited from the program. This bill increases the bonded appropriation by \$1.5 million and allows for the cog railroad to become eligible for the program. The amendment makes this program a permanent statute, requires a benefit cost analysis be prepared by the department of transportation prior to authorizing a loan, makes an intrastate passenger excursion railroad eligible for the program, and at the department of transportation's request changes the name of the Bureau of Railroads and Public Transportation to the Bureau of Rail and Transit. Vote 19-0.

Amendment (1142h)

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The general court declares that:

I. Rail service is indispensable to certain areas of the state.

II. There is a need to provide and maintain efficient and viable rail lines of New Hampshire class III railroads and cog railroads.

III. There is a need to keep rail lines of class III railroads and cog railroads in the private sector by utilizing qualified short line operators and cog railroad operators.

IV. There is a need to provide for limited state support funds for local rail assistance to maintain and enhance the rail lines and equipment of short line railroads and cog railroads.

2 Bureau Name Changed. Amend RSA 228:57-a, I to read as follows:

I. Notwithstanding RSA 228:57, portions of real estate owned by the state and managed by the bureau of [~~railroads and public transportation~~] **rail and transit** in the department of transportation that are on the shores of public waters, as defined by RSA 271:20, may be leased for private, noncommercial use by owners of adjacent properties separated from the shore only by the railroad land, as long as such use does not interfere with railroad operations. Any property owner meeting the requirements of this section may request in writing to be allowed to lease such property from the state. However, when the adjacent property is owned by more than one individual, such as a condominium association, the association, only as a single entity, may request the lease. In no case shall more than one access point to the leased property be allowed.

3 New Section; Rehabilitating Class III Railroads and Cog Railroads; Revolving Loan Fund. Amend RSA 228 by inserting after section 66 the following new section:

228:66-a Rehabilitating Class III Railroads and Cog Railroads; Revolving Loan Fund.

I. There is established the class III railroad and cog railroad capital rail line rehabilitation and equipment revolving loan fund which shall be spent on rehabilitating the rail lines and the purchasing of equipment of class III railroads and cog railroads, which rail lines, equipment, and railroads, shall meet the requirements of the benefit/cost analysis prepared by the department of transportation's bureau of rail and transit. Loans provided to operators of class III railroads and cog railroads for rehabilitating the rail lines and equipment purchases shall be approved by the governor and council.

II. The operator of the class III railroad or cog railroad provided a loan under this section shall be required to furnish assurance by signed agreement with the state to continue utilization of the line involved on an annual basis at a tonnage level of at least 80 percent of their annual tonnage average over the 3 years preceding the agreement, provided that enforcement of such assurance shall be preceded by a finding by the commissioner that any shipping rate increases during such period are reasonable, or a continued utilization of the line involved on an annual basis at a passenger level of at least 80 percent of their prior 3 years preceding the agreement.

III. The operator of the class III railroad or cog railroad shall repay any loan funded pursuant to paragraph I on such terms and conditions as are recommended by the bureau of rail and transit, department of transportation. The term of the loan shall be no less than 5 and no longer than 20 years and shall, to the extent possible and consistent with this section, be determined so as to match the useful life of the improvements funded by the loan. The terms and conditions shall be contained in the binding agreement between the state and the operator of the class III railroad or cog railroad and shall be sufficient to fully reimburse the state for the principal and interest payments on that portion of the bonds authorized to fund the loan.

IV. A lien on the improved property or equipment shall be created in favor of the state in an amount which equals the sum of principal and interest to be repaid by the operator of the class III railroad or cog railroad. The lien shall be recorded in the registry of deeds of the county or counties in which the improved property is situated and shall not supersede any lien created by a mortgage affecting such property. The lien shall expire only when the loan has been fully repaid.

V. For the purpose of this section, a "class III railroad" shall be a freight railroad or an intrastate passenger excursion railroad.

4 Appropriation. The sum of \$1,500,000 is hereby appropriated, in addition to any other sums appropriated, to the department of transportation, bureau of rail and transit, to be deposited in the class III railroad and cog railroad capital rail line rehabilitation and equipment revolving loan fund for the fiscal year ending June 30, 1998, for the purpose of rehabilitating the rail lines of class III railroads and cog railroads. This appropriation shall be nonlapsing.

5 Bonds Authorized. To provide for the appropriation made in section 4 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding \$1,500,000 for said purposes and may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. Payments of principal and interest on the bonds and notes shall be made from the general fund of the state.

6 Transfer of Funds. All funds remaining in the fund established under 1994, 338:3 and 4 shall be transferred to the fund established under RSA 228:66-a.

7 Effective Date. This act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill establishes a fund to be used for loans to operators of class III railroads and cog railroads for rehabilitation of such railroads and appropriates \$1,500,000 for the fiscal year ending June 30, 1998, and transfers funds from the class III railroad capitol rehabilitation revolving loan fund to the class III railroads and cog railroad capital rail line rehabilitative fund. It also changes the name of the bureau of railroads and public transportation to the bureau of rail and transit.

Adopted.

Report adopted and referred to Finance.

Rep. Leishman declared a conflict of interest and did not participate.

RESOLUTION

Rep. Holden offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, May 7, 1997 at 1:00 p.m.

Adopted.

LATE SESSION

Third reading and final passage

SB 164, establishing a committee to study the establishment of a registry for intellectual property.
SB 5, relative to deposits and investments by trustees of town trust funds in credit unions and in mutual funds.

SB 123, relative to shellfish harvesting areas.

SB 85, making technical changes in laws relative to the probate courts.

REMARKS

Rep. Teschner moved that the remarks made by Rep. Sytek be printed in the Journal.
Adopted.

Rep. Sytek: Thank you, Mr. Speaker. We have some good news and some bad news. The bad news is that Carol Holden is going to be resigning tomorrow to become - the good news - she is going to be a County Commissioner in Hillsborough County. That is good news for the people of Hillsborough County. She has served them well as a member of the County Delegation. But, it is certainly bad news for us who will certainly miss her after seven terms in the House. She served as Chairman of Children and Youth, Co-Chairman of Constitutional and Statutory Revision and as a key member of the current Judiciary Committee. She is a valuable member of the House. She is an Assistant Majority Leader and in charge of Continuing Education which she has done in her usual outstanding way. If you want a job done right, done precisely and done with class, you ask Carol Holden. I'm glad that the Superior Court Judges chose her for these precise qualities and our loss is going to be Hillsborough County's gain. We are going to miss you, Carol, and we thank you for your service.

RECESS MOTION

Rep. Wheeler moved that the House stand in recess for the purpose of introduction of bills, enrolled bill amendments and enrolled bill reports only.

Adopted.

The House recessed at 1:40 p.m.

RECESS

(Speaker Sytek in the Chair)

Rep. Lozeau moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 19

Wednesday, May 7, 1997

The House assembled at 1:00 p.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

Receive us, O God, into Your silence and Your stillness so that in our ceaseless scurrying we may pause in the graciousness of Your presence and take delight in the holiness of each moment. When we are weary, give us fresh energy. When we are confused, grant us clarity of thought. When we are determined, fill us with humility; and in all that we do and say, make us instruments of Your will. Amen.

Rep. Heath led the Pledge of Allegiance.

COMMUNICATIONS

May 1, 1997

Hon. Donna Sytek, Speaker of the House

Dear Madam Speaker:

Recently, I was selected by a panel of New Hampshire Superior Court Judges to fill the vacancy in the office of Hillsborough County Commissioner for the balance of an unexpired term. Under the provisions of the New Hampshire RSA 655:10, Incompatible Offices, no person shall hold the position as a member of the General Court and County Commissioner at the same time.

It is thus with deep regret that I must resign my seat as a member of the General Court representing Hillsborough District 14. Please convey to the members my deep gratitude for their kindness to me. It has been an honor to serve under your leadership this session. I wish you well.

Carol H. Holden
Hillsborough 14

Karen O. Wadsworth, Clerk of the House.

Representative Feng wishes to thank his dear colleagues for all the kind words, well wishes, and warm encouragement during his illness. He has completed three weeks of radiation treatment. He is currently experiencing some side effects caused by the radiation. He regrets that he is not able to thank each of you personally for your kind thoughts. Our family is fortunate and grateful to have your moral support in addition to that of his constituents. With your prayers, we are confident that my husband will win this battle as he has done before.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Wheeler moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

SB 37, relative to line items at town and school district meetings, removed by Rep. Alger.

SB 62, authorizing the governing bodies of towns which have not adopted the official ballot referendum form of meeting, but which are in school districts which have adopted the official ballot referendum form of meeting, to move the election day of the 1997 and 1998 annual meetings of those towns to April 8, 1997, and April 14, 1998, respectively, removed by Rep. Burke.

SB 180-FN-A, relative to the maintenance, enhancement and rehabilitation of local rural airport service and making an appropriation therefor, removed by Rep. Packard.

Consent Calendar adopted.

SB 66, allowing a state resident to obtain a license for a pistol or revolver for life. RE-REFER TO COMMITTEE

Rep. L. Randy Lyman for Criminal Justice and Public Safety: This bill changes the current concealed weapon permit for a resident from a four year period to a lifetime permit. Testimony in support cited convenience for law abiding and responsible gun owners. Additionally, the penalties for being found carrying a concealed weapon after expiration of a carry permit could prevent a permit from being granted in the future because it would be a "weapons charge" against the applicant. Law enforcement officials felt it was irresponsible to not renew a permit as important as a concealed weapons permit if a firearm was commonly carried. They also indicated that an individual's ability to safely handle a firearm could diminish over time much as a persons ability to drive could diminish and the periodic renewal allowed a check and balance in the permitting process that was both prudent and reasonable. The committee agrees but would like to re-refer SB 66 in order to review the penalties that currently treat an individual whose permit had expired in the same manner as a person who had ignored the permitting process required by the statutes. A lapse of memory should not be considered a criminal act when there is no intent to violate the law. Vote 12-0.

SJR 2, relative to federal funding under the Individuals with Disabilities Education Act. OUGHT TO PASS WITH AMENDMENT

Rep. Stanley Searles for Education: This resolution urges Congress to keep its promises, appropriate the 40% average per pupil expenditure funds as established in Public Law 94-142 and revise Individuals with Disabilities Education Act. Vote 15-0.

Amendment (1153h)

Amend the resolution by replacing all after the title with the following:

Whereas, when the Individuals with Disabilities Education Act was passed, Congress promised to fund a sum based on 40 percent of the average per-pupil expenditure in public elementary and secondary schools and the number of special education students; now, therefore, be it

Resolved by the Senate and House of Representatives in General Court convened:

That Congress appropriate the promised amount based on 40 percent of the average per-pupil expenditure in public elementary and secondary schools in the United States and the number of special education students and make such changes in the Individuals with Disabilities Education Act so that New Hampshire may continue to provide quality special education services to its students; and

That copies of this resolution, signed by the president of the senate and the speaker of the house be forwarded by the senate clerk to the President of the United States, to the President of the United States Senate, to the Speaker of the United States House of Representatives, and to each member of the New Hampshire congressional delegation.

AMENDED ANALYSIS

This senate joint resolution states that, whereas Congress promised to fund a certain amount based on 40 percent of the average per-pupil expenditure in public elementary and secondary schools and the number of special education students, Congress should appropriate the promised amount and make changes to the IDEA so that NH may continue to provide quality special education services to its students.

SB 30, relative to time of dog licensure. OUGHT TO PASS

Rep. Frank D. Callaghan for Environment and Agriculture: This bill changes present law to allow dog licensing from three months to four months to conform to veterinarian practice of spay/neutering at four months. Vote 12-0.

SB 31, relative to rabies certificates. OUGHT TO PASS

Rep. William P. Brennan for Environment and Agriculture: This bill allows for rabies certificates to be filed so that the owner of the dog is on record with the town clerk at the time of licensure, and does not have to produce verification. Vote 15-0.

SB 60-FN, excluding claims against New Hampshire hospital which are under \$500 from the jurisdiction of the state board of claims. OUGHT TO PASS WITH AMENDMENT

Rep. Merton S. Dyer for Executive Departments and Administration: This bill, as amended, will reinstate the oversight committee for claims arising from the clinical operation and administration of the New Hampshire Hospital. The bill will also exempt claims under \$500.00 against the state hospital from RSA 541-B. The hospital will have jurisdiction to investigate, hold hearings, and render a decision to honor or deny awards on claims when the amount is less than \$500.00. Claims for amounts between \$500.00 and \$50,000.00 will continue to be heard by the Board of Claims. Vote 17-0.

Amendment (0795h)

Amend the title of the bill by replacing it with the following:

AN ACT excluding claims against New Hampshire hospital which are under \$500 from the jurisdiction of the state board of claims, and establishing a legislative oversight committee.

Amend the bill by replacing all after section 1 with the following:

2 New Section; Oversight Committee on Claims Arising From the Operation and Administration of the New Hampshire Hospital. Amend RSA 541-B by inserting after section 22 the following new section:

541-B:23 Oversight Committee For Claims Arising From the Clinical Operation and Administration of the New Hampshire Hospital.

I. There is hereby established a legislative oversight committee to review claims arising under RSA 541-B:21 and 99-D:8, IV. The committee members shall be as follows:

(a) Two members of the house of representatives, appointed by the speaker of the house.

(b) Two members of the senate, appointed by the senate president.

II. The first-named house member of the committee shall be chairperson.

III. The committee shall report its findings to the general court 6 months prior to the awarding of any contract described in RSA 541-B:21, I.

IV. The members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 New Paragraph; Oversight Committee. Amend RSA 99-D:8 by inserting after paragraph III the following new paragraph:

IV. All claims arising under this section related to the New Hampshire hospital shall be reviewed by the legislative oversight committee established under RSA 541-B:23.

4 Effective Date.

I. Section 1 of this act shall take effect January 1, 1998.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill excludes claims against New Hampshire hospital which are under \$500 from the jurisdiction of the state board of claims. The department of health and human services shall have jurisdiction over such claims.

The bill also establishes a legislative oversight committee to review claims arising from the clinical operation and administration of the New Hampshire hospital.

SB 106-FN, establishing a committee to study the regulation of gas burner technicians and oil burner technicians. **INEXPEDIENT TO LEGISLATE**

Rep. Myron S. Steere, III for Executive Departments and Administration: The committee feels, based on testimony and discussion, that there is no compelling public safety issue that would require licensing of gas burning technicians and oil burner technicians. The current process using building codes with inspections by fire department personnel and building inspectors works satisfactorily. Vote 14-3.

SB 131—FN, allowing certain state employees to take paid leave to participate in disaster relief service work. **RE-REFER TO COMMITTEE**

Rep. Jon P. Beaulieu for Executive Departments and Administration: The committee understands the importance of the work that the American Red Cross provides with its disaster relief services. However, there were a number of unanswered questions as to the effect of such legislation. Among the questions unresolved were concerns of insurance coverage and the effect this type of leave would have upon an individual's disability retirement benefits should he or she be injured. With the many questions and lack of time, the committee asks that this bill be re-referred so that answers to questions may be found. Vote 12-4.

SB 146, establishing a committee to study the issue of reducing the number of years of service required to be vested in the retirement system plan from 10 years to 5 years. **OUGHT TO PASS**

Rep. Merton S. Dyer for Executive Departments and Administration: The joint committee established by this bill will study the vesting issues including the length of time to vest and the cost associated with any changes, and will review current standards for both governmental and non-governmental plans. With the many changes taking place in retirement plans, this is a subject that should be thoroughly studied to determine the effect upon the New Hampshire Retirement System. Vote 15-2.

SB 167, relative to the regulation of naturopathic practitioners. **OUGHT TO PASS WITH AMENDMENT**

Rep. Miriam D. Dunn for Executive Departments and Administration: This bill with amendment extends the date for licensure application for doctors to March 1998. It also preserves the exemptions already in the bill. It reserves issues regarding titles of naturopaths, scopes of practice and enforcement to be considered with HB 762, relative to the regulation of naturopathic medicine, which was re-referred to the committee earlier this session. Vote 15-0.

Amendment (1162h)

Amend RSA 328-E:5, I(e)(3) as inserted by section 1 of the bill by replacing it with the following:

(3) Apply for a license in a manner prescribed by the board on or before March 1, [1995] **1998**.

Amend the bill by deleting section 3 and renumbering the original section 4 to read as 3.

AMENDED ANALYSIS

This bill adds the following persons to the list of those who are exempt from certain laws governing licensed doctors of naturopathic medicine:

I. Any individual rendering aid in an emergency, when no fee or other consideration for the service is charged, received, expected, or contemplated.

II. Any individual administering a domestic or family remedy.

III. Any person engaged in the sale of vitamins, health foods, dietary supplements, and other products of nature, the sale of which is not otherwise prohibited under state or federal law, as long as such person is not diagnosing any human disease, ailment, injury or other condition.

The bill extends the period during which a person, who has held himself or herself out as a naturopath or a doctor of naturopathic medicine prior to July 1, 1991, may apply for a license.

SB 159-FN, establishing a committee to study increased public access to data concerning physicians and persons certified or registered under RSA 330-A. **OUGHT TO PASS WITH AMENDMENT**

Rep. Patricia G. O'Keefe for Health, Human Services and Elderly Affairs: This bill establishes a committee to study increased public access to data concerning physicians and surgeons who are licensed under RSA 329. With the recent changes in health care delivery systems, compelling reasons to study the issue of matching physician data readily available to the health care consumer. Vote 17-0.

Amendment (1225h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study increased public access to data concerning physicians and surgeons licensed under RSA 329.

Amend the bill by replacing sections 1-3 with the following:

1 **Committee Established.** There is established a committee to study increased public access to data concerning physicians and surgeons licensed under RSA 329.

2 **Membership and Compensation.**

I. The members of the committee shall be as follows:

(a) Three members of the senate, appointed by the president of the senate.

(b) Three members of the house of representatives, appointed by the speaker of the house.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 **Duties.** The committee shall study increased public access to data concerning physicians and surgeons licensed under RSA 329.

Amend the bill by replacing section 6 with the following:

6 **Effective Date.** This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study increased public access to data concerning physicians and surgeons licensed under RSA 329.

SB 84, revising the uniform simultaneous death act. **RE-REFER TO COMMITTEE**

Rep. Deborah L. Woods for Judiciary and Family Law: This bill revises New Hampshire's Simultaneous Death Act to comply with the Uniform Simultaneous Death Act of 1993. The committee unanimously voted re-refer to have the opportunity to better understand the complicated language and concepts of this important issue. Vote 19-0.

SB 96-FN, relative to the priority of charges in probate of estates. **RE-REFER TO COMMITTEE**

Rep. Deborah L. Woods for Judiciary and Family Law: This bill makes changes in the priority of charges assessed by probate courts in estates of deceased. It was substantially amended by the Senate. The committee needs the time that re-refer affords to study and understand the issues involved. Vote 20-0.

SB 194-FN-A, relative to the age of child day care providers homes, and allowing school districts to transport school-age children between schools and before-and-after school programs. **OUGHT TO PASS WITH AMENDMENT**

Rep. Marjorie K. Smith for Judiciary and Family Law: This bill, as amended, acknowledges the state's interest in assisting families in keeping school age youth safe and out of trouble as their families move toward self-sufficiency. It provides that child care providers receiving money from

the departments of Health and Human Services and Education should meet certain minimum standards and it clarifies current practice for transporting pupils between schools and legally operating before and after school programs. Vote 14-3.

Amendment (1169h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the qualifications of child day care providers, and allowing school districts to transport school-age children between schools and before-and-after-school programs.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Intent. It is the intent of the state of New Hampshire to assist families in keeping school-age youth safe and out of trouble as their families move toward self-sufficiency by preventing inappropriate latchkey situations, and to encourage collaborative ventures between schools, churches, youth serving organizations, businesses, and the juvenile justice community and their families, whenever possible.

2 New Paragraph; Requirements for Child Care Providers. Amend RSA 170-E:4 by inserting after paragraph II the following new paragraph:

III. The child day care provider receiving moneys from the department of health and human services or department of education shall be 18 years of age or older, and neither the child care provider nor the provider's employee shall have any felony convictions or founded cases of child abuse or neglect.

3 New Section; Transportation Between Schools and Before and After School Child Day Care Programs. Amend RSA 189 by inserting after section 6-a the following new section:

189:6-b Transportation Between Schools and Before-and-After-School Programs. To achieve maximum utilization of available before-and-after-school programs for school-age children, school districts shall be permitted to transport pupils between schools and legally-operating before-and-after-school programs upon the approval of the school district in the same manner as the school budget is adopted by that district. Such approval shall continue until revoked in the same manner.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires child care providers in certain subsidized child care programs to be at least 18 years of age and have no felony convictions or founded cases of child abuse or neglect. It also allows school districts to transport pupils between schools and before-and-after-school programs.

SB 206-FN-A, relative to seminars conducted by the superior court for persons seeking custody or visitation of minor children and relative to fees charged for such seminars. **INEXPEDIENT TO LEGISLATE**

Rep. Janet W. Wall for Judiciary and Family Law: The committee, together with the sponsors, agrees that there is no need for this bill, in its current format, because we have currently a stronger statute in place which is working satisfactorily. The bill was intended to augment the current program, but instead would serve only to weaken and jeopardize this much needed process for counseling during those divorces where child custody and visitation are issues. Vote 20-0.

SB 21, excepting persons who are 17 years old and graduated from high school from the youth employment law. **OUGHT TO PASS WITH AMENDMENT**

Rep. Rebecca C. Hutchinson for Labor, Industrial and Rehabilitative Services: This bill will exempt 17 year olds who have graduated from high school from the youth employment law. It will also establish a committee to review the entire youth employment law and make recommendations to update the law. Vote 14-1.

Amendment (1023h)

Amend the title of the bill by replacing it with the following:

AN ACT excepting persons who are 17 years old and graduated from high school from the youth employment law and establishing a committee to study the youth employment law.

Amend the bill by replacing all after section 1 with the following:

2 Committee Established. There is established a committee to study the youth employment law.

3 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the senate, appointed by the president of the senate.

(b) Three members of the house of representatives, appointed by the speaker of the house.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

4 Duties. The committee shall study all aspects of RSA 276-A, the New Hampshire youth employment law.

5 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named senate member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

6 Report. The committee shall report its findings and any recommendations for proposed legislation to the senate president, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 1997.

7 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill adds an exception to the requirement for a certificate under the youth employment law for 17-year-old persons who are high school graduates or who have received a high school equivalency diploma. This bill also establishes a committee to study the youth employment law.

SB 38, relative to certain activities under the workers' compensation law. **OUGHT TO PASS WITH AMENDMENT**

Rep. Jane P. Kelley for Labor, Industrial and Rehabilitative Services: This bill re-defines "injury" or "personal injury." Employees will not receive workers' compensation for injuries sustained on or off the premises for participation in athletic/recreational activities which are not a condition of employment. Vote 15-0.

Amendment (1051h)

Amend the bill by replacing all after the enacting clause with the following:

1 Definition Amended. Amend RSA 281-A:2, XI to read as follows:

XI. "Injury" or "personal injury" as used in and covered by this chapter means accidental injury or death arising out of and in the course of employment, or any occupational disease or resulting death arising out of and in the course of employment, including disability due to radioactive properties or substances or exposure to ionizing radiation. "Injury" or "personal injury" shall not include diseases or death resulting from stress without physical manifestation. No compensation shall be allowed to an employee for injury proximately caused by the employee's willful intention to injure himself or injure another. Conditions of the aging process, including but not limited to heart and cardiovascular conditions, shall be compensable only if contributed to or aggravated or accelerated by the injury. *Notwithstanding any law to the contrary, "injury" or "personal injury" shall not mean accidental injury, disease, or death resulting from participation in athletic/recreational activities, on or off premises, unless the employee reasonably expected, based on the employer's instruction, or policy, that such participation was a condition of employment or was required for promotion, increased compensation, or continued employment.*

2 Effective Date. This act shall take effect 60 days after its passage.

SB 179-FN-L, establishing a committee to study creating a New Hampshire local government records management improvement fund. **RE-REFER TO COMMITTEE**

Rep. Cynthia J. Dokmo for Municipal and County Government: The committee feels that the intent of this bill has merit, but that further study is warranted. Vote 13-3.

SB 198-FN-L, relative to the standard for granting of variances by zoning boards of adjustment from dimensional requirements. **INEXPEDIENT TO LEGISLATE**

Rep. Marilyn A. Fraser for Municipal and County Government: This bill eliminates the requirement of "unnecessary hardship" in the case of dimensional zoning variances, without providing any viable alternative. The proposed term "practical difficulty" would allow variances to be granted simply for the owner's convenience and would result in the gradual erosion of all dimensional standards. Vote 17-2.

SB 173-FN, relative to license and registration suspensions. **INEXPEDIENT TO LEGISLATE**
Rep. Sherman A. Packard for Transportation: The subject matter in this bill is similar to the subject matter in SB 187 which the committee re-referred. The problem of court defaults (SB 187) and driving after revocation of license and or plates (SB 173-FN) are problems we plan to address. Vote 13-0.

REGULAR CALENDAR

SB 169-FN, relative to a college tuition savings plan. **OUGHT TO PASS WITH AMENDMENT**
Rep. Clair A. Snyder for Education: This bill establishes the New Hampshire college tuition savings plan advisory commission which shall oversee the administration of such plan. It also sets forth criteria for participating in such plan. Interest and dividends from funds invested in the savings plan shall be exempt from the New Hampshire interest and dividends tax. The amendment addresses the issue of interest and dividends. These funds shall not be considered taxable income. Vote 13-2.

Amendment (1098h)

Amend the bill by replacing section 1 with the following:

1 New Section; College Tuition Savings Plan; Exempt From Interest and Dividends Tax. Amend RSA 77 by inserting after section 4-d the following new section:

77:4-e Interest and Dividends from Funds Invested in College Tuition Savings Plan Not Taxable. Notwithstanding any provision of RSA 77:4, interest and dividend income received from funds invested in the college tuition savings plan under RSA 195-H shall at no time be considered taxable income under RSA 77:4, either to the plan or to its sponsors, participants, or beneficiaries, if used in accordance with RSA 195-H.

Adopted.

Report adopted and referred to Finance.

SB 205-FN-L, establishing a special school district to provide special education for eligible inmates in the state prison system. **RE-REFER TO COMMITTEE**

Rep. Michael Marcinkowski for Education: The committee felt that insufficient information was available to determine the impact of this bill in terms of special education policy and its impact on required expenditures. In addition, prior passage of SB 155 requires the department of education to prepare and adopt a plan for special education services in the state prison and county correctional systems. Vote 13-4.

Adopted.

SB 29, establishing a pet overpopulation trust. **OUGHT TO PASS WITH AMENDMENT**
Rep. Betty B. Hall for Environment and Agriculture: This bill establishes a dedicated fund to accept moneys to reimburse veterinarians for neutering animals. Animal population control fees shall be deposited in the fund which can also accept funds from private sources. Vote 16-0.

Amendment (1161h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing the companion animal neutering fund.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Companion Animal Neutering Fund Established. Amend RSA 437-A by inserting after section 4 the following new section:

437-A:4-a Fund Established; Solicitation and Acceptance of Funds.

I. There is hereby established the companion animal neutering fund. Any funds received by the commissioner under this chapter, RSA 466:4, I(c), and RSA 466:6, III shall be deposited in the fund and shall be used by the commissioner exclusively for implementation including veterinarian reimbursement, promotion, and other costs associated with the program. Moneys in the fund shall be continually appropriated to the commissioner. Interest earnings credited to the assets of the fund shall become part of the fund. Any balance remaining in the fund at the end of the fiscal year shall be carried forward to the fund for the next fiscal year.

II. The commissioner may solicit and accept funds from any public or private source to be used to carry out the provisions of this chapter. All such funds shall be deposited into the fund established under paragraph I.

2 New Paragraph; Definition Added. Amend RSA 437-A:1 by inserting after paragraph II the following new paragraph:

III. "Fund" means the companion animal neutering fund established in RSA 437-A:4-a.

3 New Paragraph; Rulemaking Added. Amend RSA 437-A:5 by inserting after paragraph II the following new paragraph:

II-a. Administration of the fund established under RSA 437-A:4-a.

4 Animal Population Control Fees. Amend RSA 466:4, I(c) to read as follows:

(c) The clerk shall remit all companion animal population control fees collected to the state treasurer along with the fees sent in accordance with RSA 466:9, provided that such companion animal population control fees shall be deposited into the ~~{general fund}~~ *companion animal neutering fund, established in RSA 437-A:4-a.*

5 Animal Population Control Fee. Amend RSA 466:6, III to read as follows:

III. The fee shall be \$20 for the group license, \$2 of which shall be remitted to the town clerk for deposit into the ~~{general}~~ *companion animal neutering fund, established in RSA 437-A:4-a*, as the companion animal population control fee, and \$18 shall be retained by the town or municipality.

6 New Subparagraph; Special Fund. Amend RSA 6:12, I by inserting after subparagraph (ooo) the following new subparagraph:

(ppp) Moneys received under RSA 466:4, I(c), RSA 466:6, III, and RSA 437-A which shall be credited to the companion animal neutering fund, established in RSA 437-A:4-a.

7 Repeal. 1996, 152, relative to the budget for the animal population control program, is repealed.

AMENDED ANALYSIS

This bill establishes the companion animal neutering fund which shall be funded by the animal population control fees under RSA 466. The fund is continually appropriated to the commissioner of the department of agriculture, markets, and food and shall be used for the purposes of the animal population control program.

Adopted.

Report adopted and referred to Finance.

SB 32, relative to dogs at large. OUGHT TO PASS WITH AMENDMENT

Rep. William R. Phinney for Environment and Agriculture: This bill restructures RSA 466:31 II, a statute entitled "Dogs, a menace, a nuisance or vicious" and increases the penalty for third and subsequent offenses. Vote 14-2.

Rep. Melcher moved Recommit to Committee and spoke in favor.

Adopted.

SB 53-FN, relative to payment by the retirement system of certain medical benefits for group II members and for certain permanent firemen on disability retirement. RE-REFER TO COMMITTEE
Rep. Merton S. Dyer for Executive Departments and Administration: The intent of this bill is to include additional members of group II in the medical subtrust for group II employees. This bill would expand the group participation by changing the active date from June 30, 1988 to June 30, 1991. This would add 531 new members and also add 94 firefighters on disability retirement. The total cost would be \$10,540,000 and come from the special account. The special account has sufficient funds but the committee was concerned about the interplay between this bill for medical benefits and HB 751 which deals with spousal benefits for the same group and will also be terminally funded from the special account. HB 751 was re-referred for further study and the committee asks that this bill, SB 53-FN, be re-referred for further study of the implementation of this bill and how it interacts with HB 751. Vote 16-0.

Adopted.

Rep. Phinney declared a conflict of interest and did not participate.

SB 34, repealing laws relative to abortion. MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Benjamin J. DePecol for the Majority of Judiciary and Family Law: This bill repeals three antiquated 1848 statutes dealing with abortion. All legal protections for patients and doctors remain in place. This is not an attempt to expand or limit any procedure, it is simply an act to eliminate three laws already deemed unconstitutional and three laws we do not use. Vote 13-7.

Rep. Kevin H. Smith for the Minority of Judiciary and Family Law: Passage of this bill causes grave consequences for the state of New Hampshire. Three major areas the minority of the committee is concerned with are: (1) there would no longer be any penalties against doctors who injure or harm a woman's life or health due to an abortion, thus giving women no action for recourse; (2) there is no longer any protection for post-viable fetuses, which Roe vs Wade clearly states there should be; (3) with abortionists now being able to perform any abortion at any time period, under any circumstance, New Hampshire could conceivably become the abortion mecca of the country. New Hampshire cannot afford to pass this extreme measure.

Reps. Kevin Smith and Luebker spoke against.

Reps. DePecol and Keans spoke in favor and yielded to questions.

Reps. Dolan, Letendre and Root spoke against and yielded to questions.

Rep. Woods spoke in favor.

MOTION TO LAY ON THE TABLE

Rep. Flora moved that **SB 34**, repealing laws relative to abortion, be laid on the table.

Rep. Burling requested a roll call; sufficiently seconded.

PROTESTS

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. Flora requested that her protest and those of the undersigned members, be entered on the Journal.

We, the undersigned, vehemently oppose the action taken by the New Hampshire House of Representatives this day on Senate Bill 34, a bill to repeal three statutes relative to abortion. We believe that the repeal of all abortion laws without a judicious analysis of their implications does a grave injustice to the citizens of New Hampshire. This action leaves women without any recourse or support of law should an abortion procedure fail. It relegates their unborn children to the dustbin, as if this were, as was testified by one House member before the committee, "a simple housekeeping measure."

Since the repeal of these laws will have virtually no effect on the practice of abortion in our state, the repeal is the worst kind of legislation. It is an extremist measure with the sole purpose of symbolically granting women the extraordinary right to determine life or death over any child carried up to and until the moment of delivery. Not even the Supreme Court of the United States, in Roe vs. Wade, dared to go that far in washing it's hands of the responsibility for the protection of human life.

Therefore, it is with deep regret that we stand as members of this fine body in protest of the action taken today. We wish now to go on record in support of the voice of the majority of New Hampshire citizens who stand for the sacredness of life.

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. Cobbin requested that his protest be entered on the Journal.

In addition to adopting the above protest by reference, I enter the following. Roe vs. Wade was illegitimate legislating from the bench in 1973, it is so now. The Constitution of this state predates the federal Constitution and as such, our state's rights and the rights of our people to sanction abortion through acts of this legislative body. This state's laws raise the issue of Roe vs. Wade as vulnerable to attack on 10th amendment grounds. Abortionists seek to steal our heritage by lulling this legislature to slumber.

RECONSIDERATION

Having voted with the prevailing side, Rep. Hart moved that the House reconsider its action whereby it ordered to third reading **SB 34**, repealing laws relative to abortion.

Rep. Hart spoke against.

Reconsideration failed.

REGULAR CALENDAR (CONT'D.)

SB 177-FN, relative to the liability of prospective adoptive parents for court ordered services. **OUGHT TO PASS**

Rep. Kevin H. Smith for Judiciary and Family Law: This bill furthers the state goal of encouraging adoption of children in the custody of the state by ensuring some continuing financial support if these at-risk children subsequently require certain services. Vote 10-8.

Adopted and referred to Finance.

SB 217, relative to control of accessory uses on private land, including aircraft takeoffs and landings. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Robert A. Lockwood for the Majority of Municipal and County Government: This bill repeals, from the time of its effective date until June 1, 1998, then reenacts a law passed last year (HB 1156, Chapter 218) that automatically allows aircraft takeoffs and landings on private land as an accessory use in all municipalities, unless specifically prohibited by local ordinances. Traditionally, accessory uses are specifically defined by local planning boards and approved by the voters in each municipality before they are allowed. The majority believes this bill is necessary to allow time for all communities to make their own local control decisions before the state mandates permanent local zoning decisions. Passage of HB 217 will return the option of local control to municipalities until June 1, 1998. After that, the original language of Chapter 218 will apply to privately owned airstrips. The need for a moratorium was occasioned by confusion in some communities regarding authority of the municipalities to exercise takeoffs and landings on privately owned airstrips. Vote 11-6.

Reps. Joseph E. Stone, Paul A. McGuirk, Marilyn A. Fraser, and Thomas E. P. Rice Jr. for the Minority of Municipal and County Government: Several times, citizens in Brentwood who are abutters have asked for town zoning to prohibit property from being used for aircraft landings and takeoffs. As recently as March 11, 1997, by a vote of 480 to 276, the town of Brentwood voted to reject a citizen petition to specifically prohibit the aircraft landings and takeoffs. Judge Patricia Coffey of the Rockingham County Superior Court ruled that a petition for injunction against the airstrip operation presented no evidence which would allow the court to invalidate the statute under the taking clause. Now these same citizens are asking us as legislators to overturn the vote of the majority. We feel this in an improper action for us to take.

Rep. McGuirk spoke against.

Reps. Dokmo and Lockwood spoke in favor and yielded to questions.

Reps. Stone and Weyler spoke against and yielded to questions.

Rep. Salatiello spoke in favor.

On a division vote, 114 members having voted in the affirmative and 223 in the negative, the majority report failed.

Rep. McGuirk moved Inexpedient to Legislate.

Adopted.

SB 37, relative to line items at town and school district meetings. **INEXPEDIENT TO LEGISLATE**

Rep. Joseph E. Stone for Municipal and County Government: It causes great concern to see this type of bill proposed as a "one size fits all" solution to issues which should be addressed at a local level. In an era when we are attempting to initiate home rule, it would appear that this is one more item that should be addressed on a community by community basis. Vote 18-1.

Rep. Alger spoke against and yielded to questions.

Rep. Christiansen spoke against.

Rep. Stone spoke in favor and yielded to questions.

On a division vote, 270 members having voted in the affirmative and 43 in the negative, the report was adopted.

SB 62, authorizing the governing bodies of towns which have not adopted the official ballot referendum form of meeting, but which are in school districts which have adopted the official ballot referendum form of meeting, to move the election day of the 1997 and 1998 annual meetings of those towns to April 8, 1997, and April 14, 1998, respectively. RE-REFER TO COMMITTEE

Rep. Betsey L. Patten for Municipal and County Government: The committee is currently studying the implementation process of the official ballot. The voting day in the "SB 2" towns and school districts changed from the traditional voting day of the second Tuesday of March to the second Tuesday in April. SB 62 addressed that difference by allowing the governing bodies of towns that had not adopted official ballot but were "SB 2" school districts to move the election day of those towns to the second Tuesday of April. Our committee went out to fifteen SB 2 communities on April 8th to listen to voter opinions and will be holding some informational meetings in some of those locations to gather more opinions of the process. The committee wanted that input prior to making this decision, hence the motion to Re-refer. Vote 16-1.

Rep. Burke spoke against and yielded to questions.

Rep. Patten spoke in favor and yielded to questions.

Reps. Alger and Donald White spoke against.

Rep. McGuirk spoke in favor.

Rep. Burke requested a roll call; sufficiently seconded.

The question being the adoption of the report.

Rep. Nowe, Sen. Barnes for the Committee

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Wheeler moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

SB 113, establishing a committee to study health care issues related to individuals who are underinsured or without insurance, removed by Rep. Vachon.

SB 139, authorizing banks to invest trust funds in bank-affiliated investments, removed by Rep. Vachon.
SB 190, exempting insurance companies newly located in New Hampshire from having to make payments to the administration fund during their first 3 years in the state and relative to investments by insurance companies in mutual funds, removed by Rep. Carson.
 Consent Calendar adopted.

SB 1, relative to exclusive arrangements with managed care insurers. RE-REFER TO COMMITTEE
 Rep. Gregory G. Carson for Commerce: The committee did not see a compelling need for this legislation. Further, the committee did not want to interfere with NH hospitals' ability to compete in the current marketplace. The committee did, however, want to better understand the contractual relationship between hospitals and insurance providers and re-referral is the best means to that end.
 Vote 19-0.

SB 17, restricting check collection charges by creditors and debt collectors. OUGHT TO PASS WITH AMENDMENT

Rep. Eric N. Lindblade for Commerce: This bill puts a cap on the penalty charged by a creditor for negotiable instruments written on insufficient funds. The bill sets a limit of \$25, but leaves open the decision to impose the penalty. Vote 13-1.

Amendment (1080h)

Amend RSA 358-C:5, I as inserted by section 1 of the bill by replacing it with the following:

I. A creditor involved in a consumer credit transaction or a debt collector designated to collect on a check, negotiable order of withdrawal, share draft, or other negotiable instrument may charge and receive a check collection charge of not more than \$25.

SB 82, relative to determination of reasonable compensation for certain trustees OUGHT TO PASS
 Rep. Barbara L. Spear for Commerce: This bill clarifies the determination of reasonable compensation for corporate and professional trustees in the administration of testamentary trusts. The bill acknowledges that reasonable compensation will be defined by the institution's or professional's published inter vivos fee schedule or fee agreement in effect at the time services are rendered. The bill also establishes a committee to study the issue of compensation for trustees of charitable trusts and the feasibility of expanding the standard to be applied by the probate court in deciding upon petitions to change corporate trustees in testamentary trusts. All testimony heard favored passage of this bill. Vote 14-0.

SB 129, relative to manufactured housing deeds. OUGHT TO PASS

Rep. Tara G. Reardon for Commerce: This bill removes the requirement that manufactured housing deeds be witnessed and acknowledged. It also validates deeds properly acknowledged and recorded since August 17, 1983, thus treating manufactured housing deeds similar to all other deeds contained in RSA 477. Vote 16-0.

SB 6, relative to real estate appraisers. OUGHT TO PASS WITH AMENDMENT

Rep. Sylvia A. Holley for Executive Departments and Administration: This bill is the result of numerous efforts over the past three years to allow changes in the operation of a relatively new board, Board of Property Appraisers. The amended bill, which has the endorsement of the sponsor, appraisal board, realtors, and the banks, does the following: adds one more public member to the board; adds a new "apprentice real estate appraiser" classification; and defines more clearly the grievance, complaint and disciplinary proceedings in order to comply with present federal mandates. Vote 15-0.

Amendment (1236h)

Amend the bill by replacing all after section 1 with the following:

2 Real Estate Appraiser Board Composition Changed. RSA 310-B:4, I is repealed and reenacted to read as follows:

I. There is established an independent real estate appraiser board which shall be administratively attached to the department of state. The board shall be composed of the following 7 members, appointed by the governor with the consent of council:

(a) Three real estate appraisers with a minimum of 5 years' experience, consisting of one New Hampshire certified residential appraiser, one New Hampshire certified general appraiser, and one New Hampshire certified appraiser who is a broker licensed under RSA 331-A; provided that no 2 appraiser members shall be members of the same private appraisal organization.

- (b) One representative from a New Hampshire lending institution,
- (c) The banking commissioner or designee,
- (d) Two members of the general public not associated directly or indirectly with banking, brokerage, real estate appraisal, insurance, or any other affected industry.

3 Classifications of Real Estate Appraisers. Amend RSA 310-B:6, I is repealed and reenacted to read as follows:

I. There shall be the following classifications of real estate appraisers which shall meet the criteria as the board shall require by rules adopted under RSA 541-A:

(a) Apprentice. The apprentice real estate appraiser classification shall consist of those persons who do not meet the requirements under subparagraph (b), (c), or (d), but are in the process of completing the requirements for one of the classifications of a real estate appraiser. Apprentice real estate appraisers shall be required to work under the supervision of either a New Hampshire licensed or certified appraiser until the requirements for licensure or certification have been met.

- (b) Licensed residential real estate appraiser.
- (c) Certified residential real estate appraiser.
- (d) Certified general real estate appraiser.

4 Chairperson's Signature Required. Amend RSA 310-B:16, I to read as follows:

I. A license or certificate issued under authority of this chapter shall bear the ~~signatures~~ *signature* of the ~~members~~ *board chairperson or a designee who is a member* of the board and a license or certificate number assigned by the board.

5 New Sections; Grievances; Complaints. Amend RSA 310-B by inserting after section 17 the following new sections:

310-B:17-a Grievances.

I. All grievances shall be in writing and objectively received and reviewed by the board.

II. If the board determines that a grievance requires further investigation, it shall be acted upon within 90 days.

III. Disposition of all grievances shall be voted on by the board.

IV. The board, on its own motion and in accordance with the provisions of this chapter, shall commence a disciplinary proceeding.

310-B:17-b Complaints.

I. Complaints shall not be accepted for filing with the board unless the grievance procedures in RSA 310-B:17-a have been concluded. The aggrieved party may proceed with the complaint process if the aggrieved party does not agree with the decision of the board.

II. To be accepted for filing, complaints shall be filed on a form provided by the board.

III. Properly filed complaints shall be reviewed by the board to determine compliance with this section.

IV. Upon confirmation that a complaint complies with the provisions of this section, the board shall schedule a disciplinary proceeding on the complaint in accordance with the provisions of RSA 541-A.

6 Disciplinary Proceedings. Amend the introductory paragraph of RSA 310-B:18 to read as follows: The board may revoke or suspend ~~the~~ a licensure or certification ~~of~~, *may assess a fine of not more than \$2,000 per violation or, in the case of a continuing violation, \$100 for each day the violation continues, whichever would be greater, or may require mandatory completion of continuing education, or may take any combination of the preceding actions, relating to* any ~~licensed or certified~~ real estate appraiser, in accordance with the provisions of this chapter, upon any of the grounds set forth in this section~~[-The board may investigate the actions of a licensed or certified real estate appraiser, and may revoke or suspend the license or certificate of a licensed or certified real estate appraiser]~~ for any of the following acts or omissions:

7 Guilty Plea or Nolo Contendere Relative to Convictions Deleted. Amend RSA 310-B:18, IV to read as follows:

IV. A conviction~~[-including a conviction based upon a plea of guilty or nolo contendere,]~~ of a crime which is substantially related to the qualifications, functions, and duties of a person developing real estate appraisals and communicating real estate appraisals to others.

8 Negligence or Incompetence Determined by Board; "Willful" Disregard Deleted. Amend RSA 310-B:18, VIII and IX to read as follows:

VIII. Negligence or incompetence in developing an appraisal, in preparing an appraisal report, or in communicating an appraisal *as determined by the board*.

IX. ~~Willfully~~ Disregarding or violating any of the provisions of this chapter or the rules adopted by the board for the administration and enforcement of this chapter.

9 Time for Hearings; Fees for Apprentice Status. Amend RSA 310-B:19 and 20 to read as follows:

310-B:19 Hearings. The board shall take no disciplinary action without a hearing. At least 14 days prior to hearing, ~~[both]~~ **all** parties to a disciplinary proceeding shall be served, either personally or by certified mail, return receipt requested, with a written copy of the complaint filed and notice of the time and place for hearing. All complaints shall be objectively received and fairly heard by the board, but no complaint shall be acted upon unless in writing. A hearing shall be held on all written complaints received by the board within 90 days after the date notice of a complaint was received by the accused, unless otherwise agreed to by the parties. Disciplinary hearings shall be conducted **within 90 days of receipt of the complaint** before at least 5 members of the board. Written notice of all disciplinary decisions made by the board shall be given to ~~[both]~~ **all** parties to the proceeding upon their issuance. Orders of the board shall be subject to ~~[rehearing and appeal in the manner prescribed by]~~ the contested case provisions of RSA ~~[541]~~ **541-A**.

310-B:20 Fees. The board shall establish fees for application, for examination of applicants, for **apprentices, and renewals of apprentice status for** licensure or certification, ~~[and]~~ for renewal of licensure or certification under this chapter, and for transcribing and transferring records and other services. The fees established by the board shall be sufficient to produce estimated revenues equal to 125 percent of the direct operating expenses of the board for the previous fiscal year, and sufficient to provide for periodic payments to reimburse the general fund for money appropriated for the purposes of this chapter.

10 Reference to Council Deleted. Amend RSA 310-B:22 to read as follows:

310-B:22 Roster. A roster showing the names, classification and place of business of all real estate appraisers licensed or certified under this chapter, who have paid their annual federal registry fee to the board, shall be submitted annually with the moneys collected to the **federal** Appraisal Subcommittee~~[-Federal Financial Institutions Examination Council (FFIEC) pursuant to Title XI]~~. A copy of the roster shall be placed on file with the secretary of state.

11 New Section; Summons, Oaths, Witnesses; Procedures. Amend RSA 310-B by inserting after section 23 the following new section:

310-B:23-a Summons; Oaths; Witnesses.

I. The board shall have the power to administer oaths or affirmations, preserve testimony, subpoena witnesses, and to compel by subpoena duces tecum, the production of all books, records, files and documents, whether originals, copies or in electronic or other form, and other materials, relevant to its investigation of any grievance, complaint or disciplinary proceeding before the board.

II. The board may issue subpoenas with the approval of the office of the attorney general.

III. A minimum of 10 business days' notice shall be given for compliance with a subpoena under this chapter.

12 Continuing Education Requirements Set by the Board. Amend RSA 310-B:24, VIII-a to read as follows:

VIII-a. Establishing continuing education and experience requirements which comport with ~~[the] criteria [set forth by the Appraisal Subcommittee of the Federal Financial Institutions Examination Council]~~ **set forth by the board**.

13 Terminology Correction. Amend RSA 310-B:25 to read as follows:

310-B:25 ~~[Separability]~~ **Severability**. If any provisions of this chapter or the application thereof to any person or in any circumstance ~~[is]~~ **are** held invalid, the invalidity does not affect other provisions or applications of the chapter which can be given effect without the invalid provisions or applications, and to this end the provisions of this chapter are severable.

14 Current Board Member. The member of the board licensed as a real estate broker immediately before the effective date of this act shall continue to serve as a member of the board for the remainder of the member's term as a public member of the board.

15 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill changes the composition of the board of real estate appraisers, establishes grievance and complaint and penalty procedures, and makes various technical changes regarding the professional regulation of real estate appraisers.

Rep. Peterson declared a conflict of interest and did not participate.

SB 54-FN, relative to gainful occupation of disability beneficiaries in the New Hampshire retirement system. **OUGHT TO PASS WITH AMENDMENT**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill as amended by the committee will make three changes in RSA 100-A. Section 1 sets the time frame when final compensation must be paid to be included as earnable compensation for determining the average final compensation. Section 2 adjusts the method of calculating the amount of allowable earnable compensation for a disability beneficiary of the retirement system using the consumer price index. Section 3 (Chap. 270:4, I 1995) extends to July 1, 2000, the provisions for teachers who equally share a job-sharing position with another teacher. The provision is due to expire on July 1, 1997, but should be extended for another 3 years. Vote 16-0.

Amendment (1291h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to earnable compensation after termination, creditable service for job-sharing teachers, and gainful occupation of disability beneficiaries in the New Hampshire retirement system.

Amend the bill by replacing all after the enacting clause with the following:

1 Definition of Earnable Compensation; Limitation on Compensation Paid After Termination.

Amend RSA 100-A:1, XVII to read as follows:

XVII. "Earnable compensation" shall mean for all members the full base rate of compensation paid plus any overtime pay, holiday and vacation pay, sick pay, longevity or severance pay, cost of living bonus, additional pay for extracurricular and instructional activities or for other extra or special duty, and other compensation paid to the member by the employer, plus the fair market value of non-cash compensation such as meals or living quarters if subject to federal income tax. However, earnable compensation in the final 12 months of creditable service prior to termination of employment shall be limited to 1-1/2 times the higher of the earnable compensation in the 12-month period preceding the final 12 months or the highest compensation year as determined for the purpose of calculating average final compensation, but excluding the final 12 months. Any compensation received in the final 12 months of employment in excess of such limit shall not be subject to member or employer contributions to the retirement system and shall not be considered in the computation of average final compensation. Provided that, the annual compensation limit for members of governmental defined benefit pension plans under section 401(a)(17) of the United States Internal Revenue Code of 1986, as amended, shall apply to earnable compensation for all employees, teachers, permanent firemen, and permanent policemen who first become eligible for membership in the system on or after July 1, 1996. *Earnable compensation shall not include any compensation in any form paid later than 120 days after the member's termination of employment from a retirement eligible position.*

2 Gainful Occupation; Current Comparable Compensation. Amend RSA 100-A:6, III(b) and (c) to read as follows:

(b)(1) If the board of trustees finds that any disability beneficiary is engaged in or is able to engage in a gainful occupation paying more than the difference between [his] *the beneficiary's* retirement allowance and the ~~[annual amount of compensation currently payable for the job classification last held by the beneficiary prior to his disability retirement]~~ *current comparable compensation*, then [his] *the beneficiary's* state annuity may be reduced to an amount which, together with [his] *the* member annuity and the annual amount earnable ~~[by him]~~, is equal to the ~~[annual amount of compensation currently payable for the job classification last held by the disabled beneficiary]~~ *current comparable compensation*. Such reduction shall not be made if the disabled beneficiary demonstrates to the satisfaction of the board of trustees that the annual compensation currently earnable ~~[by him]~~ does not exceed the difference between [his] *the beneficiary's* retirement allowance and the ~~[annual amount of compensation currently payable for the job classification which he last held prior to his disability retirement]~~ *current comparable compensation*. If [his] *the beneficiary's* earning capacity is later changed, [his] *the* state annuity may be further modified; provided that the new state annuity shall not exceed the amount of the state annuity originally granted nor an amount which, when added to the amount earnable ~~[by him]~~, together with [his] *the* member annuity, equals the ~~[annual amount of compensation currently payable for the job classification last held prior to his disability retirement]~~ *current comparable compensation*.

tion. It shall be the responsibility of the disability beneficiary to file with the board of trustees, annually on a date determined by the board, proof of the annual amount of compensation currently earnable [by him] and of the [annual amount of compensation currently payable for the job classification last held by him prior to his disability retirement] *current comparable compensation*.

(2) For purposes of this subparagraph, "*current comparable compensation*" means the greater of:

(A) The annual amount of compensation currently payable for the job classification last held by the beneficiary prior to disability retirement; or

(B) The beneficiary's average final compensation increased by an amount for each year since disability retirement calculated using the Consumer Price Index for All Urban Consumers (CPI-U) as determined by the Bureau of Labor Statistics.

(c) Except for payments made under RSA 281-A:37 or compensation which is not *earnable compensation under RSA 100-A:1, XVII*, any amounts which may be paid or payable to or on account of any member or retired member on account of any disability to which the employer has made contributions under the provisions of any workers' compensation or similar law or plan shall, in such manner as the board of trustees shall determine, be offset against and payable in lieu of any state annuity on account of the same disability.

3 Creditable Services; Teacher Job Sharing; Prospective Amendment Extended. Amend 1995, 270:4, I to read as follows:

I. Section 3 of this act shall take effect July 1, [1997] 2000, at 12:01 a.m.

4 Funding. Any increase in retirement system pension liabilities due to an increase in the state annuity payable to a disability beneficiary pursuant to section 2 of this act shall at the option of the board of trustees of the retirement system, either be terminally funded from the special account established by RSA 100-A:16, II(h) or funded by an increase in the normal contribution rate as determined by the actuary.

5 Effective Date.

I. Section 3 of this act shall take effect upon its passage.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

(a) Excludes from *earnable compensation* any compensation paid later than 120 days after a retirement system member's termination of employment.

(b) Extends the statutory provision granting full creditable service for the amount of actual pay for teachers in a job-sharing position for 3 years.

(c) Changes the method for determining the allowable gainful occupation for a disability beneficiary of the retirement system.

Referred to Finance.

SB 124, relative to the imposition of fines by the state board of licensure for land surveyors. OUGHT TO PASS WITH AMENDMENT

Rep. Robert K. Dodge for Executive Departments and Administration: The committee agrees that the state board of licensure for land surveyors should have the authority to impose administrative fines. However, the amounts requested have been amended to conform to the same level of fines assessed by other boards. Vote 16-0.

Amendment (1062h)

Amend RSA 310-A:70, III(e) as inserted by section 1 of the bill by replacing it with the following:

(e) By assessing administrative fines not to exceed \$2,000 per violation or, in the case of continuing violations, \$100 for each day the violation continues, whichever would be greater.

AMENDED ANALYSIS

This bill gives the state board of licensure for land surveyors the authority to impose administrative fines up to \$2,000 per violation or \$100 per day for continuous violations, whichever would be greater.

SB 212-FN, declaring a member of the retirement system on leave under the Family and Medical Leave Act to be in service for purposes of death or disability benefits. OUGHT TO PASS

Rep. Rep. Myron S. Steere, III for Executive Departments and Administration: This bill will close a loophole in the present retirement statute and allow those on leave under the federal Family and Medical Leave Act to apply for disability retirement or death benefits. While on this type of leave, this is needed because while on family and medical leave if the individual is not making contributions to the New Hampshire Retirement System, he or she is not eligible for benefits. At the present time, those on disability leave and not making contributions are eligible for benefits within a definitive time. This will extend that privilege to those on family and medical leave. The federal Family and Medical Leave Act is well defined and sets out proper guidelines for implementation. Vote 14-0.

Referred to Finance.

SB 47-FN, continuing the marital guardian ad litem recovery program in the unit of cost containment, office of the commissioner of administrative services. **OUGHT TO PASS**

Rep. Margaret A. Lynch for Finance: This bill allows for the continuation of a very successful pilot program to recoup monies owed the state for the operation of the guardian ad litem program. Vote 17-0.

SB 64-FN-A, exempting motor fuel used for automobile racing from road toll taxation. **OUGHT TO PASS**

Rep. Charles L. Vaughn for Finance: Automobile racetrack facilities which sell or dispense autoracing fuel – 105 octane or higher – are entitled to apply for a refund from the road toll tax. In addition, the bill reduces administrative costs for the Department of Revenue Administration making one payment to motorsport facilities rather than hundreds of applicants seeking refunds. Decreased state highway revenue: \$15,000. Vote 17-0.

SB 75-FN, regulating beer festivals and requiring beer festival promoters to obtain a single event license for a fee from the liquor commission to hold a beer festival. **OUGHT TO PASS**

Rep. Arthur P. Klemm, Jr. for Finance: This bill creates a beer festival license which will allow microbrewers to test market new products which have not already been introduced to the marketplace. The festival promoters are required to obtain a single-event license and pay a fee to the commission for such a license. This license is supplemental to the one they already have. Vote 16-0.

SB 80-FN-A, excluding certain transfers from payment of the real estate transfer tax. **RE-REFER TO COMMITTEE**

Rep. David J. Alukonis for Finance: The revisions intended by this Senate bill are similar to those found in HB 245 which the House has re-referred to the Finance Committee. As such, the committee believes that this bill should also be re-referred for further study. Vote 17-0.

SB 176-FN, relative to late payment of the legacies and successions tax. **OUGHT TO PASS**

Rep. Sandra K. Dowd for Finance: Currently the state will not accept payment of the total legacies and successions tax due until the estate is settled, a process which frequently takes at least a year. However, if that is not done within nine months of death, penalties accrue. This bill allows a person to make an estimated tax payment of 90% of the total tax due and avoid further penalties. Vote 17-0.

SB 183-FN, relative to liquor licenses for a sports/entertainment complex. **OUGHT TO PASS**

Rep. Arthur P. Klemm, Jr. for Finance: The committee found that there is minimal fiscal impact to the state. Vote 17-0.

SB 13, relative to continuing education for claims adjusters. **INEXPEDIENT TO LEGISLATE**

Rep. Richard E. Dolan for Labor, Industrial and Rehabilitative Services: The committee feels that the present law is adequate to ensure the proper training of insurance adjusters, absent any claims of the adjusters being limited in their ability to perform their jobs. Vote 14-1.

SB 36, relative to incarcerated convicted persons receiving workers' compensation payments. **OUGHT TO PASS WITH AMENDMENT**

Rep. George D. Murch, III for Labor, Industrial and Rehabilitative Services: This bill as amended permits the Department of Corrections to pursue "cost of care" claims against workers' compensation payments being made to any person who becomes incarcerated due to a conviction. Claims under this provision are for indemnity payments only and exclude medical and remedial care. The committee voted unanimously in favor of this bill as amended. Vote 15-0.

Amendment (1223h)

Amend the bill by replacing section 1 with the following:

1 Reference Added; Exception Added. Amend RSA 281-A:52, I to read as follows:

I. Claims for compensation under this chapter shall not be assignable, and the compensation and any claim for compensation shall be exempt from all claims of creditors except as provided in this section *and in RSA 622:53-58*. Claims for payment by physicians, hospitals, and for other remedial care chargeable to the employee and rendered in connection with a compensated injury and claims of attorneys for services rendered an employee in prosecuting a claim under this chapter, when approved by the superior court, may be enforced against the compensation award in such manner as the superior court may direct.

AMENDED ANALYSIS

This bill clarifies the authority of the state to attach an incarcerated, convicted person's workers' compensation indemnity benefits to pay for the cost of such inmate's care.

SB 98-FN, relative to the submission of youth employment certificates to employers. **OUGHT TO PASS WITH AMENDMENT**

Rep. Rebecca C. Hutchinson for Labor, Industrial and Rehabilitative Services: This bill gives employers three days to obtain the youth employment certificates from new employees. Vote 15-0.

Amendment (1198h)

Amend RSA 276-A:5, V as inserted by section 1 of the bill by replacing it with the following:

V. Certificates shall be obtained by an employer within 3 business days of the first day of employment. Copies of certificates shall be kept on file by all employers of youths.

AMENDED ANALYSIS

This bill requires that youth employment certificates be obtained by the employer within 3 days of the first day of employment.

SB 44, establishing a committee to study the building of a state-owned liquor store in the city of Keene. **OUGHT TO PASS**

Rep. Stephen G. Avery for Local and Regulated Revenues: This bill establishes a study committee to review the possibilities of establishing a state-owned liquor store in the city of Keene. Vote 14-0.

SB 16, relative to drinking water rules for public water systems. **OUGHT TO PASS WITH AMENDMENT**

Rep. H. Charles Royce for Resources, Recreation and Development: This bill is a request from the Department of Environmental Services. The bill authorizes the Commissioner of DES to adopt rules to protect long-term quality of public drinking water systems. The amendment clarifies what sections under the Safe Drinking Water Act was reauthorized in 1996. This bill will help our small public water systems, both in towns or held privately, to obtain low interest loans for improvements. Vote 10-0.

Amendment (1058h)

Amend RSA 485:3, XI as inserted by section 1 of the bill by replacing it with the following:

XI. The commissioner may adopt rules to ensure long-term viability of public drinking water systems as required by section 119 of the federal Safe Drinking Water Act Amendments of 1996, 42 U.S.C. section 300g-9 to qualify for full eligibility for federal and state revolving fund capital grants.

SB 153, requiring a check-off box on a driver's license application form relative to having the social security number indicted on the driver's license. **OUGHT TO PASS WITH AMENDMENT**

Rep. Ralph L. Akins for Transportation: This bill and amendment requires that driver's license applications include check-off boxes allowing the applicant to indicate whether the applicant wishes to provide his or her social security number, whether the applicant wishes that the social security number not be printed on the license, and whether the applicant wishes that his or her photograph not be retained by the department of safety. These options are presently available to applicants under current law and part of the application process. The committee recognized that by adding the check-off boxes to the application form would make processing the applications more convenient and efficient for both the applicant and the department. Vote 14-0.

Amendment (1203h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to driver's license application forms.

Amend the bill by replacing all after the enacting clause with the following:

1 Social Security Number; Driver's License Applicant's Options. The section heading of RSA 263:40-a and RSA 263:40-a, I are repealed and reenacted to read as follows:

263:40-a Social Security Numbers; Application Form Options.

I. The application form for a driver's license or a renewal of a driver's license may request the social security number of the applicant. An applicant for a renewal of a driver's license who is a resident of New Hampshire shall be given the opportunity to determine whether to provide the social security number. The application form shall include a box to check off if the applicant does not wish to provide his or her social security number pursuant to this paragraph, a box to check off if the applicant does not wish to have his or her social security number appear on the license, and a box to check off if the applicant does not wish to have his or her computerized image, likeness, or photograph retained in the records of the department of safety.

2 Purpose. The purpose of this act is to change the purpose of the increase of drivers' license fees made in 1991, 347:10, for the establishment of an on-line imaging system for driver licensing, so that an applicant may elect to have the department of safety not retain his or her image, likeness, or photograph in the records of the department.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires that driver's license applications include check-off boxes allowing the applicant to indicate whether the applicant wishes to provide his or her social security number, whether the applicant wishes that the social security number not be printed on the license, and whether the applicant wishes that his or her image, likeness, or photograph not be retained by the department of safety.

REGULAR CALENDAR

SB 18, relative to the sale of certain items at flea markets. **OUGHT TO PASS WITH AMENDMENT**

Rep. Keith R. Herman for Commerce: This is a consumer protection bill which ensures that people do not sell merchandise at flea markets which has an expiration date that has expired. The bill establishes an enforcement and fine mechanism. Vote 12-3.

Amendment (1200h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Sale of Certain Items. Amend RSA by inserting after chapter 358-P the following new chapter:

CHAPTER 358-Q**SALE OF CERTAIN ITEMS**

358-Q:1 Restriction on Sale of Certain Items.

I. In this section "flea market" means any location other than a permanent retail store at which space is rented or otherwise made available to others for the conduct of business as transient or limited vendors. This term shall not include those persons who sell by sample, catalog, or brochure for future delivery, or those persons who make sales presentations pursuant to a prior invitation issued by the owner or the legal occupant of the premises.

II. No person shall sell, offer for sale, or permit the sale at any flea market of the following products with an expiration date that has passed.

(a) Infant formula or food manufactured and packaged solely for sale and consumption by a child under 2 years of age.

(b) Drugs, devices, and cosmetics as defined in RSA 146.

III. Any other product being offered for sale at a flea market beyond the expiration date shall be clearly marked indicating that the sale expiration date has passed and should be noted by the buyer.

IV. Any person who violates any provisions of this chapter shall be punished by a fine of up to \$100 for each violation.

358-Q:2 Enforcement. In addition to the penalty under RSA 358-Q:1, IV, any violation of the provisions of this chapter shall constitute an unfair or deceptive act or practice within the meaning of RSA 358-A:2. Any right, remedy or power set forth in RSA 358-A may be used to enforce the provisions of this chapter. The department of justice shall maintain and make available for inspection a record of the violations of this chapter.

2 Effective Date. This act shall take effect January 1, 1998.

SB 94-L, relative to the financing of the New Hampshire civic center commission. **OUGHT TO PASS WITH AMENDMENT**

Rep. Tara G. Reardon for Commerce: This highly controversial bill was the subject of numerous subcommittee meetings that were well attended by both proponents and opponents. The subcommittee, and the committee as a whole, considered several amendments that attempted to loosen the restrictions enacted by the Legislature last year. Ultimately, the committee agreed that we could not craft a solution, nor should we. This is a matter of local control. The committee believes that the civic center development is a positive step in the rehabilitation of Concord's opportunity corridor, but no legislation can assure that will happen. The financing of the Concord Civic Center should be decided by the 15-member city council and their constituents, in consultation with the City of Concord's professional staff. Therefore, the committee removes the Legislature from the debate and turns the matter over to the city to solve this matter, as it sees fit. Vote 14-4.

Amendment (1301h)

Amend the title of the bill by replacing it with the following:

AN ACT repealing the New Hampshire civic center commission.

Amend the bill by replacing all after the enacting clause with the following:

1 Repeal. 1996, 184, relative to the New Hampshire civic center commission, is repealed.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill repeals the New Hampshire civic center commission.

Adopted.

Report adopted and ordered to third reading.

SB 203-FN-L, deleting the state prison and adding county correctional facilities to the provisions relating to incarcerated educationally disabled children. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. William A. Riley for the Majority of Education: Federal Law requires that special education services be provided for those incarcerated youths who are eligible. SB 203 directs which town pays for those services. The amendment also restores "state prisons" to the bill to insure the provision of special education services. Vote 13-2.

Rep. Michael Marcinkowski for the Minority of Education: This bill is premature in that the House passed SB 155 directing the state Department of Education to develop a plan to comply with the Federal Individuals with Disabilities Education Act on the subject of special education for youths in county or state correctional facilities. That plan should address all of the pertinent issues.

Amendment (1221h)

Amend the title of the bill by replacing it with the following:

AN ACT adding county correctional facilities and making other technical changes to the provisions relating to incarcerated educationally disabled children.

Amend the bill by replacing all after the enacting clause with the following:

1 County Correctional Facilities Added. Amend RSA 186-C:19-a to read as follows:

186-C:19-a Educationally Disabled Children at the Youth Development Center, the State Prison, *County Correctional Facilities*, and the Youth Services Center.

I. For an educationally disabled child at the youth development center ~~[or]~~, the state prison, *county correctional facilities*, or who is placed at the youth services center maintained by the department of youth development services while awaiting disposition of the court following arraignment pursuant to RSA 169-B:13, the school district responsible for the development of ~~[an]~~ *that child's* individualized education plan *and the child's special educational expenses* shall be as follows:

(a) If such child is in the legal custody of the parent, the school district in which the child's parent resides *at the time the child was physically placed at the youth development center, state prison, county correctional facility, or youth services center*, shall be responsible.

(b) If such child is not in the legal custody of the parent or if the parent *with legal custody* resides outside the state, the *New Hampshire* school district in which the child ~~[most recently]~~ *resided at the time the child was physically placed at the youth development center, state prison, county correctional facility, or youth services center*, other than in a state institution, home for children or health care facility as defined in RSA 193:27 shall be responsible.

~~[(c)]~~ *III. For the purposes of this section, a parent shall not have legal custody if legal custody has been awarded to some other person or agency, even if that parent retains residual parental rights. An award of legal custody by a court of competent jurisdiction, in this state or in any other state, shall determine legal custody under this section.*

~~[H-The]~~ *III. For the purposes of this section, a school [district] district's liability for special educational expenses for an educationally disabled child in the youth development center, [or] the state prison, county correctional facilities, or who is placed in the youth services center while awaiting disposition of the court following arraignment pursuant to RSA 169-B:13, shall not exceed the state average elementary cost per pupil, as determined by the state board of education for the preceding school year.*

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill adds county correctional facilities and makes certain technical changes to the provisions relating to incarcerated educationally disabled children.

Adopted.

Majority report adopted and referred to Finance.

CACR 13, relating to the governor's veto power. Providing that the governor shall have line item reduction and line item veto power of items in any bill making appropriations of money. **INEXPEDIENT TO LEGISLATE**

Rep. Kenneth L. Weyler for Finance: The balance of power among the three branches of government is carefully devised. Yet, it is still in a constant state of flux. This amendment will unduly increase the power of the governor to the detriment of the legislature. Vote 14-3.

Adopted.

SB 41, relative to the time for filing requests for a hearing with the department of labor concerning violations of the whistleblower protection act. **OUGHT TO PASS WITH AMENDMENT**
Rep. Robert E. Clegg, Jr. for Labor, Industrial and Rehabilitative Services: This bill concerns the "whistleblowers" protection act. An employee will have six months from the date of the last infraction by the employer to file a complaint. Vote 11-4.

Amendment (1050h)

Amend the bill by replacing section 1 with the following:

1 New Section; Whistleblower Protection Act; Complaints Required to be Filed Within 6 Months.

Amend RSA 275-E by inserting after section 4 the following new section:

275-E:4-a Statute of Limitations. A request by an employee for a hearing pursuant to RSA 275-E:4 must be filed with the department within 6 months of the date that the discharge, last threat or other discrimination by the employer occurred.

AMENDED ANALYSIS

This bill requires that requests for a hearing by employees under the whistleblower protection act be filed within 6 months from the date of the discharge, last threat or other discrimination by the employer. Rep. Cushing spoke against.

Rep. Clegg spoke in favor and yielded to questions.

On a division vote, 197 members having voted in the affirmative and 135 in the negative, the amendment was adopted.

Report adopted and ordered to third reading.

SB 143, authorizing a municipality to change the date for filing for an elderly exemption. **OUGHT TO PASS**

Rep. Richard Noyes for Local and Regulated Revenues: A revision of the elderly exemption structure in 1995 made several changes that are only now being felt. One of those changes may seriously impede the setting of tax rates and the orderly administration of the property tax. The cities of Nashua and Manchester have already felt these adverse effects. This bill is enabling legislation which permits any town or city, if it wishes, to set a different deadline for filing for elderly exemptions to correct those problems. The committee believes these problems, created by the 1995 bill, are serious enough and clear enough to warrant giving towns and cities the option of a compromise correction now. Vote 14-3.

Adopted and ordered to third reading.

SB 19, establishing a committee to study the environmental impact of businesses extracting water from state's resources for sale. **OUGHT TO PASS WITH AMENDMENT**

Rep. Sidney Lovett for Resources, Recreation and Development: This bill establishes a committee to study the impact on property owners and the state's resources of water withdrawals by businesses extracting the state's water for sale. Vote 15-2.

Amendment (0980h)

Amend the bill by replacing section 3 with the following:

3 Duties. The committee shall examine the impact on property owners and the state's resources of water withdrawals by businesses extracting the state's water for sale.

Amend the bill by replacing section 5 with the following:

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the senate president, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 1998.

Adopted.

Report adopted and ordered to third reading.

SB 112, establishing a commission on environmental programs. **INEXPEDIENT TO LEGISLATE**

Rep. Edwin O. Smith for State-Federal Relations and Veterans Affairs: After considerable debate, the committee agreed to set up an internal house committee under House Rule 30. This Senate bill may have some merit, and pursuing it in this more informal manner allows the concept to form sooner and be more flexible. We will call upon the expertise of other house committees as well as Senate input to help achieve a balanced approach. Vote 13-5.

Rep. Edwin Smith yielded to questions.

Adopted.

REMARKS

Rep. Trelfa moved that the questions and responses relative to Senate Bill 112, be printed in the Journal.

Adopted.

Rep. Amanda Merrill: Thank you Madam Speaker. Rep. Smith, I have a couple of questions to clarify the intent of the Committee with regard to this bill. My understanding was that the bill would have created a commission made up of legislators, administrative agency personnel and others to keep abreast of changes in federal environmental program and make recommendations about how to deal with those at the state level. I wonder if you could just clarify the make-up of the committee that your committee is suggesting and also the mechanism whereby that committee will keep up with what is going on at the federal level.

Rep. Edwin Smith: Rep. Merrill, we are going to have a committee made up, at least at this point it looks like it will be three people from State-Federal and Veterans Affairs, and under Rule 30 our charge is to look at any potential action by Congress, to maintain communication with Congress; through that we will find out what is going on in Washington and be able to address any issues that come up. There are going to be two members from the Environment and Agriculture Committee. Their charge is to look at the environment in any way other than air and water. There will be two members from the Science, Technology and Energy Committee which has the charge, under the Rules, for the air quality. There will be two members from Commerce. The Commerce Committee has the charge of being interactive with business and so forth so we can find out how they interact with the environmental changes. There will be two members from Resources, Recreation and Development and their charge is water quality. Each committee chairman has been approached and will be appointing two committee members to the committee and we will keep up with what is going on in Washington through the departments that each one of these committees have a rapport within the executive branch and also with the congressional end of it from our own committee membership.

Rep. Trelfa: Thank you, Madam Speaker. Thank you, Rep. Smith. This bill is primarily sponsored by the Senate. Is there any reason why you are not going to have some Senate representation on such a committee?

Rep. Edwin Smith: My idea is not to exclude the Senate. They have quite an agenda and we will find out who the person is that wants to be informed on the Senate side and we will keep them abreast of what is going on and keep them informed but they do not have to send a representative to it. They do have the option if they want to.

REGULAR CALENDAR (CONT'D.)

SB 63-FN, relative to access to motor vehicle records. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Reps. Sherman A. Packard and Robert J. Letourneau for the Majority of Transportation: The committee recognizes that consumer based fraud is a growing problem, and costs New Hampshire consumers and businesses \$80 million a year, including what it cost the state to investigate, arrest, prosecute and incarcerate these criminals. To address this problem, the majority of the committee voted to authorize the Department of Safety to release certain specific information on individual driver's licenses or non-driver ID cards in limited circumstances to qualified entities engaged in the business of preventing identity-based fraud.

The information released will be used to verify the identity of the person applying for service or engaging in the transaction, thus discouraging those persons who are committing check and credit card fraud by providing a brief digitized image at the point of service. No other information will be available at the point of service.

The committee amendment acknowledges and addresses important privacy concerns by providing various opportunities for holders of driver's licenses and ID cards to "opt-out". This prevents the release of their personal information by the DOS. An initial mailing by the DOS will be required to give personal notice to all drivers and holders of ID cards in the state about the identity-based fraud program and to provide a check-off box for those persons who would elect not to have their information released. The amendment provides for further "opt-out" opportunities for all individuals at the time of driver's license renewal, automobile registration renewal, and at all points of service where the information would be used to verify identity. Additionally, the department is allowed to develop other reasonable "opt-out" methods.

The amendment is very specific in the use of any released data to assure that such use meets the strict limits of this bill and authorizes the DOS to randomly audit the use of such released data. Additionally, all data must be encrypted to prevent unauthorized access. Further, the amendment clarifies the title or interest of this data by specifying that requesting entity is entitled only to specific uses of the personal information. The language of the amendment also guarantees that the department of safety will not be responsible for any cost, the requesting entity shall pay in advance for all expenditures.

This legislation has the support of law enforcement officials and Mothers Against Drunk Drivers (MADD) because of its ability to prevent sale of alcohol to minors, another major problem in identity-based fraud. Vote 12-6.

Reps. Ralph L. Akins, Philip M. Ackerman, Brenda L. Ferland, Robert J. Haley, Peter F. Leonard and John S. Langone for the Minority of Transportation: The minority of the committee strongly feels that this bill should be voted Inexpedient to Legislate. Personal and private information should be protected by the state of New Hampshire. Drivers' photographs and social security numbers are entrusted to the state to enforce motor vehicle laws and should not be sold or released. The bill requires us to sign and mail in an exclusion document to avoid having our picture and social security number given to a private company to sell. Once name and picture are in a privately held digital database, they can be sorted and grouped by age, sex or race. This bill in effect allows one company access to drivers' records and photographs and excludes other businesses, such as banks, retailers, insurance companies, which must pay this company a fee. We believe that's a poor precedent to set.

Amendment (1195h)

Amend the bill by replacing all after the enacting clause with the following:

I Purpose.

I. Identity-based fraud is costly to New Hampshire consumers, businesses and governmental entities.

II. Development of technology which allows for instant verification of a person's identity through the use of photographs may assist in the reduction of identity-based fraud.

III. In allowing qualified businesses access to certain records maintained by the department of safety and contained in driver licenses and non-driver identification cards for the sole purpose of reducing identity-based fraud, the state satisfies a legitimate state interest.

2 New Subparagraph; Availability of Personal Information. Amend RSA 260:14, V by inserting after subparagraph (b) the following new subparagraph:

(c) Notwithstanding any other provision of law, an applicant's specific personal information may be made available by the department in accordance with this subparagraph.

(1) The department shall, after entering into a contract with the requesting entity based on terms and conditions satisfactory to the department and consistent with RSA 260:14,V(c), provide a requesting entity with an applicant's specific personal information upon proof of the identity of the requesting entity and the representation of the requesting entity, in a form satisfactory to the department, that such requesting entity and the use of the specific personal information by such requesting entity satisfy each of the following conditions:

(A) The requesting entity is engaged in the business of providing to third parties mechanisms to reduce or prevent identity-based fraud such as mechanisms to (i) provide information to verify the proper use of credit cards, debit cards, checks, and such other forms of financial transactions as may be approved by the commissioner; (ii) prevent the fraudulent use of credit cards, debit cards, checks and such other forms of financial transactions as may be approved by the commissioner; or (iii) prevent identity-based application fraud.

(B) The requesting entity has a place of business in New Hampshire and agrees in writing at the time the request for such specific personal information is made that the requesting entity will be subject to the jurisdiction of the state of New Hampshire. Any agreements entered into by the department regarding disclosure of such specific personal information shall be construed according to the laws of New Hampshire.

(C) Any specific personal information provided to the requesting entity shall be used solely to verify the identity of the holder of an account or of the person as the applicant by use of the photograph or digitized image, name, and address of the applicant provided to the requesting entity by the department. All specific personal information, other than the photograph or digitized image, name, and address, shall be used by such person only to correlate the photograph or digitized image, name, and address of the applicant with the applicant's account or identification. Under no circumstances shall any specific personal information of the applicant, other than the photograph or digitized image, be available or recorded at the point of service.

(D) All specific personal information received by such requesting entity from the department shall be encrypted by such requesting entity and protected from access or use by any other person. The department may audit the storage and use of the specific personal information provided to the requesting entity, and the requesting entity shall facilitate the audit. No such requesting entity shall sell, rent, transfer, or otherwise make available such specific personal information to another person except for the purpose set forth in RSA 260:14, V (c)(1)(C).

(E) Upon dissolution of the requesting entity, in which the requesting entity, its successors and assigns, cease operation of its business, no transfer of any equipment of the requesting entity shall occur unless all specific personal information is deleted from such equipment.

(F) In the event of any sale, purchase, merger, acquisition, reorganization, or any other transfer of the requesting entity or the business of the requesting entity, such buyer, purchaser, survivor, acquirer, reorganized entity, or other transferee shall be subject to the provisions or RSA 260:14,V(c).

(G) Prior to the release by the department of any specific personal information of an applicant pursuant to subparagraph V(c), the requesting entity shall give personal notice in the form of an individually-addressed letter or postal card mailed by the department to each applicant via first-class U.S. mail or bulk mail with re-routing. The notice shall state that the requesting entity is seeking this specific personal information from the department for the purpose set forth in subparagraph V(c). The individually-addressed letter or postal card shall afford each applicant the opportunity, in the form of a check-off box, to notify the department that the applicant elects not to have specific personal information disclosed for such purpose. Upon receipt of such notification, the department shall not release specific personal information of such applicant. The form and content of the individually-addressed letter or postal card shall be approved by the department.

(H) The requesting entity shall pay in advance all costs of the notices required under subparagraph V(c)(1)(G), including all mailing costs, and shall pay in advance all other reasonable costs incurred in providing the specific personal information to the requesting entity, including, but not limited to, all reproduction, transmission and assembly costs related to the request for the specific personal information and the delivery of the information to the requesting entity. The department is authorized to expend the moneys for the purpose for which they are received.

(I) The requesting entity shall be required by the department to maintain for a period of not less than 5 years records identifying each access of an applicant's specific personal information and make such records available to the department upon request.

(J) The department may release specific personal information to the requesting entity 30 calendar days after the mailing of the notice pursuant to RSA 260:14,V(c)(1)(G). The department shall specify on the notice a date for the return of the election not to have specific personal information disclosed for the purpose set forth in subparagraph V(c).

(2) An applicant shall be provided opportunities to make the following elections:

(A) Application forms for a driver's license, a renewal of a driver's license, or a non-driver identification card shall provide each applicant the opportunity, in the form of a check-off box, to notify the department that the applicant elects not to have specific personal information disclosed for the purpose set forth in subparagraph V(c). The instructions for the check-off box shall be provided in a clear, simple, and conspicuous manner.

(B) The department shall provide and post clear, simple and conspicuous notice of the opportunity for an applicant to elect not to have specific personal information disclosed for the purpose set forth in subparagraph V(c) at each of its offices at which it requests specific personal information. The department shall also request that the same be done by municipal agents of the department appointed pursuant to RSA 261:74-a. Wherever such notices are posted, the department shall make available forms containing a check-off box for the purpose of making this election. The department and its municipal agents shall accept such forms only after verification of the identity of the applicant.

(C) Each entity which has one or more points of service which uses mechanisms to reduce or prevent identity based fraud shall provide clear, simple, and conspicuous notice to its customers that they may elect not to have their specific personal information disclosed by the department.

(D) The department may adopt other reasonable procedures to allow an applicant to have his or her specific personal information retained by the department and shall adopt procedures by which an applicant may reverse his or her election.

(3) The requesting entity shall be given the opportunity to have an educational packet mailed by the department to all applicants who have elected not to have specific personal information disclosed for the purposes set forth in subparagraph V(c). The educational packet may include information about the intended purpose for which an applicant's specific personal information will be used by the requesting entity and an election opt-in form. The applicant shall not be required

to return any form to the department except in the event that the applicant wishes to reverse a prior election not to have specific personal information disclosed. The educational packet shall include an explanation and disclaimer by the department indicating that the department takes no official position on the identity-based fraud detection program offered by the requesting entity. The requesting entity shall pay in advance all costs of the educational packets, including costs of mailing the packets and processing the opt-in forms.

(4) The department shall make no further release under subparagraph V(c) of the specific personal information of an applicant who makes an election under subparagraphs V(c)(1) or (2) unless such applicant changes such election pursuant to RSA 260:14, V(c)(3) or makes an election in writing and his or her identity is verified by the department or its municipal agent. The department shall notify the requesting entity of those applicants who have made such an election, and such requesting entity shall forthwith remove from its records the specific personal information provided by the department and shall retain no list of such applicants.

(5) No person shall refuse to engage in a financial transaction with another person, deny service to another person, deny credit to another person, or refuse to do business with another person solely because some or all of the other person's specific personal information does not appear on the mechanism to reduce or prevent identity-based fraud.

(6) Nothing in RSA 260:14, V(c) shall be construed in such a manner as to vest a requesting entity with any right, title, or interest in the specific personal information of an applicant beyond the specific uses and purposes prescribed under the subparagraph.

(7) For the purposes of this subparagraph V(c), the following definitions shall apply:

(A) "Applicant" means the individual whose specific personal information is in the possession of the department and is being requested by a requesting entity qualified under subparagraph V(c).

(B) "Election opt-in form" means an official form approved by the department and included in the educational packet for purposes of RSA 260:14, V(c)(3).

(C) "Holder" and "holder of the account" mean the individual in whose name a credit card account, debit card account, checking account, or other financial account is maintained.

(D) "Mechanisms to reduce or prevent identity-based fraud" means devices linked to a computer system which, when activated at the point of service, produce only a photograph or digitized image of the applicant whose account has been activated at the point of service and such photograph or digitized image allows for verification that the person seeking the service or making application is the holder of the account, is an authorized user of the account of such person, or is the person.

(E) "Specific personal information" means an applicant's name, address, photograph or digitized image, subject to the extent that such applicant has otherwise elected not to have such information disclosed, driver's license number or non-driver's identification card number, and the last 4 digits of an applicant's social security number, if the social security number is shown on the applicant's driver's license or non-driver identification card.

(F) "Requesting entity" means the individual, person, corporation, partnership, limited liability company, or other entity which requests access to specific personal information and is qualified pursuant to RSA 260:14, V(c).

3 Effective date. This act shall take effect upon its passage.

Reps. Akins and Ferguson spoke against and yielded to questions.

Reps. Packard and Letourneau spoke in favor and yielded to questions.

Rep. Below spoke against.

Rep. Lozeau spoke in favor.

Rep. Mercer requested a roll call; sufficiently seconded.

The question being the adoption of the amendment.

and the amendment failed.

Rep. Carson declared a conflict of interest and did not participate.

The question now being Ought to Pass.

Ought to Pass failed.

Rep. Ferguson moved Inexpedient to Legislate.

Adopted.

INDEFINITE POSTPONEMENT

Rep. Ferguson moved that **SB 63**, relative to access to motor vehicle records, be indefinitely postponed.

Adopted.

REGULAR CALENDAR (CONT'D.)

SB 113, establishing a committee to study health care issues related to individuals who are underinsured or without insurance **INEXPEDIENT TO LEGISLATE**

Rep. Martha Fuller Clark for Commerce: All the members of the committee recognize the need for the legislature to have a better understanding of health care issues related to individuals who are underinsured or without insurance, particularly continually rising premiums and with the expansion of managed care as the dominant form of health insurance in the state. It is the stated intention of the committee, using **SB 122** as a vehicle, to establish a legislative study committee which will address several critical questions regarding health care insurance in New Hampshire, including availability access, cost and quality of care. Clearly, the issue of the underinsured and the non-insured will be a key component of this study. Therefore, **SB 113** is no longer necessary. Some members of the committee were concerned that folding the intent of this legislation into another bill will minimize the importance of this very critical issue and would prefer to have had this legislation go forward as introduced. Vote 15-3.

Rep. Hunt moved Recommit to Committee and spoke in favor.

Adopted.

SB 139, authorizing banks to invest trust funds in bank-affiliated investments. **OUGHT TO PASS WITH AMENDMENT**

Rep. Keith R. Herman for Commerce: This bill brings New Hampshire into conformity with every other state by expanding a trustee's scope of investment opportunities to include certain mutual funds. In so doing, trust funds can benefit from greater asset diversification and economies of scale. To prevent potential abuses, the bill contains stringent provisions for mandatory disclosure, non-layering of fees, and retention of fiduciary duties. Vote 17-0.

Rep. Hunt moved Recommit to Committee and spoke in favor.

Adopted.

SB 190, exempting insurance companies newly located in New Hampshire from having to make payments to the administration fund during their first 3 years in the state and relative to investments by insurance companies in mutual funds. **INEXPEDIENT TO LEGISLATE**

Rep. David T. Mittelman for Commerce: Regarding the first part of the bill, the committee does not feel this exemption will have a significant impact in attracting new insurance companies; administrative fund payments rank near the bottom of reasons for an insurance company located in-state. Regarding the second part of the bill, the committee has numerous technical and policy concerns that need to be addressed before this provision is ripe for legislation. Vote 17-2.
Adopted.

SUSPENSIONS OF RULES

Rep. Metzger moved that the Rules be so far suspended as to permit public hearings without the required notice on **HB 811**, legalizing, ratifying, and confirming actions, votes, and proceedings of the annual meetings of the North Walpole village district and the town of Bartlett, and **HB 812**, relative to the Melendy Pond Authority of Brookline, New Hampshire.

Adopted by the necessary two-thirds.

Rep. Kurk moved that the Rules be so far suspended as to permit public hearings without the required notice on **SB 155**, requiring the division of educational improvement, department of education, to prepare and adopt a plan for providing special education to inmates in the state prison system and county correctional facilities, **SB 203**, deleting the state prison and adding county correctional facilities to the provisions relating to incarcerated educationally disabled children, and **SB 212**, declaring a member of the retirement system on leave under the Family and Medical Leave Act to be in service for purposes of death or disability benefits.

Adopted by the necessary two-thirds.

RESOLUTION

Rep. Wheeler offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Tuesday, May 20, 1997 at 10:00 a.m.

Adopted.

HOUSE JOURNAL No. 21

Tuesday, May 20, 1997

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Her Excellency, Governor Jeanne Shaheen, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

We give thanks to You, O God, for Your power and for Your peace; for the strong but loving pressure of Your will, and for the deep and tranquil spirit which is Your presence. Grant us the wisdom to welcome Your grace, so that through our varied labors we may bring clarity out of confusion, and hope out of despair. In Your name we pray. Amen.

Rep. Noyes led the Pledge of Allegiance.

HB 528, relative to municipal water, gas and electric utilities. (Amendment printed SJ 17, 5/13/97)
Rep. Jeb Bradley moved that the House concur and spoke in favor.
Adopted.

REMARKS

Rep. Burling moved that the remarks made by Rep. Jeb Bradley be printed in the Journal.
Adopted.

Rep. Bradley: Thank you very much, Madam Speaker. This is a very simple change in a complicated statute which will allow municipalities, with a two-thirds vote and a presumption of public interest, to take over electric and other utility's plant and property. The Senate just expanded, by use of the word "person", who may supply a municipality with its power. It is a very simple change and it was non-controversial. The second Senate amendment says that any proceeding in front of the Public Utilities Commission is not impacted by passage of this legislation as that would be a retroactive event. Clearly, that is a legal case and it does not impact anything in this bill. Thank you, Madam Speaker.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Wheeler moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

SB 181-FN, allowing certain prisoners to earn good conduct credits reducing such person's minimum sentence and establishing a committee to study permitting certain prisoners to be sentenced to substance abuse treatment centers, removed by Rep. Dwyer.

SB 149, prohibiting state agencies managing federal programs from exceeding their statutory authority in placing restrictions on activities of the private sector, removed by Rep. Melcher.

SB 197-FN, relative to final dispositional orders in child protection cases, removed by Rep. Luebker.

Consent Calendar adopted.

SB 12, establishing a Northern New England Interstate Commission on Economic Development. OUGHT TO PASS

Rep. Martha Fuller Clark for Commerce: This bill creates a commission composed of appropriate members from New Hampshire, Maine and Vermont to ensure that on going discussions and coordinated planning with regard to future economic development in northern New England will occur on a regular basis among the three states. Furthermore, the bill now stipulates that the three respective governors shall meet at least once a year to discuss economic development. The committee voted unanimously in favor of this pro-business, pro-planning legislation. It will only become effective when all three states have enacted similar provisions. Vote 14-0.

SB 22, relative to health benefit plans sponsored by qualified franchise associations. INEXPEDIENT TO LEGISLATE

Rep. Gregory G. Carson for Commerce: The Insurance Commissioner has issued a ruling that all franchises of the McDonald's Corporation which participate in the McDonald's Licensees Health & Welfare Plan maintained by the National Operators Advisory Board, Inc., are considered to participate in a large employer plan and therefore such franchises are not subject to the community rating provision of the New Hampshire statute RSA 420-G. This fulfills the intent of SB 22. Therefore, the bill is unnecessary and consequently we have recommended Inexpedient to Legislate. A full report on community rating is pending from the Insurance Department and this ruling avoids any amendment to law before that report is presented. Vote 19-0.

SB 100-FN, establishing a New Hampshire film and television commission. RE-REFER TO COMMITTEE

Rep. Tim S. McGough for Commerce: This bill would establish the New Hampshire Film and Television Commission. The committee voted to re-refer in order to resolve questions that arose during subcommittee discussion. The committee would like to study the make-up of this commission and determine its necessity to avoid overlap with efforts underway already. Vote 13-0.

SB 104, relative to rate setting for purposes of automobile insurance and homeowners insurance. OUGHT TO PASS WITH AMENDMENT

Rep. Gregory G. Carson for Commerce: This bill adds language to the definition of unfair discrimination under unfair methods, acts and practices in the business of insurance. The bill prohibits charging higher premiums for auto and home owners insurance solely on the basis of information obtained from a credit rating, a credit history or a credit scoring model. Vote 13-1.

Amendment (1305h)

Amend RSA 417:4, VIII(g) as inserted by section 1 of the bill by replacing it with the following:

(g) Charging a higher premium for private passenger automobile or homeowner insurance solely on the basis of information obtained from a credit rating, a credit history, or a credit scoring model.

AMENDED ANALYSIS

This bill includes in the definition of unfair discrimination, under unfair methods, acts and practices in the business of insurance, the practice of charging a higher premium for private passenger automobile or homeowner insurance solely on the basis of information obtained from a credit rating, a credit history, or a credit scoring model.

SB 105, relative to rent collection upon delinquency in payment of common expenses by condominium unit owners. OUGHT TO PASS WITH AMENDMENT

Rep. Eric N. Lindblade for Commerce: Condominium associations have long been at a disadvantage in collecting dues from delinquent, absentee unit owners. This bill enables associations to collect directly the rent due, after notification to the delinquent owner. This avenue of redress is available to the associations after acceptance of this method of collecting from delinquent owners. Delinquent owners are afforded a 60 day grace period, plus a further 30 days after notification. Financial institutions' primary position as holders of first mortgages is protected. Vote 14-0.

Amendment (1259h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Rent Collection Upon Delinquency in Payment of Common Expenses. Amend RSA 356-B by inserting after section 46 the following new section:

356-B:46-a Rent Collection Upon Delinquency in Payment of Common Expenses. On and after January 1, 1998:

I. If a unit owner fails to pay the common expenses assessed to the unit by the unit owners' association within 60 days of the date it was due, the unit owners association may, as a separate and additional remedy, subject to the existing rights of a holder of a first mortgage of record as provided in this section, collect from any tenant renting the unit any rent then or thereafter due to the owner of such unit. The unit owners' association shall apply such rent collected against the amount owed to it by the unit owner. Prior to taking any action under this paragraph, the unit owners' association shall give to the delinquent unit owner written notice of its intent to collect the rent owed. Such notice shall be sent by both first class and certified mail, shall set forth the exact amount the unit owners' association claims is due and owing by the unit owner, and shall indicate the intent of the association to collect such amount from rent, along with any other amounts which become due within the current fiscal year and which remain unpaid. A copy of such notice shall be provided to any first mortgagee of record on such unit who has previously requested in writing that the unit owners' association notify it of any delinquency in the payment of amounts due to it by the owner of such unit.

II. The unit owner shall have 30 days from the date of mailing of such notice to pay the amounts due, including collection costs, or to provide proof of the prior payment of the assessments due. No unit owner shall be entitled to withhold payment of assessments due, off-set against the same, or make any deduction therefrom without first obtaining a determination by a court of competent jurisdiction that the assessment was unlawful.

III. If the unit owner fails to timely file a response in compliance with paragraphs I and II, the unit owners' association may notify and direct each tenant renting such unit from such owner to pay all or a portion of the rent otherwise due by such owner to the association, such rent or portion of such rent to be in the amount the association claimed is due on its notice to the unit owner or the full rent, whichever is less. The association shall have a continuing right to collect any rent otherwise payable by the tenant to such unit owner until such amount, plus any charges thereafter becoming due, are satisfied in full. Nothing in this section shall preclude the unit owner from seeking equitable relief from a court of competent jurisdiction or seeking a judicial determination of the amount owed. Nothing in this section shall prevent the unit owners' association from bringing an action under this chapter or to otherwise establish the amount owed to it by the unit owner or otherwise to seek and obtain an order requiring the tenant in such unit, or tenants in other units owned by the unit owner in the condominium, to pay to the association rent otherwise due to the unit owner or otherwise limit the unit owner's association's rights at common law.

IV. In no event shall a unit owner take any retaliatory action against any tenant who pays rent, or any portion of rent, to the unit owners' association as provided in this section. Any tenant so paying rent shall not be deemed in default on the rent to the extent of the payment to the association. Any waiver of the provisions of this section in any lease or rental agreement shall be void and unenforceable as against public policy.

V. Notwithstanding any other provision of this chapter, a vote of a majority of those attending an annual meeting of the unit owner's association, in person or by proxy, shall be necessary to adopt the provisions of this section as a part of the association's declaration or bylaws or both.

2 Compliance with Condominium Instruments. Amend RSA 356:15 to read as follows:

356-B:15 Compliance with Condominium Instruments.

I. The declarant, every unit owner, and all those entitled to occupy a unit shall comply with all lawful provisions of this chapter and all provisions of the condominium instruments. Any lack of such compliance shall be grounds for an action or suit to recover sums due, for damages or injunctive relief, or for any other remedy available at law or in equity, maintainable by the unit owners' association, or by its board of directors or any managing agent on behalf of such association, or, in any proper case, by one or more aggrieved unit owners on their own behalf or as a class action.

II. The unit owners' association shall be entitled to all costs and attorneys' fees incurred in any proceeding under RSA 356-B:15, I.

3 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill:

I. Allows a condominium unit owners' association to collect rents from the tenant of a unit to offset common expenses assessed to the unit in the event that the unit owner fails to pay the common expenses assessed to the unit.

II. Holds harmless any tenant who pays rent or a portion of rent to the unit owners' association, rather than to the unit owner, in compliance with the provisions of the bill.

III. Provides for the association's recovery of its attorneys' fees and costs incurred in enforcing RSA 356-B:15, I.

SB 121, authorizing state-chartered financial institutions to engage in certain insurance activities. INEXPEDIENT TO LEGISLATE

Rep. Gregory G. Carson for Commerce: The provisions for New Hampshire state chartered banks to sell insurance had been dealt with and passed in HB 799. This bill is not necessary at this time. Vote 12-1.

SB 122, establishing a commission to examine the effects of the managed care industry on those belonging to the disabled and the mental health communities OUGHT TO PASS WITH AMENDMENT
Rep. Martha Fuller Clark for Commerce: During the current legislative session, the committee heard several pieces of legislation which raised many questions regarding managed care and its impact on all the residents of New Hampshire. The amendment to SB 122 replaces the original language, which called for a large commission to look at various aspects of health care, with a legislative study committee which will examine the following health care concerns related to managed care: 1) access to and availability of specialists and special needs providers, 2) the impact of managed

care upon new populations now being served, especially Medicare and Medicaid recipients, 3) availability and affordability of health insurance, particularly small groups and individuals since the enactment of RSA 420-G:6, and 4) the question of a need to provide an external grievance mechanism regarding consumers' complaints. This study is critical to understanding the changing nature of health care and health care insurance in the state. Hopefully, it will result in the compilation of useful data which can be used to shape new legislative initiatives in the health care insurance arena. Vote 12-1.

Amendment (1356h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study health care issues related to managed care.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is established a committee to study health care issues related to managed care.

2 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the senate, appointed by the president of the senate.

(b) Three members of the house, appointed by the speaker of the house.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. The committee shall study the following issues:

I. The accessibility and availability of specialists and special needs providers in managed care health plans.

II. Issues relating to the impact of managed care upon new populations now being served, especially medicare and medicaid recipients.

III. Issues relating to the availability and affordability of health insurance in the small group and individual markets subsequent to the health insurance reforms established in RSA 420-G.

IV. Whether there exists a need for a mechanism to provide external grievance procedures regarding consumer's complaints.

4 Chairperson; Quorum. The first meeting of the study committee shall be called by the first-named senator. The first meeting shall be held within 30 days after the effective date of this section. Four members of the committee shall constitute a quorum.

5 The committee shall report its findings and any recommendations for proposed legislation to the senate president, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 1997.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study health care issues related to managed care.

SB 135, adopting the uniform "transfer on death" security registration act. **OUGHT TO PASS WITH AMENDMENT**

Rep. Tara G. Reardon for Commerce: This bill enacts the Uniform Transfer on Death Security Registration Act allowing an individual to designate a beneficiary to be paid upon death and therefore avoid probate. Vote 15-0.

Amendment (1288h)

Amend RSA 563-C:2 as inserted by section 1 of the bill by replacing it with the following:

563-C:2 Definitions. In this chapter:

I. "Beneficiary form" means a registration of a security which indicates the present owner of the security and the intention of the owner regarding the person who will become the owner of the security upon the death of the owner.

II. "Person" means an individual, corporation, organization, or other legal entity.

III. "POD" means "pay on death."

IV. "Register", including its derivatives, means to issue a certificate showing the ownership of a certified security or, in the case of an uncertificated security, to initiate or transfer an account showing ownership of securities.

V. "Registering entity" means a person who originates or transfers a security title by registration, and includes a broker maintaining security accounts for customers and a transfer agent or other person acting for or as an issuer of securities.

VI. "Security" means a share, participation, or other interest in property, in a business, or in an obligation of an enterprise or other issuer, and includes a certificated security, an uncertificated security, and a security account.

VII. "TOD" means "transfer on death."

VIII. "Security account" means:

(a) A reinvestment account associated with a security, a securities account with a broker, a cash balance in a brokerage account, cash, interest, earnings, or dividends earned or declared on a security in an account, a reinvestment account, or a brokerage account, whether or not credited to the account before the owner's death; or

(b) A cash balance or other property held for or due to the owner of a security as a replacement for or product of an account security, whether or not credited to the account before the owner's death.

Amend RSA 563-C:9 as inserted by section I of the bill by replacing it with the following:
563-C:9 Protection of Registering Entity.

I. A registering entity is not required to offer or to accept a request for security registration in beneficiary form. If a registration in beneficiary form is offered by a registering entity, the owner requesting registration in beneficiary form assents to the protections given to the registering entity by this chapter.

II. By accepting a request for registration of a security in beneficiary form, the registering entity agrees that the registration will be implemented on death of the deceased owner as provided in this chapter.

III. A registering entity is discharged from all claims to a security by the estate, creditors, heirs, or devisees of a deceased owner if it registers a transfer of the security in accordance with RSA 563-C:8 and does so in good faith reliance:

(a) On the registration;

(b) On this chapter; and

(c) On information provided to it by affidavit of the personal representative of the deceased owner, or by the surviving beneficiary or by the surviving beneficiary's representatives, or other information available to the registering entity.

IV. The protections of this chapter do not extend to a registration or payment made after a registering entity has received written notice from any claimant to any interest in the security objecting to implementation of a registration in beneficiary form. No other notice or other information available to the registering entity affects its right to protection under this chapter. The protection provided by this chapter to the registering entity of a security does not affect the rights of beneficiaries in disputes between themselves and other claimants to ownership of the security transferred or its value or proceeds.

Amend RSA 563-C:11, II(c) as inserted by section I of the bill by replacing it with the following:

(c) Multiple owners-primary and secondary (substituted) beneficiaries: John S Brown Mary B Brown JT TEN TOD John S Brown Jr SUB Peter Q Brown; or John S Brown Mary B Brown JT TEN TOD John S. Brown Jr LDPS.

SB 139, authorizing banks to invest trust funds in bank-affiliated investments. **OUGHT TO PASS WITH AMENDMENT**

Rep. Keith R. Herman for Commerce: This bill brings New Hampshire into conformity with every other state by expanding a trustee's scope of investment opportunities to include certain mutual funds. In so doing, trust funds can benefit from greater asset diversification and economies of scale. To prevent potential abuses, the bill contains stringent provisions for mandatory disclosure, non-layering of fees, and retention of fiduciary duties. Vote 15-0.

Amendment (1286h)

Amend RSA 384:65 as inserted by section I of the bill by inserting after paragraph IV the following new paragraph:

V. Notwithstanding paragraphs I-IV, no bank authorized to exercise trust powers in this state which is acting as a fiduciary shall purchase for the fiduciary estate any bond or other security

issued by such bank or an affiliate thereof, unless the bank is expressly authorized to do so by the terms of the instrument creating the trust, a court order, the written consent of the grantor of the trust, or the written consent of the beneficiaries of the trust.

SB 178-FN, regulating managed care systems of health care delivery. OUGHT TO PASS WITH AMENDMENT

Rep. Keith R. Herman for Commerce: This bill establishes a process for grievance review when a covered insured has a problem with an HMO. This bill also designates the NH Department of Insurance, as an external source, to ensure that HMO's do indeed follow the proper grievance procedure. The amendments add additional consumer protection. Vote 13-0.

Amendment (1425h)

Amend RSA 420-J:1 as inserted by section 1 of the bill by replacing it with the following:

420-J:1 Purpose and Intent. The purpose and intent of this chapter is to provide standards for certain fundamental operations of licensed entities providing health insurance through a managed care system of health care delivery and reimbursement. The establishment of these standards will ensure regulatory and quality consistency among the several and various licensees offering managed care type benefit plans and will enable consumers to make informed decisions in their relationships with managed care insurers. This chapter is intended to apply only to those insurers offering managed care plans. It is not intended to apply to traditional indemnity systems of reimbursement and fee-for-service forms of health care expense coverage. Health insurers which do not significantly limit covered persons' choices of providers shall not be subject to this chapter.

Amend RSA 420-J:3, XVI as inserted by section 1 of the bill by replacing it with the following:

XVI. "Emergency services" means health care services that are provided to an enrollee, insured, or subscriber in a licensed hospital emergency facility by a provider after the sudden onset of a medical condition that manifests itself by symptoms of sufficient severity that the absence of immediate medical attention could be expected to result in any of the following:

- (a) Serious jeopardy to the patient's health.
- (b) Serious impairment to bodily functions.
- (c) Serious dysfunction of any bodily organ or part.

Amend RSA 420-J:5, II as inserted by section 1 of the bill by inserting after subparagraph (b) the following new subparagraphs:

- (c) Upon written denial of a requested medical service or claim by the health carrier, a statement of the covered person's right to access the internal grievance process.
- (d) Staff assistance in filing a grievance.

Amend RSA 420-J:5, V(a)(3) as inserted by section 1 of the bill by replacing it with the following:

(3) The review panel shall issue a written decision to the covered person within 5 business days of completing the review meeting. Upon concurrence of the covered person, a copy of the decision shall be forwarded to the insurance department. The decision shall include the titles of the members of the review panel; a statement of the review panel's understanding of the nature of the grievance, including issues raised by the covered person, and all pertinent facts; the rationale for the review panel's decision; reference to evidence or documentation considered by the review panel in making the decision; if an adverse decision is made, the instructions for requesting a written statement of the clinical rationale, including the clinical review criteria used to make the determination; and a statement of the covered person's right to file an external appeal as provided in RSA 420-J:5, VIII.

Amend RSA 420-J:5, VIII as inserted by section 1 of the bill by replacing it with the following:

VIII. An external process at the department shall be available to ensure that the health carrier has provided to the covered person grievance procedures consistent with this section and any additional procedures of the health carrier described pursuant to RSA 420-J:5, II. A written decision following the external review process shall be made available to the covered person.

SB 211-FN, making technical changes under the motor vehicle financial responsibility laws, insurance fraud laws, and laws regulating managing general agents, reinsurance intermediaries, and third party administrators. OUGHT TO PASS

Rep. Gregory G. Carson for Commerce: This legislation makes technical changes under the motor vehicle financial responsibility laws, insurance fraud laws and laws regulating managing general agents, reinsurance intermediaries and third party administrators. Vote 14-0.

SB 71-FN, establishing a committee to identify and study statutes and ordinances in cases in which the penalty is not specified by statutes and clarifying the right to a jury trial in cases in which a civil penalty is imposed for a violation. **OUGHT TO PASS WITH AMENDMENT**

Rep. Andrew Christie, Jr. for Criminal Justice and Public Safety: The committee made a minor change in section 2 of the bill to let people know that if they are subject to a civil penalty of more than \$1500, they have the right to appeal to the superior court for a trial de novo. We also supported establishing a committee to study statutes and ordinances where there is no penalty imposed. Lastly, we changed the effective date, sections 1 and 2 to take effect on January 1, 1998 and the remainder, which is the study committee, on passage. Vote 15-0.

Amendment (1290h)

Amend RSA 592-A:2-b as inserted by section 2 of the bill by replacing it with the following:
592-A:2-b Jury Trial. Trial by jury shall not be afforded in the superior court for any violation as defined in RSA 625:9, except upon ~~[an appeal pursuant to RSA 599:1 of]~~ *being subject to* the imposition of a civil penalty which aggregates the total fines and penalties for a violation to an amount in excess of ~~[\$500]~~ *\$1,500 in which case an appeal may be taken in the same manner as is provided for class A misdemeanor convictions under RSA 599:1.*

Amend the bill by replacing section 8 with the following:

8 Effective Date.

I. Sections 1 and 2 of this act shall take effect January 1, 1998.

II. The remainder of this act shall take effect upon its passage.

SB 102-FN, relative to the possession of certain weapons in the commission of a violent crime. **RE-REFER TO COMMITTEE**

Rep. Randy L. Lyman for Criminal Justice and Public Safety: The incident that precipitated this proposed change to RSA 159:15 was an abuse of the statute. The bill attempts to make clear the intent of the statute which makes possession of certain weapons an additional charge when an individual is arrested for an "offense against the state." SB 102 falls short of its goal and the committee has agreed to study the issue further. The Attorney General's Office did not support or oppose SB 102, but suggested it could be improved. Vote 14-0.

SB 70, establishing a committee to examine campaign finance reform. **OUGHT TO PASS WITH AMENDMENT**

Rep. David R. Boutin for Election Law: The Election Law Committee believes that campaign finance reform is a very important subject matter that deserves careful consideration by a joint house/senate study committee for the purpose of formulating a policy framework that will permit a reasoned debate of campaign finance reform issues in both houses of the legislature during the second half of the biennium. Vote 12-1.

Amendment (1445h)

Amend subparagraphs 1(a)-(b) as inserted by section 2 of the bill by replacing them with the following:

(a) Three members of the senate, appointed by the president of the senate.

(b) Three members of the house of representatives, appointed by the speaker of the house.

Amend section 4 of the bill by replacing it with the following:

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named senate member. The first meeting of the committee shall be held within 7 days of the effective date of this section. Four members of the committee shall constitute a quorum.

SB 145-L, relative to the definition of "open space land" for purposes of current use taxation. **RE-REFER TO COMMITTEE**

Rep. M. Kathryn Aranda for Environment and Agriculture: This bill addresses the tax classification of watershed protection and water supply property which is owned by one municipality and located in a different municipality. This bill would have re-classified such land as "open-space" under the current use taxation program. This simple change will have substantial consequences for many towns, so the committee would like to study the issue before going forward with it. Vote 15-1.

SB 68-FN-L, providing health care coverage for the spouse and dependents of any group I or group II retirement system member who is killed in the line of duty. RE-REFER TO COMMITTEE

Rep. Merton S. Dyer for Executive Departments and Administration: This bill would provide health insurance from state funds for members of the family of local officials killed in the line of duty. There are still many unanswered questions remaining about the bill. The bill makes membership in the New Hampshire Retirement System mandatory for this benefit. The definition of the cause of death may be deficient given the possibility of death from infection incurred entirely in performance of duty. Due to the many questions and limited time, the committee voted to Re-Refer in an attempt to answer the many questions. Vote 14-1.

SB 29, establishing a pet overpopulation trust. OUGHT TO PASS

Rep. Mary E. Brown for Finance: This bill sets up a non-lapsing dedicated fund called the "Companion Animal Neutering Fund." HB 2 also dedicates this fund as the "Animal Population Control Fund." The result of passing this bill is to effect the name change and assure its sponsors the intent to set up a dedicated fund will survive the budgeting process. Vote 16-3.

SB 54-FN, relative to gainful occupation of disability beneficiaries in the New Hampshire retirement system. OUGHT TO PASS WITH AMENDMENT

Rep. Robert G. Holbrook for Finance: This bill was amended to limit funding for creditable service of teachers in job-sharing status from the New Hampshire retirement system special fund. The bill extends the provision for granting full creditable service for teachers in job-sharing status to three years while excluding from earnable compensation any compensation paid later than 120 days after termination of employment from a retirement-eligible position. Vote 17-0.

Amendment (1460h)

Amend the bill by replacing section 4 with the following:

4 Funding. Any increase in retirement system pension liabilities due to an increase in the state annuity payable to a disability beneficiary pursuant to section 2 of this act shall be terminally funded from the special account established by RSA 100-A:16, II(h).

SB 182-FN, relative to the administration, operation, and maintenance of the New Hampshire state veterans cemetery. OUGHT TO PASS WITH AMENDMENT

Rep. Robert G. Holbrook for Finance: This bill places the operation of the New Hampshire state veterans cemetery into the authority of the Adjutant General. The bond authorization is increased to \$1,600,000 for the New Hampshire share of the construction. The amendment appropriates \$150,000 for FY 98 and \$200,000 for FY 99 for operating costs. The date for the final report of the oversight committee is extended to November 1, 1997. Vote 19-0.

Amendment (1428h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the administration, operation, and maintenance of the New Hampshire state veterans cemetery, extending the reporting dates and the prospective repeal date for the state veterans cemetery oversight committee, and making appropriations therefor.

Amend the bill by replacing all after section 5 with the following:

6 Appropriation; Adjutant General. The sum of \$150,000 for the fiscal year ending June 30, 1998, and the sum of \$200,000 for the fiscal year ending June 30, 1999, are appropriated to the adjutant general for operating costs of the state veterans cemetery. Of the total sum appropriated for fiscal year 1998, \$97,500 shall be from general funds and \$52,500 shall be from other funds. Of the total sum appropriated for fiscal year 1999, \$95,000 shall be from general funds and \$105,000 shall be from other funds. Operating costs for which these appropriations shall be expended shall include full-time permanent and part-time temporary personnel, equipment, maintenance, and other expenses for startup of the state veterans cemetery. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

7 Effective Date.

I. Sections 1 and 6 of this act shall take effect July 1, 1997.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill designates the adjutant general to administer, operate, and maintain the New Hampshire state veterans cemetery, which shall be located in Boscawen.

This bill appropriates funds to make up a shortfall in the state matching share necessary to receive federal funds for the construction of the state veterans cemetery. The bill also appropriates funds for operating costs of the cemetery.

The bill also extends the final reporting date and the prospective repeal date for the state veterans cemetery oversight committee to June 30, 1998.

SB 212-FN, declaring a member of the retirement system on leave under the Family and Medical Leave Act to be in service for purposes of death or disability benefits. **OUGHT TO PASS**
Rep. Arthur P. Klemm, Jr. for Finance: This bill allows members of the New Hampshire Retirement System on leave under the provisions of the Family and Medical Leave Act to be considered in service for purposes of eligibility for death or disability benefits. The Finance Committee agreed that the impact would be less than \$10,000 per year. Vote 18-0.

SB 213-FN-A, establishing a fund for loans to rehabilitate class III railroads and cog railroads and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**
Rep. David J. Alukonis for Finance: The Finance Committee amendment changes language in the bill in order to better integrate certain fiscal issues with Chapter 338 of the Laws of 1994 — the statute which created the railroad rehabilitation revolving fund. Additionally, the committee amendment strengthens the state's security interest in the improved property. Vote 18-2.

Amendment (1415h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a revolving fund for loans to rehabilitate class III railroads and cog railroads.

Amend the bill by replacing all after section 2 with the following:

3 New Section; Rehabilitating Class III Railroads and Cog Railroads; Revolving Loan Fund; Bonds Authorized. Amend RSA 228 by inserting after section 66 the following new section:

228:66-a Rehabilitating Class III Railroads and Cog Railroads; Revolving Loan Fund; Bonds Authorized.

I. There is established in the office of the state treasurer a fund to be known as the class III railroad and cog railroad capital rail line rehabilitation and equipment revolving loan fund which shall be kept separate and distinct from all other funds. Moneys in the fund shall be nonlapsing and shall be continually appropriated to the bureau of rail and transit, department of transportation, and shall be spent on rehabilitating the rail lines and the purchasing of equipment of class III railroads and cog railroads, which rail lines, equipment, and railroads shall meet the requirements of the benefit/cost analysis prepared by the department of transportation's bureau of rail and transit. Loans provided to operators of class III railroads and cog railroads for rehabilitating the rail lines and equipment purchases shall be approved by the governor and council.

II. The operator of the class III railroad or cog railroad provided a loan under this section shall be required to furnish assurance by signed agreement with the state to continue utilization of the line involved on an annual basis at a tonnage level of at least 80 percent of their annual tonnage average over the 3 years preceding the agreement, provided that enforcement of such assurance shall be preceded by a finding by the commissioner that any shipping rate increases during such period are reasonable, or a continued utilization of the line involved on an annual basis at a passenger level of at least 80 percent of their prior 3 years preceding the agreement.

III. The operator of the class III railroad or cog railroad shall repay any loan funded pursuant to paragraph I on such terms and conditions as are recommended by the bureau of rail and transit, department of transportation. The term of the loan shall be no less than 5 and no longer than 20 years and shall, to the extent possible and consistent with this section, be determined so as to match the useful life of the improvements funded by the loan. The terms and conditions shall be contained in the binding agreement between the state and the operator of the class III railroad or cog railroad and shall be sufficient to fully reimburse the state for the principal and interest payments on that portion of the bonds authorized to fund the loan. All money received through reimbursement shall be deposited by the state treasurer in the class III railroad and cog railroad capital rail line rehabilitation and equipment revolving loan fund.

IV. A lien on the property and equipment of the class III railroad or cog railroad including the improved property or equipment shall be created in favor of the state in an amount which equals the sum of principal and interest to be repaid by the operator of the class III railroad or cog railroad. The lien shall be recorded in the registry of deeds of the county or counties in which the improved property is situated and shall not supersede any pre-existing lien created by a mortgage affecting such property. The lien shall expire only when the loan has been fully repaid.

V. To provide funds for the revolving loan fund established pursuant to this section, the state treasurer, as may be requested from time to time by the bureau of rail and transit, department of transportation, is authorized to borrow from time to time upon the credit of the state such amounts so that the total state obligation shall at no time exceed \$4,000,000 and for said purposes may issue bonds and notes at such time in the name and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A. The department shall request and the treasurer shall issue bonds only for such amounts from time to time as are required for the purposes of this section and provided that the principal and interest payments can be satisfied from existing sums in the fund established in paragraph I.

VI. The payments of principal and interest on the bonds issued under paragraph V shall be made when due from the special fund established by paragraph I.

VII. For the purpose of this section, a "class III railroad" shall be a freight railroad or an intrastate passenger excursion railroad.

4 Transfer of Funds. All funds remaining in the fund established under 1994, 338:3 and 4 shall be transferred to the fund established under RSA 228:66-a.

5 Effective Date. This act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill establishes a fund to be used for loans to operators of class III railroads and cog railroads for rehabilitation of such railroads. The bill transfers funds from the class III railroad capital rehabilitation revolving loan fund to the class III railroads and cog railroad capital rail line rehabilitative fund and authorizes bonds to be issued by the treasurer with principal and interest paid for from the fund for the purpose of the revolving loan program. It also changes the name of the bureau of railroads and public transportation to the bureau of rail and transit.

SB 35, including "accessibility lift" within the definition of "elevator". **OUGHT TO PASS WITH AMENDMENT**

Rep. Joseph Guthrie for Health, Human Services and Elderly Affairs: This bill adds "accessibility lift" in the definition of "elevator" thereby requiring them to meet the same requirements as elevators. The amendment exempts private homes, and clarifies inspection procedures. Vote 17-0.

Amendment (1405h)

Amend the title of the bill by replacing it with the following:

AN ACT extending the elevator law to accessibility lifts.

Amend the bill by replacing all after the enacting clause with the following:

1 Accessibility Lifts Added. Amend RSA 157-B:1 through 157-B:5 to read as follows:

157-B:1 Title. This chapter may be called the "**Elevator and Accessibility Lift Law**."

157-B:2 Definitions. In this chapter:

I. "Owner" means a person, partnership, association, or corporation who is the holder of title to, or who leases an elevator **or accessibility lift** from the holder of title to, a building in which there is an elevator **or accessibility lift**, as defined in this section, except an elevator **or accessibility lift** for the exclusive use of the holder of title in the holder's home.

II. "Commissioner" means the labor commissioner.

III. "Standards" means regulations issued by the commissioner which establish the minimum safety requirements for elevators **and accessibility lifts** in use on or installed after January 1, 1968.

IV. "Elevator" means a hoisting and lowering mechanism equipped with a car or platform which moves in guides in a substantially vertical direction; or a stairway inclined lift which moves in guides in an inclined direction; and includes the doors, well, enclosures, means, and appurtenances required for its operation. **The term "elevator" shall include an accessibility lift but does not include a vertical reciprocating conveyor, a material lift, or an accessibility lift in a private residence.**

V. *"Accessibility lift" means an inclined chair/platform lift or vertical wheelchair lift used to raise and lower a person in a wheelchair or person of limited mobility in or on a car or platform from one level to another and shall meet the requirements of the most recent version of ASME/ANSI-A 17.1 for handicap lifts.*

157-B:3 New Elevators; New Accessibility Lifts. ~~[The provisions of the most recent version of the American Standard Safety Code for Elevators, Dumbwaiters, and Escalators as amended are the minimum requirements for all elevators, dumbwaiters, and escalators installed after the effective date of this section. The commissioner may issue and amend reasonable and practicable standards for the safe use, alteration, repair, and inspection of all elevators installed after January 1, 1968.]~~ *The provisions of the most recent version of the American Standard Safety Code for Elevators, Dumbwaiters, Escalators and Moving Walks, Material Lifts and Dumbwaiters With Automatic Transfer Devices, Wheelchair Lifts and Stairchair Lifts are the minimum requirements for all elevators, dumbwaiters, escalators, and accessibility lifts installed after January 1, 1998.*

157-B:4 Existing Elevators and Accessibility Lifts.

I. The commissioner may issue and amend reasonable and practicable standards for the use, alteration, repair, operation, and inspection of all elevators *and accessibility lifts* in existence on January 1, 1968.

II. Inspections of elevators *and accessibility lifts* installed after ~~[the effective date of this paragraph]~~ *January 1, 1985*, shall be in accordance with the American Standard Safety Code applicable to the year installed.

157-B:5 Inspection Report and Certificates; Fee; Penalty.

I. Subsequent to the inspection of an elevator *or accessibility lift*, an inspector shall file with the commissioner an inspection report on a form prescribed by the commissioner indicating whether or not the elevator *or accessibility lift* is certifiable and shall provide a copy of the inspection report to the owner or the owner's designee. When an elevator *or accessibility lift* passes inspection, the commissioner shall furnish an inspection certificate to its owner or the owner's designee on a form prescribed by the commissioner. A fee of \$25 shall be charged for each certificate. If the fee is not paid within 30 days of the date on which the certificate is issued, the certificate shall be void.

II. If the elevator *or accessibility lift* fails the inspection, the inspector shall furnish the owner or the owner's designee an appropriate abstract of the statutory requirements and recommendations for repairs necessary to correct the deficiency.

III. Upon compliance with the recommendations of an inspector, whether by repair or replacement, the owner of an elevator *or accessibility lift* which has failed to pass inspection, or the owner's designee, shall notify the commissioner and inspector that the required repairs have been completed.

IV. The elevator *or accessibility lift* shall, at the discretion of the inspector or the commissioner, then be reinspected in accordance with this section; and, upon finding compliance with the recommendations, an inspection certificate shall be furnished to the owner or the owner's designee.

V. Certificates shall be posted in the elevator car *or accessibility lift platform* under glass or other suitable transparent cover. Certificates shall be effective for one year from the date of inspection.

VI. An owner who permits the operation of any elevator *or accessibility lift* without an effective inspection certificate in the elevator *or accessibility lift* shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person.

2 Accessibility Lift Added. Amend RSA 157-B:6 to read as follows:

157-B:6 Suspension of Certificate.

I. The commissioner may suspend an inspection certificate when an elevator *or accessibility lift* does not meet the requirements of the standards established under this chapter. When an inspection certificate is suspended, the owner shall not permit the use of the elevator *or accessibility lift* until a new certificate of inspection is issued for the elevator *or accessibility lift*. The commissioner shall have a notice of the suspension of the inspection certificate posted at every entrance to the unsafe elevator *or accessibility lift*, and shall have the inspection certificate removed from the elevator car *or accessibility lift platform*. The notice of suspension may be removed only by the authority of the commissioner. The commissioner shall notify the owner in writing of the suspension of the inspection certificate. The notice may be served on the owner by registered mail or otherwise.

II. The commissioner may adopt by rule the conditions to empower an elevator inspector or authorized representative of the commissioner to make an emergency suspension of the inspection

certificate for a period of not more than 24 hours, to enable the commissioner to take action on the suspension under paragraph I of this section, or to enable the owner to make repairs on the elevator *or accessibility lift*.

III. Any person who removes or defaces a notice of suspension of the inspection certificate without the authority of the commissioner shall be guilty of a misdemeanor.

3 Accessibility Lift Added. Amend RSA 157-B:8-a to read as follows:

157-B:8-a Mechanics. An elevator *or accessibility lift* mechanic shall pass an examination given by the commissioner, except in cases in which an elevator *or accessibility lift* mechanic has proven to the satisfaction of the commissioner experience in excess of 5 years within the state. A license shall be issued to the mechanic for a 2-year period. A fee of \$50 shall be charged for the initial examination and license. A license may be renewed every 2 years upon payment of a fee of \$35. Employees of the department of labor shall not be charged for the issuance or renewal of a license. A person who holds a certificate or license of competency as a mechanic ~~[of elevators from a state that has a standard of examination]~~ equal to that of this state may be issued a license without examination upon payment of a fee of \$35. The commissioner may revoke any license for cause shown, after a hearing. The holder of a license under question shall receive 7 days' written notice informing the licensee of the charges and of the time and place of the hearing.

4 Accessibility Lift Added. Amend RSA 157-B:9 to read as follows:

157-B:9 Installation of New Elevators *and New Accessibility Lifts; Fees*. Detailed plans or specifications of each new or altered elevator *or accessibility lift* shall be submitted to and approved by the commissioner or the commissioner's authorized representative before the construction of the elevator *or accessibility lift* may be started. Fee for examination of the plans or specifications is \$2 per \$1,000 of the valuation of the elevator *or accessibility lift* as covered by the blueprints. The minimum fee is \$100.

5 Accessibility Lift Added. Amend RSA 157-B:15 to read as follows:

157-B:15 Notice of Accidents; *Penalty*. The owner shall report every elevator *and accessibility lift* accident, whether or not it results in injury to a person or damage to the equipment, to the commissioner within 48 hours after its occurrence. The inspection certificate for the involved elevator *or accessibility lift* may be suspended if a qualified inspector inspects the elevator *or accessibility lift* and finds it to be unacceptable. An owner who willfully refuses or neglects to make such a report shall be fined not more than \$25.

6 Accessibility Lifts Added. Amend RSA 157-B:17 to read as follows:

157-B:17 Exception. Notwithstanding other provisions of this chapter any elevator *or accessibility lift* which is periodically inspected and tested for safety under a maintenance contract with the company which installed ~~[said]~~ the elevator *or accessibility lift* shall be exempt from the annual inspection requirements of RSA 157-B:5, so long as ~~[said]~~ the maintenance contract is effective, and the inspection certificate as provided in RSA 157-B:5 shall be posted in the elevator car *or accessibility lift platform*. Provided, however, that the other provisions of this chapter shall apply to the elevators *and accessibility lifts* covered by this exception.

7 Effective Date. This act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill extends the elevator law to accessibility lifts. The bill excludes accessibility lifts in private residences.

SB 209-FN, establishing a residential care pilot program and providing for the funding of such program. **OUGHT TO PASS**

Rep. Robert Chabot for Health, Human Services and Elderly Affairs: This bill addresses an urgent need to equitably fund residential care for the elderly. For too long the elderly have been forced into nursing homes for approved care, many times against their better judgment. Twelve years ago the state eliminated the Federal COLA from residential care to save money. Three years ago, because of possible Federal sanctions, that annual COLA was reinstated. (After no increases occurred for eight years.) Thus, the reimbursement rate is far behind the actual costs of maintaining a resident and many facilities have closed or are refusing to take indigent residents. In many instances those residents must be placed in a less appropriate higher level of care at a much higher cost. This pilot program increases the reimbursement from \$21/day to approximately \$33/day which contrasts with approximately \$130/day in the higher level facility. It caps the number of participants at 180.

This long overdue bill satisfies the need for elderly care in a residential setting. It is the right thing to do. It is preferred by the elderly. It is workable and equally as important, it is cost effective. Most states have already passed similar legislation. Vote 17-0.

SB 42, relative to the authority of the labor commissioner to revoke the license of an employee leasing company for violations of the labor laws. **RE-REFER TO COMMITTEE**

Rep. Wanda G. McNamara for Labor, Industrial and Rehabilitative Services: The committee learned during deliberations that, as drafted, this bill could close down an employee leasing company for violations by client companies. Ohio has legislation in place to deal with this, and the committee unanimously agreed we should study this and put protections in place to address this issue. Vote 14-0.

SB 93, relative to employees of employers who hire recipients of state assistance under the employment assistance program. **OUGHT TO PASS WITH AMENDMENT**

Rep. Lawrence V. Guaraldi for Labor, Industrial and Rehabilitative Services: This bill prohibits the New Hampshire employment or the alternative employment experience program from using participants in any way contrary to certain federal laws, and affords certain employment protection. The bill prohibits requiring a participant to work under certain subsidized employment conditions or for more than a certain number of hours, and states that participants shall be considered state employees for workers' compensation purposes only. Vote 13-1.

Amendment (1217h)

Amend the bill by replacing section 1 with the following:

I New Section; Employment Program Participants. Amend RSA 167 by inserting after section 82 the following new section:

167:82-a Infringement on Rights of Other Employees Prohibited; Limited Employee Status.

I. The employment program shall not use participants in any way contrary to federal law under section 407(f) of the Social Security Act.

II. No participant in the employment program shall be required to work in subsidized employment for more hours than would be needed to produce an equivalent compensation if the participant were paid at the federal minimum wage level, unless a greater number of hours is necessary for the participant to meet federal work participation requirements.

III. Participants in the employment program shall receive the protections regarding sexual harassment and work conditions, not related to compensation and benefits, which are available to regular employees in that workplace such as safe environment, non-discrimination, and adequate rest and meal periods.

IV. Participants in subsidized work programs administered by the state shall be considered employees of the state for workers' compensation purposes only.

AMENDED ANALYSIS

This bill prohibits the New Hampshire employment program or the alternative employment experience program from using participants in any way contrary to certain federal laws. This bill prohibits requiring a participant to work under certain subsidized employment conditions or for more than a certain number of hours and requires that participants be afforded certain employment protections.

This bill also requires that participants shall be considered state employees for workers' compensation purposes only.

SB 172, making various changes to the workers' compensation law. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert E. Clegg, Jr. for Labor, Industrial and Rehabilitative Services: This bill grants full workers' compensation benefits to injured employees who return to temporary alternative work within 5 days. The bill deletes the fee schedule in workers' compensation and sets up payment for reasonable services. It also changes the reporting requirements for written safety plans from annual to biennial. Vote 13-1.

Amendment (1331h)

Amend the bill by replacing section 2 with the following:

2 Temporary Alternative Work. Amend RSA 281-A:23-b to read as follows:

281-A:23-b Alternative Work Opportunities. All employers with 5 or more employees shall develop temporary alternative work opportunities for injured employees. *If the employee fails to accept temporary alternative work, the employer or the employer's insurance carrier may petition the commissioner pursuant to RSA 281-A:48, to reduce or end compensation. Notwithstanding RSA 281-A:22, if an injured employee returns to temporary alternative work within 5 days of sustaining the injury, such employee shall be paid workers' compensation from the first date of the injury.* The commissioner shall adopt rules under RSA 541-A relative to the administration of this section.

Amend the bill by replacing all after section 5 with the following:

6 Reinstated Employees; Cross Reference. Amend RSA 281-A:54, IX to read as follows:

IX. Employers who incur costs for job modification for the purposes of retaining individuals, *including those reinstated under RSA 281-A:25-a*, for which a plan for modification has been approved by the commissioner shall be reimbursed 50 percent of the cost for such job modifications from the special fund for second injuries under RSA 281-A:55. Such reimbursement shall not exceed \$5,000 per employer per year. Before reimbursement shall be authorized, the employer shall submit the plan for modification to the commissioner for approval.

7 New Paragraph; Reinstated Employees. Amend RSA 281-A:54 by inserting after paragraph IX the following new paragraph:

X. An employer who reinstates an employee under RSA 281-A:25-a shall not be eligible for reimbursement from this fund should the employee become injured.

8 Self-Insureds to Utilize Licensed Claims Adjuster. Amend RSA 281-A:63, I to read as follows:

I. Any insurance carrier, *self-insured*, or claims adjusting company handling workers' compensation claims in this state shall utilize a claims adjuster licensed in New Hampshire, and such claims adjuster shall maintain suitable facilities in this state.

9 Safety Provisions. Amend RSA 281-A:64, II to read as follows:

II. All employers with 10 or more employees shall prepare, with the assistance of the commissioner, a current written safety program. The programs shall be filed [~~annually~~] *biennially* with the commissioner on January 1. Employer programs shall, in addition to the specific rules and regulations regarding worker safety, include the process of warnings, job suspension, and job termination for violations of the safety rules and regulations set forth in the program.

10 Administrative Penalty. Amend RSA 281-A:64, VIII to read as follows:

VIII. [~~Except upon a finding of exceptional mitigating circumstances meriting a lesser penalty;~~] The commissioner [~~shall~~] *may* assess an administrative penalty of *up to* \$1,000 a day on any employer not in compliance with the written safety program required under paragraph II of this section, the joint loss management committee required under paragraph III of this section, or the directives of the department under paragraph IV of this section. Each violation shall be subject to a separate administrative penalty. All penalties collected under this paragraph shall be forwarded to the state treasurer for deposit in the special fund called the workers' compensation safety inspection fund established in paragraph IX.

11 Repeal. The following are repealed:

I. RSA 281-A:24, III and IV, relative to peer review.

II. RSA 281-A:60, I(h) and (i), relative to the fee schedule and a peer review panel, respectively.

12 Effective Date.

I. Sections 3 and 4 of this act shall take effect July 1, 1997.

II. The remainder of this act shall take effect January 1, 1998.

AMENDED ANALYSIS

This bill:

1. Adds a penalty for doing business with an unlicensed third party administrator.

2. Deletes the medical and rehabilitation fee schedule and replaces it with a requirement for payment for reasonable value of services.

3. Declares that employers who reinstate an employee shall not be reimbursed from the fund established under RSA 281-A:54 should such employee become injured.

4. Makes the administrative penalty on employers not in compliance with the written safety program requirement discretionary.

HB 811, legalizing, ratifying, and confirming actions, votes, and proceedings of the annual meetings of the North Walpole village district and the town of Bartlett. **OUGHT TO PASS**

Rep. Betsey L. Patten for Municipal and County Government: Since the State of New Hampshire is not a home-rule state, the committee unanimously approved legalizing the annual meetings of the North Walpole Village district and the town of Bartlett, as requested by those governing bodies. Vote 18-0.

HB 812, relative to the Melendy Pond Authority of Brookline, New Hampshire. **RE-REFER TO COMMITTEE**

Rep. Richard C. Leone for Municipal and County Government: The town of Brookline established a Melendy Pond Authority in 1950. The sponsor requested that these actions be legalized, ratified and confirmed. The committee determined there was a need to secure more background information and clarification before making a final decision. Also there is pending litigation involving the Melendy Pond Authority. Vote 19-0.

REGULAR CALENDAR

SB 39, relative to the delivery of bank products and services. **OUGHT TO PASS WITH AMENDMENT**

Rep. David T. Mittelman and Rep. George Hurt for Commerce: This bill deals with two bank branch-related issues. First, the unamended portion of the bill provides consumers with more convenient access to bank services. It allows (a) mobile units to operate as branch offices conducting bank business, and (b) customer representatives to establish new banking relationships at commercial locations or public events. This framework represents a compromise between state-wide banks and community banks. The minority of the committee is concerned about the potential that banks may sell or solicit insurance products and services through the mobile units and customer representatives that this bill allows. Therefore, the majority and the minority of the committee wish to re-emphasize that the provisions of HB 799, which regulates the sale of insurance by banks, shall apply to all bank branches and agents, including delivery of bank products and services by mobile branch offices. Second, the amendment - which was not controversial in committee - addresses the issue of non-bank ATMs. Under current law, an ATM is considered a bank branch, and because only a bank may operate a bank branch, only banks may operate ATMs. This restriction, however, is not explicitly clear in our statutes nor is it consistent with the approach that other states have taken toward non-bank ATMs. Therefore, the amendment: (a) definitively places a moratorium on non-bank ATMs until January 1, 1999, and (b) establishes a study committee to examine whether non-banks should be allowed to operate ATMs, and if so, what if any consumer protection regulations (e.g., fraud prevention, error resolution) should govern the use of these ATMs. Vote 8-6.

Amendment (1366h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the delivery of bank products and services, and establishing a study committee on operation of electronic customer service terminals by non-banks and non-credit unions.

Amend the bill by replacing all after section 2 with the following:

3 New Paragraphs; Electronic Banking. Amend RSA 384-B:7 by inserting after paragraph II the following new paragraphs:

III. The presence of an authorized service representative of a bank at any such electronic device or machine for the purpose of assisting customers to engage in transactions shall not cause the electronic device or machine to become a "branch office" as defined in RSA 384-B:1, III.

IV.(a) No person other than a bank, cooperative bank, or credit union may establish, maintain and operate electronic devices or machines which permit customers to deposit funds in any account, to withdraw or receive funds from any account either on a debit or credit basis, to have access to any account for informational purposes, to transfer funds between accounts, to obtain loans or other extensions of credit or to engage in banking transactions, except that:

(1) Any person who sells goods or services may establish, maintain, and operate point of sale devices which allow for the withdrawal or receipt of funds as an incident to the purchase of goods or services; and

(2) Any lender licensed under RSA 399-A may make a small loan using an electronic device or machine.

(b) Any violation of this paragraph shall be deemed a violation of RSA 384:24. The bank commissioner may issue cease and desist orders against any person who violates any provision of this paragraph.

4 Study Committee Established. There is established a committee to study the ability of non-banks and non-credit unions to operate, maintain, and establish electronic customer service terminals.

5 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the house from the house commerce committee, appointed by the speaker of the house.

(b) Three members of the senate, at least one of whom shall be a member of the senate banks committee, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

6 Duties. The committee shall study:

I. The effective regulation of the establishment, operation, and maintenance of electronic cash withdrawal machines, and other electronic devices or machines by non-bank persons or entities.

II. Regulatory and supervisory oversight of owners and operators of non-bank and non-credit union persons or entities.

III. Issues related to authorizations, application procedures, and approval standards; service requirements and limitations; bonding requirements; safeguards to protect confidentiality of accounts; settlement disputes; protection of persons and property; reporting requirements and sanctions for noncompliance.

IV. Any other matter determined relevant by the committee.

7 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. Four members of the committee shall constitute a quorum.

8 Report. The committee shall report its findings and any recommendations for proposed legislation to the senate president, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 1998.

9 Repeal. RSA 384-B:7, IV, relative to operation of electronic devices or machines by persons other than banks or credit unions, is repealed.

10 Effective Date.

I. Sections 4-8 of this act shall take effect upon its passage.

II. Section 9 of this act shall take effect January 1, 1999.

III. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows a bank to establish and operate mobile branch offices and defined service branch offices. The bill also authorizes account service representatives of banks to visit public events and commercial locations for the purposes of opening new banking accounts or establishing new banking relationships.

The bill also authorizes persons other than banks and credit unions to maintain and operate electronic devices and machines for certain purposes. The bill establishes a study committee on the ability of non-banks and non-credit unions to operate, maintain, and establish electronic customer service terminals.

Adopted.

SB 79, prohibiting the sale of gift certificates containing an expiration date, relative to unclaimed and abandoned property, and relative to liens on personal property. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. William Tsiros for the Majority of Commerce: Under the current law, all unclaimed gift certificates and store credits must be turned over to the state as abandoned property. This bill will now allow the consumer, who purchases a gift certificate, to have claim for it with the merchant, but with no expiration date. It also allows a repair shop to put claim and after 60 days to sell in public auction, the personal property that was abandoned and not paid for. Vote 13-1.

Rep. Tim S. McGough for the Minority of Commerce: This bill, as amended by the committee, contains a total ban on gift certificates containing an expiration date, except for promotional purposes. An amendment offered in committee to allow expiration dates of a minimum of 2 years from purchase failed on a 9-6 vote. The minority on this vote believed that merchants should be permitted to determine whether or not they wish to have an expiration date on gift certificates they sell. Only California has instituted a total ban on expiration dates on gift certificates. Fourteen states actually consider gift certificates to be a contract between the purchaser and the merchant. New Hampshire should not tie the hands of small businesses that wish to continue to offer this service.

Amendment (1369h)

Amend RSA 358-A:2, XIII as inserted by section 1 of the bill by replacing it with the following:

XIII. Selling gift certificates to purchasers which contain expiration dates. This paragraph shall not apply to gift certificates that are distributed to a consumer for promotional purposes without any money or other thing of value being given in exchange for the gift certificate by the consumer.

Amend RSA 451-B:2 as inserted by section 2 of the bill by replacing it with the following:

451-B:2 Lien Upon Item for Work. Except to the extent otherwise provided by law, every person who shall repair, at the request of the owner, any article of personal property, the fair market value of which is not greater than \$1,000, shall have a lien upon the property and may retain the possession of the article of property until the charges for such repair have been paid. Further, persons who repair articles of personal property shall provide notice that the owner of such personal property must disclose any prior lienholders having a security interest in such personal property at the time repairs are requested. The foregoing notice requirement may be satisfied either by sign or by express written notification at the time that a repair order is made.

Amend the bill by replacing section 3 with the following:

3 Gift Certificates and Store Credits. RSA 471-C:16 is repealed and reenacted to read as follows:

471-C:16 Gift Certificates and Store Credits. Notwithstanding any law to the contrary, gift certificates, and store credits, regardless of when issued, shall not be property presumed abandoned and shall not be subject to RSA 471-C or any other past or present law provided that all gift certificates, and store credits remitted to the state prior to January 1, 1998, shall remain in the custody of the state unless and until returned to the owner.

AMENDED ANALYSIS

This bill:

I. Prohibits gift certificates sold to purchasers from containing enforceable expiration dates.

II. Allows any person who repairs personal property items to have a lien on the property until charges for the repair have been paid. In the event the repair is unpaid after 60 days the holder of the lien may sell the property at public sale.

III. Provides that gift certificates and store credits shall not escheat to the state.

Adopted.

Rep. McGough offered the Minority Amendment.

Amendment (1443h)

Amend the title of the bill by replacing it with the following:

AN ACT prohibiting the sale of gift certificates which expire less than 24 months after the date of issue, relative to unclaimed and abandoned property, and relative to liens on personal property.

Amend RSA 358-A:2, XIII as inserted by section 1 of the bill by replacing it with the following:

XIII. Selling gift certificates to purchasers which expire less than 24 months after the date of issue. This paragraph shall not apply to gift certificates that are distributed to a consumer for promotional purposes without any money or other thing of value being given in exchange for the gift certificate by the consumer.

Amend RSA 451-B:2 as inserted by section 2 of the bill by replacing it with the following:

The foregoing notice requirement may be satisfied either by sign or by express written notification at the time that a repair order is made.

Amend the bill by replacing section 3 with the following:

3 Gift Certificates and Store Credits. RSA 471-C:16 is repealed and reenacted to read as follows:

471-C:16 Gift Certificates and Store Credits. Notwithstanding any law to the contrary, gift certificates and store credits, regardless of when issued, shall not be property presumed abandoned and shall not be subject to RSA 471-C or any other past or present law provided that all gift certificates and store credits remitted to the state prior to January 1, 1998, shall remain in the custody of the state unless and until returned to the owner.

AMENDED ANALYSIS

This bill:

I. Prohibits gift certificates sold to purchasers from expiring less than 24 months after the date of issue.

II. Allows any person who repairs personal property items to have a lien on the property until charges for the repair have been paid. In the event the repair is unpaid after 60 days the holder of the lien may sell the property at public sale.

III. Provides that gift certificates and store credits shall not escheat to the state.

SB 101, requiring certain hospitals to file certain forms with the director of charitable trusts. **OUGHT TO PASS WITH AMENDMENT**

Rep. Gregory G. Carson for Commerce: This legislation clarifies the procedure for acquisition transaction involving health care charitable trusts. It assures public notice and disclosure as to fair value, conflicts of interest and public benefit when a merger or sale occurs. Vote 11-3.

Amendment (1371h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to standards for acquisition transactions involving health care charitable trusts.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Standards for Certain Acquisitions. Amend RSA 7 by inserting after section 19-a, the following new section:

7:19-b Standards for Acquisition Transactions Involving Health Care Charitable Trusts and Review by Director of Charitable Trusts.

I. In this section:

(a) "Acquisition transaction" or "acquisition" means transfer of control, direct or indirect, of a health care charitable trust, or of 25 percent or more of the assets thereof, including, but not limited to purchases, mergers, leases, gifts, consolidations, exchanges, joint ventures or other transactions involving transfer of control or of 25 percent or more of assets. However, changes in membership of the governing body of a health care charitable trust occurring through regular election or filling of vacancies in accordance with the bylaws thereof do not of themselves constitute acquisition transactions within the meaning of this section.

(b) "Acquirer" means a person acquiring control, direct or indirect, of a health care charitable trust, or of 25 percent or more of the assets thereof.

(c) "Control" of a health care charitable trust means the power to elect a majority or more of the membership of the governing body thereof, or otherwise to direct the affairs thereof.

(d) "Health care charitable trust" means a charitable trust organized to provide health care services including, but not limited to, hospitals, community health services and medical-surgical or other diagnostic or therapeutic facilities or services, or a charitable trust operating as a health insurer or health maintenance organization. "Health care charitable trust" shall not include any testamentary or inter vivos trust which is not organized to provide health care services.

II. The governing body of a health care charitable trust, or any other persons having authority to direct the affairs of a health care charitable trust, shall not approve the acquisition thereof unless the governing body has acted in good faith and in a manner consistent with its fiduciary duties to the health care charitable trust, and unless the following minimum standards are met:

(a) The proposed transaction is permitted by applicable law, including, but not limited to RSA 7:19-32, RSA 292, and other applicable statutes and common law;

(b) Due diligence has been exercised in selecting the acquirer, in engaging and considering the advice of expert assistance, in negotiating the terms and conditions of the proposed transaction, and in determining that the transaction is in the best interest of the health care charitable trust and the community which it serves;

(c) Any conflict of interest, or any pecuniary benefit transaction as defined in this chapter, has been disclosed and has not affected the decision to engage in the transaction;

(d) The proceeds to be received on account of the transaction constitute fair value therefor;

(e) The assets of the health care charitable trust and any proceeds to be received on account of the transaction shall continue to be devoted to charitable purposes consistent with the charitable objects of the health care charitable trust and the needs of the community which it serves;

(f) If the acquirer is other than another New Hampshire health care charitable trust, control of the proceeds shall be independent of the acquirer; and

(g) Reasonable public notice of the proposed transaction and its terms has been provided to the community served by the health care charitable trust, along with reasonable and timely opportunity for such community, through public hearing or other similar methods, to inform the deliberations of the governing body of the health care charitable trust regarding the proposed transaction.

III. Notice of a proposed acquisition transaction shall be given to the director of charitable trusts in writing to be received by the director no less than 120 days before consummation of the transaction. Such notice shall identify all parties to the transaction; shall set forth all material terms thereof, including, without limitation, any changes in control or ownership of assets, any acquisition price, any change in the capital structure and management, and any and all compensation paid or to be paid in connection therewith; shall include a copy of the minutes and other documents evidencing the decision of the governing body of the health care charitable trust, including documentation of steps taken to comply with paragraph II(g) of this section and any changes in the proposed transaction resulting therefrom, any relevant community needs assessment developed by the health care charitable trust, and a copy of the acquisition agreement and financial statements of all parties; and shall include a certification signed by those members of the governing body or other person approving the acquisition on behalf of the health care charitable trust that the standards set forth in paragraph II of this section have been considered in good faith and complied with, together with such explanations and other documentation as may be necessary to demonstrate such compliance. The notice shall also include a statement from the acquirer specifying the manner in which it proposes to continue to fulfill the charitable objects of the health care charitable trust. Any information submitted pursuant to this section shall be subject to RSA 91-A.

IV. Within a reasonable time, not to exceed 120 days after receipt of the notice specified in the preceding paragraph, the director shall determine compliance with the standards set forth in paragraph II of this section and shall notify the parties either that the director will take no further action with respect thereto, or that the director objects to the transaction on specified grounds. Within 60 days following receipt of the notice specified in the preceding paragraph, the director may require submittal of such additional information as may be reasonably necessary to make such a determination. In making such a determination, the director shall accept public comment and may conduct public hearings relating thereto within the time specified in this paragraph and may direct the health care charitable trust to publish notice thereof in a manner reasonably specified by the director. Such hearing may be conducted informally or in conformity with RSA 541-A, at the discretion of the director. The expenses of such public hearing shall be paid for by the parties to the proposed transaction, after consultation with the parties. Where the acquisition transaction

involves assets, the fair value of which are in excess of \$5,000,000, after consultation with the parties, the director may employ, at the parties' expense, expert assistance, including independent counsel and independent financial advisors that are reasonably necessary to make the determination specified in this paragraph.

V. In addition to all other powers conferred by statute or common law, the director may bring judicial proceedings to enjoin consummation of any acquisition transaction in which notice has not been provided in accordance with paragraph III of this section. Any acquisition transaction which has been consummated following the effective date of this section without such notice having been provided, or any acquisition transaction of which such notice was deceptive or materially inaccurate, shall be voidable through appropriate judicial proceedings instituted by the director of charitable trusts.

VI.(a) Nothing in this section shall derogate from authority of the attorney general, or the rights of others, provided by common law or other statute.

(b) This section shall not supplant or restrict the general powers of the probate courts with respect to charitable trusts pursuant to RSA 498, RSA 547:3 through 547:3-h, or at common law. Nor do the standards set forth in paragraph II of this section supplant or restrict the standards that may lawfully be applied in connection with the doctrines of cy pres, deviation, and termination as applicable by the probate courts of this state in such proceedings.

(c) Notwithstanding the provisions of this section, the commissioner of insurance retains full jurisdiction to regulate any charitable trust operating as a health insurer or health maintenance organization, including through the application of RSA 401-B. If the insurance commissioner determines that an acquisition or acquisition transaction otherwise subject to the provisions of this section is necessary to avoid the future impairment or insolvency of either or both of the merging health insurers or health maintenance organizations, the commissioner may waive any of the provisions of this section.

2 Applicability. This act shall not apply to any acquisition transaction involving a health care charitable trust operating as a health insurer or health maintenance organization with respect to which there has been a filing pursuant to RSA 401-B:3 prior to the effective date. With respect to any other health care charitable trust, this act shall not apply to any acquisition transaction as to which there has been, prior to the effective date, a recorded vote of the governing body giving approval to the acquisition transaction.

3 Effective Date. This act shall take effect September 1, 1997.

AMENDED ANALYSIS

This bill clarifies the procedure for acquisition transactions involving health care charitable trusts. Adopted.

Report adopted and ordered to third reading.

SB 113, establishing a committee to study health care issues related to individuals who are underinsured or without insurance. **INEXPEDIENT TO LEGISLATE**

Rep. Keith R. Herman for Commerce: This bill was originally reported out ITL. After a reconsideration to address a committee member's concerns, the committee feels the issue will be handled under the study committee established in SB 122. This study committee formed in SB 113 is not necessary. Vote 9-5.

Adopted.

SB 130, relative to the portability, availability, and renewability of health coverage. **OUGHT TO PASS WITH AMENDMENT**

Rep. Keith R. Herman for Commerce: This legislation brings New Hampshire into conformity with the federal HIPAA(Kennedy-Kassenbaum) bill. New Hampshire will avoid dual regulation by passing this bill. There are several provisions of HIPAA which will have a significant impact on New Hampshire insureds. Pre-existing conditions for maternity requirements and broadening existing NH law to include large employers (over 100 employees) will probably result in higher insurance premiums. Once again, the federal government thinks they can do it better than the states. Vote 12-1.

Amendment (1314h)

Amend the bill by inserting after section 9 the following and renumbering the original section 10 to read as 11:

10 Application. Neither RSA 420-G:2, XII(b) nor RSA 420-G:2, XVI(b) shall be applied so as to alter the current classification of any employer before January 1, 1999.

AMENDED ANALYSIS

This bill repeals the current chapter concerning health coverage for employees of small employers and individuals and replaces it with a chapter which more broadly covers the portability, availability, and renewability of health coverage for individuals and for employees of large and small employers.

Adopted.

Report adopted and ordered to third reading.

SUSPENSION OF RULES

Rep Hunt moved that the Rules be so far suspended as to permit consideration at the present time of a nongermane amendment without the proper hearing on **SB 165**, relative to Medicare and health maintenance organizations and small employer and individual insurance.

On a division vote, 247 members having voted in the affirmative and 81 in the negative, the motion was adopted by the necessary two-thirds.

REGULAR CALENDAR (CONT'D.)

SB 165, relative to Medicare and health maintenance organizations and small employer and individual insurance. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Keith R. Herman for the Majority of Commerce: This legislation takes current Insurance Department rule and places it into statute where the Legislature will have better control. Consumers must be protected from the threat of false and misleading advertising. Despite the appearance of government intervention, all parties affected by this bill fully support it. The bill as amended, also allows for the use of any FDA approved test for A.I.D.S. Vote 12-2.

Rep. Tim S. McGough for the Minority of Commerce: This bill had a single controversial issue after it was reported out of committee: whether or not to give approval authority to the state on HMO advertising. The amendment to eliminate this censorship ability, but to keep a review process and all the other changes made by the committee amendment, fell to a tie vote of 7-7. This minority amendment now being offered still requires that all HMO advertising be reviewed by the insurance department, but leaves the final decision to use the material to the organization generating it. The state must not be involved in censoring advertising in any way, especially when sufficient remedy for false or misleading advertising already exists in statute.

Amendment (1147h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to Medicare and health maintenance organizations and relative to the disclosure by insurers of test results for the presence of an antibody or antigen to a human immunodeficiency virus.

Amend RSA 420-B:1, I(c) as inserted by section 1 of the bill by replacing it with the following:

(c) Sales talks, presentations and material prepared by insurers for use by agents and brokers, and representations made by agents and brokers in accordance therewith.

Amend section 4 of the bill by replacing it with the following:

4 Unfair Methods, Acts, and Practices Defined; Human Immunodeficiency Virus. Amend RSA 417:4, XIX(c) to read as follows:

(c) In the event of a [serologic] positive test result on a blood, urine, or oral specimen, or a positive test result on an FDA approved test, a person who tests for the presence of an antibody or antigen to a human immunodeficiency virus shall disclose the test results, but only to:

(1) The individual tested;

(2) Such other person or entity as the individual tested may authorize by written consent to receive the test results, which consent shall be clearly identifiable as part of the form described in subparagraph (a) of this paragraph.

AMENDED ANALYSIS

This bill:

I. Requires that advertising by health maintenance organizations be approved by the insurance commissioner.

II. Exempts Medicare risk policies from certain state requirements and provides for alternative coverage in the event the contract between a health maintenance organization and the Health Care Financing Administration is terminated.

III. Expands the applicability of restrictions on disclosure by insurers of test results for the presence of a human immunodeficiency virus to positive test results on blood, urine, or oral specimens or positive test results on FDA approved tests.

SB 154, relative to charter schools. OUGHT TO PASS WITH AMENDMENT

Rep. Richard L. Champagne for Education: This bill, as amended, makes minor changes to RSA 194(B) relative to clearly defining specific application process dates, technical changes regarding applications vs. contracts and other clarifications regarding charter school purpose statements. Vote 20-1.

Amendment (1382h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Statement of Purpose Added. Amend RSA 194-B by inserting after section 1 the following new section:

194-B:1-a Statement of Purpose. It is the purpose of this chapter to:

I. Promote and encourage the establishment and operation of charter and open enrollment schools in New Hampshire.

II. Encourage school districts to allow public charter and open enrollment schools.

III. Encourage the establishment of public charter schools with specific or focused curriculum, instruction, methods, or target pupil groups.

IV. Improve pupil learning and increase opportunities for learning.

V. Exempt charter schools from state statutes and rules, other than where specified, to provide innovative learning and teaching in a unique environment.

VI. Enhance professional opportunities for teachers.

VII. Establish results-driven accountability for public charter schools and require the measurement of learning.

VIII. Make school improvement a focus at the school level.

2 "Application" Substituted for "Contract." Amend the introductory paragraph of RSA 194-B:3, II to read as follows:

II. Except as expressly provided in this chapter, the duty and role of the local school board relative to the establishment of a charter school shall be in good faith to approve or disapprove the proposed charter school ~~[contract]~~ **application** based upon whether or not the proposed ~~[contract]~~ **application** contains and appropriately addresses these required elements:

3 Description of Proposed Location of Charter School Facility. Amend RSA 194-B:3, II (d) to read as follows:

(d) *General* description and *proposed or potential* location of facilities to be used, *if such information is available*.

4 Location of Charter School. Amend RSA 194-B:3, II(1) to read as follows:

(1) Pupil transportation plan, including reasonable provision from the charter school's own resources for transportation of pupils residing outside ~~[that school's]~~ **the district in which the charter school is physically located**.

5 "Application" Substituted for "Contract." Amend RSA 194-B:3, II(y) to read as follows:

(y) Severability provisions and statement of assurance that any provision of the charter school ~~[contract]~~ **application** found by competent authority to be contrary to applicable law, rule, or regulation shall not be enforceable.

6 New Subparagraph; Charter School Contract. Amend RSA 194-B:3, II by inserting after subparagraph (bb) the following new subparagraph:

(cc) In addition to an application, each charter school applicant, in consultation with the local school board, shall prepare a proposed contract. The contract shall include, but shall not be limited to, the following elements:

- (1) Purpose.
- (2) Written policies.
- (3) Authority of trustees.
- (4) Reporting and financial requirements.
- (5) Contract agreements.
- (6) Indemnification.
- (7) Secular orientation.
- (8) Non-discrimination.
- (9) Health and safety.
- (10) Enrollment.
- (11) Attendance.
- (12) Availability of services.
- (13) Assessment of pupils.
- (14) Tuition and funding.
- (15) Property ownership.
- (16) Records.
- (17) Severability in accordance with subparagraph (y) above.
- (18) Assignment.
- (19) Insurance.
- (20) Revocation.
- (21) Amendment.
- (22) Renewal.
- (23) Entire agreement.
- (24) Location, which shall be identified prior to submission to the legislative body.

7 "Application" Substituted for "Contract." Amend RSA 194-B:3, III(b)-(g) to read as follows:

(b) ***Proposed applications and contracts*** to establish a charter school ~~[shall take the form of a proposed contract and]~~ shall be presented by ~~[April]~~ ***July*** 1 of the year preceding intended operation of the charter school by its prospective board of trustees to the school board of the district in which the charter school intends to be located.

(c) By ~~[July 1]~~ ***September 15*** of the given year, the school board shall have completed its review of the proposed ~~[contract]~~ ***application*** and shall have granted or denied its approval. In its review the school board shall grant or deny the proposed ~~[contract]~~ ***application***, using as its criteria whether or not the proposed ***application and contract*** ~~[contains and addresses]~~ ***contain and address*** the elements required under RSA 194-B:3, II. The school board reserves the right to suggest amendments or additions to the proposed ~~[contract]~~ ***application*** as it deems necessary to assure its completeness and compliance with this chapter. The school board shall forward the proposed ***application and contract***, along with its approval or denial and a written statement specifying any areas deemed deficient, to the state board and to the applicant's prospective board of trustees.

(d) By ~~[October 1]~~ ***December 31*** of the given year, the state board shall have reviewed the proposed ~~[contract]~~ ***application*** and shall grant or deny the proposed ~~[contract]~~ ***application***, using as its criteria whether or not the proposed ~~[contract]~~ ***application*** contains and addresses the elements required under RSA 194-B:3, II. The state board reserves the right to suggest amendments or additions to the proposed ~~[contract]~~ ***application*** as it deems necessary to assure its completeness and compliance with this chapter. ~~[Contract]~~ ***Application*** disapprovals shall include a written statement specifying areas deemed deficient. The state board shall promptly notify the prospective board of trustees and the school board of its decision in writing. For any applicant charter school whose proposed ~~[contract]~~ ***application*** is deemed complete and is approved by the state board, the state board shall issue a charter enabling the formation and operation of the charter school.

(e) ~~[The school board shall promptly execute the state board approved contract within one month of the school board's receipt of notice of approval from the state board.]~~

~~(f) The executed contract shall be submitted to the school district legislative body for subsequent approval. The state board shall submit 2 copies of the approved contract to the clerk of the school district who shall make the contract available for inspection by the voters of the school district. The school board shall submit a warrant article to the school district legislative body for ratification.~~

cation or denial without amendment[~~which decision shall be final~~]. The ratification question shall be placed on the warrant of the next special or annual school district meeting. In districts without annual meetings, the legislative body shall have final authority to ratify or deny the state board approved contract. A ratified contract grants final authority for the charter school to operate for the life of its contract and to receive school district funds.

[(g)] (f) The school's [~~charter and~~] contract shall become effective July 1 immediately following ratification by the legislative body. Upon approval by the legislative body, [~~charters~~] **contracts** shall be [~~granted~~] for a 5-year term beginning on July 1 immediately following ratification by the legislative body.

8 "Application" Substituted for "Contract." Amend RSA 194-B:3, IV(a) and (b) to read as follows:

(a) The charter school's prospective board of trustees may appeal a denial by a school board under RSA 194-B:3, III(c) to the state board by [~~August 1~~] **September 30** of the given year.

(b) The state board shall conduct a review of the proposed charter school [~~contract~~] **application**, using review standards as specified under RSA 194-B:3, II. The state board shall be authorized to suggest amendments or additions to the proposed [~~contract~~] **application** to both parties including, but not limited to, deficiencies identified by the local school board and the trustees, as the state board deems necessary to assure its completeness and compliance with this chapter. [~~Contract~~] **Application** disapprovals by the state board shall include a written statement specifying areas deemed deficient or in the case of approval on appeal, the reasons for such action to both parties. The state board shall promptly notify the prospective board of trustees and the school board of its decision in writing.

9 "Grantee" Substituted for "School"; "Application" Added. Amend RSA 194-B:3, XI and XII to read as follows:

XI.(a) A charter [~~school~~] **grantee** may apply to the school board for amendment to its **application and** contract, which shall be granted or denied within 30 days at the school board's discretion. The school board shall notify the school in writing of the decision to grant or deny the proposed amendment, providing reasons for the decision. An approved amended contract shall be promptly signed by the school board within one month of approval.

(b) A charter [~~school~~] **grantee** may appeal the denial of a proposed **application and** contract amendment to the state board. The state board shall review the proposed amendment and within 30 days shall notify the school and the school board in writing of the decision to grant or deny the amendment, providing reasons for the decision.

(c) Within one month of receipt of a notice of approval from the state board on appeal from a school board denial, the school board shall promptly execute the proposed amended contract.

(d) When executed by the school board, an appealed amended **application and** contract shall be submitted promptly to the school district legislative body for subsequent ratification or denial without amendment, which decision shall be final. The ratification question shall be placed on the warrant of the next special or annual school district meeting. In districts without annual meetings, the legislative body shall have final authority to ratify or deny the proposed amended **application and** contract.

XII. [~~For specific periods of time and for good cause shown, a school board and the state board may waive any deadlines applying in this section to their respective actions to shorten or speed a charter school's approval process:~~] A school board and the state board may provide technical assistance to improve a charter school's application or to speed the approval process. An applicant whose proposed [~~contract~~] **application** is not approved by a school board or by the state board shall be granted the opportunity to present a revised [~~contract~~] **application** for reconsideration.

10 New Paragraph; Acquisition of Real Property. Amend 194-B:3 by inserting after paragraph XII the following new paragraph:

XIII. The board of trustees of a charter school may acquire real property by lease, purchase, lease with purchase option, gift, or otherwise at any time prior to receiving a charter.

11 Changing Limitation Percentages. Amend RSA 194-B:4, I(d) and (e) to read as follows:

(d) The wording of the required adoption and limitation questions shall be either or both:
(1)(A) "Shall we adopt the provisions of RSA 194-B, [~~implementing a~~] **enabling** charter and open enrollment [~~school program~~] **schools**?" and

(B) "Shall no more than (any whole number from 0 to 100) percent of the district's current pupil enrollment be eligible for tuition to attend charter and open enrollment schools located outside the school district?"; and

(C) "Shall no more than (any whole number from 0 to 100) percent of the district's current pupil enrollment be eligible for tuition to attend charter and open enrollment schools located inside the school district?"; or

(2)(A) "Shall we adopt the provisions of RSA 194-B, ~~[implementing an]~~ *regarding* open enrollment ~~[school program]~~ *schools*?"; and

(B) "Shall no more than (any whole number from 0 to 100) percent of the district's current pupil enrollment be eligible for tuition to attend open enrollment schools located outside the school district?"; and

(C) "Shall no more than (any whole number from 0 to 100) percent of the district's current pupil enrollment be eligible for tuition to attend open enrollment schools located inside the school district?"

(e) For all limitation questions, the school board shall propose a percentage limitation number. The number may also be proposed by petition. *To change limitation percentages, a district need only act upon the relevant limitation questions.*

12 New Paragraphs; Consolidation for Purposes of Admissions Lottery; Location of Charter School. Amend RSA 194-B:4 by inserting after paragraph III the following new paragraphs:

IV. Upon approval by each of the district's legislative bodies and after a public hearing, 2 or more school districts may consolidate otherwise eligible resident pupils into one applicant pool for the purposes of an admissions lottery for designated charter or open enrollment schools.

V. A charter school may be physically located outside the district establishing it, but shall be deemed within the school district for purposes of RSA 194-B:4, I(d).

13 Suspension and Expulsion from Charter School. Amend RSA 194-B:9, III to read as follows:

III. A pupil may be suspended or expelled from a charter school based on criteria determined by the board of trustees consistent ~~[with its charter contract]~~ with the advice of the principal and teachers and in conformance with RSA 193:13, ~~and in accordance with RSA 189:1-a~~. No public school shall be obligated to enroll an expelled pupil.

14 Charter Schools; Pupil Residency. Amend RSA 194-B:9, IV to read as follows:

IV. For the purpose of this chapter, any resident pupil enrolled in a charter school is to be considered reassigned to the charter school ~~[in accordance with RSA 193:3]~~ *for purposes of school attendance.*

15 "Application" Added. Amend RSA 194-B:10, III to read as follows:

III. To ensure compliance with its *application and* contract and applicable law, a charter school shall be subject to a first year and periodic subsequent program audits by the department of education or its agent.

16 Funding; Schedule of Payments. Amend RSA 194-B:11, I to read as follows:

I. There shall be no tuition charge for any pupil attending an open enrollment or charter conversion school located in that pupil's resident district. Funding limitations in this chapter shall not be applicable to charter conversion or open enrollment schools located in a pupil's resident district. For any other charter or open enrollment school, the pupil's resident district shall pay to such school an amount equal to not less than 80 percent of that district's prior fiscal year's average cost per pupil *as determined by the department of education*. ~~[In calculating the cost per pupil, the district's expenditures for all added services for special education and for services provided under individual education plans, plus any federal or other funds identified under RSA 194-B:11, IV, shall be deducted from the school district's total education expenditures. The 80 percent minimum amount shall be as determined by the department of education.]~~ Tuition amounts shall be prorated on a per diem basis for pupils attending a school for less than a full school year. *To the extent permitted by law, funding for a pupil attending a charter or open enrollment school shall be paid on the same time schedule as the resident district, or on such other terms as the school and the funding source may find mutually acceptable.*

17 "Application" Added. Amend RSA 194-B:15, I to read as follows:

I. Individuals or groups may complain to a charter school's board of trustees concerning any claimed violation of the provisions of the school's *application and* contract.

18 "Application" Added. Amend RSA 194-B:16, II(a) to read as follows:

(a) The school commits a material violation of any of the conditions, standards, or procedures set forth in its charter *application and* contract.

19 "Application" Added. Amend RSA 194-B:16, II(d) to read as follows:

(d) The school makes a material misrepresentation in its *application or* contract application.
20 "Application" Added. Amend RSA 194-B:16, VI and VII to read as follows:

VI. By the end of its final contract year, the charter school shall meet or exceed the objective academic test results or standards and goals as set forth in its ~~[contract]~~ *application*. If the school does not meet these results or standards and goals, it shall not be eligible for renewal of its charter.

VII. If a school's charter expires or is revoked, the school shall be dissolved under the provisions of its charter *application and* contract. If the contract provisions are silent or ambiguous as to disposition of any asset of the school, such asset shall revert to the school district in which the charter school is located at no cost to that district, subject to the school district's acceptance of the asset. Under no circumstances shall the school district be liable for any obligations of the dissolved charter school.

21 Geographic Dispersion Deleted. Amend RSA 194-B:20, I to read as follows:

I. Prior to January 1, 1997, the state board shall grant no more than 5 charter school applications. During calendar year 1997 and each calendar year thereafter, no more than 10 charter school applications shall be granted by the state board. ~~[To ensure geographic dispersion of charter schools throughout the state, no more than one charter school and one charter conversion school application shall be granted in any one calendar year in each executive council district. The physical location of the charter or charter conversion school shall be used to determine its executive council district. Denial by a legislative body for a state board approved charter school's authority to operate under the provisions of RSA 194-B:3, III(f) shall allow an alternate charter school application to be granted by the state board. Final authority to operate fewer than the maximum number of permitted charters in any executive council district in any year shall not increase the maximum number of permitted charters in that district in any subsequent year.]~~

22 Effective Date. This act shall take effect upon its passage.

Rep. Champagne yielded to questions.

Adopted.

Report adopted and ordered to third reading.

SB 202-FN-A-L, relative to the certification of teachers, high school graduation examinations and making an appropriation therefor, school building aid, and establishing a committee to study school discipline and manifest educational hardship. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Susan B. Durham for the Majority of Education: The amendment replaces the bill as passed by the Senate and was discussed and voted on section by section.

Sections 1 and 2 direct the State Board of Education to establish testing for academic competence before a teacher is certified. This draws on the language of re-referred HB 612 and has support of teachers, administrators and School Boards.

Sections 3 and 4 give teachers and their representatives more time to prepare for a hearing and more time to appeal a local school board decision to non-renew a teacher's contract.

A section which prohibited binding arbitration in teacher contracts was deleted.

Sections 5-10 set up a 12th grade assessment program which will set standards of what New Hampshire graduates should know and be able to do. These standards shall be comparable to those of the world's top performing nations. The purpose is to encourage our teachers and students to excel academically. \$300,000 is appropriated for the assessment program.

Sections 11-13 encourage school districts to have year round schools by paying 75% building aid for the cost of renovations needed for air conditioning.

The final section, #14, establishes a committee to study issues relating to school discipline and manifest educational hardship Vote 12-9.

Rep. Charles Yeaton for the Minority of Education: This bill offers little but simplistic solutions to very complex education reform problems.

To assume that educational personnel including teachers, principals and central office administrations are responsible for the decline in quality education is to blame police officers for crime, clergy for moral decay and doctors for physical and mental illness.

The new State Board of Education and the Commissioner of Education that has authority, has assured the Education Committee that education reform will be a top policy priority with recommendations for legislation to be available in a timely fashion.

Amendment (1464h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the certification and recertification of teachers, supervisors, and administrators, high school graduation examinations and making an appropriation therefor, school building aid, and establishing a committee to study school discipline and manifest educational hardship.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Tests of Academic Knowledge; Prerequisite to Teacher Certification. Amend RSA 189 by inserting after section 13-a the following new section:

189:13-b Tests of Academic Knowledge; Prerequisite to Teacher Certification.

I. The state board of education and the department of education shall establish, from preexisting resources, suitable tests of academic knowledge to be administered as a prerequisite for certification and recertification of teachers, supervisors, and administrators in New Hampshire.

II. Such tests shall be germane to the subject matter and major field of study in which a prospective teacher seeks certification or recertification.

III. Costs of such tests shall be incorporated into the cost of the certification or recertification fee.

2 Application of Section 1. The testing requirements for applicants under section 1 of this act shall apply to teachers, supervisors, and administrators seeking initial certification for grades K - 12 beginning with the 1999-2000 school year.

3 Failure to Meet Time Frames; Hearings Relative to Failure to be Renominated or Reelected. Amend RSA 189:14-a, I(b) to read as follows:

(b) Any such teacher who has taught for 3 consecutive years or more in the same school district and who has been so notified may request in writing within 10 days of receipt of said notice a hearing before the school board and may in said request ask for reasons for failure to be renominated or reelected. For purposes of this section only, a leave of absence shall not interrupt the consecutive nature of a teacher's service, but neither shall such a leave be included in the computation of a teacher's service. Computation of a teacher's service for any other purposes shall not be affected by this section. The notice shall advise the teacher of all of the teacher's rights under this section. The school board, upon receipt of ~~said~~ **such** request, shall provide for a hearing on the request to be held within **[+5] 30** days. The school board shall issue its decision **to the teacher** in writing **by certified mail** within **[+5] 30** days of the close of the hearing.

4 Failure to Meet Time Frames; Review by State Board. Amend RSA 189:14-b to read as follows:

189:14-b Review by State Board. A teacher aggrieved by such decision may request the state board of education for review thereof. Such request must be in writing and filed with the state board within 10 days after the ~~issuance~~ **receipt** of the decision to be reviewed. Upon receipt of such request, the state board shall notify the school board of the request for review, and shall forthwith proceed to a consideration of the matter. Such consideration shall include a hearing if either party shall request it. The state board shall issue its decision within **[+5] 60** days after the request for review is filed~~[-and]~~. The decision of the state board shall be final and binding upon both parties.

5 Statement of Purpose. The purpose of sections 6-10 of this act is to:

I. Identify, encourage, and provide recognition to students who excel academically by awarding them a New Hampshire certificate of advanced academic achievement.

II. Establish the high school graduation assessment as a widely accepted and meaningful indicator of educational achievement.

III. Develop and maintain the academic assessment in concert with the statewide education improvement and assessment program.

6 Advocates for Educationally Disabled to be Consulted. Amend the introductory paragraph of RSA 193-C:3 to read as follows:

There is established within the department of education a statewide education improvement and assessment program. The commissioner shall develop and implement this program in conjunction with the state board of education and the legislative oversight committee. In carrying out this program, the commissioner shall consult widely with educators at all levels, **representatives of educationally disabled pupils**, business people, government officials, community representatives, and parents.

7 New Section; High School Graduation Assessment Required. Amend RSA 193-C by inserting after section 6 the following new section:

193-C:6-a High School Graduation Assessment.

I. The high school graduation assessment shall measure what pupils know and are able to do in terms of high standards required for success in postsecondary education, the work place, and the community. The New Hampshire standards shall be comparable to the standards of the world's top performing nations.

II. High school graduation assessment results shall be reported at the individual pupil, school, and district levels in a manner consistent with that employed at the other 3 grades assessed. Performance levels shall be benchmarked, to the extent possible according to the achievement demonstrated by pupils from the world's top performing nations.

III. A New Hampshire certificate of advanced achievement shall be awarded to those otherwise qualifying for high school graduation who perform at the advanced level in each of the academic areas assessed.

IV. Notwithstanding any other provision of law, no public school, public academy, or charter school pupil shall be awarded a high school diploma by a local school board or board of trustees unless such pupil has taken the high school graduation assessment. In no case shall a pupil's level of performance on the high school graduation assessment be cause to deny a diploma to such pupil.

V. The high school graduation assessment shall be administered annually at state expense to all public school, public academy, and charter school twelfth grade pupils with suitable provision for taking a make-up assessment by pupils who are unavoidably absent. A pupil may take the high school graduation assessment at an earlier grade level when it is administered at his or her school if granted permission to do so by the school principal or administrator. A pupil who has graduated from a New Hampshire public secondary school, public academy, or charter secondary school and has not reached the age of 21 may take the high school graduation assessment when it is administered at any convenient location provided that he or she makes suitable arrangements with the principal or administrator of the school or academy in advance of taking the assessment.

VI. New Hampshire certificates of advanced academic achievement shall be signed by the governor and awarded to the pupil.

8 Pilot Program; High School Graduation Assessment. The high school graduation assessment shall be piloted during the school year beginning in 1999 as funded in section 10 of this act. The department of education shall determine the school districts in which the pilot assessment shall be administered.

9 Statewide Implementation; High School Graduation Assessment. Annual statewide administration of the high school graduation assessment shall be implemented during the school year beginning in 2000.

10 Appropriation. The sum of \$300,000 is appropriated to the department of education for the biennium ending June 30, 1999, for the development and piloting of the high school graduation assessment. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated. These funds shall be nonlapsing.

11 Statement of Purpose. It is the purpose of section 12 of this act that the legislature encourage year round schooling.

12 School Building Aid. Amend RSA 198:15-b, I to read as follows:

I.(a) The amount of the annual grant to any school district duly organized, any city maintaining a school department within its corporate organization, any cooperative school district as defined in RSA 195:1, or any receiving district operating an area school as defined in RSA 195-A:1, shall be a sum equal to 30 percent of the amount of the annual payment of principal on all outstanding borrowings of the school district, city, cooperative school district or receiving district, heretofore or hereafter incurred, for the cost of construction or purchase of school buildings and school administrative unit facilities, to the extent approved by the state board of education, provided that any school district may receive an annual grant in the amount of 40 percent for the construction of an educational administration building for school administrative unit, and provided that the amount of the annual grant in the case of a cooperative school district, or a receiving district operating an area school, shall be 40 percent plus 5 percent for each pre-existing district in excess of 2 and each sending district in excess of one, and provided further that no cooperative school district, or receiving district operating an area school, shall receive an annual grant in excess of 55 percent.

(b) *For any district, the added cost of renovating equipment necessary for air conditioning, to make new or existing buildings suitable and used for year round schooling shall be entitled to*

aid at 75 percent of the cost of such renovations for so long as the district maintains a year round school program in the building receiving aid. Fifty percent of the aid shall be reimbursed if a town abandons year round schooling within 5 years of the first year of receipt of such aid.

13 Application. Section 12 of this act shall apply only to school building aid grants approved on or after July 1, 1997.

14 Committee Established.

I. There is established a committee to study issues relating to school discipline and manifest educational hardship.

II. The members of the committee shall be as follows:

(a) Three members of the senate, 2 of whom shall be members of the senate education committee, appointed by the president of the senate.

(b) Three members of the house, 2 of whom shall be members of the house education committee, appointed by the speaker of the house.

III. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

IV. The committee shall examine issues relating to school discipline and manifest educational hardship.

V. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named senate member. Four members of the committee shall constitute a quorum.

VI. The committee shall report its findings and any recommendations for proposed legislation to the senate president, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 1997.

15 Effective Date.

I. Sections 1-4 of this act shall take effect January 1, 1998.

II. Section 14 of this act shall take effect upon its passage.

III. The remainder of this act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill:

I. Requires the state board and the department of education to establish, from preexisting resources, suitable tests of academic knowledge to be administered as a prerequisite for certification and recertification of teachers, supervisors, and administrators in New Hampshire

II. Establishes a high school graduation assessment program and makes an appropriation for such program.

III. Revises the provisions relative to the amount of annual grants for school building aid.

IV. Establishes a committee to study issues relating to school discipline and manifest educational hardship.

Adopted.

Reps. Champagne and Franks spoke against and yielded to questions.

Reps. Belvin and O'Hearn spoke in favor and yielded to questions.

Rep. O'Hearn requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

RECESS

(Speaker Sytek in the Chair)

REGULAR CALENDAR (CONT'D.)

SB 97, relative to polling hours. **INEXPEDIENT TO LEGISLATE**

Rep. Jane A. Clemons for Election Law: This committee has twice voted ITL on this same issue. A bill recently passed by the House allowing 17 year olds to work at the polls may help to provide a solution to finding enough workers to keep the polls open. Vote 11-2.

Rep. Alger spoke against.

Rep. Jane Clemons spoke in favor.

Adopted.

SB 32, relative to dogs at large. **INEXPEDIENT TO LEGISLATE**

Rep. Harold P. Melcher for Environment and Agriculture: Upon a more thorough re-examination of SB 32, the committee felt that the bill does not add any essential improvement to current law, and raised several new unanswered questions, needing a basic re-examination of the policy principles of dog laws before new legislation is brought forward. Vote 14-2.

Adopted.

SB 207-FN, relative to a digital signature act. **OUGHT TO PASS WITH AMENDMENT**

Rep. Merton S. Dyer for Executive Departments and Administration: This bill, as amended, will allow the secretary of state to establish a program to verify authenticity of an electronic digital signature and electronic documents for those that wish to make use of this new technology. The amendment added by the committee makes administrative rules governing this process mandatory by the agency. Vote 14-3.

Amendment (1289h)

Amend RSA 294-D:4 as inserted by section 1 of the bill by replacing it with the following:
294-D:4 Verification of Digital Signature; Certificates; Rulemaking.

I. The secretary of state shall be a certification authority and a repository operator.

II. The secretary of state shall adopt rules, pursuant to RSA 541-A, relative to:

(a) Control processes and procedures to be used by state agencies to insure the integrity, security, confidentiality, and auditability of transactions conducted with and involving state agencies using electronic commerce;

(b) Procedures and criteria for certification by the secretary of state of private certification authorities;

(c) Fees charged to the public for products or services administered by the secretary of state under this section, consistent with fees charged for similar products and services in the open market; and

(d) Application fee for certification by the secretary of state of private certification authorities.

Amend the bill by replacing all after section 1 with the following:

2 Repeal. RSA 294-D:4, relative to verification of digital signatures, is repealed.

3 Effective Date.

I. Section 2 of this act shall take effect July 1, 2000.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes the New Hampshire Digital Signature Act which is to be administered by the secretary of state. The secretary of state is granted rulemaking authority for the purposes of this bill.

Adopted.

Rep. Robertson spoke against.

Rep. Dyer spoke in favor.

On a division vote, 197 members having voted in the affirmative and 138 in the negative, the report was adopted.

Referred to Finance.

SB 90-FN, requiring all proposed legislation affecting independently owned small businesses to include an analysis of the cost of the legislation. **INEXPEDIENT TO LEGISLATE**

Rep. Stephen T. DeStefano for Finance: This bill requires all proposed legislation affecting businesses with less than 100 employees to have a fiscal note. As a result, between 65% and 70% of all bills would have to include fiscal notes. Many of these fiscal notes would have to show different effects on different types of small businesses. This would impose a significantly increased workload on the LBA that might affect the quality of its output or would require additional analysts to handle this extra work. Vote 15-4.

Adopted.

SB 177-FN, relative to the liability of prospective adoptive parents for court ordered services. **OUGHT TO PASS WITH AMENDMENT**

Rep. Frances L. Riley for Finance: There are many disadvantaged children longing for a family, and there are many prospective adoptive parents who would be willing to adopt some of these children. This bill provides that the state shall have no right of action against such adoptive parents for any court-ordered services/programs after the adoption. For the protection of the state, however, this bill provides that should the adoptive parent be convicted of sexual or physical abuse, or that the adoptive parent has misappropriated adoption subsidy monies, the adoptive parent shall be responsible for payment for subsequent services/programs. The committee felt that the passage of this bill would be an added incentive for prospective adoptive parents to be willing to take on the responsibility of these potentially problem children without incurring additional expenses. Vote 20-0.

Amendment (1451h)

Amend the bill by replacing all after the enacting clause with the following:

1 Delinquent Children; Prospective Adoptive Parent; Adoptive Parent; Liability for Expenses. Amend RSA 169-B:40, VIII to read as follows:

VIII.(a) [~~Upon request by~~] *For the adoptive parent or prospective adoptive parent of a child in the custody of the state whose birth parents have consented to the adoption, relinquished their parental rights to the department, or the parental rights of whose birth parents were terminated pursuant to a petition brought by the department, authorized agency, or foster parent, pursuant to RSA 170-C:4, the state, acting through the commissioner, may waive its* shall have no right of action against such adoptive parent or prospective adoptive parent for ~~[all or a portion of]~~ the expenses of services, placements, and programs provided pursuant to RSA 169-B, 169-C, or 169-D after the adoption. ~~[The department shall adopt rules under RSA 541-A to establish the procedure to be followed to obtain a waiver of parental reimbursement pursuant to this paragraph.]~~

(b) *If the department determines that the adoptive parent has been convicted of sexual or physical abuse of the adopted child pursuant to RSA 631 or 632-A, or the adoptive parent has misappropriated adoption subsidy moneys, the adoptive parent shall be responsible for payment for subsequent services, placements, and programs provided pursuant to RSA 169-B, 169-C, or 169-D after the adoption. (b) If the department determines that the adoptive parent has been convicted of sexual or physical abuse of the adopted child pursuant to RSA 631 or 632-A, or the adoptive parent has misappropriated adoption subsidy moneys, the adoptive parent shall be responsible for payment for subsequent services, placements, and programs provided pursuant to RSA 169-B, 169-C, or 169-D after the adoption. A determination of misappropriation is subject to the provisions of RSA 126-A:5, VIII.

3 Children In Need of Services; Prospective Adoptive Parents; Adoptive Parents; Liability for Expenses. Amend RSA 169-D:29 to read as follows:

VIII. (a) ~~Upon request by~~ *For the adoptive parent or prospective adoptive parent of a child in the custody of the state whose birth parents have consented to the adoption, relinquished their parental rights to the department, or the parental rights of whose birth parents were terminated pursuant to a petition brought by the department, authorized agency, or foster parent, pursuant to RSA 170-C:4, the state[-acting through the commissioner, may] shall waive its right of action against such adoptive parent or prospective adoptive parent for [all or a portion of] the expenses of services, placements, and programs provided pursuant to RSA 169-B, 169-C or 169-D after the adoption. [The department shall adopt rules under RSA 541-A to establish the procedure to be followed to obtain a waiver of parental reimbursement pursuant to this paragraph.]*

(b) If the department determines that the adoptive parent has been convicted of sexual or physical abuse of the adopted child pursuant to RSA 631 or 632-A, or the adoptive parent has misappropriated adoption subsidy moneys, the adoptive parent shall be responsible for payment for subsequent services, placements, and programs provided pursuant to RSA 169-B, 169-C, or 169-D after the adoption. A determination of misappropriation is subject to the provisions of RSA 126-A:5, VIII.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill provides that the state has no right of action against adoptive or prospective adoptive parents for the expenses of court-ordered services, placements, and programs, unless the adoptive parent has been convicted of sexual or physical abuse of the adopted child or has misappropriated adoption subsidy moneys.

Adopted.

Report adopted and ordered to third reading.

SB 25, establishing employer immunity from civil liability for good faith disclosure of information regarding current and former employees to prospective employers. RE-REFER TO COMMITTEE Rep. Sandra B. Keans for Judiciary and Family Law: This bill was presented on behalf of the business community as a response to potential lawsuits. The committee had a hard time with many of the provisions based on the fact that this is an "employee at will" state. Also the proof required in these actions was a higher standard than needed in other civil actions. Even after joint subcommittees with the Labor committee, and the adoption of several amendments, the Judiciary & Family Law committee was unable to agree on a final bill which protected both sides. We believe the issue is of such importance that more data needs to be studied. Adopting legislation based on anecdotal information might only compound the problems associated with employer/employee relations. Vote 12-1.

Adopted.

SB 40, relative to the payment of wages by employers. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS WITH AMENDMENT.

Rep. Lawrence V. Guaraldi for the Majority of Labor, Industrial and Rehabilitative Services: The bill clarifies the method of payment or deposit of wages, prohibits any agreement for work to be paid less than the minimum wage, requires wage claims to be filed with the Department of Labor within 18 months from the date wages were due, and establishes the minimum hourly rate for

employees receiving tips at \$2.38 per hour or 45 percent of the federal minimum wage, whichever is higher. In 1996, Congress increased the minimum wage from \$4.25 to \$4.75. In September, it rises again to \$5.15. This represents a payroll increase to hospitality operators close to 20 percent within one year. In addition, this increase does not include all the additional cost burdens that are a function of payroll - such as worker's compensation insurance and business enterprise taxes. At the same time, Congress changed the federal tip credit determination from its "percentage formula" basis to a permanent freeze of \$2.13 per hour, which became effective for 26 states. This "percentage formula" basis has been traditionally applied at both the federal and state levels. This federal change broke New Hampshire's long-standing tradition of adhering to federal minimum wage standards. Even though the tradition has been broken, the majority seeks to establish a minimum rate at least 25 cents higher than the old traditional rate would provide. The committee heard testimony that tipped employees are among the most highly compensated employees in the food service industry and that they earn anywhere between \$8 to \$16 per hour. Under state law, tipped employees are guaranteed the minimum wage no matter what. If not, the employer is responsible for making up the difference if actual tip earnings are reported less than this amount. Both New Hampshire and federal income tax laws, as well as the IRS, treat 100 percent of tip earnings as income. Clearly tips are wages and there are safeguards in the law to guarantee that all tipped employees earn at least the minimum wage. Because the New Hampshire payroll rate for tipped employees (\$2.38) is higher than the federal rate, because tipped employees earn well above the minimum wage, and because the hospitality industry employs over 42,000 workers and generates significant revenues to state coffers (\$113 million alone in meals and room taxes), the majority believes it is good public policy to freeze the payroll rate at the current level of \$2.38 with a 45 percent formula for future tip credit determinations. The majority feels this is a "win-win" situation for both employees and employers. Vote 10-5.

Reps. Donald D. Welch, Richard E. Dolan, Jane P. Kelley, Lorraine R. Palmer and Benjamin C. Baroody for the Minority of Labor, Industrial and Rehabilitative Services: New Hampshire has had a long standing tradition of setting the minimum wage for "tipped" employees, waiters and waitresses at one-half of the minimum wage for "non-tipped" employees. This minimum wage for "tipped" employees is scheduled to increase to \$2.58 in September, 1997. This tradition paralleled the federal law until the federal minimum wage increased on October 1, 1996, to \$4.75 an hour, when Congress froze the minimum wage for "tipped" employees at \$2.13. The majority amendment is nothing more than "a wolf in sheep's clothing!" The majority believes it is fair to break tradition by reducing the "tipped" employees' minimum wage to 45 percent of the standard minimum wage. When asked why 45 percent was better than 50 percent, the majority gave no justification for this number. The minority believes in protecting the low wage earners, students working to save money for college, single parents working second jobs to pay for medical expenses, fuel, or food. Keeping in place the long standing tradition of paying "tipped" employees one-half the minimum wage is in the state's best interest.

Amendment (1422h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the payment of wages by employers and increasing the minimum hourly rate.

Amend RSA 275:43, I as inserted by section 1 of the bill by replacing it with the following:

I. Every employer shall pay all wages due to [his] employees within 8 days including Sunday after expiration of the week in which the work is performed, *except when permitted to pay wages less frequently as authorized by the commissioner pursuant to paragraph II*, on regular paydays designated in advance by the employer[-]:

(a) In lawful money of the United States,

(b) By ~~deposit through~~ electronic fund transfer ~~[or otherwise]~~ *at no cost to the employee,*

(c) *By direct deposit* with written authorization of the employee to banks of the employee's choice, or

(d) With checks on banks convenient to the place of employment where suitable arrangements are made for the cashing of such checks by employees for the full amount of the wages due; *provided, however, that if an employer elects to pay employees as specified in subparagraphs (b) or (c), the employer shall offer employees the option of being paid as specified in subparagraph (d), and further provided [-however,] that all wages in the nature of health and welfare fund or*

pension fund contributions required pursuant to a health and welfare fund trust agreement, pension fund trust agreement, collective bargaining agreement, or other agreement, adopted for the benefit of [his] employees and agreed to by [him] *the employer* shall be paid by every such employer within 30 days of the date of demand for such payment, the payment to be made to the administrator or other designated official of the applicable health and welfare or pension trust fund.

Amend the bill by replacing all after section 4 with the following:

5 Minimum Hourly Rate. The introductory paragraph of RSA 279:21 is repealed and reenacted to read as follows:

279:21 Minimum Hourly Rate. Unless otherwise provided by statute, no person, firm, or corporation shall employ any employee at an hourly rate lower than that set forth in the federal minimum wage law, as amended, or as follows, whichever is higher:

Date	Hourly Rate
April 1, 1991 to September 30, 1996	\$4.25
October 1, 1996 to August 31, 1997	\$4.75
On and after September 1, 1997	\$5.15

Tipped employees of a restaurant, hotel, motel, inn or cabin, who customarily and regularly receive more than \$20 a month in tips directly from the customers will receive a base rate from the employer of not less than \$2.38 per hour. With any change to the minimum wage after the effective date of this section, the employer is responsible to pay employees \$2.38 per hour or 45 percent of the applicable minimum wage whichever is higher. If an employee shows to the satisfaction of the commissioner that the actual amount of wages received at the end of each pay period did not equal the minimum wage for all hours worked, the employer shall pay the employee the difference to guarantee the applicable minimum wage. The limitations imposed hereby shall be subject to the following exceptions:

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

- (a) Clarifies the method of payment or deposit of wages;
- (b) Prohibits any agreement for work to be paid less than minimum wage; and
- (c) Requires wage claims to be filed with the department of labor within 18 months from the date wages were due.

(d) Increases the minimum hourly rate for employees to match the federal rate.

Reps. Dolan and Baroody spoke against.

Rep. Murch spoke in favor and yielded to questions.

Rep. Donald Welch spoke against and yielded to questions.

Reps. Clegg and Daniels spoke in favor.

Rep. Dolan requested a roll call; sufficiently seconded.

The question being the adoption of the majority amendment.

and the majority amendment was adopted.
Majority report adopted and ordered to third reading.

PROTEST

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. Rollo requested that his protest be entered on the Journal

I must protest the action taken by this House by accepting the majority motion of Ought to Pass with Amendment to Senate Bill 40. As a former employee working for tips, I find it a horrible situation that this House has forgotten the working classes and, instead, said in effect, "you don't count."

RECONSIDERATION

Having voted with the prevailing side, Rep. O'Hearn moved that the House reconsider its action whereby it passed and referred to Finance **SB 202**, relative to the certification of teachers, high school graduation examinations and making an appropriation therefor, school building aid, and establishing a committee to study school discipline and manifest educational hardship, and spoke against.

Rep. Keans requested a roll call; sufficiently seconded.

The question being the motion to reconsider.

REGULAR CALENDAR (CONT'D.)

SB 196-FN-L, allowing the transmission of simulcast races at grand hotels. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Linda T. Foster for the Majority of Local and Regulated Revenues: The majority of the committee believes that this bill gives New Hampshire's grand hotels an important tool to revitalize their businesses and stimulate their regional economy. The bill keeps in place the regulatory plan and public protections which currently govern pari-mutuel wagering. It includes a home rule provision whereby a majority of the voters in the municipality where the hotel is located must vote to

allow pari-mutuel wagering. This is enabling legislation. Whether or not to request such licensure and local referendum is the business decision of the owner. Whether or not you, the consumer, decide to stay in a facility which is granted such licensure is your individual choice. The majority believes that the benefit to local communities in keeping our historic grand hotels open and economically viable far outweighs any imagined negative impact of the legislation. Vote 11-9.

Reps. Betsy McKinney, Betsy A. Coes, William J. Desrosiers, Marian E. Lovejoy, Lauren Carney, and Dawn C. Piteri for the Minority of Local and Regulated Revenues: A substantial minority of the committee, including a majority of the Republicans, are strongly opposed to this major expansion of gambling at a non-track site. This bill permits off-track betting for the first time. It opens the door to a further, far more extensive expansion of gambling, as evidenced by an amendment offered in committee which would have allowed off-track betting in any hotel or motel with more than 80 rooms. This bill crosses the well-defined line which limits pari-mutuel gambling to only the four racetracks. It also singles out a single business entity for special treatment and discriminates against its competitors. This bill is not needed. It will only generate an estimated \$311,000 in additional revenue to the state, which does not begin to offset any revenue which may be lost from other bills concerning racing.

Reps. Cooper and Pfaff spoke against.

Reps. Linda Foster and Guay spoke in favor and yielded to questions.

Reps. Coes and Henderson spoke against and yielded to questions.

Reps. Trelfa and Robert Lawton spoke in favor.

Rep. Henderson requested a roll call; sufficiently seconded.

The question being the adoption of the majority report.

INDEFINITE POSTPONEMENT

Rep. Lozeau moved that **SB 196**, allowing the transmission of simulcast races at grand hotels, be indefinitely postponed.

Adopted.

REGULAR CALENDAR (CONT'D.)**SB 216-FN-A**, relative to pari-mutuel racing and taxes on pari-mutuel pools. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stephen G. Avery for Local and Regulated Revenues: This bill revises the commission structure on pari-mutuel pools. The new structure of the tax lowers and standardizes the overall rate of tax on all pari-mutuel wagering. The amendment puts back in the law the 100 days of live racing requirement and removes computer wagering from the bill. Vote 14-6.

Amendment (1284h)

Amend the bill by replacing section 2 with the following:

2 New Section; Pari-Mutuel Commission; Rulemaking. Amend RSA 284 by inserting after section 11 the following new section:

284:11-a Discretionary Rulemaking. The pari-mutuel commission may adopt rules, pursuant to RSA 541-A and after a public hearing, to allow pari-mutuel licensees to utilize existing and developing technologies to accept pari-mutuel wagers such as account wagering and telephone wagering. Such wagering shall be on pari-mutuel races and pari-mutuel race meets permitted under this chapter.

Amend the bill by deleting sections 4 and 5 and renumbering the original sections 6-8 to read as 4-6, respectively.

Amend RSA 284:23 as inserted by section 4 of the bill by inserting after paragraph VI the following new paragraph:

VII. For the purposes of this chapter, "racing program" means live racing with any number of individual races as determined by the pari-mutuel commission. A live race or racing program may include a combined live and simulcast race where the combination contains at least one more live race to simulcast in the same combination. Any such live racing program or combined racing program upon which a separate tax is paid may constitute a live racing performance day.

AMENDED ANALYSIS

This bill:

I. Revises the commission structure on pari-mutuel pools and the tax on contributions to pari-mutuel pools. The new structure of the tax lowers and standardizes the overall rate of tax for running horse races, harness horse races, and dog races.

II. Authorizes the pari-mutuel commission to adopt rules to allow pari-mutuel wagering through account wagering, telephone wagering, and computer wagering.

III. Repeals a number of prospective amendments to the tax and commission structure which are no longer appropriate in light of this bill.

On a division vote, 229 members having voted in the affirmative and 99 in the negative, the amendment was adopted.

On a division vote, 225 members having voted in the affirmative and 107 in the negative, the report was adopted.

Referred to Finance.

Rep. Lessard did not vote and wished to be recorded in favor.

Rep. Lockwood wished to be recorded against.

Rep. Guthrie declared a conflict of interest and did not participate.

SB 109, relative to the official ballot voting option. **OUGHT TO PASS WITH AMENDMENT**

Rep. Betsey L. Patten for Municipal and County Government: On a unanimous vote the Committee passed this bill regarding changes and clarifications for the official ballot voting process, commonly known as SB 2. The following are issues addressed: expending money prior to budget adoption; explanation of how the first session addresses warrant articles; restriction of reconsideration; clarifying that the previous years operating budget shall not be amended by the legislative body; defining the 3/5 vote requirement; additional polling places for second session; and repealing the public hearing after the first deliberative session. The committee debated and the majority approved provisions which enable town and school district governing bodies to, at their discretion, grant one special meeting for the purpose of addressing negotiated cost items without petitioning the court. Such meetings shall specifically address negotiated cost items submitted according to law but amended or rejected by the legislative body. Vote 19-0.

Amendment (1363h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Special Meeting Concerning Negotiated Cost Items. Amend RSA 31:5 by inserting after paragraph II the following new paragraph:

III. In the event that the legislative body at an annual meeting amends or rejects the cost items or fact finders report as submitted pursuant to RSA 273-A, notwithstanding paragraphs I and II, the selectmen may call one special meeting for the sole purpose of addressing negotiated cost items without petitioning the superior court for authorization.

2 Expenditures Prior to Budget Adoption. Amend RSA 32:13, II to read as follows:

II. This subdivision shall not be construed to affect the authority of the local governing body, in towns with a March annual meeting and a January through December fiscal year, to make expenditures between January 1 and the ~~[annual meeting]~~ *date a budget is adopted* which are reasonable in light of prior year's appropriations and expenditures for the same purposes during the same time period.

3 Optional Provisions. Amend RSA 39:2-a to read as follows:

39:2-a Optional Provisions.

I. Any town may at an annual meeting vote to conduct the choice of town officers elected by an official ballot and other action required to be inserted on said official ballot on the second Tuesday of March or on the second Tuesday of May if the town has adopted the provisions of RSA 31:94-a and authorize the selectmen to choose another day for the second session of the town meeting for the transaction of all other town business. Upon written application of ~~[+0]~~ 25 or more voters, addressed to the selectmen, the following question shall be submitted to the voter at such annual meeting: "Do you approve of having 2 sessions for the annual town meeting in this town, the first session for choice of town officers elected by an official ballot and other action required to be inserted on said official ballot and the second session, on a date set by the selectmen, for transaction of other business?" This question shall appear upon the official ballot in towns having such a ballot, otherwise upon a special ballot prepared by the town clerk. Proper provision shall be made on the ballot to permit the voter clearly to indicate his choice on the question If a majority of the legal voters present and voting on the question vote in the affirmative, the provisions of this section shall be declared adopted. In any town adopting the provisions hereof the warrant for an annual meeting held hereunder shall prescribe the place, day and hours of each session of said meeting and said warrant shall be posted as required for any town meeting. In a town which has adopted the provisions of this section no business other than the election of town officers elected by an official ballot and other action required to be inserted on said official ballot shall be taken up at the first session of said meetings. A town which has adopted the provisions hereof may rescind such action in the same manner as provided for its adoption. The question in this case shall be: "Shall the provisions for having 2 sessions of the annual town meeting be declared no longer in effect in this town?"

II. Alternatively, a town may conduct its meetings and the election of officers through use of the official ballot by adoption of the provisions of RSA 40:13.

4 Timing and Use of First Session. Amend RSA 40:13, III and IV to read as follows:

III. The first session of the annual meeting, which shall be for the transaction of all business other than voting by official ballot shall be held between the second Tuesday of March and the Saturday following the second Tuesday of March, at a time prescribed by the local political subdivision's governing body. The second Tuesday in March shall be deemed the annual meeting date for purposes of all applicable statutes pertaining to hearings, notice, petitioned articles, and warrants, including, but not limited to, RSA 31:95-d, 32:5, 32:16, 33:8-a, 39:3, 39:5, 195:12, 197:6, ~~[and]~~ 197:7, and 675:3; *providing that the warrant be posted not fewer than 14 days prior to the date of the first session. The 14 days shall not include the day of posting nor the day of the meeting, but shall include Saturdays, Sundays, and legal holidays within the period.*

IV. ~~[The first session of the meeting, governed by the provisions of RSA 40:4, 40:4-a, 40:4-b, 40:4-f, and 40:6-10, shall consist of explanation, discussion, and debate of each warrant article.]~~ *The first session of the meeting shall consist of explanation, discussion, and debate of each warrant article, and shall be governed by the provisions of RSA 40:4, 40:4-a, 40:4-b, 40:4-f, and*

40:6-40:10; provided, however, that RSA 40:10, II shall not apply, and a vote to restrict reconsideration pursuant to RSA 40:10, I shall be deemed to prohibit any further action on the restricted article until the second session. Warrant articles may be amended *at the first session*, subject to the following limitations:

(a) ~~[Warrant articles]~~ **Questions** whose wording is prescribed by law shall not be amended.

(b) Warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended.

5 Alternative Budget. Amend RSA 40:13, XI to read as follows:

XI. The amount of the previous year's operating budget, as adjusted pursuant to paragraph X, shall be disclosed to the voters at the first session. This amount shall not be amended by the legislative body. However, this amount may be adjusted by the governing body, acting on relevant new information at any time before the ballots are printed. The wording of the ~~[article on]~~ **second session ballot question concerning** the operating budget shall be as follows:

"Shall the (local political subdivision) raise and appropriate as an operating budget, not including appropriations by special warrant articles, the amounts set forth on the budget posted with the warrant *or as amended by vote of the first session*, for the purposes set forth therein, totaling \$.....? Should this article be defeated, the operating budget shall be \$....., which is the same as last year, with certain adjustments required by previous action of the (local political subdivision) or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only."

6 Reconsideration and Special Meetings. Amend RSA 40:13, XV and XVI to read as follows:

XV. Votes taken at the second session shall not be reconsidered ~~[except by warrant article at a subsequent annual or special meeting]~~.

XVI. The warrant for any special meeting shall prescribe the date, place and hour for both a first and second session. The second session shall be warned for a date not fewer than 28 days nor more than 60 days following the first session. The first and second sessions shall conform to the provisions of this subdivision pertaining to the first and second sessions of annual meetings. Special meetings shall be subject to RSA 31:5, 39:3, 195:13, 197:2, and 197:3, provided that no more than one special meeting may be held to raise and appropriate money *for the same question or issue* in any one calendar year or fiscal year, whichever applies, and further provided that any special meeting held pursuant to paragraphs X and XI shall not be subject to RSA 31:5 and RSA 197:3 and shall not be counted toward the number of special meetings which may be held in a given calendar or fiscal year.

7 Vote Necessary to Adopt Official Ballot Referendum. Amend RSA 40:14, I to read as follows:

I. This subdivision may be adopted by any local political subdivision as defined in RSA 40:12. **A 3/5 [vote] majority** of those voting *on the question* shall be required to adopt this subdivision. **Only votes in the affirmative or negative shall be included in the calculation of the 3/5 majority.**

8 Vote Necessary to Adopt Official Ballot Referendum. Amend RSA 40:14, VI to read as follows:

VI. If a **3/5 majority** of those voting on the question vote "yes," RSA 40:13 shall apply within the local political subdivision at the annual or special meeting next following. **Only votes in the affirmative or negative shall be included in the calculation of the 3/5 majority.**

9 Vote Necessary to Rescind Official Ballot Referendum. Amend RSA 40:14, VII to read as follows:

VII. Any local political subdivision which has adopted RSA 40:13 may consider rescinding its action in the manner described in RSA 40:13, III-VI. The wording of the question shall be: "Shall the provisions for voting by official ballot on all issues before the (local political subdivision) under RSA 40:13 be limited to election of officers and certain other questions?" **A 3/5 [vote] majority** of those voting *on the question* shall be required to rescind the provisions of this subdivision, except in the case of repeal by charter enactment under RSA 49-D. **Only votes in the affirmative or negative shall be included in the calculation of the 3/5 majority.**

10 New Subdivision; Multi-Town School Districts; Additional Polling Places for Second Session Voting. Amend RSA 40 by inserting after section 14 the following new subdivision:
Additional Polling Places for Second Session Voting

40:15 Additional Polling Place for Second Session Voting.

I. Any multi-town school district adopting the provisions of RSA 40:13 may vote to use additional polling places for the second session of the annual meeting. The additional polling places shall be the regular polling places for town or city elections in each member town and city of the

district. The school district moderator shall supervise the election process and appoint an assistant moderator for each additional polling place. The school district clerk shall appoint an assistant clerk for each additional polling place. Each assistant moderator and assistant clerk shall be domiciled in the town covered by the additional polling place served by such assistant moderator or assistant clerk. The powers and duties of the assistant moderator and the assistant clerk shall be the same as those of the moderator and the clerk at the central polling place except as otherwise provided in the election laws. The inspectors of elections appointed as provided in RSA 658:2 shall be sworn in by the assistant moderator before entering upon their duties. All additional costs resulting from the establishment of additional polling places shall be borne by the school district.

II. Paragraph I of this section may be adopted by any multi-town school district simultaneously with adoption of RSA 40:13 or any time after the adoption of RSA 40:13.

III. The school district shall place the question on the warrant of the annual meeting under the procedures set out in RSA 197:6, and the question shall be voted on by official ballot in accordance with the procedures established in RSA 671:20-30, including all requirements pertaining to absentee voting, polling places, and polling hours.

IV. A public hearing shall be held by the school board on the question at least 15 days, but not more than 30 days, before the question is to be voted on. The public hearing shall be held in each town or city embraced by the district. Notice of the hearing shall be posted in at least 2 public places in each town or city of multi-town districts, and published in a newspaper of general circulation at least 7 days prior to the date of the hearing.

V. The wording of the question shall be: "Shall we adopt the provisions of RSA 40:15 to allow voting at additional polling places for the second session of the annual meeting?"

VI. If a majority of those voting on the question vote "yes," and RSA 40:13 has also been adopted then RSA 40:15 shall apply within the district at the annual or special meeting next following. Only votes in the affirmative or negative shall be included in the calculation of the majority.

VII. Any multi-town school district which has adopted RSA 40:15 may consider rescinding its action in the manner described in RSA 40:15, III-VI. The wording of the question shall be: "Shall the provisions for additional polling places for the second session of the annual meeting under RSA 40:15 be rescinded so that the voting shall be held at a central location?" A majority of those voting on the question shall be required to rescind the provisions of this section. Only votes in the affirmative or negative shall be included in the calculation of the majority.

11 Timing for School District Meetings. Amend RSA 197:1 to read as follows:

197:1 Annual. A meeting of every school district shall be held annually between March 1 and March 25, inclusive, *or in accordance with RSA 40:13 if that provision is adopted in the district*, for raising and appropriating money for the support of schools for the fiscal year beginning the next July 1, for the transaction of other district business and, in those districts not electing their district officers at town meeting, for the choice of district officers.

12 New Paragraph; Special Meeting Concerning Negotiated Cost Items. Amend RSA 197:3 by inserting after paragraph II the following new paragraph:

III. In the event that the legislative body at an annual meeting amends or rejects the cost items or fact finder's report as submitted pursuant to RSA 273-A, notwithstanding paragraphs I and II, the school board may call one special meeting for the sole purpose of addressing negotiated cost items without petitioning the superior court for authorization.

13 Repeal. RSA 40:13, V relative to the public hearing held after the deliberative session, is repealed.

14 Applicability. This act shall apply to all local political subdivisions, as defined in RSA 40:12, which adopt RSA 40:13 on or after June 30, 1995.

15 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill makes adjustments to town meeting and election laws to facilitate the use and operation of the new official ballot voting options commonly known as SB 2.

Adopted.

Rep. Lockwood wished to be recorded in favor.

Rep. Patten offered a committee floor amendment.

Floor Amendment (1478h)

Amend the bill by replacing all after the enacting clause with the following:

I New Paragraph; Special Meeting Concerning Negotiated Cost Items. Amend RSA 31:5 by inserting after paragraph II the following new paragraph:

III. In the event that the legislative body at an annual meeting amends or rejects the cost items or fact finders report as submitted pursuant to RSA 273-A, notwithstanding paragraphs I and II, the selectmen may call one special meeting for the sole purpose of addressing negotiated cost items without petitioning the superior court for authorization.

2 Expenditures Prior to Budget Adoption. Amend RSA 32:13, II to read as follows:

II. This subdivision shall not be construed to affect the authority of the local governing body, in towns with a March annual meeting and a January through December fiscal year, to make expenditures between January 1 and the ~~[annual meeting]~~ **date a budget is adopted** which are reasonable in light of prior year's appropriations and expenditures for the same purposes during the same time period.

3 Optional Provisions. Amend RSA 39:2-a to read as follows:

39:2-a Optional Provisions.

I. Any town may at an annual meeting vote to conduct the choice of town officers elected by an official ballot and other action required to be inserted on said official ballot on the second Tuesday of March or on the second Tuesday of May if the town has adopted the provisions of RSA 31:94-a and authorize the selectmen to choose another day for the second session of the town meeting for the transaction of all other town business. Upon written application of ~~[40]~~ **25** or more voters, addressed to the selectmen, the following question shall be submitted to the voter at such annual meeting: "Do you approve of having 2 sessions for the annual town meeting in this town, the first session for choice of town officers elected by an official ballot and other action required to be inserted on said official ballot and the second session, on a date set by the selectmen, for transaction of other business?" This question shall appear upon the official ballot in towns having such a ballot, otherwise upon a special ballot prepared by the town clerk. Proper provision shall be made on the ballot to permit the voter clearly to indicate his choice on the question If a majority of the legal voters present and voting on the question vote in the affirmative, the provisions of this section shall be declared adopted. In any town adopting the provisions hereof the warrant for an annual meeting held hereunder shall prescribe the place, day and hours of each session of said meeting and said warrant shall be posted as required for any town meeting. In a town which has adopted the provisions of this section no business other than the election of town officers elected by an official ballot and other action required to be inserted on said official ballot shall be taken up at the first session of said meetings. A town which has adopted the provisions hereof may rescind such action in the same manner as provided for its adoption. The question in this case shall be: "Shall the provisions for having 2 sessions of the annual town meeting be declared no longer in effect in this town?"

II. Alternatively, a town may conduct its meetings and the election of officers through use of the official ballot by adoption of the provisions of RSA 40:13.

4 Preparation for and First Session of Annual Meeting. Amend RSA 40:13, I-IV to read as follows:

I. Notwithstanding RSA 39:3-d, RSA 40:4-e, or any other provision of law, any local political subdivision as defined in RSA 40:12 which has adopted this subdivision shall utilize the official ballot for voting on all issues before the voters.

II. The warrant for any annual meeting shall prescribe the place, day and hour for each of 2 separate sessions of the meeting, and notice shall be given in accordance with ~~[RSA 39:5 and RSA 197:6]~~ **paragraph II-a.**

II-a. Notwithstanding any other provision of law, all local political subdivisions which adopt this subdivision shall comply with the following schedule pertaining to notice, petitioned articles, hearings, and warrants for the annual meeting:

(a) The final date for posting notice of budget hearings under RSA 32:5 and RSA 195:12 and hearings under RSA 33:8-a shall be the first Tuesday in January.

(b) The "budget submission date" as defined in RSA 273-A:1, III and the final date for submission of petitioned articles under RSA 39:3 and RSA 197:6 shall be the second Tuesday in January.

(c) Budget hearings under RSA 32:5 and RSA 195:12 and hearings under RSA 33:8-a and RSA 675:3 shall be held on or before the third Tuesday in January.

(d) Warrants under RSA 39:5 and RSA 197:7 and budgets shall be posted and copies available to the general public on or before the last Monday in January.

III. The first session of the annual meeting, which shall be for the transaction of all business other than voting by official ballot shall be held between the [second Tuesday of March and the Saturday following the second Tuesday of March] *first and second Saturdays following the last Monday in January, inclusive of those Saturdays*, at a time prescribed by the local political subdivision's governing body. [The second Tuesday in March shall be deemed the annual meeting date for purposes of all applicable statutes pertaining to hearings, notice, petitioned articles, and warrants, including, but not limited to, RSA 31:95-d, 32:5, 32:16, 33:8-a, 39:3, 39:5, 195:12, 197:6, and 197:7.]

IV. [The first session of the meeting, governed by the provisions of RSA 40:4, 40:4-a, 40:4-b, 40:4-f, and 40:6-10, shall consist of explanation, discussion, and debate of each warrant article.] *The first session of the meeting shall consist of explanation, discussion, and debate of each warrant article, and shall be governed by the provisions of RSA 40:4, 40:4-a, 40:4-b, 40:4-f, and 40:6-40:10; provided, however, that RSA 40:10, II shall not apply, and a vote to restrict reconsideration pursuant to RSA 40:10, I shall be deemed to prohibit any further action on the restricted article until the second session.* Warrant articles may be amended *at the first session*, subject to the following limitations:

(a) [~~Warrant articles whose~~] *Questions, the wording of which* is prescribed by law, shall not be amended.

(b) Warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended.

5 Second Session of Annual Meeting; Special Meetings. Amend RSA 40:13, VI-XVI to read as follows:

VI. All warrant articles shall be placed on the official ballot for a final vote. *All special warrant articles shall be accompanied on the ballot by recommendations as required by RSA 32:5, V, concerning any appropriation or appropriation as amended.*

VII. The second session of the annual meeting, to elect officers of the local political subdivision by official ballot, to vote on questions required by law to be inserted on said official ballot, and to vote on all warrant articles from the first session on official ballot, shall be held on the second Tuesday in [April] *March*. Notwithstanding RSA 669:1, 670:1, or 671:2, the second session shall be deemed the annual election date for purposes of all applicable election statutes including, but not limited to, RSA 669:5, 669:19, 669:30, 670:3, 670:4, 670:11, 671:15, 671:19, and 671:30-32; and votes on zoning ordinances, historic district ordinances, and building codes under RSA 675.

VIII. The clerk of the local political subdivision shall prepare an official ballot, which may be separate from the official ballot used to elect officers, for all warrant articles. Wording shall be substantively the same as the main motion, as it was made or amended at the first session, with only such minor textual changes as may be required to cast the motion in the form of a question to the voters.

IX. "Operating budget" as used in this subdivision means "budget," as defined in RSA 32:3, III, exclusive of "special warrant articles," as defined in RSA 32:3, VI.

X. If no operating budget article is adopted, the local political subdivision either shall be deemed to have approved the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, or the governing body may hold a special meeting pursuant to paragraph XVI to take up the issue of a revised operating budget only; provided that RSA 31:5 and RSA 197:3 shall not apply to such a special meeting. If no operating budget article is adopted the estimated revenues shall nevertheless be deemed to have been approved.

XI. *The amount of the previous year's operating budget, as adjusted pursuant to paragraph X, shall be disclosed to the voters at the first session. This amount shall not be amended by the legislative body. However, this amount may be adjusted by the governing body, acting on relevant new information at any time before the ballots are printed.* The wording of the [article on] *second session ballot question concerning* the operating budget shall be as follows:

"Shall the (local political subdivision) raise and appropriate as an operating budget, not including appropriations by special warrant articles, the amounts set forth on the budget posted with the warrant **or as amended by vote of the first session**, for the purposes set forth therein, totaling \$.....? Should this article be defeated, the operating budget shall be \$....., which is the same as last year, with certain adjustments required by previous action of the (local political subdivision) or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only."

XII. Voting at the second session shall conform to the procedures for the nonpartisan ballot system as set forth in RSA 669:19-29, RSA 670:5-7 and RSA 671:20-30, including all requirements pertaining to absentee voting, polling place, and polling hours.

XIII. Approval of all warrant articles shall be by simple majority except for questions which require a 2/3 vote by law, contract, or written agreement.

XIV. Votes taken at the second session shall be subject to recount under RSA 669:30-33 and RSA 40:4-c.

XV. Votes taken at the second session shall not be reconsidered [~~except by warrant article at a subsequent annual or special meeting~~].

XVI. The warrant for any special meeting shall prescribe the date, place and hour for both a first and second session. The second session shall be warned for a date not fewer than 28 days nor more than 60 days following the first session. The first and second sessions shall conform to the provisions of this subdivision pertaining to the first and second sessions of annual meetings. Special meetings shall be subject to RSA 31:5, 39:3, 195:13, 197:2, and 197:3, provided that no more than one special meeting may be held to raise and appropriate money **for the same question or issue** in any one calendar year or fiscal year, whichever applies, and further provided that any special meeting held pursuant to paragraphs X and XI shall not be subject to RSA 31:5 and RSA 197:3 and shall not be counted toward the number of special meetings which may be held in a given calendar or fiscal year.

6 Vote Necessary to Adopt Official Ballot Referendum. Amend RSA 40:14, I to read as follows:

I. This subdivision may be adopted by any local political subdivision as defined in RSA 40:12. A 3/5 [vote] majority of those voting **on the question** shall be required to adopt this subdivision. **Only votes in the affirmative or negative shall be included in the calculation of the 3/5 majority.**

7 Vote Necessary to Adopt Official Ballot Referendum. Amend RSA 40:14, VI to read as follows:

VI. If a 3/5 majority of those voting on the question vote "yes," RSA 40:13 shall apply within the local political subdivision at the annual or special meeting next following. **Only votes in the affirmative or negative shall be included in the calculation of the 3/5 majority.**

8 Vote Necessary to Rescind Official Ballot Referendum. Amend RSA 40:14, VII to read as follows:

VII. Any local political subdivision which has adopted RSA 40:13 may consider rescinding its action in the manner described in RSA 40:13, III-VI. The wording of the question shall be: "Shall the provisions for voting by official ballot on all issues before the (local political subdivision) under RSA 40:13 be limited to election of officers and certain other questions?" A 3/5 [vote] majority of those voting **on the question** shall be required to rescind the provisions of this subdivision, except in the case of repeal by charter enactment under RSA 49-D. **Only votes in the affirmative or negative shall be included in the calculation of the 3/5 majority.**

9 New Subdivision; Multi-Town School Districts; Additional Polling Places for Second Session Voting. Amend RSA 40 by inserting after section 14 the following new subdivision:
Additional Polling Places for Second Session Voting

40:15 Additional Polling Place for Second Session Voting.

I. Any multi-town school district adopting the provisions of RSA 40:13 may vote to use additional polling places for the second session of the annual meeting. The additional polling places shall be the regular polling places for town or city elections in each member town and city of the district. The school district moderator shall supervise the election process and appoint an assistant moderator for each additional polling place. The school district clerk shall appoint an assistant clerk for each additional polling place. Each assistant moderator and assistant clerk shall be domiciled in the town covered by the additional polling place served by such assistant moderator or assistant clerk. The powers and duties of the assistant moderator and the assistant clerk shall be the same

as those of the moderator and the clerk at the central polling place except as otherwise provided in the election laws. The inspectors of elections appointed as provided in RSA 658:2 shall be sworn in by the assistant moderator before entering upon their duties. All additional costs resulting from the establishment of additional polling places shall be borne by the school district.

II. Paragraph I of this section may be adopted by any multi-town school district simultaneously with adoption of RSA 40:13 or any time after the adoption of RSA 40:13.

III. The school district shall place the question on the warrant of the annual meeting under the procedures set out in RSA 197:6, and the question shall be voted on by official ballot in accordance with the procedures established in RSA 671:20-30, including all requirements pertaining to absentee voting, polling places, and polling hours.

IV. A public hearing shall be held by the school board on the question at least 15 days, but not more than 30 days, before the question is to be voted on. The public hearing shall be held in each town or city embraced by the district. Notice of the hearing shall be posted in at least 2 public places in each town or city of multi-town districts, and published in a newspaper of general circulation at least 7 days prior to the date of the hearing.

V. The wording of the question shall be: "Shall we adopt the provisions of RSA 40:15 to allow voting at additional polling places for the second session of the annual meeting?"

VI. If a majority of those voting on the question vote "yes," and RSA 40:13 has also been adopted then RSA 40:15 shall apply within the district at the annual or special meeting next following. Only votes in the affirmative or negative shall be included in the calculation of the majority.

VII. Any multi-town school district which has adopted RSA 40:15 may consider rescinding its action in the manner described in RSA 40:15, III-VI. The wording of the question shall be: "Shall the provisions for additional polling places for the second session of the annual meeting under RSA 40:15 be rescinded so that the voting shall be held at a central location?" A majority of those voting on the question shall be required to rescind the provisions of this section. Only votes in the affirmative or negative shall be included in the calculation of the majority.

10 Timing for School District Meetings. Amend RSA 197:1 to read as follows:

197:1 Annual. A meeting of every school district shall be held annually between March 1 and March 25, inclusive, *or in accordance with RSA 40:13 if that provision is adopted in the district*, for raising and appropriating money for the support of schools for the fiscal year beginning the next July 1, for the transaction of other district business and, in those districts not electing their district officers at town meeting, for the choice of district officers.

11 New Paragraph; Special Meeting Concerning Negotiated Cost Items. Amend RSA 197:3 by inserting after paragraph II the following new paragraph:

III. In the event that the legislative body at an annual meeting amends or rejects the cost items or fact finder's report as submitted pursuant to RSA 273-A, notwithstanding paragraphs I and II, the school board may call one special meeting for the sole purpose of addressing negotiated cost items without petitioning the superior court for authorization.

12 Repeal. RSA 40:13, V relative to the public hearing held after the deliberative session, is repealed.

13 Applicability. This act shall apply to all local political subdivisions, as defined in RSA 40:12, which adopt RSA 40:13 on or after June 30, 1995.

14 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill makes adjustments to town meeting and election laws to facilitate the use and operation of the new official ballot voting options commonly known as SB 2.

Rep. Patten spoke in favor.

Adopted.

Report adopted and ordered to third reading.

Rep. Lockwood wished to be recorded in favor.

SB 162-FN-A-L, relative to the acquisition of a certain piece of property in Piermont, New Hampshire and making an appropriation therefor. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: RE-REFER TO COMMITTEE.

Rep. Paul I. LaMott for the Majority of Public Works and Highways: The bill appropriates \$950,000 through the bonding process to purchase conservation land and buildings on the west-

ern shore of Lake Tarleton, a pristine 350 acre lake in the White Mountains in the Town of Piermont. The majority of the committee felt that the property in question deserves protection now for use and enjoyment by the citizens of New Hampshire today and in the future. Surrounding the property is over 5,000 acres of land about to be protected through over \$4 million of federal money (\$1.6 million in hand) and \$525,000 of private money of which nearly \$400,000 is already raised. In the New Hampshire tradition of partnerships, this is a substantial effort with the state, federal government and private sector all contributing significant dollars to make the entire effort successful. The amendment protects the state's long term interests by specifically identifying the purpose of the project, the acreage involved, the Department of Resources and Economic Development's (DRED) role in managing the property and in developing a master plan, DRED's ability to enter into cooperative agreements to manage the property, a provision to allow DRED to resell the property or portions of the property should management arrangements not be suitable to DRED, making the appropriation contingent upon the completion of the surrounding federal acquisitions and private fundraising. The majority felt that the action needs to be taken now to take advantage of the leverage of other federal and private money while the lands are still available for acquisition. Vote 12-8.

Reps. Leon Calawa, Jr., Marlene M. DeChane, William E. Leber, Winston H. McCarty, Gerald P. Merrill, Steve Vaillancourt and James A. Whittemore for the Minority of Public Works and Highways: The minority believes that the proper way to frame this issue is not in preserving pristine purity but rather in assessing prudent priorities. This bill calls for an appropriation of \$950,000. In formulating the Capital Budget earlier this year, this committee realized we had a finite number of dollars to spend and then set about establishing priorities for spending. Any number of items, from roof repairs and renovations of state buildings to purchase of lab equipment and books for the community college system, would have a higher priority than this bill. Should this bill not pass, Lake Tarleton is in no imminent danger. No less than three-quarters of the shoreline will be in the White Mountain National Forest; Fish and Game will continue to have a boat launch on the lake. There is no danger that public access to the lake will be lost. The minority also has concerns that this bill represents an attempt to bail out a private developer who has been trying to sell lots for the past ten years and has managed to sell only two. Quite clearly, there is no rush to get this land. So many questions remain unanswered that at best this bill should be re-referred for further study. There is no hurry. Such extravagant spending should not be tolerated when so many other vital issues cry out for funding. This item certainly would be on our wish list but not on our reality check list. If you support this, ask yourself: "What would you not do in its stead – not fund more prison beds? Not dredge the Seabrook/Hampton harbor? Not try to stop land erosion along the Connecticut River?" These are all vital issues before this committee, and there are many others.

Amendment (1372h)

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The purpose of this act is to make funds available to the department of resources and economic development for the purchase of a certain tract of land located in Piermont, New Hampshire on Lake Tarleton. The tract consists of 6 lots totaling approximately 38 acres, including conservation easements, on the western shore of Lake Tarleton. Lake Tarleton is a water body that encompasses approximately 315 acres, and is located in an area that is currently targeted by the federal government for expansion of the White Mountain National Forest; under this federal plan, Lake Tarleton would become the largest lake in the White Mountain National Forest. The acquisition by the state of this tract in Piermont would secure state access to and assure future state participation in the White Mountain National Forest. Such acquisition would also keep the shores of Lake Tarleton, which have been targeted for development, in the public domain. The purchased property would be managed by the department of resources and economic development.

2 Authority.

I. The commissioner of the department of resources and economic development may, in the name of and on behalf of the state, purchase real estate and conservation easements in Piermont, New Hampshire consisting of approximately 38 acres along the western shore of Lake Tarleton. The final sale price of the property shall be determined by appraisal, but may not exceed \$865,500. The commissioner may expend up to an additional \$84,500 for development purposes.

II. The commissioner shall develop, with appropriate public input, a master plan for the development and use or development or use of the property. Such master plan may include the operation of a state park. Any costs arising from the development of the master plan may be paid for by the development appropriation in this bill.

III. The department of resources and economic development may enter into cooperative agreements for the operation of a park, a visitors' center, or a park and visitors' center. If, after 3 years, such cooperative agreements are not renewed or in the opinion of commissioner, do not prove to be successful, then the commissioner is authorized to resell the property or any portion thereof.

IV. The department shall not be required to operate a park or any facility on the property unless an appropriation has been made for such operation or to use any state park fund money for the purposes of development or maintenance of the Lake Tarleton property.

3 Appropriation. The sum of \$950,000 is hereby appropriated to the department of resources and economic development for the purchase and development of a certain tract of land located in Piermont, New Hampshire on Lake Tarleton.

4 Bonds Authorized. To provide funds for the appropriation made in section 3 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$950,000 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A.

5 Contingency. The issuance of the bond contemplated in section 4 of this act is contingent upon the donation to the state of an additional 43.23 acres of land and 5-acre conservation easement to the south of the land to be purchased under paragraph I of section 2 of this act, and the acquisition by the United States Forest Service of 3400 acres in the vicinity of Lake Tarleton for the purpose of expansion of the White Mountain National Forest.

6 Effective Date. This act shall take effect July 1, 1997.

Rep. William Williams requested a roll call; sufficiently seconded.

The question being the adoption of the amendment.

SB 168-A, requiring the department of corrections to prepare and enter into a lease-purchase agreement with the Berlin Economic Development Council for a medium security correctional facility to be constructed in Berlin and making an appropriation therefor. RE-REFER TO COMMITTEE

Reps. Gene G. Chandler and Katherine D. Rogers for Public Works and Highways: The New Hampshire Department of Corrections was responsible for 2,306 inmates on January 27, 1997, and 2,366 inmates on April 30, 1997. NH DOC is currently over operating capacity by 478 beds. While the NH DOC has been able to divert 425 - 475 prisoners over the past two years through improved parole management, the department's Academy Program, and increased use of probation, it is time for the state to develop and implement a comprehensive plan to deal with current and projected prison overcrowding. The prison problem requires a balanced, well planned and coordinated approach to deal with all aspects of the Corrections department and inmate population. The committee plans to work with the Senate sponsors, House members, NH DOC and the Governor's office to make recommendations for the next legislative session that will involve not only new facilities but other moves that will best utilize available resources. The Public Works & Highways Committee applauds the sponsors of SB 168 for stepping forward with a concept for solving the overcrowding situation, but the committee feels that other issues need to be addressed and the above mentioned comprehensive all encompassing approach is in the best interest of the state at this time. The committee commits to using this re-referred bill as a vehicle to present to the legislature a detailed corrections plan n January 1998. Vote 15-1.

SB 116-FN, relative to the regulation of rural electric cooperatives by the public utilities commission. **OUGHT TO PASS WITH AMENDMENT**

Rep. Jeb E. Bradley for Science, Technology and Energy: This is essentially the same bill that passed the House last year but failed in the Senate. Passage of this bill will allow the N.H. Electric Cooperative to be exempt from price setting regulation by the Public Utilities Commission. This will save Coop members significant overhead costs. The committee deemed the policy of exempting the Coop from price regulation to be appropriate, as the Coop is a member-controlled organization whose officers are elected. For the Coop to become exempt from price regulation, its members must affirmatively vote to do so by a 60 percent majority per the committee amendment. Passage of this legislation will not affect statutory regulation of the Coop with regard to several statutes, including: RSA 362-A, the Limited Electrical Energy Producers Act; RSA 363-B, Termination of Services; RSA: 371, Eminent Domain; RSA 374:2-a, Alternative to Herbicide Use; RSA 374:26, Permission for Franchises; RSA 374:26-a, the Pilot Program; RSA 374-C, Public Utility Bond Financing; RSA 374-F, Electric Utility Restructuring; and RSA 378:37-39, New Hampshire Energy Policy and Least Cost Planning. Vote 17-0.

Amendment (1277h)

Amend RSA 301:57 as inserted by section 2 of the bill by replacing it with the following:
301:57 Jurisdiction of Public Utilities Commission.

I. A rural electric cooperative which has had a certificate of regulation on file with the public utilities commission for a period of not less than 5 consecutive years, or which has not at any previous time had a certificate of deregulation on file with the public utilities commission, may elect to become exempt from regulation by the commission and be removed from the definition of "public utility" as provided in RSA 362:2. Any election shall be approved by an affirmative vote of at least 60 percent of those members voting by mail ballot, initiated by petition of not less than 100 members of the cooperative and returnable to a regular meeting of the membership. The first election shall be made no sooner than 120 days after the effective date of this paragraph. Subsequent elections may be held not less than one year after the most recent previous election conducted under this paragraph. The election shall be conducted pursuant to the requirements of the cooperative's bylaws. Within 10 days following the regular meeting of the membership to which the results of the election are returned, the cooperative shall, if the vote is in the affirmative, file a certificate of deregulation with the public utilities commission, and, if the vote is in the negative, file a certificate of regulation with the public utilities commission.

II. A rural electric cooperative which has had a certificate of deregulation on file with the public utilities commission for a period of not less than 5 consecutive years may elect to become subject to regulation by the public utilities commission, and become a "public utility" as provided in RSA 362:2. The election shall be approved by an affirmative vote of at least 60 percent of those members voting by mail ballot initiated by petition of not less than 100 members of the cooperative and returnable to a regular meeting of the membership. The election shall be conducted pursuant to the requirements of the cooperative's bylaws and may be held no sooner than one year after the most recent previous election conducted under this paragraph. Within 10 days following the regular meeting of the membership to which the results of the election are returned, the cooperative shall, if the vote is in the affirmative, file a certificate of regulation with the public utilities commission, and, if the vote is in the negative, file a certificate of deregulation with the public utilities commission.

III. Every rural electric cooperative shall maintain on file with the public utilities commission either a certificate of regulation or a certificate of deregulation. Certificates of regulation and deregulation shall be certified by a duly authorized representative of the rural electric cooperative and shall contain the full text of the ballot question voted upon as provided in paragraph I or II, a certification of the vote results, and a certification that the ballot was initiated by a petition meeting the requirements set forth in paragraphs I-II. Certificates of regulation and deregulation shall remain on file with the public utilities commission unless and until replaced by a certificate of regulation or deregulation resulting from a subsequent election.

Amend the bill by inserting after section 3 the following and renumbering the original sections 4-7 to read as 6-9, respectively:

4 Definition of Member Changed. Amend RSA 301-A:1, III to read as follows:

III. "Member" means any ~~[natural person, family unit, household, association or incorporated or unincorporated group organized on a cooperative basis, or any nonprofit group.]~~ **ultimate consumer** which has made full payment of the membership fee or minimum membership capital.

5 Definition of Ultimate Consumer Changed. Amend RSA 301-A:1, VIII to read as follows:

VIII. "Ultimate consumer" means a natural person, family, household, or ~~[a nonprofit organization or]~~ **an association, organization, corporation, partnership, sole proprietorship, or other entity, whether organized on a nonprofit or for-profit basis,** that uses the goods, services, or facilities provided by an ~~[organization]~~ **association** primarily for purposes other than for resale ~~[or for carrying on a for-profit trade or business activity].~~

Amend RSA 362:2, II as inserted by section 6 of the bill by replacing it with the following:

II. For the purposes of this title only, rural electric cooperatives for which a certificate of deregulation is on file with the public utilities commission pursuant to RSA 301:57 shall not be considered public utilities; provided, however, that the provisions of RSA 362-A, 363-B, 371, 374:2-a, 374:26, 374:26-a, 374-C, 374-F, and 378:37-39 shall be applicable to rural electric cooperatives, without regard to whether a certificate of regulation or deregulation is on file with the public utilities commission. The provisions of RSA 374-A shall apply to rural electric cooperatives for which a certificate of deregulation is on file with the public utilities commission to the same extent as municipal utilities.

AMENDED ANALYSIS

This bill authorizes members of a rural electric cooperative to determine if their cooperative shall be subject to regulation by the public utilities commission. This bill changes the definitions of member and ultimate consumer with respect to consumers' cooperative associations.

Adopted.

Report adopted and ordered to third reading.

SB 181-FN, allowing certain prisoners to earn good conduct credits reducing such person's minimum sentence and establishing a committee to study permitting certain prisoners to be sentenced to substance abuse treatment centers. **INEXPEDIENT TO LEGISLATE**

Rep. Herbert R. Hansen for Criminal Justice and Public Safety: The committee felt that passage of this bill would undermine NH's Truth in Sentencing laws, particularly since the enactment of RSA 651:25:VI which states in substance "A low risk, non-violent prisoner who has not served sufficient time to be eligible for parole, may be released on parole subject to these four conditions: (1) the crime was not a violent one, (2) the prisoner has successfully completed a course of programs or treatment, (3) the Commissioner of Corrections recommends such early release, (4) the sentencing court does not object". The committee feels that since this law has never been used that no changes should be made to our existing statutes until it is. By doing so we will be able to determine if further changes might be indicated at a later date. This will allow us not to change the focus and foundation of our Truth in Sentencing philosophy. The Attorney General furnished the committee with a list of offenses for which an inmate could receive a reduction of his minimum sentence under SB 181-FN. Among those offenses are: all felony level drug offenses under RSA Chapter 318-B; felony stalking (RSA 633:3a, VI(a)); felony interference with custody (RSA 633:4,I); tampering with witnesses and informants (RSA 641:5); hindering apprehension or prosecution involving murder or a Class A felony (RSA 642:3); escape (RSA 642:6); false fire alarms resulting in injury or death (RSA 644:3-b); felony indecent exposure and lewdness (RSA 645:I, II); felony level prostitution and related offenses (RSA 645:2,II); felonious use of firearms (RSA 650-A:1) and felonious use of body armor (RSA 650-B:2).

Currently the prosecution and the judge when considering sentence recommendations know that the minimum sentence will indeed be served. The victims and the public know that too. The committee voted to uphold the Truth in Sentencing law which has been partially responsible for the declining crime rate in New Hampshire. Vote 14-2.
 Adopted.

SB 149, prohibiting state agencies managing federal programs from exceeding their statutory authority in placing restrictions on activities of the private sector. **OUGHT TO PASS WITH AMENDMENT**

Rep. Howard C. Dickinson, Jr. for Executive Departments and Administration: This bill, as passed by the Senate, prohibits the state from enforcing any requirements which are more restrictive than those required by federal law in a federal program administered by the agency, unless the agency has statutory authority to do so. At present, RSA 541-A:26 protects the state and its political subdivisions from these same excessive administrative rules. SB 149 extends this same protection to private sector interests in New Hampshire. In the event of an emergency, this bill authorizes the Joint Legislative Committee on Administrative Rules (JLCAR) to approve exceptions to this restriction. SB 149 has very strong support in the committee. Vote 17-1.

Amendment (1359h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the requirements that state agencies administering federal programs may impose on activities of the private sector.

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; State Agencies Administering Federal Programs. Amend RSA by inserting after chapter 124-A the following new chapter:

CHAPTER 124-B

State Agencies ADMINISTERING Federal Programs

124-B:1 Authority of Agency Limited.

I. A state agency, as defined in RSA 541-A:1, II, responsible for administering a federal program, shall not impose any requirements on private sector entities through the adoption or enforcement of administrative rules or any other method in addition to those requirements authorized under federal law or regulation unless:

(a) The agency has statutory authority to do so; or

(b) The agency finds that imminent peril to the public health or safety requires adoption of such additional requirements and states its reasons in writing.

II. Any such requirements contained in proposed administrative rules shall be subject to review by the joint legislative committee on administrative rules pursuant to RSA 541-A.

III. If an agency adopts an emergency rule under RSA 541-A pursuant to the standard in subparagraph I(b) and the committee determines that the standard has not been met, the committee may vote to disapprove the rule as being beyond the authority of the agency and contrary to the intent of the legislature. Notwithstanding RSA 541-A:18, the rule shall expire on the day following the committee's vote.

IV. Upon request to the state agency responsible for administering a federal program, any private sector entity shall be provided with copies of the specific state or federal statutory provisions or federal regulatory provisions authorizing the adoption or enforcement of any rule or other requirement under this section.

2 **Applicability.** Any administrative rule adopted, readopted, or amended after the effective date of this act shall comply with the provisions of this act. All administrative rules shall be brought into compliance with this act no later than July 1, 2000.

3 **Effective Date.** This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires that a state agency responsible for administering a federal program shall not impose any requirements on private sector entities through the adoption or enforcement of administrative rules, or any other method, that are in addition to those authorized under federal law or regulation except in certain circumstances.

The bill requires that upon request to any state agency administering a federal program, any private sector entity shall be provided with copies of the specific state or federal statutory provisions or federal regulatory provisions authorizing the adoption or enforcement of any rule or other requirement under this section.

Adopted.

Rep. Merritt spoke against.

Rep. Dickinson spoke in favor.

Report adopted and ordered to third reading.

SB 197-FN, relative to final dispositional orders in child protection cases. **RE-REFER TO COMMITTEE**
Rep. Barbara Hull Richardson for Judiciary and Family Law: This bill provides that final dispositional orders in child protection cases shall include any ruling or order arising from administrative hearing held or initiated by any administrative agency in which a finding of child abuse or neglect is made. A substantial number of the administrative hearings heard within the past few years have overturned decisions made by the Division for Children and Youth Services staff members. The committee voted to spend more time studying the reorganization of administrative hearings which will remove the procedure entirely from DCYS jurisdiction, providing further credence for the process. Vote 10-2.
Adopted.

RECONSIDERATION

Having voted with the prevailing side, Rep. Daniels moved that the House reconsider its action whereby it ordered to third reading **SB 40**, relative to the payment of wages by employers, and spoke against. Reconsideration failed.

RESOLUTION

Rep. Wheeler offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, May 28, 1997 at 10:00 a.m.
Adopted.

HOUSE JOURNAL No. 22

Wednesday, May 28, 1997

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Edward G. Horstmann.

Gracious God, we gather as a community, yet each one of us is strangely solitary in Your presence. Each of us has a prayer no one else can utter, each of us feels a joy no one else can share, and each of us has regrets which others can not know. Yet we are bound together in community to support one another and to serve the common good as best we are able. When we grow weary, give us strength. When we are discouraged, give us hope. When we have not been inclusive, remind us. And when our hearts become chilled with indifference, warm them with Your mercy, and inspire us with Your spirit. Amen.

Reps. Felch, Rollo and Kathleen Taylor led the Pledge of Allegiance.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Wheeler moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

SB 93, relative to employees of employers who hire recipients of state assistance under the employment assistance program, removed by Rep. Daniels.
Consent Calendar adopted.

SB 155, requiring the division of educational improvement, department of education, to prepare and adopt a plan for providing special education to inmates in the state prison system and county correctional facilities. **OUGHT TO PASS**

Rep. Frances L. Riley for Finance: Although the passage of this bill would require the Department of Education, in conjunction with the Department of Corrections and county governments, to prepare and adopt a plan for providing special education to inmates in the state prison and county correctional facilities who require such service, there was no provision for implementing the plan, and consequently no fiscal impact to the proposal. Further legislation in a subsequent session would be required to put the adopted plan into operation. Vote 20-0.

SB 172, making various changes to the workers' compensation law. **OUGHT TO PASS**

Rep. Arthur P. Klemm, Jr. for Finance: This bill deals mostly with policy issues and it was determined that there was no financial impact to the state. Vote 18-0.

SB 203-FN-L, deleting the state prison and adding county correctional facilities to the provisions relating to incarcerated educationally disabled children. **OUGHT TO PASS WITH AMENDMENT**
Rep. Mary Jane Wallner for Finance: The Finance Committee supports this bill as amended by the House Education Committee. The committee amendment removes the word "special" from the bill when referring to educational expenses. Vote 19-1.

Amendment (1540h)

Amend the bill by replacing section 1 with the following:

1 County Correctional Facilities Added. Amend RSA 186-C:19-a to read as follows:

186-C:19-a Educationally Disabled Children at the Youth Development Center, the State Prison, *County Correctional Facilities*, and the Youth Services Center.

I. For an educationally disabled child at the youth development center ~~[or]~~, the state prison, *county correctional facilities*, or who is placed at the youth services center maintained by the department of youth development services while awaiting disposition of the court following arraignment pursuant to RSA 169-B:13, the school district responsible for the development of ~~[an]~~ *that child's* individualized education plan *and the child's educational expenses* shall be as follows:

(a) If such child is in the legal custody of the parent, the school district in which the child's parent resides *at the time the child was physically placed at the youth development center, state prison, county correctional facility, or youth services center*, shall be responsible.

(b) If such child is not in the legal custody of the parent or if the parent *with legal custody* resides outside the state, the *New Hampshire* school district in which the child ~~[most recently]~~ *resided at the time the child was physically placed at the youth development center, state prison, county correctional facility, or youth services center*, other than in a state institution, home for children or health care facility as defined in RSA 193:27 shall be responsible.

~~[(c)]~~ *III.* For the purposes of this section, a parent shall not have legal custody if legal custody has been awarded to some other person or agency, even if that parent retains residual parental rights. An award of legal custody by a court of competent jurisdiction, in this state or in any other state, shall determine legal custody under this section.

~~[H- The]~~ *III. For the purposes of this section, a* school ~~[district]~~ *district's* liability for educational expenses for an educationally disabled child in the youth development center, ~~[or]~~ the state prison, *county correctional facilities*, or who is placed in the youth services center while awaiting disposition of the court following arraignment pursuant to RSA 169-B:13, shall not exceed the state average elementary cost per pupil, as determined by the state board of education for the preceding school year.

SB 207-FN, relative to a digital signature act. OUGHT TO PASS WITH AMENDMENT

Rep. Arthur P. Klemm, Jr. for Finance: SB 207 as amended by Finance narrows the scope of digital signatures to communications between state agencies and private entities dealing with the state. It also avoids the state's direct involvement as a certification authority or repository. The Commissioner of Administrative Services will implement the provisions of this bill. The amendment will reduce state expenditures from \$265,000 to \$20,000 over the biennium. Vote 19-0.

Amendment (1547h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; New Hampshire Digital Signature Act. Amend RSA by inserting after chapter 294-C the following new chapter:

CHAPTER 294-D**NEW HAMPSHIRE DIGITAL SIGNATURE ACT**

294-D:1 Short Title. This chapter shall be known and may be cited as the New Hampshire digital signature act.

294-D:2 Purpose. This chapter shall be construed consistent with what is commercially reasonable under the circumstances and shall effectuate the following purposes:

I. To set standards and provide credibility for digital signatures used in dealings involving state entities in New Hampshire.

II. To avoid the state's direct involvement as a certification authority or repository.

294-D:3 Definition. In this chapter "digital signature" means an electronic identifier, created by computer, intended by the party using it to have the same force and effect as the use of a manual signature.

294-D:4 Verification of Digital Signatures.

I. In any written communication in which a signature is required or used when the communication is between the state of New Hampshire and any agency or instrumentality of the state, any party to the communication may affix a signature by use of a digital signature that complies with the requirements of this section. The use of a digital signature shall have the same force and effect as the use of a manual signature if and only if it embodies all of the following attributes:

(a) It is unique to the person using it.

(b) It is capable of verification.

(c) It is under the sole control of the person using it.

(d) It is linked to data in such a manner that if the data is changed, the digital signature is invalidated.

(e) It conforms to the rules adopted under RSA 294-D:5.

II. The use or acceptance of a digital signature shall be at the option of the parties. Nothing in this section shall require an entity to use or permit the use of a digital signature.

294-D:5 Rulemaking and Implementation. The commissioner of administrative services shall implement the provisions of this chapter. The commissioner may utilize the services of other state departments and agencies. The commissioner of administrative services shall adopt rules pursuant to RSA 541-A relative to the administration of this chapter.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes the New Hampshire Digital Signature Act which is to be administered by the commissioner of administrative services. The commissioner of administrative services is granted rulemaking authority for the purposes of this bill.

REGULAR CALENDAR

SB 79, prohibiting the sale of gift certificates containing an expiration date, relative to unclaimed and abandoned property, and relative to liens on personal property. **OUGHT TO PASS WITH AMENDMENT**

Rep. Arthur P. Klemm, Jr. for Finance: This bill as amended is the result of a compromise between the bill sponsors and the state treasurer. The amendment changes current law to the effect that gift certificates under \$75 and store credits that were not issued for store merchandise credit shall not escheat to the state. Testimony from the state treasurer indicated there would be a minimal financial impact to the state. Vote 13-6.

Amendment (1561h)

Amend the bill by replacing section 3 with the following:

3 Gift Certificates and Store Credits. RSA 471-C:16 is repealed and reenacted to read as follows:

471-C:16 Gift Certificates and Store Credits. Notwithstanding any law to the contrary, gift certificates under \$75, and store credits that were issued for store merchandise credit, regardless of when issued, shall not be property presumed abandoned and shall not be subject to RSA 471-C or any other past or present law provided that all gift certificates and store credits remitted to the state prior to January 1, 1998, shall remain in the custody of the state unless and until returned to the owner.

AMENDED ANALYSIS

This bill:

I. Prohibits gift certificates sold to purchasers from containing enforceable expiration dates.

II. Allows any person who repairs personal property items to have a lien on the property until charges for the repair have been paid. In the event the repair is unpaid after 60 days the holder of the lien may sell the property at public sale.

III. Provides that gift certificates under \$75 and store credits that were issued for store merchandise credit shall not escheat to the state.

Adopted.

Report adopted and ordered to third reading.

SB 162-FN-A-L, relative to the acquisition of a certain piece of property in Piermont, New Hampshire and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. David J. Alukonis for Finance: The amendment reflects the joint efforts of the Finance Committee, the bill sponsors and the private conservation groups which are proponents of the purchase of the Lake Tarleton property. The Finance Committee amendment reduces the appropriation from \$950,000 to \$500,000. In order to accomplish this reduction, the amendment specifically excludes the purchase of any real estate upon which there are any existing structures. The bill does however, allow for the purchase of conservation easements over these lots. The net result of the committee amendment allows for the Lake Tarleton property to be conserved in partnership with federal and private concerns at a significantly reduced cost to the State of New Hampshire. Vote 14-3.

Amendment (1553h)

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The purpose of this act is to make funds available to the department of resources and economic development for the purchase of a certain tract of land located in Piermont, New Hampshire on Lake Tarleton. The tracts total approximately 38 acres, including conservation easements, on the western shore of Lake Tarleton. Lake Tarleton is a water body that encompasses approximately 315 acres, and is located in an area that is currently targeted by the federal government for expansion of the White Mountain National Forest; under this federal plan, Lake Tarleton would become the largest lake in the White Mountain National Forest. The acquisition by the state of this tract in Piermont would secure state access to and assure future state participation in the White Mountain National Forest. Such acquisition would also keep the shores of Lake Tarleton, which have been targeted for development, in the public domain. The purchased property would be managed by the department of resources and economic development.

2 Authority.

I. The commissioner of the department of resources and economic development may, in the name of and on behalf of the state, purchase fee real estate and conservation easements in Piermont, New Hampshire consisting of approximately 38 acres along the western shore of Lake Tarleton, the fee purchase not to include any lot containing structures or subsurface sewage disposal systems. The conservation easements shall limit development on each lot to a single family home. The final sale price of the property shall be determined by appraisal, but may not exceed \$500,000.

II. The commissioner may develop, with appropriate public input, a master plan for the development and use or development or use of the property. Such master plan may include the operation of a state park.

III. The department of resources and economic development may enter into cooperative agreements for the operation of a park, a visitors' center, or a park and visitors' center. If, after 3 years, such cooperative agreements are not renewed or in the opinion of commissioner, do not prove to be successful, then the commissioner is authorized to resell the property or any portion thereof.

IV. The department shall not be required to operate a park or any facility on the property unless an appropriation has been made for such operation or to use any state park fund money for the purposes of development or maintenance of the Lake Tarleton property.

V. Any unbuilt but platted roadways servicing the tracts of land described in paragraph I shall be discontinued with the agreement of affected landowners and the town of Piermont.

3 Appropriation. The sum of \$500,000 is hereby appropriated to the department of resources and economic development for the purchase and development of a certain tract of land and conservation easements located in Piermont, New Hampshire on Lake Tarleton.

4 Bonds Authorized. To provide funds for the appropriation made in section 3 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$500,000 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A.

5 Contingency. The issuance of the bond contemplated in section 4 of this act is contingent upon the donation to the state of an additional 43.23 acres of land and 5-acre conservation easement to the south of the land to be purchased under paragraph I of section 2 of this act, and the acquisition by the United States Forest Service of 3,400 acres in the vicinity of Lake Tarleton for the purpose of expansion of the White Mountain National Forest.

6 Effective Date. This act shall take effect July 1, 1997.

Adopted.

Reps. Winston McCarty, Vaillancourt and Frances Riley spoke against.

Reps. William Williams, D'Allesandro and Alukonis spoke in favor and yielded to questions.

Rep. Teschner requested a roll call; sufficiently seconded.

The question being the adoption of the report.

SB 169-FN, relative to a college tuition savings plan. **OUGHT TO PASS WITH AMENDMENT**
Rep. David J. Alukonis for Finance: The Finance Committee amendment adds language which is consistent with other bills which create boards and commissions. Additionally, the amendment requires that the commission issue reports, at least annually, which detail the status of an individual's investments in the plan. Vote 20-0.

Amendment (1534h)

Amend RSA 195-H:2 as inserted by section 2 of the bill by replacing it with the following:
195-H:2 Advisory Commission Established; Reports.

I.(a) There is established the New Hampshire college tuition savings plan advisory commission which shall ensure the proper administration and management of the savings plan. The commission shall consist of the following members:

(1) The state treasurer.

(2) Two members of the house of representatives, one of whom shall be a member of the house finance committee, appointed by the speaker of the house.

(3) Two members of the senate, appointed by the senate president.

(4) The governor, or designee.

(5) Two public members, one of whom shall have business experience, appointed by the governor.

(6) One member representing the college and university system of New Hampshire, appointed by the chancellor.

(7) One member of the postsecondary education commission, appointed by the members of the commission.

(8) One member representing the regional community-technical college system, appointed by the commissioner.

(9) One member representing the New Hampshire college and university council, appointed by the members of the council.

(10) One member representing the New Hampshire Higher Education Assistance Foundation, appointed by the foundation.

(b) Except for the members appointed under subparagraphs (a)(1)-(4), members shall be appointed for 2-year terms.

II. Members of the commission shall serve without compensation, except that legislative members shall receive mileage at the legislative rate.

III. The commission shall keep written records of all its proceedings.

IV. No member of the commission shall have any personal interest in the gains or profits of any investment made by the commission; nor shall any member of the commission, directly or indirectly, for such member or as an agent, in any manner use the same except to make such current and necessary payments as are authorized by the commission; nor shall any member of the commission become an endorser or surety, or in any manner an obligor, for money loaned to or borrowed from the commission.

V. Members of the commission shall be held harmless from either criminal or civil liability for any decisions made or services rendered under the provisions of this chapter.

VI.(a) The state treasurer shall make quarterly reports regarding the status of the savings plan to the commission.

(b)(1) At least annually, the commission shall issue to each participant, a statement which shall include the participant's beginning balance, contributions, and earnings credited to their account during the previous fiscal year.

(2) At least annually, the commission shall make annual reports regarding the status of the savings program to each participant in the savings plan and to the state library.

Adopted.

Report adopted and ordered to third reading.

SB 180-FN-A, relative to the maintenance, enhancement and rehabilitation of local rural airport service and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kenneth L. Weyler for Finance: The revolving loan fund established under this law is for a very narrow group of airports that are open to the public, and part of the state airport system. The eligible airport must be in a town of 14,000 population or less. The bonds, if needed, to establish the fund, will have payments covered by airport payments, and thus will not add to the general fund bonding. Vote 18-1.

Amendment (1437h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to establishing a revolving fund for loans for the maintenance, enhancement, and rehabilitation of local rural airport service.

Amend the bill by replacing all after section 1 with the following:

2 New Subdivision; Rural Airport Capital Fund Established. Amend RSA 423 by inserting after section 10 the following new subdivision:

Rural Airport Capital Revolving Loan Fund

423:11 Rural Airport Capital Revolving Loan Fund.

I. There is hereby established in the office of the state treasurer a fund to be known as the rural airport capital revolving loan fund which shall be kept separate and distinct from all other funds. Moneys in the fund shall be nonlapsing and shall be continually appropriated to the department of transportation, and shall be used to provide loans to enhance and rehabilitate all non-commercial service airports open to the public in municipalities with populations of 14,000 or less. Loans to airports from this fund shall be subject to the approval of the governor and council.

II. The operator of the rural airport provided a loan under this section shall furnish assurance to the director of the division of aeronautics by a signed agreement that the rural airport intends to operate as an airport and will remain open to the public for the life of the capital improvement.

III. The operator of the rural airport shall repay any loan made pursuant to this section upon such terms and conditions as are recommended by the department of transportation, director of the division of aeronautics. The term of the loan shall be no less than 5 years and no longer than 20 years, and shall to the extent possible consistent with this section be determined so as to match the useful life of the improvements funded by the loan. The terms and conditions shall be contained in the binding agreement between the state and the operator of the rural airport and shall be sufficient to fully reimburse the state for the principal and interest payments on that portion of the bonds authorized to fund the loan. All money received through reimbursement shall be deposited by the state treasurer in the rural airport capital revolving loan fund.

IV. A lien on the property of the rural airport shall be created in favor of the state in an amount which equals the sum of principal and interest to be repaid by the owner or sponsor of the rural airport. The lien shall be recorded in the registry of deeds of the county or counties in which the property is situated and shall not supersede any pre-existing lien created by a mortgage affecting such property. The lien shall expire only when the loan has been fully repaid.

V. To provide funds for the revolving loan fund established pursuant to this section, the state treasurer, as may be requested from time to time by the division of aeronautics, department of transportation, is authorized to borrow from time to time upon the credit of the state such amounts so that the total state obligation shall at no time exceed \$750,000 and for said purposes may issue bonds and notes at such time in the name and on behalf of the state of New Hampshire in accor-

dance with the provisions of RSA 6-A. The department shall request and the treasurer shall issue bonds only for such amounts from time to time as are required for the purposes of this section and provided that the principal and interest payments can be satisfied from sums in the fund established in paragraph I.

VI. The payments of principal and interest on the bonds issued under paragraph V shall be made when due from the special fund established by paragraph I.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes a revolving loan fund to be used to provide loans to enhance and rehabilitate certain airports and authorizes bonds to be issued by the treasurer with principal and interest paid for from the fund for the purposes of the revolving loan program.

Adopted.

Report adopted and ordered to third reading.

SB 202-FN-A-L, relative to the certification of teachers, high school graduation examinations and making an appropriation therefor, school building aid, and establishing a committee to study school discipline and manifest educational hardship. **OUGHT TO PASS WITH AMENDMENT**
Rep. Kenneth L. Weyler for Finance: Testimony before the committee posed problems with the recertification proposal and "standards of the world's top performing nations," for high school testing. The committee amendment provides that every teacher will be tested at least once and periodically thereafter as directed by the state board and department. Clarifying language for "standard of the world's top performing nations," has been added. Also the amendment removed the \$300,000 for developing the twelfth grade test. Most of that money won't be required until the next biennium. Vote 11-6.

Amendment (1551h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the certification and recertification of teachers, supervisors, and administrators, high school graduation examinations, school building aid, and establishing a committee to study school discipline and manifest educational hardship.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Tests of Academic Knowledge; Prerequisite to Teacher Certification. Amend RSA 189 by inserting after section 13-a the following new section:

189:13-b Tests of Academic Knowledge; Prerequisite to Teacher Certification.

I. The state board of education and the department of education shall establish, from preexisting resources, suitable tests of academic knowledge to be administered as a prerequisite for certification, and periodically for recertification as determined by the state board and the department, of teachers, supervisors, and administrators in New Hampshire.

II. Such tests shall be germane to the subject matter and major field of study in which a prospective teacher seeks certification or recertification.

III. Costs of such tests shall be incorporated into the cost of the certification or recertification fee.

2 Application of Section 1.

I. Testing shall be required for all initial certifications beginning with the 1999-2000 school year.

II. Testing shall be required of all applicants not previously tested as a requirement for certification or recertification for the applicant's first recertification beginning with the 1999-2000 school year.

3 Failure to Meet Time Frames; Hearings Relative to Failure to be Renominated or Reelected. Amend RSA 189:14-a, I(b) to read as follows:

(b) Any such teacher who has taught for 3 consecutive years or more in the same school district and who has been so notified may request in writing within 10 days of receipt of said notice a hearing before the school board and may in said request ask for reasons for failure to be renominated or reelected. For purposes of this section only, a leave of absence shall not interrupt the consecutive nature of a teacher's service, but neither shall such a leave be included in the computation of a teacher's service. Computation of a teacher's service for any other purposes shall not be affected by this section. The notice shall advise the teacher of all of the teacher's rights under this section. The school board, upon receipt of ~~[said]~~ **such** request, shall provide for a hearing on the request to be held within ~~[+5]~~ **30** days. The school board shall issue its decision ~~to the teacher~~ in writing **by certified mail** within ~~[+5]~~ **30** days of the close of the hearing.

4 Failure to Meet Time Frames; Review by State Board. Amend RSA 189:14-b to read as follows: 189:14-b Review by State Board. A teacher aggrieved by such decision may request the state board of education for review thereof. Such request must be in writing and filed with the state board within 10 days after the [issuance] receipt of the decision to be reviewed. Upon receipt of such request, the state board shall notify the school board of the request for review, and shall forthwith proceed to a consideration of the matter. Such consideration shall include a hearing if either party shall request it. The state board shall issue its decision within ~~(45)~~ 60 days after the request for review is filed[, and]. The decision of the state board shall be final and binding upon both parties.

5 Statement of Purpose. The purpose of sections 6-9 of this act is to:

I. Identify, encourage, and provide recognition to students who excel academically by awarding them a New Hampshire certificate of advanced academic achievement.

II. Establish the high school graduation assessment as a widely accepted and meaningful indicator of educational achievement.

III. Develop and maintain the academic assessment in concert with the statewide education improvement and assessment program.

6 Advocates for Educationally Disabled to be Consulted. Amend the introductory paragraph of RSA 193-C:3 to read as follows:

There is established within the department of education a statewide education improvement and assessment program. The commissioner shall develop and implement this program in conjunction with the state board of education and the legislative oversight committee. In carrying out this program, the commissioner shall consult widely with educators at all levels, *representatives of educationally disabled pupils*, business people, government officials, community representatives, and parents.

7 New Section; High School Graduation Assessment Required. Amend RSA 193-C by inserting after section 6 the following new section:

193-C:6-a High School Graduation Assessment.

I. The high school graduation assessment shall measure what pupils know and are able to do in terms of high standards required for success in postsecondary education, the work place, and the community. The New Hampshire standards shall be comparable to the standards of the world's top performing nations.

II. High school graduation assessment results shall be reported at the individual pupil, school, and district levels in a manner consistent with that employed at the other 3 grades assessed. Performance levels shall be benchmarked, to the extent possible according to the achievement demonstrated by pupils from the world's top performing nations.

III. A New Hampshire certificate of advanced achievement shall be awarded to those otherwise qualifying for high school graduation who perform at the advanced level in each of the academic areas assessed.

IV. Notwithstanding any other provision of law, no public school, public academy, or charter school pupil shall be awarded a high school diploma by a local school board or board of trustees unless such pupil has taken the high school graduation assessment. In no case shall a pupil's level of performance on the high school graduation assessment be cause to deny a diploma to such pupil.

V. The high school graduation assessment shall be administered annually at state expense to all public school, public academy, and charter school twelfth grade pupils with suitable provision for taking a make-up assessment by pupils who are unavoidably absent. A pupil may take the high school graduation assessment at an earlier grade level when it is administered at his or her school if granted permission to do so by the school principal or administrator. A pupil who has graduated from a New Hampshire public secondary school, public academy, or charter secondary school and has not reached the age of 21 may take the high school graduation assessment when it is administered at any convenient location provided that he or she makes suitable arrangements with the principal or administrator of the school or academy in advance of taking the assessment.

VI. New Hampshire certificates of advanced academic achievement shall be signed by the governor and awarded to the pupil.

VII. Other than as specifically required in this section, the standards and benchmarks referenced in paragraphs I and II shall be used solely for the purpose of measuring achievement and shall in no way be construed to impose any requirements applying to any school district.

8 Pilot Program; High School Graduation Assessment. The high school graduation assessment shall be piloted during the school year beginning in 1999. The department of education shall determine the school districts in which the pilot assessment shall be administered.

9 Statewide Implementation; High School Graduation Assessment. Annual statewide administration of the high school graduation assessment shall be implemented during the school year beginning in 2000.

10 Statement of Purpose. It is the purpose of section 11 of this act that the legislature encourage year round schooling.

11 School Building Aid. Amend RSA 198:15-b, I to read as follows:

I.(a) The amount of the annual grant to any school district duly organized, any city maintaining a school department within its corporate organization, any cooperative school district as defined in RSA 195:1, or any receiving district operating an area school as defined in RSA 195-A:1, shall be a sum equal to 30 percent of the amount of the annual payment of principal on all outstanding borrowings of the school district, city, cooperative school district or receiving district, heretofore or hereafter incurred, for the cost of construction or purchase of school buildings and school administrative unit facilities, to the extent approved by the state board of education, provided that any school district may receive an annual grant in the amount of 40 percent for the construction of an educational administration building for school administrative unit, and provided that the amount of the annual grant in the case of a cooperative school district, or a receiving district operating an area school, shall be 40 percent plus 5 percent for each pre-existing district in excess of 2 and each sending district in excess of one, and provided further that no cooperative school district, or receiving district operating an area school, shall receive an annual grant in excess of 55 percent.

(b) For any district, the added cost of renovating equipment necessary for air conditioning, to make new or existing buildings suitable and used for year round schooling shall be entitled to aid at 75 percent of the cost of such renovations for so long as the district maintains a year round school program in the building receiving aid. Fifty percent of the aid shall be reimbursed if a town abandons year round schooling within 5 years of the first year of receipt of such aid.

12 Application. Section 11 of this act shall apply only to school building aid grants approved on or after July 1, 1997.

13 Committee Established.

I. There is established a committee to study issues relating to school discipline and manifest educational hardship.

II. The members of the committee shall be as follows:

(a) Three members of the senate, 2 of whom shall be members of the senate education committee, appointed by the president of the senate.

(b) Three members of the house, 2 of whom shall be members of the house education committee, appointed by the speaker of the house.

III. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

IV. The committee shall examine issues relating to school discipline and manifest educational hardship.

V. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named senate member. Four members of the committee shall constitute a quorum.

VI. The committee shall report its findings and any recommendations for proposed legislation to the senate president, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 1997.

14 Effective Date.

I. Sections 1-4 of this act shall take effect January 1, 1998.

II. Section 13 of this act shall take effect upon its passage.

III. The remainder of this act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill:

I. Requires the state board and the department of education to establish, from preexisting resources, suitable tests of academic knowledge to be administered as a prerequisite for certification and certain recertification of teachers, supervisors, and administrators in New Hampshire

II. Establishes a high school graduation assessment program.

III. Revises the provisions relative to the amount of annual grants for school building aid.

IV. Establishes a committee to study issues relating to school discipline and manifest educational hardship.

Rep. Lozeau requested a roll call; sufficiently seconded.

The question being the adoption of the amendment.

and the amendment was adopted.

Rep. Mirski declared a conflict of interest and did not participate.

Rep. Burling offered a floor amendment.

Floor Amendment (1564h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to high school graduation examinations, school building aid, and establishing a committee to study school discipline and manifest educational hardship.

Amend the bill by replacing all after the enacting clause with the following:

1 Failure to Meet Time Frames; Hearings Relative to Failure to be Renominated or Reelected.

Amend RSA 189:14-a, I(b) to read as follows:

(b) Any such teacher who has taught for 3 consecutive years or more in the same school district and who has been so notified may request in writing within 10 days of receipt of said notice a hearing before the school board and may in said request ask for reasons for failure to be renominated or reelected. For purposes of this section only, a leave of absence shall not interrupt the consecutive nature of a teacher's service, but neither shall such a leave be included in the computation of a teacher's service. Computation of a teacher's service for any other purposes shall not be affected by this section. The notice shall advise the teacher of all of the teacher's rights under this section. The school board, upon receipt of ~~said~~ **such** request, shall provide for a hearing on the request to be held within ~~[15]~~ **30** days. The school board shall issue its decision ~~to the teacher~~ in writing **by certified mail** within ~~[15]~~ **30** days of the close of the hearing.

2 Failure to Meet Time Frames; Review by State Board. Amend RSA 189:14-b to read as follows:

189:14-b Review by State Board. A teacher aggrieved by such decision may request the state board of education for review thereof. Such request must be in writing and filed with the state board within 10 days after the ~~[issuance]~~ **receipt** of the decision to be reviewed. Upon receipt of such

request, the state board shall notify the school board of the request for review, and shall forthwith proceed to a consideration of the matter. Such consideration shall include a hearing if either party shall request it. The state board shall issue its decision within ~~[15]~~ 60 days after the request for review is filed~~[, and]~~. The decision of the state board shall be final and binding upon both parties.

3 Statement of Purpose. The purpose of sections 4-7 of this act is to:

I. Identify, encourage, and provide recognition to students who excel academically by awarding them a New Hampshire certificate of advanced academic achievement.

II. Establish the high school graduation assessment as a widely accepted and meaningful indicator of educational achievement.

III. Develop and maintain the academic assessment in concert with the statewide education improvement and assessment program.

4 Advocates for Educationally Disabled to be Consulted. Amend the introductory paragraph of RSA 193-C:3 to read as follows:

There is established within the department of education a statewide education improvement and assessment program. The commissioner shall develop and implement this program in conjunction with the state board of education and the legislative oversight committee. In carrying out this program, the commissioner shall consult widely with educators at all levels, *representatives of educationally disabled pupils*, business people, government officials, community representatives, and parents.

5 New Section; High School Graduation Assessment Required. Amend RSA 193-C by inserting after section 6 the following new section:

193-C:6-a High School Graduation Assessment.

I. The high school graduation assessment shall measure what pupils know and are able to do in terms of high standards required for success in postsecondary education, the work place, and the community. The New Hampshire standards shall be comparable to the standards of the world's top performing nations.

II. High school graduation assessment results shall be reported at the individual pupil, school, and district levels in a manner consistent with that employed at the other 3 grades assessed. Performance levels shall be benchmarked, to the extent possible according to the achievement demonstrated by pupils from the world's top performing nations.

III. A New Hampshire certificate of advanced achievement shall be awarded to those otherwise qualifying for high school graduation who perform at the advanced level in each of the academic areas assessed.

IV. Notwithstanding any other provision of law, no public school, public academy, or charter school pupil shall be awarded a high school diploma by a local school board or board of trustees unless such pupil has taken the high school graduation assessment. In no case shall a pupil's level of performance on the high school graduation assessment be cause to deny a diploma to such pupil.

V. The high school graduation assessment shall be administered annually at state expense to all public school, public academy, and charter school twelfth grade pupils with suitable provision for taking a make-up assessment by pupils who are unavoidably absent. A pupil may take the high school graduation assessment at an earlier grade level when it is administered at his or her school if granted permission to do so by the school principal or administrator. A pupil who has graduated from a New Hampshire public secondary school, public academy, or charter secondary school and has not reached the age of 21 may take the high school graduation assessment when it is administered at any convenient location provided that he or she makes suitable arrangements with the principal or administrator of the school or academy in advance of taking the assessment.

VI. New Hampshire certificates of advanced academic achievement shall be signed by the governor and awarded to the pupil.

VII. Other than as specifically required in this section, the standards and benchmarks referenced in paragraphs I and II shall be used solely for the purpose of measuring achievement and shall in no way be construed to impose any requirements applying to any school district.

6 Pilot Program; High School Graduation Assessment. The high school graduation assessment shall be piloted during the school year beginning in 1999. The department of education shall determine the school districts in which the pilot assessment shall be administered.

7 Statewide Implementation; High School Graduation Assessment. Annual statewide administration of the high school graduation assessment shall be implemented during the school year beginning in 2000.

8 Statement of Purpose. It is the purpose of section 9 of this act that the legislature encourage year round schooling.

9 School Building Aid. Amend RSA 198:15-b, I to read as follows:

1.(a) The amount of the annual grant to any school district duly organized, any city maintaining a school department within its corporate organization, any cooperative school district as defined in RSA 195:1, or any receiving district operating an area school as defined in RSA 195-A:1, shall be a sum equal to 30 percent of the amount of the annual payment of principal on all outstanding borrowings of the school district, city, cooperative school district or receiving district, heretofore or hereafter incurred, for the cost of construction or purchase of school buildings and school administrative unit facilities, to the extent approved by the state board of education, provided that any school district may receive an annual grant in the amount of 40 percent for the construction of an educational administration building for school administrative unit, and provided that the amount of the annual grant in the case of a cooperative school district, or a receiving district operating an area school, shall be 40 percent plus 5 percent for each pre-existing district in excess of 2 and each sending district in excess of one, and provided further that no cooperative school district, or receiving district operating an area school, shall receive an annual grant in excess of 55 percent.

(b) For any district, the added cost of renovating equipment necessary for air conditioning, to make new or existing buildings suitable and used for year round schooling shall be entitled to aid at 75 percent of the cost of such renovations for so long as the district maintains a year round school program in the building receiving aid. Fifty percent of the aid shall be reimbursed if a town abandons year round schooling within 5 years of the first year of receipt of such aid.

10 Application. Section 9 of this act shall apply only to school building aid grants approved on or after July 1, 1997.

11 Committee Established.

I. There is established a committee to study issues relating to school discipline and manifest educational hardship.

II. The members of the committee shall be as follows:

(a) Three members of the senate, 2 of whom shall be members of the senate education committee, appointed by the president of the senate.

(b) Three members of the house, 2 of whom shall be members of the house education committee, appointed by the speaker of the house.

III. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

IV. The committee shall examine issues relating to school discipline and manifest educational hardship.

V. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named senate member. Four members of the committee shall constitute a quorum.

VI. The committee shall report its findings and any recommendations for proposed legislation to the senate president, the speaker of the house of representatives, the senate clerk, the house clerk, the governor, and the state library on or before November 1, 1997.

12 Effective Date.

I. Sections 3 and 4 of this act shall take effect January 1, 1998.

II. Section 11 of this act shall take effect upon its passage.

III. The remainder of this act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill:

I. Establishes a high school graduation assessment program.

II. Revises the provisions relative to the amount of annual grants for school building aid.

III. Establishes a committee to study issues relating to school discipline and manifest educational hardship.

Rep. Nordgren spoke in favor

Reps. Alukonis and O'Hearn spoke against and yielded to questions.

Rep. Burling requested a roll call; sufficiently seconded.

The question being the adoption of the floor amendment.

(Speaker Sytek in the Chair)

SB 209-FN, establishing a residential care pilot program and providing for the funding of such program. RE-REFER TO COMMITTEE

Rep. O. Alan Thulander for Finance: The passage of HB 32-A last session directed the Commissioner of Health and Human Services to formulate a plan dealing with long-term care needs. That plan has been completed, and the department intends to begin to implement its provisions in 1998 by funding a continuum of care. Although no commitments have been made, it is expected that residential care will be an important component. There was little disagreement in the committee about the value of residential care in providing services to our needy elderly population. However, the committee believes it is inappropriate to interject a pilot program into this comprehensive planning process at this time. Moreover, it would appear that any residential care facility in the proposed pilot project would violate its license; that a necessary request for a waiver from the federal government would take at least a year and probably wouldn't be granted; that implementation will result in a waiting list for people eligible for assistance; and finally that implementation of this program would require reassignment of HHS staff and resources from higher priority projects. In addition, there would be an Article 28-A violation to the extent that counties are required to participate financially in the proposed pilot project. The committee recommends re-referral of this bill as insurance in the unlikely event residential care is not included in the department's long-term care implementation plan. Vote 11-6.

Rep. Kurk moved Ought to Pass with Amendment.

Reps. Emerton and Kurk offered a floor amendment.

Floor Amendment (1565h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to a residential care services program.

Amend the bill by replacing all after section 1 with the following:

2 Residential Care Services Program. The commissioner of the department of health and human services shall forthwith request an amendment to the Home and Community Based Care waiver for the Elderly and Chronically Ill to create a program for residential care services. If the waiver is approved, the commissioner may establish a program for residential care services. If the commissioner establishes the program, the commissioner shall adopt rules, pursuant to RSA 541-A, relative to the administration of the program.

3 Effective Date. This act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill requires the commissioner of health and human services to request an amendment to the Home and Community Based Care waiver for the Elderly and Chronically Ill to create a program for residential care services. Under this bill, if the waiver is approved, the commissioner may establish a residential care services program.

Reps. Kurk and Emerton spoke in favor.

SB 216-FN-A, relative to pari-mutuel racing and taxes on pari-mutuel pools. **OUGHT TO PASS**

WITH AMENDMENT

Rep. Kenneth L. Weyler for Finance: SB 216 is designed to equalize and simplify the complex pari-mutuel tax system currently in place. It is also intended to provide a mechanism to provide more purse money for horse racing at Rockingham Park through a tax cut. As it came to the Finance Committee, SB 216 would have cost the state roughly \$2.5 million per year. The Finance Committee amendment lessens the impact to the state funds while maintaining the intent to simplify the tax system. Under the amendment, a tax rate for any type of racing (horse, harness or dog) would apply to all tracks. The amendment also provides money for purses by setting aside certain funds to supplement the existing purses that would otherwise have gone to the state through $\frac{1}{2}$ of its share of "breakage," or the odd cents after distribution of prizes. Those funds are available to each of the 4 New Hampshire tracks for live racing. Revenue to the state will decrease by about \$650,000 in the coming fiscal year. The amendment removes telephone betting and account wagering because the committee felt that there was not enough information on these products to determine the fiscal impact. Vote 15-1.

Amendment (1539h)

Amend the bill by replacing all after the enacting clause with the following:

1 Pari-Mutuel Pools. RSA 284:22 is repealed and reenacted to read as follows:

284:22 Pari-Mutuel Pools. During the calendar years of 1941-2009, a licensee under this chapter may sell pari-mutuel pools in accordance with this chapter and rules adopted by the commission. Pari-mutuel pools shall be sold within the enclosure of the racetrack where a licensed race or race meet is held or as provided in RSA 284:22-a, and not elsewhere.

I. The commission on all win, place, and show pari-mutuel pools at tracks or race meets at which running horse races are conducted for public exhibition shall be uniform throughout the state at the rate of 19 percent of each dollar wagered in such pools, and the commission on all other pari-mutuel pools at such tracks or race meets shall be at the rate of not less than 26 percent of each dollar wagered in such pools and not more than 27 percent of each dollar wagered in such pools as determined from time to time by the licensee which conducts live running horse races after written notice to the commission and, in the absence of written notice, at the rate of 26 percent of each dollar wagered in such pools. Except as provided in RSA 284:22-a, the amount of the purse at such tracks or race meets at which running horse races are conducted shall be 8-1/4 percent of each dollar wagered in all pari-mutuel pools, said 8-1/4 percent to be paid by the licensee out of the commission on such pools. In addition to the above commission, $\frac{1}{2}$ of the odd cents of all redistribution based on each dollar wagered exceeding a sum equal to the next lowest multiple of 10, known as "breakage", shall be retained by the licensee, $\frac{1}{4}$ paid to the state treasury for the use of the state in accordance with the provisions of RSA 284:2 and $\frac{1}{4}$ shall be paid to the pari-mutuel commission. The pari-mutuel commission shall distribute such breakage to the licensee which paid such breakage to supplement purses of live races conducted by the licensee at the location from which such breakage was paid. Each licensee shall pay the tax provided for in RSA 284:23.

II. The commission on all win, place, and show pari-mutuel pools at tracks or race meets at which harness horse races are conducted for public exhibition, including those conducted by agricultural fairs, shall be uniform throughout the state at the rate of 19 percent of each dollar wagered in such pools, and the commission on all other pari-mutuel pools at such tracks or race meets shall be at the rate of not less than 25 percent of each dollar wagered in such pools and not more than 26 percent of each dollar wagered in such pools as determined from time to time by the licensee which conducts live harness horse racing after written notice to the commission and, in the absence of such written notice, at the rate of 25 percent of each dollar wagered in such pools. In addition to the above commission, $\frac{1}{2}$ of the odd cents of all redistribution based on each dollar wagered exceeding a sum equal to the next lowest multiple of 10, known as "breakage", shall be retained by the licensee, $\frac{1}{4}$ paid to the state treasury for the use of the state in accordance with the provisions of RSA 284:2 and $\frac{1}{4}$ shall be paid to the pari-mutuel commission. The pari-mutuel commission shall distribute such breakage to the licensee which paid such breakage to supplement purses of live races conducted by the licensee at the location from which such breakage was paid. Each licensee shall pay the tax provided for in RSA 284:23.

III. For the purposes set forth in this section, an "agricultural fair" means an association which provides for and pays premiums of \$5,000 or more, annually, as is determined by the commissioner of agriculture, markets, and food, in accordance with RSA 284:25.

IV. The commission on all win, place, and show pari-mutuel pools at tracks or race meets at which dog races are conducted for public exhibition shall be uniform throughout the state at the rate of 19 percent of each dollar wagered in such pools; and the commission on all other pari-mutuel pools at such tracks or race meets shall be at the rate of not less than 26 percent of each dollar wagered in such pools and not more than 27 percent of each dollar wagered in such pools as determined from time to time by the licensee which conducts live dog racing after written notice to the commission and, in the absence of such written notice, at the rate of 26 percent of each dollar wagered in such pools. In addition to the above commission, $\frac{1}{2}$ of the odd cents of all redistribution based on each dollar wagered exceeding a sum equal to the next lowest multiple of 10, known as "breakage", shall be retained by the licensee, $\frac{1}{4}$ paid to the state treasury for the use of the state in accordance with the provisions of RSA 284:2 and $\frac{1}{4}$ shall be paid to the pari-mutuel commission. The pari-mutuel commission shall distribute such breakage to the licensee which paid such breakage to supplement purses of live races conducted by the licensee at the location from which such breakage was paid. Each licensee shall pay the tax provided for in RSA 284:23.

2 Tax. RSA 284:23 is repealed and reenacted to read as follows:
284:23 Tax.

I.(a) Each person, association or corporation licensed to conduct a running horse race or running horse meet under this chapter shall pay to the state treasurer a sum of money equal to 1-1/4 percent of the total contributions to all pari-mutuel pools conducted, made, or sold at any such race or meet licensed under this chapter. The amounts so paid to the state treasurer shall be for the use of the state.

(b) Each person, association, or corporation licensed to simulcast a running horse race or running horse meet under this chapter shall pay to the state treasurer a sum of money equal to 1-1/2 percent of the total contributions to all such pari-mutuel pools conducted, made, or sold at such simulcast race or simulcast race meet by such person, association, or corporation licensed to simulcast such races. The amount so paid to the state treasurer shall be for the use of the state.

II.(a) Each person, association, or corporation licensed to conduct a harness horse race or harness horse race meet under this chapter shall pay to the state treasurer a sum of money equal to 1-1/4 percent of all total contributions to all pari-mutuel pools in a calendar day. The amount so paid to the state treasurer shall be for the use of the state.

(b) Each person, association, or corporation licensed to simulcast a harness horse race or simulcast a harness horse race meet under this chapter shall pay to the state treasurer a sum of money equal to 1-1/2 percent of the total contributions to all such pari-mutuel pools conducted, made, or sold at such simulcast race or race meet by such person, association, or corporation licensed to simulcast such races. The amount so paid to the state treasurer shall be for the use of the state.

III.(a) Each person, association, or corporation licensed to conduct a dog race or a dog race meet under this chapter shall pay to the state treasurer a sum of money equal to 2-1/4 percent of so much of the total contributions to all pari-mutuel pools conducted, made, or sold at any dog race or dog race meet licensed under this chapter. The amount so paid to the state treasurer shall be for the use of the state.

(b) Each person, association or corporation licensed to simulcast a dog race or simulcast a dog race meet under this chapter shall pay to the state treasurer a sum of money equal to 2-1/2 percent of all pari-mutuel pools conducted, made, or sold at such simulcast race or simulcast race meet by such person, association, or corporation licensed under this chapter. The amount so paid to the state treasurer shall be for the use of the state.

IV. Each person, association, or corporation licensed to conduct a race or race meet under this chapter shall also pay to the city or town treasurer in which the racing plant is located for each day of racing, whether such day includes live racing only, simulcast racing only, or a combination thereof, the fees assessed in subparagraphs (a) and (b) below, based upon the aggregate pari-mutuel pools conducted, made, or sold by such person, association, or corporation on each such day. This rate is provided if said person, association, or corporation has a license to conduct races or race meets for more than 10 days during the year for which the license is issued. If said person, association, or corporation has a license to conduct races or race meets for 10 days or less, the per diem fee shall be determined by the commission.

(a) Each Weekday including Saturday

Pari-mutuel pool	Fee
Under \$300,000	\$ 300 per day
\$300,000 or more	\$ 350 per day

(b) Each Sunday

Pari-mutuel pool	Fee
Under \$350,000	\$ 400 per day
\$350,000 but under \$500,000	\$ 800 per day
\$500,000 or more	\$1,200 per day

V. The tax rates established by paragraphs I and II of this section shall remain in effect only until the bonds obtained by any entity for reconstruction of Rockingham Park have been paid off, unless such bonds are refinanced by the entity which owns Rockingham Park, and in such latter event, until such refinancing is paid off, but in no event later than December 31, 2009.

VI. During each calendar year, by March 31, each licensee shall make a report to the commission with regard to such licensee's efforts to enhance live racing at such licensee's race track. Such report shall include, but not be limited to, licensee's enhancement of purses, capital improvements, promotion, advertising, and other activities determined by the licensee to enhance live racing. The report shall be in writing and shall be in sufficient detail as determined by the commission. The report shall be distributed to the commission and each member of the fiscal committee.

VII. For the purposes of this chapter, "racing program" means live racing with any number of individual races as determined by the pari-mutuel commission. A live race or racing program may include a combined live and simulcast race where the combination contains at least one more live race to simulcast in the same combination. Any such live racing program or combined racing program upon which a separate tax is paid may constitute a live racing performance day.

3 Repeal. The following are repealed:

I. 1989, 219:2, relative to a prospective amendment to RSA 284:22, IV which would have been effective July 1, 1998, at 12:01 a.m. pursuant to 1989, 219:9, I as amended by 1992, 185:5.

II. 1989, 219:5, relative to a prospective amendment to RSA 284:23, II-a which would have been effective July 1, 1998, at 12:01 a.m. pursuant to 1989, 219:9, I as amended by 1992, 185:5.

III. 1993, 358:85, relative to a prospective amendment to RSA 284:22, IV which would have been effective July 1, 1998 at 12:01 a.m.

IV. 1995, 224:2, relative to a prospective amendment to RSA 284:23, V which would have been effective July 1, 1997, pursuant to 1995, 224:3, I as amended by 1996, 201:9.

4 Effective Date. This act shall take effect July 1, 1997.

AMENDED ANALYSIS

This bill:

I. Revises the commission structure on pari-mutuel pools and the tax on contributions to pari-mutuel pools. The new structure of the tax lowers and standardizes the overall rate of tax for running horse races, harness horse races, and dog races.

II. Repeals a number of prospective amendments to the tax and commission structure which are no longer appropriate in light of this bill.

Adopted.

Report adopted and ordered to third reading.

SB 93, relative to employees of employers who hire recipients of state assistance under the employment assistance program. **OUGHT TO PASS WITH AMENDMENT**

Rep. W. Gordon Allen for Finance: The only fiscal impact of this bill is the provision (Section 1, IV) for participants in subsidized employment programs to be considered state employees for the purpose of workers' compensation even though they are on the payroll of private employers. Because the estimate of these workers' compensation costs to the state was "significant" but "undetermined" and that no costs were budgeted, the bill was amended to eliminate this provision. Vote 20-0.

Amendment (1542h)

Amend RSA 167:82-a as inserted by section 1 of the bill by deleting paragraph IV.

AMENDED ANALYSIS

This bill prohibits the New Hampshire employment program or the alternative employment experience program from using participants in any way contrary to certain federal laws.

This bill prohibits requiring a participant to work under certain subsidized employment conditions or for more than a certain number of hours and requires that participants be afforded certain employment protections.

Rep. Kurk spoke against.

The amendment failed.

Reps. Daniels and Kurk offered a floor amendment.

Floor Amendment (1569h)

Amend RSA 167:82-a as inserted by section 1 of the bill by deleting paragraph IV.

Amend RSA 167:91-a as inserted by section 2 of the bill by inserting after paragraph III the following:

IV. Participants in the alternative employment experience program administered by the state shall be considered employees of the state for workers' compensation purposes only, and any claims for workers' compensation thereunder shall be charged to the temporary assistance to needy families program.

AMENDED ANALYSIS

This bill prohibits the New Hampshire employment program or the alternative employment experience program from using participants in any way contrary to certain federal laws.

This bill prohibits requiring a participant to work under certain subsidized employment conditions or for more than a certain number of hours and requires that participants be afforded certain employment protections.

This bill also requires that participants in the alternative employment experience program shall be considered state employees for workers' compensation purposes only.

REVENUE ESTIMATES

REMOVED FROM THE TABLE

Rep. Weyler moved that **HR 19**, affirming unrestricted revenue estimates for fiscal years 1998 and 1999, be removed from the table.

Adopted.

Floor Amendment (1577h)

Amend the resolution by replacing all after the title with the following:

Whereas, the House Finance Committee has considered what the unrestricted revenue estimates should be for fiscal years 1998 and 1999 and has presented those estimates to the House of Representatives; now, therefore, be it

Resolved by the House of Representatives:

That the House wishes to go on record as affirming the following revenue estimates for fiscal years 1998 and 1999 and also takes note of the following revenue figures presented here for fiscal years 1996 and 1997:

Committee estimates are based on current rates.

RECESS

(Rep. Channing Brown in the Chair)

Rep. Lozeau moved that the House adjourn.
Adopted.

HOUSE JOURNAL No. 23

Tuesday, June 10, 1997

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker Pro Tempore.

Her Excellency, Governor Jeanne Shaheen, joined the Speaker Pro Tempore on the podium for the day's opening ceremonies.

Prayer was offered by Guest Chaplain, Reverend Larry E. Clouse, Pastor of the Merrimack Valley Baptist Church.

Our Father, thank you for the freedom we have here in America to begin this day in prayer. We thank You for these men and women who have given their time and talent to serve us. We ask that You will give them wisdom as they discuss and decide on the bills before them today. May each one be sensitive to what is best for our state. Give them courage to stand up for what is right, and if need be, to stand alone. Help them to discern not only between right and wrong, but between that which is good and that which is best. We know that some major decisions on the budget must be decided today. May each legislator remember they are stewards of another's finances, and help them to appropriate the finances where it will do the most for the most people. We thank You for our Governor and pray You will give her wisdom as she leads our state. We thank You for our state's history and heritage. Please help us to protect and provide for her greatness. All too quickly the hours of the day and the days of this year will be past. Help us to have the right priorities and use our time wisely. We commit to You these leaders for You to use this day. In Jesus's name we pray. Amen.

Rep. Yvonne Coulombe led the Pledge of Allegiance.

Conferees: Sens. Podles, Dist. 16; Frederick King, Dist. 1 and Rubens, Dist. 5.

Conferees: Reps. Mercer, Hills 27; Dickinson, Carr. 2; Pilliod, Belk. 3 and Drabinowicz, Hills. 36.

COMMITTEE OF CONFERENCE REPORT ON SB 163

The committee of conference to which was referred SB 163, An Act relative to the Uniform Anatomical Gift Act having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend RSA 291-A:2, VI as inserted by section 1 of the bill by replacing it with the following:

VI. "Eye procurement technician" means an individual who has successfully completed a course of training, acceptable to a procurement organization, to remove or process eyes or parts of eyes, pursuant to RSA 325:31-a.

Amend RSA 291-A:3, IV as inserted by section 1 of the bill by replacing it with the following:

IV. A document of gift may designate a particular physician or surgeon to carry out the appropriate procedures. In the absence of a designation or if the designee is not available, the donee or other person authorized to accept the anatomical gift shall employ or authorize any physician, surgeon, or their designee, or eye procurement technician to carry out the appropriate procedures.

Amend RSA 291-A:4, IV as inserted by section 1 of the bill by replacing it with the following:

IV. An anatomical gift by a person authorized under paragraph I shall be revoked by any member of the same or a prior class if, before procedures have begun for the removal of a part from the body of the decedent, the physician, surgeon, or their designee, or eye procurement technician removing the part knows of the revocation.

Amend RSA 291-A:5, I(d) as inserted by section 1 of the bill by replacing it with the following:

(d) The removal will be by a physician, or surgeon, or their designee; but in the case of eyes, by one of them or by an eye procurement technician;

Amend RSA 291-A:5, II as inserted by section 1 of the bill by replacing it with the following:

II. If the body is not within the custody of the medical examiner, the funeral director shall release and permit the removal of any part from a body in the funeral director's custody, pursuant to RSA 291-A:4, I(h), for transplantation or therapy if the requirements of paragraph I are met.

Amend RSA 291-A:9, III as inserted by section 1 of the bill by replacing it with the following:

III. If there has been an anatomical gift, an appropriate physician or surgeon, or their designee, may remove any donated parts and an eye procurement technician may remove any donated eyes or parts of eyes, after determination of death by a physician or surgeon. If there has been an anatomical gift, the donated parts may be removed, after determination of death, by a person other than a physician or surgeon who attended the donor at death or determined the time of death.

Amend RSA 291-A:11, I as inserted by section 1 of the bill by replacing it with the following:

I. A person shall not knowingly, for valuable consideration, purchase or sell a part, if removal of the part occurs or is intended to occur after the death of the decedent.

Amend RSA 291-A:12, III as inserted by section 1 of the bill by replacing it with the following:

III. A hospital, physician, surgeon, medical examiner, funeral director, eye procurement technician, procurement organization, or person acting on behalf of one of the preceding, who acts in accordance with this chapter or with the applicable anatomical gift law of another state or attempts in good faith to do so, is not liable for that act in a civil action or criminal proceeding.

Amend the bill by replacing section 2 with the following:

2 Eye Procurement Technicians. RSA 325:31-a is repealed and reenacted to read as follows:

325:31-a Eye Procurement Technician Qualification. No person shall perform eye tissue removal or processing pursuant to RSA 291-A:3, IV unless such person has successfully completed a course of training acceptable to a procurement organization as defined in RSA 291-A:2, XI. The procurement organization shall have the power to establish qualifications and terms for the successful completion of the course of training.

Conferees: Sens. Gordon, Dist. 2; Squires, Dist. 12 and Pignatelli, Dist. 13.

Conferees: Reps. Calvert, Belk. 5; Batula, Hills. 18; Boyce, Belk. 5 and Haettenschwiller, Hills. 29.

COMMITTEE OF CONFERENCE REPORT ON SB 182-FN

The committee of conference to which was referred SB 182-FN, An Act relative to the administration, operation, and maintenance of the New Hampshire state veterans cemetery having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended.

Amend the bill by replacing 6 with the following:

6 Appropriation; Adjutant General. The sum of \$165,500 for the fiscal year ending June 30, 1998, and the sum of \$224,000 for the fiscal year ending June 30, 1999, are appropriated to the adjutant general for operating costs of the state veterans cemetery. Of the total sum appropriated for fiscal year 1998, \$113,000 shall be from general funds and \$52,500 shall be from other funds. Of the total sum appropriated for fiscal year 1999, \$119,000 shall be from general funds and \$105,000 shall be from other funds. Operating costs for which these appropriations shall be expended shall

include full-time permanent and part-time temporary personnel, equipment, maintenance, and other expenses for startup of the state veterans cemetery. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

Conferees: Sens. Barnes, Dist. 17; Blaisdell, Dist. 10 and Fraser, Dist. 4

Conferees: Reps. Gene Chandler, Carr. 1; Calawa, Hills. 17; Klemm, Rock. 28 and Katherine Rogers, Merr. 2

COMMITTEE OF CONFERENCE REPORT ON SB 189-FN-L

The committee of conference to which was referred SB 189-FN-LOCAL, An Act authorizing the department of safety to issue resident driver's licenses to certain aliens having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended: (see attached amendment)

Amend the bill by replacing all after the enacting clause with the following:

1 License for Aliens Temporarily Residing in the State. RSA 263:39-a is repealed and reenacted to read as follows:

263:39-a License for Aliens Temporarily Residing in New Hampshire.

I. The director may issue a New Hampshire driver's license to a nonresident alien who is living in New Hampshire on a temporary basis:

(a) For the purposes of attending a public or private educational institution which has a regular faculty, curriculum, and organized body of pupils or students in attendance and is enrolled in such education institution;

(b) For the purposes of engaging in lawful employment, occupational, or business activity, and is engaged in such activity; or

(c) Who is the spouse or child of an alien licensed under this section.

II. The director may require any of the following:

(a) Certification from the foreign government regarding the person's driving record and licensing status.

(b) Submission of social security number, or, if the person does not qualify for such a number, the submission of certification to that effect as is acceptable to the commissioner.

(c) Written or other testing.

(d) Proof of compliance with the conditions set forth in paragraph I.

(e) Proof of identification as may be acceptable to the commissioner.

III. The term of the license shall be no longer than 4 years from the date of issuance, and the director may set a lesser term in accordance with the length of the person's residence in New Hampshire.

IV. Nothing in this chapter shall preclude the director from denying a license if the director determines that licensure of the person may be contrary to the public safety. Once licensed, the individual shall be subject to the same provisions of the law as all other licensees. When the person no longer meets the conditions specified in paragraph I, the person shall forthwith return the license to the director and the license shall become invalid.

2 Effective Date. This act shall take effect July 1, 1997.

Conferees: Sens. Patenaude, Dist. 7; Whipple, Dist. 8 and Rubens, Dist. 5.

Conferees: Reps. John Flanders, Rock. 17; Malcolm, Rock. 22; Peter Cote, Hills. 32 and Veazey, Belk. 7.

COMMITTEE OF CONFERENCE REPORT ON SB 194-FN-A

The committee of conference to which was referred SB 194-FN-A, An Act relative to the age of child day care providers homes, and allowing school districts to transport school-age children between schools and before-and-after-school programs having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Intent. It is the intent of the state of New Hampshire to assist families in keeping school-age youth safe and out of trouble as their families move toward self-sufficiency by preventing inappropriate latchkey situations, and to encourage collaborative ventures between schools, churches, youth serving organizations, businesses, and the juvenile justice community and their families, whenever possible.

2 New Section; Transportation Between Schools and Before and After School Child Day Care Programs. Amend RSA 189 by inserting after section 6-a the following new section:

189:6-b Transportation Between Schools and Before-and-After-School Programs. To achieve maximum utilization of available before-and-after-school programs for school-age children, school districts shall be permitted to transport pupils between schools and legally-operating before-and-after-school programs upon the approval of the school district in the same manner as the school budget is adopted by that district. Such approval shall continue until revoked in the same manner.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows school districts to transport pupils between schools and before-and-after-school programs.

Conferees: Sens. David Wheeler, Dist. 11; Squires, Dist. 12 and McCarley, Dist. 6.

Conferees: Reps. Woods, Rock. 25; Kevin Smith, Rock. 29; Clay, Hills. 4; and Marjorie Smith, Straf. 8.

COMMITTEE OF CONFERENCE REPORT ON SB 109

The committee of conference to which was referred SB 109, An Act relative to the official ballot voting option having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend RSA 31:5, III as inserted by section 1 of the bill by replacing it with the following:

III. In the event that the legislative body at an annual meeting amends or rejects the cost items or fact finder's reports as submitted pursuant to RSA 273-A, notwithstanding paragraphs I and II, the selectmen may call one special meeting for the sole purpose of addressing all negotiated cost items without petitioning the superior court for authorization. Such special meeting may be authorized only by a contingent warrant article inserted on the warrant or official ballot either by petition or by the governing body. The wording of the question shall be as follows: "Shall (the local political subdivision), if article _____ is defeated, authorize the governing body to call one special meeting, at its option, to address article _____ cost items only?" The refusal of the legislative body to authorize a special meeting as provided in this paragraph shall not affect any other provision of law. Any special meeting held under this paragraph shall be combined with the revised operating budget meeting under RSA 40:13, XI, if any, and shall not be counted toward the number of special meetings which may be held in a given calendar or fiscal year.

Amend RSA 197:3, III as inserted by section 11 of the bill by replacing it with the following:

III. In the event that the legislative body at an annual meeting amends or rejects the cost items or fact finder's reports as submitted pursuant to RSA 273-A, notwithstanding paragraphs I and II, the school board may call one special meeting for the sole purpose of addressing all negotiated cost items without petitioning the superior court for authorization. Such special meeting may be authorized only by a contingent warrant article inserted on the warrant or official ballot either by petition or by the governing body. The wording of the question shall be as follows: "Shall (the

local political subdivision), if article _____ is defeated, authorize the governing body to call one special meeting, at its option, to address article _____ cost items only?" COMMITTEE OF CONFERENCE REPORT ON SB 203-FN-L

The committee of conference to which was referred SB 203-FN-LOCAL, An Act deleting the state prison and adding county correctional facilities to the provisions relating to incarcerated educationally disabled children having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrency with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing all after the enacting clause with the following:

1 County Correctional Facilities Added. Amend RSA 186-C:19-a to read as follows:

186-C:19-a Educationally Disabled Children at the Youth Development Center, the State-[Prison] Prisons, County Correctional Facilities, and the Youth Services Center.

I. For an educationally disabled child at the youth development center [~~or the state prison~~] *state prisons, or county correctional facilities*, or who is placed at the youth services center maintained by the department of youth development services while awaiting disposition of the court following arraignment pursuant to RSA 169-B:13, the school district responsible for the development of an individualized education plan *and the child's special education expenses* shall be as follows:

(a) If such child is in the legal custody of the parent, the school district in which the child's parent resides shall be responsible.

(b) If such child is not in the legal custody of the parent or if the parent resides outside the state, the school district in which the child most recently resided other than in a state institution, home for children or health care facility as defined in RSA 193:27 shall be responsible.

(c) For the purposes of this section a parent shall not have legal custody if legal custody has been awarded to some other person or agency, even if that parent retains residual parental rights. An award of legal custody by a court of competent jurisdiction, in this state or in any other state, shall determine legal custody under this section.

II. The school district liability for educational expenses for an educationally disabled child in the youth development center [~~or the state prison~~], *state prisons, or county correctional facilities*, or who is placed in the youth services center while awaiting disposition of the court following arraignment pursuant to RSA 169-B:13, shall not exceed the state average elementary cost per pupil, as determined by the state board of education for the preceding school year.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill adds county correctional facilities to the provisions relating to incarcerated educationally disabled children. The bill also specifies that the determination of the liable school district be the school district responsible for the child's special education expenses as well as, under current law, the district responsible for the development of the individualized education plan.

Conferees: Sens. Gordon, Dist 2; Frederick King, Dist 1 and Larsen, Dist 15.

Conferees: Reps. Durham, Hills 22; O'Hearn, Hills 26; Holbrook, Belk 7 and William Riley, Ches 7. Adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 209-FN

The committee of conference to which was referred SB 209-FN, An Act establishing a residential care pilot program and providing for the funding of such program having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Intent. The general court recognizes that long-term care includes a continuum of care. The general court recognizes that New Hampshire needs a system to help elderly persons maintain the maximum amount of independence. Residential care services are cost-effective and should be encouraged to prevent unnecessary and premature utilization of nursing home services. The general court recognizes that residential care services have an important role in the continuum of long-term care services. The general court also recognizes that the number of state-assisted residents has declined rapidly and is continuing to decline; that several small residential care homes have closed and that trend continues; and further, that some interim action is needed until the establishment and implementation of the commissioner of health and human services' long-term care plan.

2 Senate, House and Health and Human Services Department Residential Care Oversight Committee Established.

I. There shall be established the senate, house, and health and human services department residential care oversight committee.

II. The committee shall be composed of the following members:

(a) Three senate members; one from the public institutions, health and human services committee; one from the ways and means committee; and one from the finance committee, appointed by the president of the senate.

(b) Three house members; 2 from the health and human services committee and one from the finance committee, appointed by the speaker of the house.

(c) The commissioner of health and human services, or designee, and a person from the medicaid waiver office in the department of health and human services.

III. The first-named senate member shall be committee chairperson and the first-named house member shall be the vice-chairperson. Committee meetings shall be held at least once a month and shall continue until the interim program under section 4 of this act is implemented.

3 Amendment to Federal Home and Community Based Care Waiver. The committee shall ensure that the department of health and human services shall work forthwith to request an amendment to the Home and Community Based Care waiver for the Elderly and Chronically Ill to create a program for residential care services. When the waiver is approved, the commissioner shall implement the interim program, but not sooner than July 1, 1998.

4 Interim Program.

I. The commissioner of the department of health and human services shall immediately request an amendment to the Home and Community Based Care waiver for the Elderly and Chronically Ill to create an interim funding program for residential care services. When the waiver is approved, the commissioner shall adopt rules, under RSA 541-A, relative to the following:

(a) The number of designated beds shall be 140 for residential care, rule He-P 804.

(b) Client eligibility.

(c) Service definition.

(d) Non-covered services.

(e) Provider qualifications.

(f) Provider requirements.

(g) Reimbursement. Rule He-P 804 shall be the present Old Age Assistance (OAA) level (\$513) plus an additional amount to bring the total rate to \$1,000 per month.

II. This interim program shall terminate upon the establishment and implementation of the commissioner's long-term care plan which shall include provisions for equitable funding for residential care as well as the other levels of long-term care.

III. The commissioner of health and human services shall pursue additional funding for this interim program in the form of grants from federal and private foundation sources and may immediately expend such grants, moneys, and any appropriation for the purposes of the program.

5 Long-Term Care Plan. The commissioner of health and human services shall provide the commissioner's long-term care plan to the president of the senate, the speaker of the house, the governor, the senate clerk, the house clerk, and the state library on or before January 1, 1998.

6 Funding for Interim Program. The amount of money necessary to fund the interim program under section 4 of this act for the biennium shall be transferred from funds already appropriated to the department of health and human services for the biennium ending June 30, 1999.

7 Effective Date. This act shall take effect July 1, 1997.

Conferees: Sens. David Wheeler, Dist. 11; Frederick King, Dist. 1; and McCarley, Dist. 6.

Conferees: Reps. Emerton, Hills. 7; Batula, Hills. 18; Allen, Hills. 1 and Thulander, Hills. 6.

Adopted.

AMENDMENT TO HOUSE RULES

The Rules Committee offered the following:

Amendment (1653h)

Amend House Rule 64 by inserting the following after the June 25, 1997 entry:

AMENDED ANALYSIS

The amendment to House Rule 64 inserts deadlines for legislative action relating to filing and sign-off for the second-year session.

Reps. Lozeau and Amanda Merrill spoke in favor.

Adopted.

UNANIMOUS CONSENT

Reps. Teschner and Krueger addressed the House.

Rep. Root moved that the remarks made by Rep. Krueger be printed in the Journal.

Adopted.

Rep. Krueger: Last Friday Rep. Burling and I had a wonderful experience taping a show for WMUR. When we walked outside I noticed that I had a flat tire on my car. Rep. Burling was certainly the knight in shining armor. With regard to that, I have written him a poem which I hope you all will take with a grain of salt and know I am no Shakespeare. Rep. Burling, to you:

At the place where many issues were debated, I looked with horror at my tire deflated.

Oh my, I thought, this I cannot fix not having attended kindergarten at age six.

I never learned to fix a flat and now I shall be late for this and that.

However, soon panic turned to elation for with not a moment's hesitation did a man named

Peter say, "Worry not, soon you'll be on your way."

Sleeves were rolled, heels dug in, sweat on brow and a desire to win.

No compromise here, no need to committee, generous of heart, no fear of the gritty.

Oh, the task was over, thought I, until I noted the spare was as flat as a pie.

Again the crusader from the opposite aisle offered solutions with alacrity and guile.

"I'll follow you to get help," said he. I thought, "how much will this cost me?"

Twenty-five cents, or twenty; better at twelve?

This seemed not the moment to greatly delve.

So, I rumbled ahead slowly heading toward air,

followed by a leader with little time to spare.

Lucky for me, help was not too far. The end of the saga, hurrah, hurrah!

A wave from each ended the plight, but I noted with smug delight

that as we pulled away from the red light, he turned to the left and I turned to the right.

Rep. Buckley addressed the House.

RECESS

(Speaker Sytek in the Chair)

MOTION TO SUSPEND THE RULES

Reps. Wheeler and Burling moved that the Rules be so far suspended as to permit consideration of Committee of Conference reports on House Bills signed off after the deadline on **HB 1**, making appropriations for the expenses of certain departments of the state for the fiscal years ending June 30, 1998, and June 30, 1999, and **HB 2**, relative to state fees, funds, revenues, and expenditures. Reps. D'Allesandro and Cobbin spoke against.

Reps. Kurk and Lozeau spoke in favor.

Rep. Gene Chandler spoke in favor and yielded to questions.

Rep. Micklon requested a roll call; sufficiently seconded.

The question being the adoption of the motion to suspend the Rules.

Amend RSA 421-B:6, VIII as inserted by section 9 of the bill by replacing line 1 with the following:

VIII.(a) A broker-dealer that is resident in Canada and has no office or other physical presence in this state may, provided the broker-dealer is licensed in accordance with this section, effect transactions in securities with or for, or induce or attempt to induce the purchase or sale of any security by:

(1) A person from Canada who is temporarily resident in this state, with whom the Canadian broker-dealer had a bona fide broker-dealer-client relationship before the person entered the United States; or

(2) A person from Canada who is resident in this state, whose transactions are in a self-directed tax advantaged retirement plan in Canada of which the person is the holder or contributor.

(b) An agent who will be representing a Canadian broker-dealer licensed under this section may, provided the agent is licensed in accordance with this section, effect transactions in securities in this state as permitted for the broker-dealer in subparagraph (a).

(c) A Canadian broker-dealer may become licensed under this section, provided that the broker-dealer:

(1) Files an application in the form required by the jurisdiction in which it has its head office;

(2) Files a consent to service of process;

(3) Is registered as a broker or dealer in good standing in the jurisdiction from which it is effecting transactions into this state and files evidence thereof; and

(4) Is a member of a self-regulatory organization or stock exchange in Canada.

(d) An agent who will be representing a Canadian broker-dealer licensed under this section in effecting transactions in securities in this state may become licensed under this section, provided that the agent:

(1) Files an application in the form required by the jurisdiction in which the broker-dealer has its head office;

(2) Files a consent to service of process; and

(3) Is registered in good standing in the jurisdiction from which he or she is effecting transactions into this state and files evidence thereof.

(e) If no denial order is in effect and no proceeding is pending under this chapter, the license becomes effective on the thirtieth day after an application is filed unless earlier made effective.

(f) A Canadian broker-dealer licensed under this section shall:

(1) Maintain its provincial or territorial registration and its membership in a self-regulatory organization or stock exchange in good standing;

(2) Provide the secretary of state upon request with its books and records relating to its business in this state as a broker-dealer;

(3) Inform the secretary of state forthwith of any criminal action taken against the broker-dealer or its agent or of any finding or sanction imposed on the broker-dealer as a result of any self-regulatory or regulatory action involving fraud, theft, deceit, misrepresentation, or similar conduct; and

(4) Disclose to its clients in the state that the broker-dealer and its agents are not subject to the full regulatory requirements in this chapter.

(g) An agent of a Canadian broker-dealer licensed under this section shall:

(1) Maintain his or her provincial or territorial registration in good standing;

(2) Inform the secretary of state forthwith of any criminal action, taken against him or her, or of any finding or sanction imposed on the agent as a result of any self-regulatory or regulatory action involving fraud, theft, deceit, misrepresentation, or similar conduct.

(h) Renewal applications for Canadian broker-dealers and agents under this section shall be filed before December 1 each year and may be made by filing the most recent renewal application, if any, filed in the jurisdiction in which the broker-dealer has its head office, or if no such renewal application is required, the most recent application filed pursuant to subparagraph (c)(1) or subparagraph (d)(1), as the case may be.

(i) Every applicant for a license or renewal of a license under this section shall pay the fee for broker-dealers and agents as required under RSA 421-B:31.

(j) A Canadian broker-dealer or agent licensed under this section shall only effect transactions in this state:

(1) As permitted in subparagraph (a) or (b);

(2) With or through (i) the issuers of the securities involved in the transactions, (ii) other broker-dealers, and (iii) banks, savings institutions, trust companies, insurance companies, investment companies as defined in the Investment Company Act of 1940, pension or profit-sharing trusts or other financial institutions or institutional buyers, whether acting for themselves or as trustees; and

(3) As otherwise permitted by this chapter.

(k) A Canadian broker-dealer or agent licensed under this section and acting in accordance with the limitations set out in subparagraph (j) is exempt from all of the requirements of this chapter, except the anti-fraud provisions and the requirements set out in this section. Such Canadian broker-dealer or agent may only have its license under this section denied, suspended or revoked for a breach of the anti-fraud provisions of this chapter or the requirements in this section.

Rep. Lozeau moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 24

Wednesday, June 18, 1997

The House assembled at 1:00 p.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Her Excellency, Governor Jeanne Shaheen, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by Guest Chaplain, Rev. Anna C. Beach, Pastor of the Bow Mills United Methodist Church.

Most Holy Creator God, we come to You this day with our prayers of thanksgiving for all that You have given us. As citizens of this state, we are truly blessed by the grandeur of Your creation from the awesomeness of the mountains to the surging power of the ocean. We thank You for Your people who have strived down through history to make this a land where people are free to pursue their goals and to live out their lives in a safe and secure environment. However, we know that there are those, Lord, throughout this state, even within sight of this historic chamber, who are hurting. They feel abandoned and lonely. Their needs are not being met, while their fellow citizens seem to have plenty. But, even in this midst of plenty, there is still hurt and loneliness among Your people. Grant Your loving mercy upon each man, woman, and child within this state. Lord, as this session opens today, we ask that You alone who gives wisdom and understanding will inspire the minds and hearts of all those present to whom has been committed the responsibility of government and leadership in this state. Give to them the vision of truth and justice. Allow them the necessary parameters to openly discuss and vote upon matters that relate to the people of New Hampshire. Give them insight that they may vote their conscience, on behalf of their constituents; and do not permit the coerciveness of selfish individuals and groups to cloud their thinking. We know, O God, that You would have them do what is best for all Your children. We ask Your special blessing upon our Governor as she works in cooperation with this legislative body for the betterment of this state and its residents. Give all our leaders in government new vision for the future and set their hearts on fire as they serve Your people. Give all our leaders the ability to be an example to new generations who will be the leaders in the 21st century. Give to all our leaders that humbleness that comes from being a servant in the employment of the people. We ask all these things in Your name and for the sake of Your people. Amen.

Rep. Peter Cote led the Pledge of Allegiance.

and the report was adopted.

Rep. Healy did not vote and wished to be recorded against.

Rep. Salatiello declared a conflict of interest and did not participate.

PROTEST

Pursuant to Part 2, Article 24 of the New Hampshire Constitution, Rep. Steere requested that his protest be entered on the Journal.

The budget fails to fully fund foundation aid for education which would reduce property taxes for the citizens of the state. The budget adds new programs and costs to the cities and towns without guaranteeing full funding. The state budget should fund existing programs before adding new programs and costs which may increase property taxes for our citizens.

SUSPENSION OF RULES

Reps. Wheeler and Burling moved that the Rules be so far suspended as to permit consideration beyond the deadline for action and the deadline for having all bills to the Governor of the Committee of Conference Report on **HB 25**, making appropriations for capital improvements and establishing a committee to study federal buildings and patients needs relative to the veterans' home. Reps. Wheeler and Burling spoke in favor.

Rep. Wheeler requested a roll call; sufficiently seconded.

The question being the motion to suspend the Rules.

COMMUNICATION

June 10, 1997

Hon. Donna Sytek, Speaker

This letter is to inform you that I will be resigning from the New Hampshire House effective June 30, 1997. My husband's work requires that we relocate to California.

I feel very privileged to have served in this House on behalf of the people of Derry. I am grateful to my fellow members for all they have shared with me — their wisdom, their patience, their guidance, their good humor, even their criticism. I am glad to have had the opportunity to serve under your able leadership.

Thank you all very much. I am sorry to be leaving the great state of New Hampshire, but I am confident that it will remain in good hands.

Rep. Kathryn Aranda, Rock. 13

The Speaker accepted the resignation with regret.

RESOLUTION

Rep. Wheeler offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet at the call of the Chair. Adopted.

UNANIMOUS CONSENT

Reps. Jeb Bradley, Knowles, Fields and Lefebvre addressed the House.

Reps. Frances Riley and Burling moved that the remarks made by Reps. Jeb Bradley and Knowles be printed in the Journal.

Adopted.

Rep. Jeb Bradley: Thank you very much, Madam Speaker. It is with some trepidation that at the end of this long day I do get up and ask for the special privilege of unanimous consent. But at this point in the session, and hopefully it is our last day, it's time to reflect for a moment and to thank some of the sung heroes and some of the unsung heroes that have helped us along throughout this long year. It is important that we consider in that thank you the fine people in Legislative Services, our committee assistants, the LBA staff, the fine staff of the House Clerk and the Sergeant-at-Arms offices, and all of the other people who help them. It is also important, I think, to publicly note the fine work of Peter Burling and Mandy Merrill in how they have unified their forces and been effective spokespeople for their causes. I also have to say that having worked with the past administration of Speaker Burns, Majority Leader Ann Torr, and Caroline Gross, who is still amongst us all, that it is certainly a pleasure that Ann Torr is still serving in this House and to have had the opportunity to work with her. Madam Speaker, this session has certainly been a learning experience, from the Rules debate that you just talked about to Martin Luther King, to certainly today with the kindergarten debate and the budget debate. Most of us have had wins and losses in this session, including you, yourself. Madam Speaker, you have provided us with the most effective leadership. You have certainly, and most importantly, been gracious under fire and there has been a lot of fire throughout this session. You promised that you would listen to House members. You have kept that promise. You have, above all else, abided by the House Rules even when that was inconvenient as we witnessed last week. But you made that promise and you kept it. Madam Speaker, you have upheld the House position even when at some point in time it may have differed from your own personal positions as it did in the kindergarten debate. But, you promised you would do that and you did it. When I had the opportunity to second your nomination in November, I said that you would work hard, that you would be a straight-shooter and that you would ask no more of us as members than you yourself would give. You have fulfilled that promise. You have treated

members fairly and as I have said, you have maintained the House position, and, in particular in the last week, you have done it at a time of great personal duress in your own life with the illnesses of family members. So, Madam Speaker, for myself and I think from all of us, we wish you an absolutely great summer, good health to your family members and we will take a break before we come back. One last word. You told me yesterday, when I was in your office, not to come back unless I had good news. It is getting hot out and, Madam Speaker, I know I need a hair cut. Thank you very much.

Rep. Knowles: Thank you, Madam Speaker. Before I get started, I first would like to thank Peter Burling and Amanda Merrill for the leadership they have provided to the Democratic caucus. It has been a pleasure to serve with you. Thank you.

Madam Speaker, as a member of the loyal opposition, I would like to thank you for the manner in which you conducted the affairs of this House. You did us proud when you didn't usurp your power by stopping the clock on the committees of conference. Nothing is politically right which is morally wrong. As Speaker, you had the responsibility to appoint committee chairs and vice chairs. I'm sure you learned the same lesson as Louis XIV, as he stated, "Every time I fill a vacant office I make ten malcontents and one ingrate." You, Madam Speaker, are a statesman. The statesman shears the sheep and politician skins them. A politician thinks of the next election and a statesman of the next generation. Under normal circumstances, the Speaker of the House carries out the governor's agenda. When the governor is of a different party, the circumstances are not normal. Now, what do you do? Again, under normal circumstances, the Speaker decides the agenda and gives the troops their marching orders. In the operetta HMS Pinafore by Gilbert and Sullivan, one segment defined marching orders well. As he stated, "I always voted at my party's call, and I never thought of thinking for myself at all." Times are changing. People are thinking for themselves, as independents, and I don't think this is so wrong. It does make it difficult for a leader. There is a Latin proverb that states that an army of stags led by a lion would be better than an army of lions led by a stag. As the first lady Speaker, you are our lioness leading a group of thinkers, not stags. If you your lips would keep from slips, five things observe with care: to whom you speak, of whom you speak, and how, and when, and where. In closing, Madam Speaker, I would like to read a poem by Edgar Guest which is one of my favorites and reminds me of you.

Somebody said that it couldn't be done, but she with a chuckle replied
that "Maybe it couldn't" but she would be one who wouldn't say so till she tried.

So she buckled right in with trace of a grin on her face.

If she worried she hid it, she started to sing as she tackled the thing
that couldn't be done and she did it.

HOUSE JOURNAL No. 25

Wednesday, June 25, 1997

The House assembled at 11:00 a.m. and was called to order by the Speaker.

Prayer was offered by Guest Chaplain, Reverend David Kerr, Pastor of the United Methodist Church in Concord.

Almighty God, as we approach Independence Day for our nation, we pray that our birthright might not be taken for granted. May we as a nation and a state be a blessing to those near and far. May freedom and justice be offered to all. May freedom be not just the absence of restraints but a call for responsibility in personal morality, social obligations, political democracy and spiritual maturity. May this body, the New Hampshire House of Representatives, be an example of wisdom, a pacesetter of justice and an instrument of good government. May they show graciousness in debate and dispute. Temper them with sound judgment and disciplined obedience. May they help us enjoy the fruits of citizenship by showing us how to tend the tree of liberty. Deliver all of us, those who elect and those who are elected, from indifference and apathy. May we be a nation and a state of builders of goodness, tolerance, compassion, obedience and human rights. O God, be with all our representatives and our governor, that they and she may truly serve Your people and walk with them feeling their pain and sharing their joy and dreaming their dreams. We pray all these things in Your holy name. Amen.

Rep. Hager led the Pledge of Allegiance.

COMMUNICATION**OPINION OF THE SUPREME COURT JUSTICES ON HB 198**

Request of the House
No. 97-217

OPINION OF THE JUSTICES

(Municipal Tax Exemptions for Industrial Construction)

June 23, 1997

To the Honorable House:

The undersigned justices of the supreme court now submit the following replies to your questions of March 26, 1997. Following our receipt of your resolution on March 27, 1997, we invited interested parties to file memoranda with the court on or before April 28, 1997.

HB 198-LOCAL (the bill) proposes to amend RSA chapter 72 (1991 & Supp. 1996) by inserting after section 72 a new subdivision to read:

Industrial Construction Exemption

72:73 Definitions. In this subdivision:

I. 'Industrial uses' shall include all manufacturing, production, assembling, warehousing or processing of goods or materials for sale or distribution, research and development activities, or processing of waste materials.

II. A town or city adopting a tax exemption pursuant to RSA 72:74 may, in lieu of the definition in this section, adopt by reference the definition of similar terms as may be contained in that town or city's zoning ordinance.

72:74 Property Tax Exemption. A town or city may, by vote of the local legislative body pursuant to RSA 72:75, adopt a new construction property tax exemption for industrial uses. The exemption shall be a specified percentage of the increase in assessed value attributable to construction of new structures, and additions, renovations or improvements to existing structures. The exemption may run for a period of 3 to 5 years following the new construction; provided, however, that the exemption for all years shall cumulatively not exceed 200 percent of the increased assessed value. Once adopted by the local legislative body, the percentage rate and duration of the exemption shall be granted uniformly within that municipality to all new construction for which a proper application is filed.

72:75 Procedure for Adoption. A municipality desiring to adopt the provisions of RSA 72:74 shall do so in the following manner:

I. In a town, the question shall be placed on the warrant of a special or annual town meeting, by the governing body or by petition pursuant to RSA 39:3, and shall be voted upon by official ballot if that town has adopted the official ballot for the election of officers. A public hearing shall be held at least 15 but not more than 60 days prior to the vote.

II. In a city, the legislative body may consider and act upon the question in accordance with its normal procedures for passage of resolutions, ordinances, and other legislation. In the alternative, the legislative body of a city may vote to place the question on the official ballot for any regular municipal election.

III. The vote shall specify the percentage of new assessed value to be exempted, the number of years duration of the exemption following new construction, and a reference to zoning use category definitions, if applicable. The exemption shall take effect in the tax year beginning April 1 following its adoption.

IV. A vote adopting RSA 72:74 shall remain in effect for at least 3 tax years. For subsequent years it may be rescinded or altered in the same manner as specified for adoption; provided, however, that for any application which has already been granted prior to such rescission or alteration, the exemption shall continue to apply at the rate and for the duration in effect at the time it was granted.

72:76 Application for Exemption.

I. On or before March 1 following the date of notice of tax under RSA 72:1-d for any year for which the exemption is claimed, a person qualified for an exemption under RSA 72:74 shall file an application with the selectmen or assessors, on an application form prepared by them, signed by the applicant under penalty of perjury, which contains adequate information to demonstrate that the applicant is qualified for the exemption.

II. The selectmen or assessors shall notify the applicant of their decision on or before July 1 following the date of notice of tax under RSA 72:1-d. The decision shall specify the amount of the exemption, that it is effective beginning the prior April 1, and the number of years for which the exemption applies to qualified construction. The decision of the selectmen or assessors may be appealed in the manner set forth in RSA 72:34-a.

III. An owner may apply for the exemption prior to construction, but in no case more than 12 months before the beginning of the tax year for which the exemption is sought. In such cases the selectmen or assessors may anticipatorily grant the exemption, subject to adjustment when the actual increase in assessed value becomes known. If construction is partially complete on April 1 of any year, the exemption for that year shall be based on the increased assessed value attributable to the partial construction, but the duration of the exemption shall be adjusted such that the cumulative amount of exemptions received, based on the construction as completed, is proportional to that received by other eligible properties.

IV. The selectmen or assessors may request such additional or updated information as is necessary to determine eligibility. If they are satisfied that the applicant has willfully made any false statement, or has refused to provide information after such a request, they may refuse to grant the exemption.

V. If the municipality completes a revaluation during the period for which an exemption has been granted, the amount of the exemption shall be adjusted by the difference in equalization ratios applicable in the municipality before and after the revaluation.

The proposed bill contains a statement of intent that "[i]t is the purpose of this act to foster the economic development of the state by enabling municipalities to encourage new construction, rehabilitation and improvement of property for industrial use through the adoption of tax exemptions, to grant flexibility to the local legislative body in determining the amount and type of exemption to adopt, and to ensure that, once adopted, such exemptions shall be administered uniformly within that municipality, so as to avoid the constitutional risk of ad hoc or discriminatory tax benefits."

Your first question asks whether "the classification of taxable property provided for in [the bill] [is] based on a reasonable distinction which promotes a proper object of public welfare and does not require any taxpayer to pay more than his or her fair share of the tax burden as required by part I, article 12 of the New Hampshire Constitution." This question is answered in the affirmative.

Part I, article 12 of the State Constitution provides that "[e]very member of the community has a right to be protected by it, in the enjoyment of his life, liberty, and property; he is therefore bound to contribute his share in the expense of such protection, and to yield his personal service when necessary."

"The legislature has wide discretion with respect to classification of taxable property. If there is a just reason for the classification of taxable property, and the proposed selection is not arbitrarily made or for the sole purpose of preferring some taxpayers to others it will be upheld." Opinion of the Justices (Current Use Reimbursement Program), 137 N.H. 270, 275, 627 A.2d 92, 95 (1993) (citations and quotation omitted).

Likewise, "the [l]egislature may provide, by general laws, for exemption of certain classes of property from taxation." Opinion of the Justices, 101 N.H. 539, 540, 134 A.2d 278, 278 (1957) (quotation omitted); see Opinion of the Justices, 128 N.H. 1, 8, 509 A.2d 734, 740 (1986) (legislature has broad power to create exemptions from taxation on a uniform basis). "In the selective process of classifying certain property for taxation and exempting other property the Legislature has a wide discretion which will be sustained provided just reasons exist for the selection made." Opinion of the Justices, 95 N.H. 548, 550, 65 A.2d 700, 701 (1949) (quotation omitted); see Smith v. N.H. Dept. of Revenue Admin., 141 N.H. ___, ___, 692 A.2d 486, 491 (1997). "The basic principle that all taxpayers shall share the public expense equally . . . is not violated by a legislative exemption of a certain class of property from taxation, in whole or in part, provided the exemption serves the general welfare." Eltra Corp. v. Town of Hopkinton, 119 N.H. 907, 912, 409 A.2d 1145, 1148 (1979); see Young Women's Christian Ass'n v. Portsmouth, 89 N.H. 40, 42, 192 A. 617, 618 (1937). "The classification must not be arbitrary, but must reasonably promote some proper object of public welfare or interest." Eltra Corp., 119 N.H. at 912, 409 A.2d at 1148.

The stated purpose of the proposed exemption is "to foster the economic development of the state by enabling municipalities to encourage new construction, rehabilitation and improvement of property for industrial use" by granting tax exemptions for a limited period of time. The State and its citizens presumably receive direct benefits from tax exemptions for industrial construction by attracting new industries into the State and keeping existing industry here, thereby creating economic growth. Since all industrial uses that meet the statutory definition may qualify for limited tax exemptions, the bill does not improperly classify property. The legislature has determined that the public welfare would benefit from the encouragement of industrial construction in the State and that this may be accomplished through the proposed bill. The purpose of stimulating economic growth is "one properly within the legislature's discretion in acting for the welfare of the state." Opinion of the Justices, 87 N.H. 490, 491, 178 A. 125, 126 (1935). We conclude that there are just reasons for providing a limited tax exemption for industrial construction and that the proposed bill reveals the purpose of the legislature is to promote the public welfare.

Your second question asks whether "the provisions of [the bill] which temporarily exempt certain real property from property taxes violate the constitutional requirements of uniformity and

equality governing the assessment and collection of property taxes and the constitutional prohibition against authorizing gifts to corporations organized for profit, all required by part II, article 5 of the New Hampshire Constitution." This question is answered in the negative.

Part II, article 5 of the State Constitution provides that "full power and authority are hereby given and granted to the said general court . . . to impose and levy proportional and reasonable assessments, rates, and taxes, upon all the inhabitants of, and residents within, the said State." The legislature may constitutionally delegate to cities and towns the authority to create tax exemptions. See Opinion of the Justices, 115 N.H. 228, 230, 338 A.2d 553, 555 (1975). "No unconstitutional delegation of authority results when the legislature establishes the terms of a general act, but leaves the determination of whether it shall have the force of law to the governing bodies of the localities to be affected or to the people themselves." Id. at 230-31, 338 A.2d at 555. Constitutionally mandated requirements for uniformity and equality of taxation would not be violated "should less than all cities and towns adopt the optional exemptions provided by the bill, with a resulting uneven system of taxation." Id. at 231, 338 A.2d at 555 (quotation omitted). "[S]ince the property tax imposed would be uniform and equal within each taxing district, constitutional requirements would thus be met." Id. (quotation, ellipses, and brackets omitted); see Opinion of the Justices, 112 N.H. 32, 35, 287 A.2d 756, 758 (1972) (tax met requirement of uniformity and equality within taxing district).

Pursuant to the provisions of the proposed bill, once a town or city adopts a construction property tax exemption for industrial uses and specifies the percentage rate and duration of the exemption, the exemption "shall be granted uniformly within that municipality to all new construction for which a proper application is filed." The exemption would apply equally and uniformly within the taxing district, thereby satisfying constitutional requirements.

Part II, article 5 of the State Constitution further provides that "the general court shall not authorize any town to loan or give its money or credit directly or indirectly for the benefit of any corporation having for its object a dividend of profits or in any way aid the same by taking its stocks or bonds." While this provision is a limitation "upon legislative power to authorize gifts by towns to corporations organized for profit," Opinion of the Justices, 95 N.H. at 551, 65 A.2d at 701, it "does not extend to the authority of the legislature by its own act to provide a uniform exemption of state-wide application." Id.; see Eyers Woolen Co. v. Gilsum, 84 N.H. 1, 8, 146 A. 511, 515 (1929) (general exemption is part of state policy of taxation, special exemption is a favor granted to a particular party).

The bill before us provides for a tax exemption, not the expenditure of public funds for private purposes. The primary object of the bill is not to aid and benefit private persons for private ends, but, rather, to benefit the public at large by increasing the resources of the State and its taxable property through the establishment of new industries. Cf. Eyers Woolen Co., 84 N.H. at 16-17, 146 A. at 519 (particular law applicable to one party only in his private capacity cannot be classified as general exemption). We accordingly answer your second question in the negative.

As we have stated in the past, "we cannot predict every issue that may be raised in an adversary setting if this bill should become law." Opinion of the Justices, 112 N.H. at 46, 288 A.2d at 700 (quotation omitted). The proposed legislation, however, "appears to us to be constitutional on its face." Opinion of the Justices, 111 N.H. 199, 205, 278 A.2d 357, 361 (1971).

REMOVED FROM THE TABLE

Rep. Hess moved that **HB 198**, allowing municipalities to offer tax incentives to foster growth in new and existing industrial construction, be removed from the table.
Adopted.

SUSPENSION OF RULES

Reps. Wheeler and Burling moved that the Rules be so far suspended as to permit action beyond the deadline on **HB 198**, allowing municipalities to offer tax incentives to foster growth in new and existing industrial construction.

Adopted by the necessary two-thirds.

MOTION TO RE-REFER TO COMMITTEE

Rep. Hess moved that **HB 198**, allowing municipalities to offer tax incentives to foster growth in new and existing industrial construction be Re-referred to Committee.

Adopted and the bill was Re-referred to the Committee on Local and Regulated Revenues.

GOVERNOR'S VETO MESSAGE ON HOUSE BILL 149

June 19, 1997

To The Honorable Members of the General Court:

I have this day vetoed House Bill 149, An Act relative to the regulation of the profession of physical therapy.

This session the General Court passed both **HB 149**, which regulates the profession of physical therapy, as well as **HB 537**, which establishes a comprehensive regulatory scheme for certain allied health professionals, including physical therapists, athletic trainers, occupational therapists, respiratory care providers, and speech-language pathologists.

I have consulted with the sole sponsor of **HB 149**, who also was one of the sponsors of **HB 537**, and he agrees that **HB 149** is not necessary so long as **HB 537** becomes law.

Today I have signed **HB 537** into law.

I have exercised my veto responsibility over house Bill 149 because it is unnecessary given the enactment of House Bill 537.

Jeanne Shaheen, Governor

The question being, notwithstanding the Governor's veto, shall **HB 149**, relative to the regulation of the profession of physical therapy, pass.

Rep. Robert Dodge spoke against.

As required by the State Constitution, a roll call was taken.

SENATE MESSAGE

The Senate has voted to sustain the Governor's vetoes on the following bills:

SB 41, relative to the time for filing requests for a hearing with the department of labor concerning violations of the whistleblowers' protection act.

SB 149, relative to the requirements that state agencies administering federal programs may impose on activities of the private sector.

SB 202-FN-A-L, relative to the certification and recertification of teachers, supervisors, and administrators, high school graduation examinations, school building aid, and establishing a committee to study school discipline and manifest educational hardship.

RESOLUTION

Rep. Wheeler offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet at the call of the Chair. Adopted.

UNANIMOUS CONSENT

Reps. Leonard, Rosen, Mirski, Rollo, Lockwood, Burling, Teschner, Dickinson and Jacobson addressed the House.

Rep. Hansen moved that the remarks made by Rep. Leonard be printed in the Journal. Adopted.

Rep. Leonard: Thank you, Madam Deputy Speaker. I want to thank all the Representatives. I have had a good year my first term here. I made a lot of friends and no enemies. Like my father always told me, there is good and bad in every party. But everybody in this legislative hall are all good. Next year, when I come back, my reading grade will be up to the third-grade level. Thank you.

Rep. Wright moved that the remarks made by Rep. Rosen be printed in the Journal. Adopted.

Rep. Rosen: Thank you, Madam Deputy Speaker. I am up here to speak about an event that is really a personal event. It affects me personally, but it ties into something I have wanted to speak about for some time. Four days ago, a man by the name of E. Scott McCuskey died. He died of a heart attack in his church pew. Who is E. Scott McCuskey? Those of you who are old enough to remember and were able to read the newspapers in 1942, 1943 and 1944 will remember him as one of the most celebrated heroes we had in the country. He was a navy fighter pilot who flew on several carriers, one of them being in the battle of the Coral Sea. He was at the Battle of Midway where he shot down five planes in one day. The Battle of Midway has been referred to by some historians as one of the three most significant naval battles in history, the others being the Battle of Lepanto and the Battle of Actium in Roman times. E. Scott McCuskey joined the squadron I was in. I was just a brand new, fresh, raw ensign at the time he came into VF8, but his enthusiasm and ability to ignite the fire in other people made for great success in the squadron that I was in. In this particular case, McCuskey was a very eager, hard-working, friendly pilot. In VF8 he continued his good works, he was a very young looking person. He was known in the newspapers at that time — this is a phrase we probably wouldn't use now, but those times were different — he was called the "baby-faced Jap killer." In this age of political correctness, we would probably phrase it more softly. But, it was a very decisive battle. It turned the whole history of the war for the United States. He was highly successful, highly renowned. After the war he had various jobs in the Navy. He finally retired in Florida. He went back to college and he got a doctorate. He was a Ph.D. He was instrumental in setting up the community college system in the state of Florida. His death was a great shock to all of us. We try to remember what he meant to us in those days. The tie-in with current affairs is, briefly, this: I get in a lot of parades on Veteran's Day and so forth and make speeches and go to schools. The present generation and I must say in the generation immediately preceding them, that is the one after me, really have no idea what World War II was. They compare it with just another war such as Vietnam or Korea. Those were not really wars where the country was fighting for its survival. In World War II, we were fighting for our survival. Nothing much happened in Vietnam. Many people think we should not have been there and I happen to be one of them. Korea was a valiant fight. We have quite a few people in this chamber that were in Korea as well as Vietnam. But nobody has an idea of what total war means. A couple of weeks ago, we had the real Memorial Day and then the one that is celebrated. We had the usual patriotic speeches and all that. They usually invite me to give those things because I can still fit in my Navy uniform which has a lot of shiny gold braid. But the most important thing is that when we have a parade I carry a sword. I am the only person in Laconia that can carry a sword in a parade. I will say that I don't try a fancy salute with a sword, I would probably put somebody's eye out now. But, anyhow, I do get a chance to talk to these people. They don't know what I am talking about. They don't know what the old timers are talking about. We've got quite a few people from World War II here and

they probably notice the same thing. What I am going to ask you to do is on July 4th and other holidays we have coming up, try to let people know what went on in the past. You have heard the old expression, "Those that ignore history are bound to repeat its mistakes." I think we should let people know the significance of these patriotic holidays. They are not just another Monday off. People should think about the history of our country. They can think about something besides owning the latest electronic equipment and which are the best mutual funds and what their golf scores are. Try and let them know what it is all about. I think that will be something a number of us, particularly a number of us in this chamber, would be able to perpetuate. I think if we do that we would probably do a lot for our country and I am sure we would make E. Scott McCuskey of World War II a very happy man. Thank you.

Rep. Stone moved that the remarks made by Rep. Lockwood be printed in the Journal.
Adopted.

Rep. Lockwood: Thank you Madam Deputy Speaker. Up until a few years ago I never really paid much attention to automobile racing, but now that the New Hampshire International Speedway has become the force it is in the town of Loudon, which is in my district, I have been paying much more attention to what goes over there and what goes on around the country. As you do that, you pick-up the vernacular of the industry. One of the terms that I have picked up is the pit crew. What I would like to do today is to stand here and offer you an opportunity to pay your respects to our pit crew. Our pit crew that I am talking about are people like Lily upstairs in the Clerk's office who would be a rich woman if she had a dime for every deadline she has allowed members to break to get notices in the Calendar. I would like you to pay tribute to Nancy who answers the phone upstairs in the Clerk's office who would also be a rich woman if she had a dime for every dumb question that is asked by legislators like, "When is the next session?" I would offer the same remarks to Dianne who takes questions about what is going on in general and always has an answer. Terry, who takes questions about, "What did we do yesterday?" She always gives you a straight answer on that. Leo, who is not here, but Leo's work that I can see, he does the grunt work. He carries the boxes in and out. That is where he went. He just carried some bills out of here. And, the pit crew boss, Karen Wadsworth. This is a crew, who among other things publishes a 2,200-page book for us every year. So, I think we should give them a resounding vote of thanks for their work and show our appreciation.
